SEMPORNA, Aug 30 (Bernama) -- The Sabah Barisan Nasional (BN) never 'sleeps' since being given the mandate by the people and strives to provide consistent service to them, said Sabah Assistant Finance Minister Datuk Ramlee Marahaban.

He said this proved that BN is a responsible party and was not seasonal in serving the people.

"Since winning the state in the last general election, UMNO and BN leaders always go to the ground to implement the government's manifesto,"he added.

He said this to refute claims by the opposition that BN did nothing for the state, saying that the allegation was merely to win the people's support and to slander the government.

Ramlee, who is also Sabah UMNO Deputy Information Chief, was met by reporters after presenting incentive to 167 students in Semporna pursuing studies at institutions of higher learning and 10 schools which produced excellent results in the last year's Ujian Penilaian Sekolah Rendah (UPSR), as well as stationery to students sitting for the UPSR examination this Sept 11.
