"Looking at the character of Datuk Seri Najib, I find that he is very detailed on matters that are basic for the people...understanding this I can predict that Datuk Seri Najib will add matters that can assist in improving the prosperity of the people.

"I dare to make this projection and prediction because I study the style and administration of the prime minister," he told reporters after becoming a panel of the programme 'Dialog Perjuangan 4 All', here last night.

Members of the panel also included UMNO Supreme Council member cum Deputy Minister in the Prime Minister's Department Datuk Dr Asyraf Wajdi Dusuki.

Annuar said his projection was strengthened by the fact that every time he attended a meeting of the UMNO Supreme Council or the Cabinet, Najib frequently asked those present to give the best proposal that could be implemented for the benefit of the people.
