KUALA LUMPUR, April 23 (Bernama) -- Communications and Multimedia Minister Datuk Seri Dr Salleh Said Keruak has reminded the people not to go to extreme during the campaign period for the 14th General Election (GE14).

He said the hate campaign that some people were adopting was very dangerous even though it was normal to campaign fiercely during the election period.

"The hate campaign that some are adopting is very dangerous because when the elections are over, the hate remains and does not go away " he tweeted tonight.

The Election Commission has fixed May 9 as polling day for GE14, with April 28 for nomination and May 5 for early voting.
