

Govt surveying 13 parcels of Sarawak land for affordable homes

11/07/2019

KUALA LUMPUR, July 11 (Bernama) -- The Ministry of Housing and Local Government (KPKT) will look over 13 parcels of land suggested by the Sarawak state government for affordable housing development, its minister, Zuraida Kamaruddin, told the Dewan Rakyat today.

She said KPKT was happy to look into the proposal but it must make certain it is appropriate and won't be an encumbrance to the landowners.

“It must be strategic and located in an area with infrastructure, otherwise it will burden the B40 group,” she said.

Zuraida added KPKT will go to the location of these parcels to determine their suitability, and if not, perhaps the state government could replace them with an alternative.
