KUALA LUMPUR, July 21 (Bernama) -- The agenda and the huge plan to develop Felda and the nation as a whole will continue to be the government's top priority, Datuk Seri Najib Tun Razak said.

In fact, the prime minister said the government was confident that it would be able to implement all the development plans and transformation agendas to take the country to greater heights.

"The opposition has no agenda. All they know is...how to spread hatred against the government, (they have) no proper and clear agenda...."
