

/"When something is a copy, it is always inferior. You can go to Petaling Street in Kuala Lumpur and buy a Rolex watch for RM30 but this cheap copy cannot

live up to your expectation and the money you spent on it."

- Former prime minister Tun Dr Mahathir Mohamad on the so-called Barisan Alternatif being a copy of Barisan Nasional.

‘He’s (Datuk Seri Abdullah Ahmad Badawi) the one who played a crucial role despite becoming Prime Minister only four months ago but he succeeded in projecting a good image through his leadership. I’d like to congratulate him.’

**‘ We therefore want a strong Government,
not a weak one like in some other
countries, which topple even at the slightest
push’**
