KUALA LUMPUR, Feb 26 (Bernama) -- Deputy Prime Minister Datuk Seri Dr Ahmad Zahid Hamidi today launched the book about Prime Minister Datuk Seri Najib Tun Razak's 40-year political journey published by the Communication and Multimedia Ministry.

The launch of the book, titled "Najib Razak Kembara Politik - 40 Tahun' at the lobby of Menara Dato' Onn, Putra World Trade (PWTC) here was witnessed by the prime minister himself.

Also present was Communication and Multimedia Minister Datuk Seri Salleh Said Keruak.

Editor of the 100-page book, Datuk Md Afendi Hamdan, said as the title suggested, the book revolved around Najib and his political journey which began since he was 23.

"The book is about the prime minister's journey in politics which began in 1976 when his father Tun Abdul Razak Hussein died and he had to continue his father's work and legacy," he said.

Md Afendi said the publication of the book was made possible with the cooperation from the Malaysian National News Agency (Bernama), especially in providing the photographs as an addition to the prime minister's personal collection.

"In fact, renowned journalist Datuk Seri Azman Ujang, who is also former Bernama general manager, had also helped translating the book from English into Malay in just a week," he said.

The English version of the book will be distributed free-of-charge, while the Malay version can be ordered directly from Bernama.
