ISKANDAR PUTERI, Oct 7 (Bernama) -- Perbadanan Perumahan Rakyat 1 Malaysia (PR1MA) will embark on four new projects in Johor involving 3,616 houses, in addition to existing projects here, said its Chief Executive Officer Datuk Abdul Mutalib Alias.

He said the projects will be built at Larkin Indah, Taman Pelangi Indah, Nusa Damai and Kota Tinggi here.

PRIMA Larkin Indah, as such, consists of 1,174 units of apartment and comes with common amenities such as clinic, gymnasium, kindergarten, multipurpose hall, nursery, playground, shops and surau while the PR1MA @ Kota Tinggi would see 625 landed houses while Taman Pelangi and Nusa Damai both are high rise houses.

All projects are opened for booking, he said in a statement here today.

"In line with PR1MA's commitment to deliver homes with lifestyle and community concepts for homebuyers from the middle-income group (M40), the availability of these projects would address the increasing demand of fairly priced quality homes in the state," he added.....
