KUALA LUMPUR, Sept 29 (Bernama) -- Ukraine, as part of the MH17 Joint Investigation Team (JIT), will provide absolute support to the investigation in ensuring judicial responsibility is upheld no matter how long it takes.

Ukrainian Ambassador to Malaysia, Olexander Nechytaylo, said that at the end of the day, substantial evidence that will convict the perpetrators in court, was more crucial than how long it would take to complete the entire investigation.

"Now that we have discovered what weapon was used, we can go after the individuals," he told Bernama in an exclusive interview at the news agency's headquarters here today.....
