KUALA LUMPUR, July 10 (Bernama) --No need for gifts, just Happy Birthday greeting is enough.

That is the request of Prime Minister Tun Dr Mahathir Mohamad to Malaysians in conjunction with his 93rd birthday today.

"Message or wish me Happy Birthday. That's what I really appreciate," he said in an interview with Radio Bernama this morning.

The statesman, who became Malaysia's seventh prime minister after Pakatan Harapan won the last 14th General Election, also joked that he was forgetful and never remembered his own birthday.

But his beloved wife, Tun Dr Siti Hasmah Mohd Ali is a person who will always remember his special day.
