

**ABDULLAH'S MARCH**  
**Chedet.co.cc**  
**December 04, 2008**  
**by Dr. Mahathir Mohamad**

1. When Dato Seri Abdullah Ahmad Badawi announced that he would be stepping down in March 2009 he said he needed the extra three months to complete certain missions he had set out to do.
2. These initiatives, he said, are needed "to regain the country's competitiveness, to face the challenges that the world has in store for us".
3. Among the initiatives are the reform of the judiciary, the setting up of an Anti-Corruption Commission, Special Complaints Commission, equitable distribution of the fruits of growth, strengthening and enlarging the social safety net, development of corridor initiatives etc etc.
4. It is now December 2008. So far we have seen no progress at all in any of these glorious initiatives. Instead the Prime Minister is busy visiting foreign countries with his family in the beautiful, big and new Airbus A320.
5. After announcing that there is no money to build the second Penang Bridge, the contract was signed during the PM's China visit to build the bridge after all. There is a lot of money involved here.
6. In Uzbekistan, Petronas is to invest a few hundred million Ringgit. Trips are also scheduled for Iran and Turkmenistan. No doubt more contracts and more money would be involved. Some contractors will benefit.
7. After failing to implement any of the promises made in the 2004 or 2008 elections, it looks like nothing is being done either with regards to the promise to carry out a variety of so-called reforms as mentioned in the press statement on why the PM would step down in March 2009 - three months after the scheduled UMNO General Assembly.
8. But the visits to foreign countries to sign contracts which were not mentioned in the statement are being assiduously carried out.
9. I wonder why.
10. On the political front Abdullah has been busy campaigning for his chosen candidates for the posts of Deputy President, Wanita chief and Pemuda chief and other posts which will lead to appointments as Ministers.
11. Najib is going to be surrounded by Abdullah's people and through these people Abdullah will control the Government of Najib.
12. Najib has already abandoned Muhyiddin, the fierce critic of Abdullah. He does not want to incur the displeasure of his boss. Would he refuse to appoint Abdullah's nominees? Would he dare go against them?

Spot on Sir!

On other topic, in the view of the ways that I have always conducted myself in my life, I respect people for their knowledge, courage and loyalty. For this, I respect Dato' Mukhriz Mahathir, despite character assassination against him, for his courage to propose for one national school for all. Unfortunately, this proposal has been overwhelmingly objected by the racists who, after more than 50 years of Independence, still prefer to retain the vernacular schools, language and culture of the countries of origin instead of expediting the assimilation process of becoming one true nation, who speak national language and who adopt to the cultures of the indigenous people.

I am disgusted with the people who whenever they call Malay of being racist and reject the idea of Malay Supremacy, they end up exposing the racism in them. At the same time, these racists criticise everybody for practising racial based politics.

I am also disgusted with the unfounded idea of adopting the acceptance or the victory of the President-elect Barack Obama in United States of America in Malaysia. This idea is superficial and half-thought. What they should have talked about is how the latter day 'pendatang' and minority group adopting to the American way of life. What they should have talked about is how the latter day 'pendatang' are willing to forgo their own dispositions to assimilate into the American way of life.

May God save us from these people.

Ayahanda Tun and his readers,

I have to apologise in advance for expressing my frustration on this forum. I do not have any ill intentions towards any individuals- just pure frustration.

Many Malaysians, I believe didn't expect any great changes from Pak Lah when he decided to step down. He has proven his 'capabilities' very well to the rakyat. The justification about 'completing' his missions is just another statement from Pak Lah, which many of us know doesn't carry much substance.

Malaysian politicians, especially the high profile ones are taking the rakyat for granted. The rakyat are not stupid, but perhaps ignorant or do not have the right channels to voice out their concerns and rages, or purely due to the fact there aren't many choices for the rakyat.

When I looked at the act of rage by selected rakyat of our neighbouring country and realised how they have progressed 'communicating' with their government, I cannot help but wondering if the rakyat in Malaysia can create other 'channels' to stop nuisance by certain high profile leaders.

There are many important issues on the plate that affects the rakyat's well being and advancement, which are not being addressed. Time has been wasted and so is money.

why dont we look back to the glorious ages of turki usmaniah, salahuddin al ayubi, umar abd aziz and our prophet muhammad (peace be upon him) in restoring our government.

even a western priest came to malaysia meeting with tok guru asking him on how tok guru managed to hold kelantan for almost 16 years with applying and allowing all religious operations and applications by all people in the state, with a wise management and without any single corruption recorded.

just look how long tok guru has sustained kelantan. there is no question on the poor development in kelantan as we all knew that kerajaan pusat itself has frozen the money allowance and keep denying and refusing in helping to develop kelantan.

nonetheless kelantanise people still behold with the current kelantan goverment which is pas. so do we really want development??

yes we do but only...only with a good governance..such as provided in the islamic law and islamic goverment.

this is what we call a good governance. no one can deny this.

so why bother to repair the corruptions that has been already unpolishable in our country (among umno states) while there we can apply islamic governance that ensures a better and promising values to malaysian people instead??

come here people. realise now..open up ur mind..its time for us to go back to our religion. thats the only way we can achieve prosperity. believe me..

just look back how our prophet managed his country. how usman managed his country. how abdul aziz managed his country. those are all glorious era. they all applied sincerity and equality which applicable in islamic rule.

so our we still blind?? please ppl...please...stop all these things and let we pave the way to islam.

remember islam is not only for muslim..its for all....there were also non muslims that lived happily unmanrginalised under prophet governance, under those glorious era governance..

open up your mind...our Lord is with us..dun worry..

