

Enough, Dr M

The Star - 29/6/2006

PETALING JAYA: Cabinet ministers and Mentris Besar expressed regret over Tun Dr Mahathir Mohamad's association with the Opposition and urged the former prime minister to cease his attacks on the Government.

In expressing their support for Prime Minister Datuk Seri Abdullah Ahmad Badawi, they questioned Dr Mahathir's loyalty to Umno in the wake of his no-holds barred outburst in the media.

They said the former prime minister's remarks were callous and could be used by the Opposition to weaken the Government and confuse the people.

They pleaded with Dr Mahathir to refrain from carrying out the open attacks on the Government for the good of Umno and the country and added that he was only tarnishing his own image by his actions.

In response, Dr Mahathir denied colluding with the Opposition and declared that he would not leave Umno as suggested by Datuk Seri Nazri Aziz.
