BUKIT KAYU HITAM, May 24 (Bernama) -- Special legislation is to be formulated to enable the Malaysian Border Security Agency (AKSEM) to enforce security control along the Malaysia-Thailand border, said Deputy Prime Minister Datuk Seri Dr Ahmad Zahid Hamidi.

He said the draft legislation was expected to be tabled in Parliament at the end of this year.

The new act would empower AKSEM in enforcing the law pertaining to border security, said Ahmad Zahid, who is also the home minister.
