

REMARKS BY YBHG. DATO' SRI KSN
"MALAYSIA AS HOST OF CAPAM BIENNIAL CONFERENCE &
COMMONWEALTH MINISTERS OF PUBLIC SERVICE MEETING
2014
NEW DELHI, INDIA
26 OCTOBER 2012

1. On behalf of the Government of Malaysia, I would like to express our utmost gratitude and appreciation to CAPAM for their choice of Malaysia as the next host of the CAPAM Biennial Conference and Commonwealth Ministers of Public Service Meeting in the year 2014.
2. We are indeed honoured to be given the privilege of hosting this Conference at a very significant point in the history of CAPAM, since in two years time (that is in the year 2014) we will commemorate the 20th anniversary of the establishment of CAPAM.
3. 'Incredible India' has been the rallying call to all us here in New Delhi. All of us, I believe have witnessed the charm, hospitality, rich culture and long-held traditions of India. We have also taken away many insightful lessons and knowledge from this Conference.
4. It is with much pleasure therefore that I invite all of you to savour the richness and diversity of multi-racial cultures in Malaysia when you come to our country in 2014. We are a mirror to all that Asia has to offer. If it is 'Incredible India' here in New Delhi, then our welcoming call to you is 'Malaysia, Truly Asia'.
5. Rest assured that we aim to make the CAPAM Biennial Conference in 2014 something even more special and memorable for all delegates and participants. Till then I bid you "Selamat Datang ke Malaysia" or Welcome to Malaysia".
6. Please enjoy a short video presentation of 'Malaysia, Truly Asia' and I look forward to meeting all of you in Kuala Lumpur, Malaysia in the year 2014.

Thank you.