Abdullah is going to resign soon and what else do you want from him ? I think everybody knows who is responsible for what had happened in UMNO and our country today so if you're really serious in helping UMNO you should stop criticizing and start re building UMNO....but wait a minute oo I forgot you're no longer in UMNO

Najib will bring in new faces to replace Pak Lah's RED army in the cabinet, which I believe will be announced soon after March(based from my sources)

Be it an unknown MINISTER from the unknown parties, it will be interesting to see what's next in this glorious uphillarious battle!

Dear Tun,

Many people in Malaysia are worried not so much about AAB whose administration you've spared no mercy in trying to topple. They are worried more about his successor. There are too many unanswered questions surrounding this dubious character which make him unfit to lead Malaysia. If you made the wrong mistake in picking AAB as PM, you're making a bigger mistake in forcing him to hastily hand over power to his successor now.

Unfortunately there are only so many capable leaders in UMNO. Equally unfortunately, for various reasons which may or may not involve money, the capable ones may not necessarily be the favourable candidates when it comes to election. Even more unfortunately, tradition tells us we have to restrict our options to UMNO within which to look for a leader.

Tun, you wrote about the Malay dilemma. This is not a Malay dilemma. This is a Malaysian dilemma.

Raja Petra gave an excellent speech the other day on why the present UMNO is not a viable option to Malaysians:

<http://video.google.com/videoplay?docid=-7320923984329346114&ei=trY3ScjhJJrgigKgttGuCQ>

The speech definitely made a lot of sense to me. Being a non-Moslem and non-Malay, I have no way of knowing whether the Malay psyche is truly so impenetrable when it comes to the teachings of Islam, because the evidence is clearly contradictory at the moment.

I'm tired of the garbage UMNO keeps feeding me, honestly. To me, UMNO is rotten beyond repair. It is not even possible now to gloss it over with any amount of varnish. Those who have a stake in UMNO may try to prop it up as much as they could, while they still could. I don't have any vested interest in UMNO and I'm in favour of all Malaysians completely abandoning it. Between UMNO and Malaysia, I choose Malaysia.

By AZIF on December 4, 2008 7:26 PM

Tun,

This was expected off by both AAB & DSN. Both are as guilty as the others and both are covering each other. Tun, as per your previous writing on Mac 2009, Rasuah dan Keazaman Politik, Percalonan UMNO etc.

are very obvious if one can analysed them. AAB is on holiday now until AAB March 09', In actual fact AAB has been on holiday the day Tun handed him the President & PM position. DSN will come Marching in but nothing will change as expected.

Tun, UMNO is no more relevant, because AAB, DSN, KJ and the others are making all that they can be making and have no UMNO interest at all. Its more of a personal Interest now.

Thus are we just going to watch this happening or are we all together to prevent this from happening?

Tun, something wise need to be done before something serious crops out. A vote of no confidence against all those UMNO Traitors starting from AAB, DSN, KJ and few others need to be arrange within all UMNO existing Members. I have indicate this previously and has also smell af this possibility, when indicate that even DSN will lose his Preident post in waiting if this is acted upon now and not wait as plan by AAB and agreed by DSN and MT UMNO. Awaiting now for Tun's wise moves to prevent this from happening. Please guide and advise us on our next course of action in assiting Tun on the matters. Trust us we would react on Tun's advise ASAP. Tun, still have the majority support and this is very positive support for the good of UMNO.

YAB Tun yang saya amat menghormati,

Sir, you said "Among the initiatives are the reform of the judiciary, the setting up of an Anti-Corruption Commission, Special Complaints Commission, equitable distribution of the fruits of growth, strengthening and enlarging the social safety net, development of corridor initiatives etc etc"

Sir, the Police Commission is also another item on the list. Counting all these, there are SEVEN items that need to be accomplished by March 2009.

Its 4th December today, leaving about 12 weeks till March.

There is a public holiday for Raya Haji (Dec 8th), one day off for Christmas (Dec 25th) and a day off for New Year's Day (Jan 1st).

Since you left Government Sir, the Civil Service works only five days a week now.

You say that more travels to foreign countries are also planned. So considering all this 'down time', waktu rehat etc I'd say we have about 5 working weeks left until March 2009.

So on the average, we will need to accomplish at least 1.4 of those listed items PER WORKING WEEK between now and March 2009.

Syed Akbar Ali

By yay on December 4, 2008 7:36 PM

YAB Tun,

Well..... we already know that nothing can be accomplished between now and March 2009, except making more money for his cronies, I wish that someone has a magic one that can change things in a better way.....current leadership is weak and sleeping most of the time.....NATO, no actions talk only, what progress has been achieved? corridors after corridors.....for what? but at least now the fuel cost has come down.....cost of other things remain high!!!

We will see what Dato' Najib capabilities once he takes over.....!perhaps DSAAB will be critical too.....it is hard to let go.....power is temporary...use it wisely for Agama, Bangsa dan Negara.....while you can.

Salaam.

Ybhg Tun it would be without doubt another shameless series of episode if PETRONAS funds, the Malaysian oil corporation funds, are again being abused by the current highest echelon of leadership.

Again we might never learn the full details of funds being funneled out by the current leader until there is an eventual review of PETRONAS 'intangible' slush fund to enable new business venture to be established in those far away foreign land.

