KUALA LUMPUR, Nov 30 (Bernama) -- UMNO President Datuk Seri Najib Tun Razak tonight launched the book "Selected Info graphics" a pioneer publication of the UMNO IT bureau as a platform to explain current issues, explain the policies and programmes of the Barisan Nasional government.

The 100-page book contains info graphics which have been spread each day through the social media since July to November.

The info graphics cover current issues and major national events including the Budget 2017, the Rio Olympic Games 2016, 59th Merdeka Day celebrations and the 1Malaysia Development Berhad (1MDB).

The book, which will be a reference on important local and international issues and events, will be distributed to the delegates at the 2016 UMNO General Assembly.

Najib also presented awards to winners of the 2016 UMNO Website Competition which is being held for the first time by the UMNO IT Bureau, chaired by Datuk Ahmad Maslan.

The website created by Lembah Pantai UMNO was chosen as the best while second place went to Subang UMNO division and third place to Putrajaya UMNO division, each winning a cash prize, challenge trophy and certificate.
