PEKAN, Aug 20 (Bernama) -- All UMNO Wanita branches and divisions are reminded to carry out their work based on the most appropriate approach in gaining the attention of voters ahead of the 14th general election (GE14).

UMNO Wanita chief Tan Sri Shahrizat Abdul Jalil said different approaches should be taken by taking into account the women's demographic groups in their areas, making it a necessity for the women machinery to get to know the voters.

"I reiterate that the women machinery should use different approaches whenever it approaches the voters.

"If we meet civil servants, we meet to have a way of dealing with them, similarly when meeting voters in the urban and rural areas, including the Orang Asli," she said.

Shahrizat was speaking at the opening of the Pekan UMNO Wanita delegates conference in UMNO Building here today, which was also attended by Pekan UMNO Division Wanita chief Datuk Zalmah Abdul Rahman.....
