LAHAD DATU, Sept 30 (Bernama) - Sabah's Infrastructure Development Ministry is reviewing the Pan Borneo Highway in the state, said its minister Datuk Peter Anthony.

He said the review was to look into restructuring to be done in view of leakages.

The recommendations from the review would be forwarded to the Works Ministry, Finance Ministry and the Sabah government, he told a press conference after opening the Festival Sayangi Lahad Datu @Silam here last night.

He was commenting on Works Minister Baru Bian's comments that there was a 36 per cent delay involving the project.

Anthony said his ministry had notified the Finance Minister about the matter and believed Sabah Chief Minister Datuk Seri Mohd Shafie Apdal had also updated Prime Minister Tun Dr Mahathir Mohamad on the problem.
