(MMO) – PKR should refrain from commenting on PAS' affairs as they do not what's happening within the party, Datuk Seri Abdul Hadi Awang said today.

The PAS president said that his party is getting "better and stronger day after day" despite assertions made by PKR.

Speaking to reporters after the launching of Wisma Purnama Pas in Pengkalan here, he said: "Outsiders do not know what's happening in the party and they're not eligible to judge the party.

Abdul Hadi was responding to PKR's Vice President Shaharuddin Badaruddin, who predicted that PAS would face difficulties to form the government if they win the upcoming 14th general election as they currently do not have powerful allies.

Shaharuddin said that history showed that PAS's previous successes was due to its strong alliances.

Earlier, around 200 PAS members witnessed the launching of Wisma Purnama PAS by Hadi Awang, which was constructed late last year with a cost of RM600,000.

Also present for the launching ceremony was Perak PAS commissioner Razman Zakaria and Sungai Rapat assemblyman Radzi Zainon.
