ALOR SETAR, Aug 25 (Bernama) – Deputy Prime Minister Datuk Seri Dr Wan Azizah Wan Ismail has reminded all Pakatan Harapan (PH) leaders who helmed the current government to discharge their duties with full integrity and not to get carried away with the posts they held.

Dr Wan Azizah, who is also PH president, said they should always remind themselves that the coalition won (in the last general election) due to its intentions to safeguard the people's welfare, especially the poor, hence the need to discharge their responsibilities as best they could to fulfill their pledges.

"...when (Kedah Menteri Besar) Datuk Seri Mukhriz (Tun Dr Mahathir) said in his ceramah before Prime Minister (Tun Dr Mahathir Mohamad) arrives just now, that the previous prime minister (Datuk Seri Najib Tun Razak) when about to face the 14th General Election (GE14), the story was always good, can win two-thirds majority.

"I believe we have been tested, have been given the mandate, hold posts, don't forget right? Don't be surrounded by people who will only tell good things. Don't forget we won based on our intentions to help the people, especially the most needy, that is our promise. Don't we forget that," she said when speaking at the state level Jelajah Malaysia Baharu programme here tonight.

Also present were Dr Mahathir, who is also PH chairman and wife Tun Dr Siti Hasmah Mohd Ali, Defence Minister cum Parti Amanah Negara president Mohamad Sabu and Mukhriz, who is also Kedah PH chairman.

Meanwhile Mohamad said public support to see Malaysia recovered to its original state was very high, which was evident in the overwhelming response towards the Tabung Harapan

Malaysia (Tabung Harapan) launched in May.