But again as the current appointed PETRONAS ADVISOR you would be in a position to glean the total amount potentially disbursed to enable these new business arrangements to be established.

I am not really sure sometime why there is a need to do this "big withdrawal" out of the country coffers during conditions nearing full economic depression through out the whole world, I am sure there is already enough money in the family to last them the next 7 generation, afterall there are really not many members to the family.

Respectfully Tun I would beg of you to keep a watchful eye on at least the last few remaining Malay treasure and heirlooms, the likes of PETRONAS, PNB, Tabung Haji, KWSP, all the state Zakat collections, FELDA, FELCRA, MARA which could have already fallen prey to the desperate acts of all the common thieves, that are supposedly to have guarded with vigilance and honesty, the monies within all these funds.

I can possibly understand why a poor family man would resort to stealing or possibly taking bribe to feed his family members, but I can never quiet understand those that are already rich [an inapt description] resort to plundering savings of poor Malays saving and putting aside money for their retirement, as saving to perform the haj or robing the tithe collection which are supposed to be distributed to the destitute.

Maybe the flush savings and earning during the period when world oil prices were at the highest level was too great to resist, afterall nobody would notice the few hundred million if PETRONAS earning were maybe 4 or 5 times what they were in terms multiple billions earned during period when oil prices were not so high.

After all what is a few hundred millions, I pity the principled management and staff within PETRONAS who are innocent witnessess to the broad daylight withdrawal being made by the key custodian of the national treasures.

My own parents would probably disown me as their children if they were to know that I had stolen from the nation just to qualify myself to be call rich, what more if my parents are pious ulamas recognise for thier honesty and trustworthiness.

What a shame !! Yes maybe just maybe there will be justice for the whole nation at the end of this sad

episode - but with the CJ, AG, IGP, ACA part of the inner lining of the powerful velvet glove, and the incoming PM a mere puppet behind a full stage line up of robot Ministers, the day light "withdrawal" will probably never see the daylight.

I can only sense what I think is your frustration and disgust to what is really happening from the many sources of information that still hold you in high regards and in their believe to the remaining leader that they feel, that they can still share the detail and maybe do something about it.

Maybe Tun the miracle you expect to happen will happen and the puppet will turn against the droopy eye puppet master

Dear Tun Dr M,

Bribery is rampant and uncontrollable in Politics and Business. It looks quite certain that one would not succeed in politics and business without bribery. Here, I mean any form of bribery ie. money, position, recommendation(I meant strong) and other offers. This means we could not totally eradicate bribery buy could try to keep it to the minimum.

I presume you agree with me Tun.

Selamat Menyambut Aidil Adha.1429

Hati ada 4 compartment. Jika hati tidak dirawat dengan betul maka rusaklah ia. Allah suka pada orang Kaya yang tidak sombong dan Allah benci pada orang miskin yang sombong ! Jika seketul daging dalam diri anak Adam itu baik maka seluruh anggotanya baik jika tidak rosak semuanya iaitu hati ! Jika manusia tenggelam dalam keraguan maka itulah petanda akan berlaku mala petaka. Jika hati dah marah muka jadi merah ... jika hati kotor mata akan jadi merah..! berasap hitam dari hati ke mata dan terus ke kepala! Yang dapat merawat adalah air mata sendiri. Mengenangkan nikmat Allah yang terlalu banyak diterima ...maka nikmat manakah yang telah kita dustakan. Pelbagai kilang ada pada diri kita..kilang air liur ! kilang air mani ! kilang air mata ! dsbnya.

Kata Al Imam Al Ghazali ra. "Aku melihat air yang bertakung itu cepat rosak." jarang jarang air mata membasahi pipi mengenangkan bagaimana keadaan diri kita dihadapan Allah swt dimana tiada lagi sembilan peguam yang akan membela sesiapa. Allah mengingatkan kita jangan lupa memohon perlindungan dari Rabbun Naas ! Malikun Naas ! Ilaahun Naas ! tiga kali disebut Penguasa manusia ! Raja manusia ! Tuhan Manusia !

Tidak ada yang dapat menyelamatkan manusia melainkan yang tiga ini.

The measure of a man is what's inside. Looking in this sense, Pak Lah is challenging and perhaps strategising those against him - who knows.

Malaysian need to be prepared because I seen many (many) times that a MALAY CAN NOT HOLD to his word - no offense, because there are many Malays who are as truth as pure water.

What we have left later will be given to our next generation. But how if the "next" generation already plundering around and making mess?

I don't see how politically or economically Malaysia can survive the tsunami of GLOBAL DEPRESSION when we are already depleted capable men who can roar freely and are willing to put words to actions.

I may be mistaken... (There are brave Malays out there, but how brave can they be?)

Hello Tun ,I glad to meet you again through this column.Your comments regarding Dato' Seri Abdullah's failures in implementing the reformations he promised is worth pondering and divulging the truth for its procrastination.He has to walk the talk and must not sweep the dirt under the carpet and seek refuge going overseas on the pretext of procuring trade and business opportunities which are likely to benefit his proxies and cronies.Another sector which he has failed to address and implement were the number of development corridors he announced. Although one in Johor had taken off owing to the proximity of Singapore and the active participation of Johor Menteri Besar.I think Abdullah has to pull up his socks and chase the time allocated to him.

