# ACKNOWLEDGEMENTS

The book on the Expert Roundtable Discussion on the topic “The Road to Ratification and Implementation of the ASEAN Charter”, is the third report in the publication series of the ASEAN Studies Centre (ASC) of the Institute of Southeast Asian Studies (ISEAS). It is a compilation of papers presented at the Expert Roundtable Discussion on 17 July 2008 in Jakarta, Indonesia, with the main objective of helping shed light on the subject and contribute to the public debate on it. The ASEAN Charter, signed in November 2007, was designed to accelerate the community-building process, bringing together the ten members of ASEAN as one community. The ASEAN Studies Centre hopes that the Expert Roundtable Discussion will elicit some thinking on the ASEAN Charter and its future implementation.

ASC would like to thank the Habibie Centre, Indonesia, for jointly organizing this discussion, for the excellent arrangements, and for coordinating with paper presenters and discussants. Special gratitude goes to Professor Dewi Furtuna Anwar, Deputy Chairman for Social Sciences and Humanities, Indonesian Institute of Sciences (LIPI) and Director for Programme and Research, the Habibie Centre, and Dr Ahmad Watik Pratiknya, Executive Director of the Habibie Centre, for their unfailing support for this roundtable discussion.

The ASEAN Studies Centre would also like to thank all paper presenters: Ali Alatas, former Indonesian Foreign Minister; Professor Dewi Fortuna Anwar; and Dr Rizal Sukma, Centre of Strategic and International Studies (CSIS), Jakarta, Indonesia.

Appreciation also goes to the two distinguished discussants: Professor Dr Banyu Perwita, Vice Rector of Parahyangan University, Bandung; and Djoko Susilo, member of Commission I of the Indonesian Parliament, for their invaluable thoughts on the ASEAN Charter.

The ASEAN Studies Centre owes special thanks to members of the Habibie Centre: Wenny Pahlemy, Fuadi Rrasyid, Mirad Indiar Bóhm, and others whose names are not listed here. The Expert Roundtable Discussion would have been impossible without support from them.
