Prime Minister Datuk Seri Najib Razak wants the Youth and Sports Ministry (KBSMalaysia) and the Royal Malaysia Police (PDRM) to obtain clarification from the organisers of the Women's Squash World Championship concerning reports that the meet might be postponed due to security reasons.

Najib said he viewed seriously media reports saying the championship scheduled for December 11-18 might not proceed because of security risks.

"KBSMalaysia and PDRM please contact the organisers and the Professional Squash Association (PSA) to understand the real situation and overcome it," he said on his Facebook.

The posting was in response to media reports saying the organisers, Hallmark Events Group, had written to PSA concerning their fears about the security situation in Kuala Lumpur just after Malaysia hosted the 27th Asean Summit and Related Summits.

Najib said the security of citizens and guests from overseas and the stability and peace of the country was always Malaysia's top priority.

Malaysia had hosted numerous events, conferences and sport meets each year without any untoward incidents, he said.

"Recently, we were the hosts to foreign delegations including world leaders for the Asean Summit and Related Summits, all of which went smoothly," he said. – Bernama, December 2, 2015.
