

French sex assault inquiry into Strauss-Kahn case dropped
Reuters
October 13, 2011

PARIS, Oct 13 – The French public prosecutor’s office will not pursue a French writer’s complaint of attempted rape against former IMF chief Dominique Strauss-Kahn due to lack of evidence, it said today.

The prosecutor’s office said in a statement that evidence existed suggesting sexual assault but that pursuit on these grounds was not possible under the statute of limitations. The incident at the centre of the complaint dates back to 2003. – Reuters
