KUALA LUMPUR, April 5 (Bernama) -- Prime Minister Datuk Seri Najib Razak today called on PAS Spiritual Leader, Datuk Dr Haron Din who is being treated at the National Heart Institute (IJN).

Haron was admitted to the IJN last week after complaining of chest pains.

The Prime Minister earlier spent some time to visit national golfer Shaaban Hussin who was being treated at Hospital Kuala Lumpur (HKL) after being involved in an accident last Thursday.

"Spent time visiting and talking to Ustaz Haron Din just now at the National Heart Institute after visiting Shaaban Hussin at Hospital Kuala Lumpur. Let us pray together that Allah SWT looks after him and for his speedy recovery, Insya-Allah," said Najib via his Facebook account.

Najib also posted a photograph of himself talking to Haron in his room at the IJN.

Haron had previously received several treatments at the IJN due to heart complications.

Based on the information from his Facebook website dated March 29, Haron was reportedly being treated at the Coronary Care Unit (CCU) of the IJN and that his condition was becoming more stable.
