SEREMBAN, March 16 (Bernama) -- Prime Minister Datuk Seri Najib Tun Razak arrived here today to open the Sendayan Air Base.

He arrived at 9.20 am and was welcomed by Negeri Sembilan Menteri Besar Datuk Seri Mohamad Hasan, Defence Minister Datuk Seri Hishammuddin Tun Hussein and Malaysian Armed Forces Chief General Tan Sri Raja Mohamed Affandi Raja Mohamed Noor.

Also present were Royal Malaysia Air Force (RMAF) chief General Tan Sri Affendi Buang, Youth and Sports Minister Khairy Jamaluddin, Negeri Sembilan state executive council members and RMAF officers.

On arrival at the main exit of the air base, the prime minister signed a plaque and then pressed a button to symbolise the official opening of the airbase.

After that, Najib was led to a stage to watch a drum line performance and then to the training centre at the base where he was briefed on the project, covering 303.5 hectares, by Perbadanan Perwira Harta Malaysia (PPHM) managing director Tan Sri Lodin Wok Kamaruddin.

After the briefing and a video show on the project, Najib inspected a guard-of-honour mounted by RMAF members.

Besides construction of a housing complex, 'Rumah Keluarga Angkatan Tentera (RKAT)', for families of the armed forces personnel based there, the air base is also equipped with a sports complex, a golf course, equestrian facilities, swimming pool and an Islamic Centre.

Construction work of the Sendayan Air Base , which is about 12 kilometre from Seremban, started in 2013 to serve as a training centre for RMAF officers and personnel,

The project is part of the restructuring plan of the Kuala Lumpur Air Base at Jalan Sungai Besi, which would be developed into Bandar Malaysia.