Tiada idea apa nak tulis kali ni. Tapi lebih suka baca kalau Tun mengupas hal-hal ekonomi negara dan dunia. Mengutuk & menyerang AAB dan konco-konco yang sewaktu dengannya adalah strategi dan perang psikologi Tun untuk menghapuskan regim AAB.Kalau memang begitu niat Tun,nampaknya ianya berkesan.Tapi rasanya lebih baik kurangkan saja kritikan dan serangan Tun. Tapi kalau Tun nak serang juga saya memang salah seorang penyokong Tun.AAB ni memanglah bodoh subjek ekonomi tapi mungkin pintar subjek sorok-menyorok. Dulu keluar arahan tidak benarkan majlis atau acara kerajaan dibuat di hotel2. Lepas tu batal balik arahan! Mana tak bodoh, kalau kerajaan tak berbelanja mana ada

duit dalam pasaran. Seperti kata Tun kalau ada projek mega dan sebagainya, penjual nasi lemak pun turut merasa. Dalam bab Ekonomi ni memang tabiklah dekat Tun.

PM Abdullah probably looks like he is busy doing something when he is somewhere abroad seen doing some negotiation or talking to other world leaders.

Here in Malaysia he seems not to be news material for reporters.

By YES MINISTER Author Profile Page on December 4, 2008 8:17 PM

Salam TUN,

Najib is being afraid of Abdullah and Khairy to spill the skeleton in his (Najib's) closet. So much so, he has to be humble to Abdullah. Abdullah has the most potent weapon to leash out on Najib regarding the Altantuya murder case based on what is reported by Raja Petra Kamarudin of Malaysia Today, that Abdullah and Khairy is in possession of the Military Intelligence Report that Najib and Rosmah is involved in the Altantuya's murder. Other than that Abdullah and Khairy is also said to be in possession of the report on the submarine and the sukhoi purchases scandal and many more other scandals involved Najib and his wife, Rosmah. Najib cannot be the next PM, he has too many baggages to carry. He must clear his name before he can take over as the next PM of Malaysia. The people's perception on him is too great to be ignored.

By Azmi Legacy on December 4, 2008 8:20 PM

As'kum Tun,

I was compelled to write to your blog after reading your comment and its relation to today's STAR on exclusive interview with PM DSAAB. I was a bit curious as to how he could do all that within 6 months - or now left with only 3 months to go.

I still wonder on two things;

1. Is he going to merely start the initiatives mentioned and let DS Najib to continue? It seems to me that probably that is all that can be done anyway within such a short period of time. I thought that with what is going on with the country politic-socio-economy, any new PM will anyway do what DSAAB mentioned. Even without new PM, incoming, somebody in the government will have to initiate the mentioned actions, anyway - so it is not somethings that are uniques.

2. Aren't you yourself compelled to be directly involve and help out or call/challenge for a debate in the open with DS Najib & TS Muhyidin - whatever it takes for the sake of the country? My super naive view and others that I know still think that your goodself, DS Najib and TS Muhyidin are still on the same track and have pretty much the same perspectives on how things should have been done - politically, may be DS Najib has to do what he has to do to show obedience to DSAAB - by answering to issues politely. But with the constraint of only 3 months to go, I would think without doubt that if you, DS Najib and TS Muhyidin were to get together in the open somehow, most of Malaysians will be very happy and even supportive - may even feel good about UMNO again and may not even hurt DSAAB too much. Then, may be even DSAAB will yield his position - it will be good if everything at least appear to be in good term - regardless of whatever happened in Uzbekistan, Iran, etc - that's may be speculatively already too late anyway.

Of course I also wonder if you have already done that, too (and everybody just wouldn't respond - just being safe). I also wonder what more UMNO alliances will say.

Wassallam.

Dearest TUN,

I wish to comment on statement no.12. You mention that Najib would not want to incur the displeasure of his boss. I think otherwise.

I believe that if Najib does that, then, it would CONFIRM the rumours that has been spreading all over regarding the Ayantula's case and other dirty laundry that AB has on him. Najib would only be the puppet of AB and would bring UMNO lower than what it is now and I would say, to the point of no return.

Sincerely, I do not want this to happen for my beloved country, Malaysia sake. What is happening now is bad enough. Hopefully, Najib IS his own man and nobody's fool. Hopefully, he has his own vision to take our country to a higher level.

May ALLAH bless you & family with good health always.

ASSALAMUALAIKUM AYAHANDA TUN...

SAYA AMAT-AMAT KECEWALAH AYAHANDA TUN DENGAN PAKLAH. NAMPAK DAN JELAS PAKLAH TIDAK ADA MEMILIKI PEMIKIRAN YANG MEMANDANG KE DEPAN SEPERTI AYAHANDA TU.

SAYA BOSANLAH APABILA MELIHAT PAKLAH BERUCAP BAIK DI MANA-MANA DIA BERUCAP. UCAPAN PAKLAH LANGSUNG TIDAK ADA ISI. MERAPU MACAM-MACAM, ORANG MACAM NI KAH NAK MENJADI PEMIMPIN. INILAH SIKAP SEORANG PM YANG TIDAK SUKA MEMBACA DAN TIDAK TAHU APA-APA. PALING KURANG PUN PAKLAH HENDAKLAH MEMAHAMI DAN TAHU SETIAP MAJLIS YANG DIA HADIRI. INI TIDAK BERCAKAP IKUT SEDAP RASA. PENING-PENING.

