IPOH, May 23 (Bernama) -- Deputy Prime Minister Datuk Seri Dr Ahmad Zahid Hamidi today said they believed that the enforcement of the Malaysian Immigration System (myIMMs) by the Immigration Department has been sabotaged.

Ahmad Zahid, who is also the Minister of Home Affairs, said several names have been identified and will be announced by him and the police.

He commented on the note of caution given in the Auditor-General Report 2015 Series 1 on May 18 which stated that the myIMMs developed to support the main operation of Immigration Department was unsatisfactory and had instead caused the department's objective to be affected.
