ALOR SETAR, Aug 16 (Bernama) -- The ten promises in the Kedah Pakatan Harapan (PH) manifesto in the 14th General Election (GE14) were mostly realised with the cooperation of all parties, Kedah Menteri Besar Datuk Seri Mukhriz Tun Dr Mahathir said.

Without specifying the number of promises fulfilled, he said some promises were in the implementation processes and there were also promises that needed a long period of time to carry out due to inadequate information.

"Among the promises that can be implemented are the death benefits to be launched next month including the Special Woman Fund while the chronic patient fund and the mobile syariah court have been launched," he said.

He said this at a press conference after the winding up session on the motion of thanks to the Sultan of Kedah at the State Assembly at Wisma Darul Aman here today.

However, Mukhriz said the state government would continue to seek the best way to solve the problems of the people related to the promises which could not be implemented within the 100-day period.