MASA AYAHANDA TUN MENJADI PM, JIKA AYAHANDA TUN PERGI KE LUAR NEGARA ATAS URUSAN RASMI NEGARA, AYAHANDA TUN BUAT KERJA 200%. TIADA SEORANG PEGAWAI PENGIRING PUN ADA MASA UNTUK ENJOY. PAKLAH NI LAIN SIKIT DIA TERBALIK, BILA DAH KE LUAR NEGARA ITULAH MASA REHAT DAN ENJOY BAWA SEMUA KELUARGA DIA MELIHAT DUNIA LUAR.

JAMBATAN PULAU PINANG 2, SUATU MASA DULU LIM KIT SIANG PERNAH MENENTANG PEMBINAAN JAMBATAN PULAU PINANG,KINI MEREKA BERIA-IA HENDAK JAMBATAN INI DI BUAT, TERUTAMANYA ANAKNYA LIM GUAN ENG. KENAPA PM CHINA MELAWAT ?. SEMUA ADALAH KERANA POLITIK DAN MENJAYAKAN AGENDA PARTI. BIJAK-BIJAK OOO..!!!!!!.

DALAM DIAM-DIAM RUPANYA PAKLAH NI BAHAYA JUGALAH AYAHANDA TUN, DIAM-DIAM UBI,DALAM DIAM BERISI. 2 X 5 DENGAN MENANTU DALAM CERITA MADU 3.

WALAU APA PUN NAJIB DAN MUHYIDDIN KENA BERUBAH DAN MESTI BERANI BERUBAH DEMI

UMNO. JIKA UMNO GAGAL BERUBAH DAN DI UBAH MAKA KEHANCURAN DAN PERPECAHAN ORANG MELAYU AKAN BERLAKU.

KEPADA DATUK NAJIB, FIKIR-FIKIRLAH CADANGAN DATO' MUKHRIZ TENTANG SEKOLAH TU. JANGAN TERLALU CEPAT BERKATA TIDAK SESUAI. PADA MASA INI CADANGAN DATO' MUKHRIZ ITU ADA BAIKNYA FIKIR-FIKIRLAH.

SAMMY VELLU DAN TERESA KOK DUA MANUSIA YANG BELUM FAHAM ERTI DAN MAKSUD BAHASA MALAYSIA. PERLU BELAJAR LAGI BERBAHASA MALAYSIA, SUPAYA APA YANG DATO' MUKHRIZ CUBA SAMPAIKAN DAPAT DI FAHAMI DENGAN BETUL.

Pada mulanya, khalayak jelata merasa lega dengan Najib yang bakal menggantikan Pak Lah nanti.....,

Tetapi, melihat kepada telatah Pak Najib pula....., kemampuan beliau untuk bebas dari Pengaruh Pak Lah memang dipertikaikan,

Kini, khalayak jelata kembali merasa gusar akan masa hadapan negara,

Boleh kah rakyat mengharapkan perwakilan UMNO yang korup itu untuk memilih pemimpin yang baik untuk mereka?,

Atau boleh kah diharapkan kepada badan perundangan yang turut dikuasai oleh pemimpin UMNO yang korup untuk memberikan mereka perlindungan?,

Atau....., rakyat terpaksa mengundi "Parti Lawan" walaupun belum tahu tahap mana kebolehan mereka manakala keikhlasan mereka masih dipertikaikan.

Tun,

May Allah bless you. Show us the way to get out of this nightmare. Hope we can stand tall like during your time. Back then we are proud to be Malaysians because you showed the whole world that Malaysia

Boleh. You're the man.

Dear Tun,

Don't under-estimate Najib. If nice guy DSAAB can change your earlier decisions(e.g remember the causeway), I don't quite see why Najib can't do the same to Abdullah's initiatives. However changes incur costs; the country and rakyat will suffer.

Pak Lah tengah berseronok abiskan duit rakyat. Lagi 3bulan, ini je peluang menikmati kehidupan sbg PM.. Harap Najib gunakan sepenuhnya peluang kembalikan UMNO di mata masyarakat MALaysia khususnya kaum Melayu. Digandingkan dengan TS Muhyiddin, Insyallah UMNO & BN akan kukuh dan kembali menang dlm PRU ke 13..

Abdullah's spin doctors must be doing really well during this time of recession. During his tenure, I'm seeing his political moves as childish, concerned for the short term gain for him and his family rather than the long term benefit of the country.  
I hope when he finally step down as PM, someone will have the guts to do an inquiry, just like what was done to Thaksin in Thailand.

Assalam mualakum

Dear Tun,

Pak Lah's trip to Uzbekistan, Turkemistan and iran recently was not for the benefit of the country and the rakyat BUT more for SCOMI Tun !! He has to prepare this before he steps down in March 2009 ( if ever he steps down )

As for Najib, since way back in 1987 when he was at one time an ally to Tengku Razaleigh, I keep maintaining that he is a WEAK leader. But i do not understand why Tun keep on mentioning his name as the next successor. Not only that he is weak but the rumors in the market says that he is more or less controlled by his wife (wallahualam )

So to me all of us especially the Malays are just waiting for the demise of UMNO. Maybe in the next 2 years.

We the rakyat cannot rely now with our UMNO leaders starting from the Branch, Division up to the Top..ALL of them are Money matters people who only cares for their own survival !!!

This is the REAL MALAY DILEMMA

Assalamualaikum YABhg Tun.

Harap menjadi yang pertama menghantar komen. Doa dan harapan sy Tun sekeluarga sihat walafiat selalu.

Sy harap DSNR menyedari kesilapan yang lepas dan tidak akan mengulangi kesilapan yang sama.

