KUALA LUMPUR, Jan 10 (Bernama) -- Prime Minister Datuk Seri Najib Tun Razak said he is recovering well from the minor surgery to remove a small benign growth on his right hand at the Kuala Lumpur Hospital (HKL) on Saturday.

In his tweet Sunday in thanking Singapore Prime Minister Lee Hsien Loong for wishing him speedy recovery, Najib said: "I'm recovering well, thank you for the kind thoughts. See you soon."

Lee in his tweet Saturday wished Prime Minister a speedy recovery and was glad to hear that the procedure was successful.

HKL in a statement Saturday said Najib underwent the operation as an out patient, and had returned home.
