ALOR SETAR, Oct 6 (Bernama) -- Every leader has his or her own way of leadership to suit the changing time in administering the country which should not be compared to the strength or weakness of one another.

UMNO information chief Tan Sri Annuar Musa said, in this regard the style of leadership of the prime minister cum UMNO president Datuk Seri Najib Tun Razak was more suitable in managing the country's political and economic landscape currently.

"The leader comes and suits his era. Like Tun Mahathir (former prime minister Tun Dr Mahathir Mohamad) was suitable during his era, 23-year period (as Prime Minister). After he (Dr Mahathir) was no longer prime minister, he had to accept the fact that Pak Lah (Tun Abdullah Ahmad Badawi) suited the era of Pak Lah.

"When Pak Lah stepped down, UMNO members also agreed to give (the position) to Datuk Seri Najib. Datuk Seri Najib is more suited now, and more suitable than Tun (Dr) Mahathir, who ever wants to bring (back) Tun Mahathir now has gone backward.

"...do we want to revive the ISA (Internal Security Act) like in the past, want to bring back the MACC (Malaysian Anti-Corruption Commission) which was not independent unlike presently..," he told reporters after becoming a panelist in the programme Struggle 4 All, here last night....
