# COACHING FOR BREAKTHROUGH SUCCESS

## THRIVING ON ORIGINALITY AND INNOVATIVENESS

1. The first book to feature the synergistic work of Dr. Jack Canfield, America's leading success coach and Dr. Peter Chee, Asia's global learning expert.
2. The first book to reveal a comprehensive nine-part coaching case with life changing coaching conversations that enable habit change and breakthrough success (chapters 5 - 8).
3. The first book to present an all-encompassing Meta Model that guides you in a holistic way to achieve professional mastery in coaching.
4. The first book to deliver The Coaching Principles (TCP) with 30 of the most important principles powerfully illuminated.
5. The first book to create the Situational Coaching Model (SCM) with six crucial paradigms that underlie the effectiveness and uniqueness of each coaching conversation.
6. The first book to bring together the Advanced Coaching Techniques (ACT) which resonate within eight key themes that enable you to deliver great results with coaching.
