KUALA LUMPUR, Sept 17 (Bernama) – Prime Minister Tun Dr Mahathir Mohamad is expected to deliver a special address at the 22nd Conference of the Electric Power Supply Industry (CEPSI) 2018 tomorrow.

Tenaga Nasional Bhd (TNB) said the biennial conference, which is the largest energy and electricity supply industry conference ever to be organised in Malaysia, would be attended by nearly 2,000 delegates.

It begin tomorrow and ends on Thursday.

It said Dr Mahathir, who was the guest of the honour when Malaysia/TNB last hosted CEPSI in 1996, would deliver a special address at the conference after the opening ceremony tomorrow.

The opening ceremony will be held earlier in the day and will be opened by Energy, Technology, Science, Climate Change and Environment Minister Yeo Bee Yin.

The conference, with the theme 'Reimagining Utility of the Future', will feature 17 high-profile speakers who would share their thoughts and knowledge on energy issues and discuss best practices on crucial issues, like global trends and shifts, future utility, sustainability, innovations, as well as a smarter future for the electricity supply industries.

TNB said with around 550 technical papers, five keynote sessions and over 100 exhibitors, CEPSI 2018 is geared to generate fruitful discussions and establish meaningful networkings among delegates from more than 30 countries.
