The Prime Minister's Office (PMO) did not buy spying equipment from a security company based in Italy, the Dewan Rakyat was told today.

"For the record, no such equipment was bought by the PMO," said the Prime Minister's Department in a written reply to a question from Chua Tian Chang (PKR-Batu).

Chua had asked whether the Prime Minister's Office bought spying equipment from a security company based in Italy in March and what was the purpose. – Bernama, November 23, 2015.
