KUALA LUMPUR, Oct 14 (Bernama) -- Members of UMNO's wings should equip themselves with facts to counter the opposition's lies about the government.

UMNO Education Bureau chairman, Professor Emeritus Tan Sri Dr Ibrahim Abu Shah said it was important for every party machinery to help disprove whatever the opposition says about the party and the government under the Barisan Nasional (BN), especially with the coming 14th General Election (GE14).

"Of late, the opposition has launched several attacks on UMNO. So, as the (party's) wings, we must try to answer them with facts and (use) different ways of convincing the people to always choose UMNO as the ruling party of the country," he said at the closing ceremony of an 'Education Discourse' programme organised by Puteri UMNO here today.

Also present was Puteri UMNO Education Bureau chairman Datin Azura Mohd Afandi.

This is the first such discourse programme organised by Puteri UMNO, with emphasis on leadership elements to ensure that all Puteri members possessed leadership qualities in preparation for GE14.

About 300 Puteri UMNO members attended the discourse programme.