Samada DSNR nak memperbaiki dan memperkasakan UMNO atau memusnahkan kariernya sendiri. Pd pendapat sy DSNR tidak patut untuk menghindari TSMY sebegitu. DSNR patut ada pendirian sendiri dan memahami hasrat ahli-ahli akar umbi. Kepercayaan dan harapan ahli-ahli akar umbi harus diberi keutamaan. Jgnlah jadikan UMNO tidak dihormati atau relevan.

DSNR harus hapuskan politik wang yang berleluasa dalam UMNO. Harap beliau bekerjasama dgn TSMY membaiki kemusnahan UMNO. Tun telah berusaha dgn cara Tun tersendiri kini tiba masa DSNR buktikan beliau setia kepada UMNO dan ahli-ahli akar umbi bukannya balaci kepada Presiden. Beliau kena berani.....

Apa pendapat YABhg Tun????????????????? Do DSNR have such guts? I wonder..... Amat malang jika DSNR tidak seberani arwah bapanya. Sy look high upon him but he really let me down.

YABhg Tun

Sama-samalah kita doakan berlaku perubahan sebelum hujung tahun ini.  
Amin.

Pak Lah ingin memastikan bahawa konco-konco beliau akan masih menguasai pentadbiran negara selepas persaraan beliau.

Pak Lah takut Najib akan buat macam mana Pak Lah buat pada Tun. Pak Lah takut Najib akan membatalkan semua keputusan dan inisiatif yang dibuat oleh Pak Lah, sepertimana dia telah lakukan terhadap Tun. Pak Lah takut konco-konco beliau akan dipinggirkan sepertimana Pak Lah mengekang dan membatalkan kontrak yang membatitkan mereka yang dilihat rapat dengan Tun di zaman pentadbiran Tun dulu.

Pak Lah takut balasan "cash" akan diterima olehnya kelak. Pak Lah takutkan bayang-bayangnya sendiri.

salaam..

tun strike one bird with multiple stone..  
may lead most of us to losing focus..

1-pak lah's 3-months-reform

i'm not sure if anybody bought this propaganda.. but to me, its simply a bullshit..

2-foreign business deal

its already a common joke that 'government has no money' means 'they didn't get any money'.. and i'm not laughing..

3-controlling najib

who said 'the change' is for better? its merely changing from one bullshit to another.. i wanna see if najib dare to sack muhyidin when he face tun previous situation..

bottomline.. this is the price we hafta pay for experimenting democracy in pru12.. don't expect much until next election.. its only re-positioning in progress..  
By IH on December 4, 2008 9:28 PM

sir,

Tun, please do not speculate and painting a bad picture again and again while constructive critics are ok, but BN has already got the message loud and clear.

Can already been seen in the MCA leadership (except for winning in low moral Chua but the President has made the right move). Hope Umno, MIC and other will follow suit soon.

Continuously hammering and continue painting already bad picture will make the picture a permanent damage beyond repair.

Wondering is this what Tun wants also?

All these are political move by Najib for obeying AAB now and a good move also to paint to all the BN members that things are ok. There is no need to head-on now when the time is another 3 months away...just like AAB did to you.

I strongly believe he will bring back the BN to a proper path as soon as he is in the driver seat.

% mengundi = 25 %  
BN = 550 undi  
PKR = 550 undi  
Bebas = 10 undi  
Undi Rosak = 1,090 Undi

Just give DSN a chance and see the first 100 days of his tenure...

Tun

aren'y you concerned that the PM's timing to leave might actually hamper his ability to deliver on some of the promises he pledged?  
As a Malaysian, it's more important to me that my elected leaders are given the right support to deliver on their promises.

Painting them in an inaccurate light is where you place your priorities, and you're deeply concerned, that your little baby Mukhriz and your henchman Muhyiddin won't be heading UMNO Baru.

Well sir...the PM in my view will deliver on his key promise and have judicial reforms in place. The judiciary will then have the power to review allegations and cases in an unbiased setting.

Your past shenanigans will come to light and you will be exposed as a fraud.

The people of Malaysia will be divided on their interpretation of you as a decent person. My view, there will be more who will heave criticism against you (as a person, politician).

Once the countless allegations against you is proven, you will have no legs to stand on sir...so I suggest, take a deep breath before you write your next disparaging and inaccurate comments...because the more you try to portray your sincerity, the harder the impact will be when it becomes visible you're not!

Dear YAA TUN,

We must be careful about what we wish for because it may come true. Once the trip downhill begins you and I will not be able to stop it as it will have a momentum of its own. We are now in the year 2008 and we all look very modern on the outside. But, unfortunately, we all have a prehistoric brain that belongs to the year 1957.

I hope that level heads will prevail and we will be able to take our country pass the Republic of Korea, which was behind us in the 70s, in fifty years from now.

Akum Tun dan semua.

Pertama tama TAHNIAH pada TUN kerana akhirnya sekali lagi kenyataan dan telahan TUN dalam soal iraq "WMD" jelas benar dan tepat yang mana akhirnya George Bush sendiri mengaku akan kesilapan dalam menyerang IRAQ. Dulu seolah2 TUN berkeseorangan dlm menentang pencerobohan di IRAQ tp akhirnya apa yang dinyatakan TUN adalah benar dan akibatnya US dan seluruh terpaksa mengalami krisis ekonomi yang agak teruk. TAHNIAH TUN (pandangan TUN selalu tepat dan jauh).

kalau memang betul apa yang dikatakan TUN bahawa TS Mahyudin dah di lupakan oleh DS Najib, maka ini jelas malapetaka dlm UMNO akan berlaku jika Ts mat taib atau Ds Ali jadi timbalan PM.

