BATU GAJAH, Nov 14 (Bernama) -- Parti Pribumi Bersatu Malaysia (PPBM) Batu Gajah division pro-tem chief Mohd Shirin Adenan today announced that he is quitting the party along with its 18 committee members.

Mohd Shirin said they took the decision because they were disappointed with the leadership of Perak PPBM led by Ahmad Faizal Azumu and a sign of protest to get the central leadership to pay attention to what was going on in PPBM Perak.

"The appointment of Ahmad Faizal Azumu as Perak PPBM chairman really opened our eyes as to what PPBM stands for.

"He is a greenhorn and has put PPBM Perak in a chicken without head situation," he told a press conference at the party's office here today.

He said another issue that drove them to take the drastic action was the Registrar of Societies chiding the party for not registering its youth wing Angkatan Bersatu Anak Muda (ARMADA).

"This is serious as it can lead to the de-registration of the party," he said, adding that they did not want to be in a party that is in 'such a mess'.
