KOTA KINABALU, Feb 17 (Bernama) -- Only the Barisan Nasional (BN) government is capable of bringing prosperity and continuous progress for the multiracial people of the country, said Parti Bersatu Sabah (PBS) president Tan Sri Joseph Pairin Kitingan today.

The Sabah Deputy Chief Minister said he hoped that the people, especially voters, understood and appreciated the work done and progress achieved by the BN government to unite the people and keep them happy.

"We hope this situation (BN as government) continues for the prosperity of our multiethnic society.

"I also appeal to the people to understand the seriousness of PBS so far in carrying out various efforts to raise their standards, especially through BN," he said when met by reporters at the party's Chinese New Year open house here, today.

Pairin also hoped the relationship between leaders and the people would continue to be strengthened, to enable more efforts to be implemented for the benefit of the people.

Sabah Chief Minister Tan Sri Musa Aman, who was also present at the event, said he hoped the spirit of togetherness within the multi-racial society would continue, so as to facilitate the government in administering the state.