Apa2 pun saya yakin ramai perwakilan UMNO akan memilih TS mahyudin berbanding dgn calon lain kerana kebolehan Ts mahyudin yang jauh mendahului saingannya.

tidak ada aura untuk menjadi PM. Tapi kenapa Tun pilih Pak Lah sebagai pengganti Tun? Kenapa? I think Umno leaders failed to understand your call that nothing will work with this idiot except for being given the boot.

That will be the only thing that will make him get the message that people are sick and tired of him.

Umno leaders failed to do it after the March GE and are again failing when it matters the most.

All this face saving nonsense won't work with him. I pray that Umno members will revolt to put things right.

If it means putting to pasture a lot of the leaders so be it.

Salam Tun,

1. Perjuangan duniawi semata-mata + nawaitu yang tidak betul = kehancuran dunia dan akhirat
2. Pemimpin yang tidak berilmu akan membawa bencana kepada yang dipimpin

Perjuangan perlu diperbetulkan, nawaitu perlu disucikan, pemimpin yang berilmu dan yang terserlah bukti kepimpinannya sahaja mesti diberi mandat. Ya, idealistik, mungkin naive juga.

Kepada ALLAH kita berdoa agar negara tercinta terselamat dari kehancuran. Doa adalah senjata orang Islam. Saya anjurkan agar Tun dapat menghimpunkan orang Islam untuk berdoa kepada ALLAH swt

untuk mengatasi keadaan kepimpinan negara.

Ameen.

Yup... Notice that!! Masyaallah!!

Jangan jadi macam Negara jiran dah lah kiter nih!!!

Their Prime Minister tu ousted kerana money scandals... yang maner terkorek semua sekali selepas kehilangan kuasa.

Orang tu tak takut ker sikap buruk dia akan di korek lepas dia turun kerusi PM!!!! Seperti di ibaratkan macam durian.. durian tu memang sedap tapi berduri ..andai dibiarkan lama sikit akan jadi tempoyak!!!

Walau apa sekali pon resmi durian ni akan dapat di hidu dan tak boleh di sembunyikan walau di bungkus dan di letak dalam peti besi sekalipun.

Ya betul ramai orang suka durian tapi dengan bau kuat yang berterusan akan buat orang tidak selesa dan tidak senang duduk.

Sebenarnya rakyat tidak melihat apa perlunya masa tambahan 3 bulan hingga ke march itu. Jika Pak lah telah gagal lakukan perubahan dalam masa lima tahun ini apakah ada tongkat sakti membolehkannya melakukan perubahan dalam masa 3 bulan !!! Hanya satu saja iaitu memastikan keluarga dan kroninya menang dalam pemilihan akan datang serta mendapat tempat. Saya melihat parti kita UMNO akan merudum kalah dalam pilihanraya akan datang kecuali setelah DS Najib naik dan dia ada keberanian untuk buat perubahan iaitu pemilihan pemimpin Umno hendaklah dipilih terus dari ahli dan bukan G7 saja. Semoga UMNO DAPAT BERUBAH SEBELUM TERLAMBAT... Parti LDP Jepun, Parti Golkar Indonesia, Parti Kongress India semua telah tewas, jangan la dah terantuk baru tengadah.

Dimulakan dengan sistem pendidikan di tadika, pra- sekolah para ibu bapa telah cuba memberi masa depan yang terbaik kepada anak-anak mereka ini.

Semasa waktu ini, kebanyakan ibu-bapa melayu lebih suka menghantar anak-anak mereka ke tadika-tadika awam, atau tadika kemas dan kadang kala ke surau-surau yang mempunyai pra-sekolah.

sementara kaum cina pula menghantar anak-anak mereka ke tadika-tadika swasta yang lebih moden yang menyediakan perkhidmatan termasuk penjagaan selepas waktu kelas dan juga khidmat penambah nilai seperti kelas muzik, kelas bercakap, kelas mempertahankan diri.

sementara kaum india pula telah diasuh untuk masuk ke tadika komuniti dan ada juga segelintir yang tidak masuk kemana-mana sistem pendidikan awal pra-sekolah.

ini disebabkan budaya kaum india yang melihat ibu-ibu kaum india ini lebih suka mengasuh anak-anak mereka melalui pendidikan di rumah sahaja. Proses menjaga dan mengasuh ini dilakukan tanpa henti melalui pelbagai proses dirumah.

dewasa ini, kaum ibu bapa muda, yang terlalu memilih kerjaya dan selalu meletak tanggungjawab mendidik anak-anak kepada para datuk dan juga nenek kepada anak-anak kecil ini,

situasi ini bertambah parah, apabila terdapat ibu-bapa yang melepaskan anak-anak ini kepada pembantu rumah sepenuhnya yang tidak mempunyai pertalian darah kekeluargaan dengan anak-anak kecil ini.

apabila masuk ke sekolah, ibu-bapa kaum melayu ini menjadikan sekolah kebangsaan sebagai satu pilihan atau lebih kepada satu kemestian, sukatan pelajaran yang digubal adalah sama untuk semua sekolah serata negara.

kadangkala, apabila sistem pendidikan berlandaskan ajaran islam dititikberatkan, timbul idea untuk menghantar si anak-anak ke sekolah agama atau lebih dikenali sebagai sekolah agama rakyat dan sekolah pondok.

