KUALA LUMPUR, March 18 (Bernama) -- The 2019 Langkawi International Maritime Aerospace Exhibition (LIMA'19) will be a suitable platform to put forward the latest innovations and technologies of defence and military in this region and the world, said local defense companies.

Sapura Secured Technologies Chief Executive Officer Datuk Zarif Hashim said LIMA'19 obviously revolves around high-end technologies and the latest innovations, and will reinforce Sapura's leadership in advanced engineering technology and system integration competency.

“Sapura has been participating in LIMA since its inception in 1997. We take this exhibition seriously as it is a platform to showcase our technology capabilities to other foreign players.
