**The Strategic Information and Research Development Centre (SIRD)** is an independent publishing house founded in January 2000 in Petaling Jaya, Malaysia. The SIRD list focuses on Malaysian and Southeast Asian Studies, Economics, Gender Studies, the Social Sciences, Politics and International Relations. Our books address the scholarly community, students, the NGO and development communities, policymakers, activists and the wider public.

**SIRD** also distributes titles (via its sister organisation, **GB Gerakbudaya Enterprise Sdn Bhd**) published by scholarly and institutional presses, NGOs and other independent publishers. We also organise seminars, forums and group discussions. All this, we believe, is conducive to the development and consolidation of the notions of civil liberty and democracy.
