

## **Azmin: Trade war an opportunity for Malaysia to attract investors**

10/07/2019

KUALA LUMPUR, July 10 (Bernama) -- Malaysia has a window of opportunity to use the trade war between the United States and China to its advantage and attract more investment to the country, Economic Affairs Minister, Datuk Seri Mohamed Azmin Ali, told the Dewan Rakyat today.

With its stable environment, good infrastructure and skilled human capital, the country has the potential to become a gateway to the ASEAN market and its 650 million population.

"The trade war has provided an opportunity for Malaysia to boost the export of commodities to China, especially palm oil, which is a different choice from soy and corn oil," he said.
