Para tetamu yang saya hormati sekalian,

Assalamua'laikum Warrahmatullah Hiwabarakatuh and Good Afternoon

First of all, I wish to thank Tan Sri Dato' Seri SM Nasimuddin SM Amin for inviting me to receive the keys of the Official Cars on behalf of the Government of Malaysia for the use by Heads of States and Governments attending the 10th Session Of The Islamic Summit Conference in Putrajaya, Malaysia from 11th to 18th October 2003.

Let me also on behalf of Wisma Putra and the Government to acknowledge with thanks the support given by NAZA Group through NZ Wheels Sdn Bhd for the supply of 36 units Mercedes Benz S Class. I was informed that these cars have a market value of RM 32 million.

Wisma Putra also wishes to highlight that this sponsorship by NZ Wheels is the 2nd project undertaken by the NAZA Group after the NAM Summit which was successfully held in February 2003.

Ladies and Gentlemen.

In line with the aspiration of the Government of Malaysia to make Kuala Lumpur the International Conference centre, it is the Government's hope that other corporate bodies will emulate the initiatives taken by NAZA Group in supporting international conferences and events organized by the Government of Malaysia.

Terima kasih dan saya akhiri dengan Wa Billah Hi Taufiq' Wal Hidayyah  
Wassallammua'laikum Warrahmatullah Hiwabarakatuh.
