

MEDIA STATEMENT FOR IMMEDIATE RELEASE

Institut Jantung Negara, 10 September.... YABhg Tun Dr Mahathir bin Mohamad continues to make steady progress into his sixth-day of post-bypass surgery at Institut Jantung Negara.

Today, Tun Dr Mahathir started consuming a full, normal breakfast of roti canai and high-energy milk.

After breakfast he had a full shower and was taken on a gentle ambulation around the bed. He will continue with intensive physiotherapy.

Tun Dr Mahathir continues to be warded at the Intensive Care Unit.
