KUALA LUMPUR, Oct 15 (Bernama) -- Malaysia on Friday organised an Arria-formula meeting of the United Nations Security Council (UNSC) in New York focusing on illegal Israeli settlements.

The meeting was supported by like-minded Council members, namely Egypt, Angola, Senegal and Venezuela, which joined in to co-chair the meeting with Malaysia, according to a statement from the Foreign Ministry.

In Malaysia's national statement, it reiterated the urgent need for the Security Council to use the various tools at its disposal and take urgent action to halt Israeli settlement activities which were illegal under international law and threatened the prospect of a two-state solution.....
