KUALA LUMPUR, Dec 6 (Bernama) -- The Prisons Department did not allow former opposition leader Datuk Seri Anwar Ibrahim to call a press conference while in court as claimed by a news portal, said Prisons Department deputy director-general (Security and Corrections) Datuk Hassan Sakimon.

He said that an evaluation of the video clip carried by the portal found that Anwar spoke to the press while being escorted out after the end of proceedings at the Federal Territory of Kuala Lumpur Syariah Appeals Court here yesterday.

Each time Anwar was escorted to court, he said, often the officers escorting him would be blocked by pressmen and members of the public which made it possible for oral interaction to happen that was beyond the control of the department.....
