

Dr Mahathir's Condition Improves
Bernama
Aug 11, 2016

KUALA LUMPUR, Aug 11 (Bernama) -- There is improvement in the health condition of Tun Dr Mahathir Mohamad who is currently undergoing treatment at the National Heart Institute (IJN).

According to an IJN source, the former prime minister who was admitted on Tuesday for lung infection, was still hospitalized but "his condition is improving".

He said so far, no decision had been made on when Dr Mahathir would be discharged....
