KUANTAN, Sept 10 (Bernama) -- Perkasa is predicting that the 14th General Election (GE14) will be held in May or June next year, based on several factors including the approval in principle of Parti Pribumi Bersatu Malaysia as a political party.

"I don't think that after the approval, it will take one or two more years for the election to be held as it will definitely give opportunities for the newly-formed party to gather its strength.

"Secondly, the opposition pact is still in disarray," Perkasa President Datuk Ibrahim Ali told reporters after a meeting with state Perkasa chiefs here today....
