TOKYO, Nov 14 (Bernama) -- The Malaysia-Singapore High Speed Rail project will be among the issues that will be discussed during the meeting between Prime Minister Datuk Seri Najib Tun Razak and his Japanese counterpart Shinzo Abe on Wednesday.

Malaysia's Ambassador to Japan Datuk Ahmad Izlan Idris said that other matters that are likely to be discussed would be on regional security especially relating to the South China Sea and the situation on the Korean peninsula.

Najib will be making a three-day working visit to Japan starting tomorrow at the invitation of Abe and this will be his fourth visit to the Land of the Rising Sun since taking over as Prime Minister in 2008.
