KEPALA BATAS: Muslims in the country must adhere to the values of Islam Hadhari to help achieve the goals of the Ninth Malaysia Plan.

Prime Minister Datuk Seri Abdullah Ahmad Badawi said the values of Islam Hadhari included equipping themselves with knowledge.

He was speaking at a forum *The Ninth Malaysia Plan Is For Whom?* at the Forum Perdana Hal Ehlwal Islam organised by the Prime Minister's Department at Dewan Millenium in Kepala Batas.

Some 5,000 people attended the forum, which was telecast live over RTM1.

"The Ninth Malaysia Plan is not only for the rich or for the civil servants. It is for everyone in the country.

"To achieve the goals of the Ninth Malaysia Plan, the Muslims in the country must also recognise the rights of the minorities, as provided for in Islam," he added.
