JAKARTA, Nov 8 (Bernama) -- Indonesian President Joko Widodo has stressed he will not protect incumbent Jakarta Governor Basuki Tjahaja Purnama and demanded a thorough investigation on him.

The president, better known as Jokowi said he had also instructed the republic's police chief, Tito Karnavian to conduct the investigations in a transparent manner so that it would not smack of prejudice.

"I will not protect Brother Basuki Tjahaja Purnama because it is now entering a legal process," he was quoted by online media as saying after attending a meeting at the Muhammadiyah Missionary Centre office here today.....
