KUALA LUMPUR, Jan 4 (Bernama) – Prime Minister Tun Dr Mahathir Mohamad today dismissed the views of certain quarters that cooperation among the component parties of the Pakatan Harapan (PH) coalition was weak.

“Many are of the view that this coalition is weak. We are all strong; we can also work together in the Cabinet.

“Even at the PH meetings, we can discuss without too much emotion, and harsh words are not used against anyone,” he said, adding that the component parties had similar views on most of the issues discussed.

In fact, the meeting of the Pakatan Harapan Presidential Council today was conducted in a calm atmosphere, he said.

Addressing a press conference after the meeting, Dr Mahathir said the meeting also discussed the PH relationship with Sabah and Sarawak.

He also said that PH would hold discussions with the leadership in Sabah and Sarawak on the matter.