kaum cina pula sering menghantar anak-anak ini ke sekolah jenis keb cina yang mempunyai kurikulum

dari negara tanah besar cina sendiri.

sementara kaum india pula akan menghantar anakanak mereka ini ke sek jenis tamil yang kurikulumnya adalah sukatan dari negera India sana sambil ada penerapan dari sistem sek keb.

apabila masuk ke sek menengah, terdapat opsyen untuk melanjutkan pelajaran ke sekolah berasrama penuh. peluang ini banyak diambil oleh kaum melayu kerana rata-rata sek-sek berasrama penuh ini terletak jauh dari kawasan bandar,

tetapi atas dasar untuk penyertaan semua pihak kuota ini telah dibuka untuk menjemput kaum lain menyertai sekolah berasrama penuh ini, tetapi menggunakan alasan untuk meningkatkan kompetensi pelajar ini.

apabila pelajar ini berada disekolah, mereka akan terbahagi mengikut tahap intelektual mereka ini dan diasingkan bermula seawal darjah satu dan diteruskan tidak kira di sekolah manapun hingga tamat belajar.

(Penulis masih ingat bagaimana penulis yang pernah masuk ke kelas pertama dan juga kelas terakhir)

proses pengasingan ini telah menjadikan para pelajar ini tergolong di golongan tertentu yang melihat golongan yang lemah tidak dibenarkan bercampur gaul dengan golongan yang lebih baik.

apabila masuk universiti atau lebih tepat sistem pembelajaran peringkat pengajian tinggi, mereka diasing mengikut kursus yang mereka ikuti.

dan apabila menamatkan pelajaran selepas 23 tahun, adakah mereka boleh bercampur gaul dengan baik setelah proses pengasingan, penyaringan, dan juga proses penarafan golongan ini seawal usia muda mereka,

kita sebagai kaum muda, kaum tua, ibu- bapa, anak-anak, boleh melihat sekeliling kita sahaja, tidak perlu menjenguk jauh, dimana anda ketika ini.

adakah anda bersendirian atau bersama-sama bekerjasama untuk membina negara tercinta ini.

This is what we call POLITIC

By rumpelstiltskin on December 4, 2008 10:52 PM

Salam Tun,

Saya sebenarnya sudah teramat muak dengan pemerintahan Pak Lah. Jika kita perhatikan, tidak ada sedikit pun hasil yang baik untuk agama, bangsa atau negara semasa pemerintahan beliau. Kerakusan beliau memanfaatkan kaum kerabat tidak berpada-pada sedangkan nasib rakyat, terutamanya orang Melayu diabaikan.

Tetapi yang lebih menyedihkan adalah UMNO. Sepatutnya selepas 'kekalahan bersejarah' pada pilihanraya yang baru ini, ahli UMNO cepat sedar dan buang sikap2 dan budaya2 buruk dahulu. Wujudkan imej baru, wawasan baru dan tarik orang Melayu untuk kembali kepangkuan parti. Namun sebaliknya pula yang berlaku. UMNO terus dibelenggu rasuah. Imej semakin buruk. Orang Melayu makin dicabar dan tersisih. Ahli UMNO masih dibuai mimpi yang mereka masih berkuasa. Masih seronok bermain politik. Langsung tidak sedar yang setiap 10 sen rasuah yang mereka terima akan membinasakan masa depan orang Melayu.

Rayuan saya pada ahli UMNO, hentikanlah tabiat2 dulu. Orang Melayu tak ada lagi ruang untuk politik. Kembalilah memimpin bangsa. Untung nasib anak bangsa ditangan anda.

Assalamualaikum Tun,

Firstly I would like to wish Tun and family a Happy Hari Raya Haji.

DSN must buck up and stand on his own principles. I won't want a weak leader to be the PM of this beloved country. So shameful la. How to face the world! Maybe he has his own strategies. It takes years to be where he is now. I don't think he and his loyalties are going to let everything vanish just like that. That goes to Pak Lah and the gang too.

Wonder too why DSN cannot chose his own people? Is someone holding on to his neck? Is he fearing something or someone? This politics is like a domino, if one falls everything or everyone will fall with you.

These people asked us to plant at our backyards, eat yam and change our lifestyles but just look them, traveling here and there and spending lavishly, eating like a king, whereas some people scarcely have food on their table. Alas, so many times these things have been said. Do they listen or care?

You care Tun that is why you endlessly fight to be heard.  
Don't tire yourself Tun And May Allah Look Upon You Always.

Assalamualaikum YBHg. Tun

Pendedahan Ybhg. Tun amat menarik sekali dan kami diperengkat bawah amat sukar nak buat sebarang kesimpulan tanpa maklumat sahih seperti yang didedahkan oleh TUN. Walau apa pun saya lihat senario politik tanah air akan menjadi bertambah kelim kabut dan pastinya UMNO akan menjurus kepada kehancuran. Jelas sekali pemimpin UMNO lebih kepada mementingkan diri sendiri. Apa akan jadi kepada orang Melayu yang tidak ingin berpati atau yang tidak menyukong UMNO/BN. Nampaknya kemelut UMNO tidak ada kesudahan dan ianya amat merugikan Melayu. Sama sama lah kita renungkan keadaan ini. Kemanakah dan kepada siapakah bangsa Melayu hendak mengadu nasib apabila mereka sendiri menjadi pendatang dan merempat di Tanah Melayu. Kami amat sedih dan risau akan masa depan anak dan cucu kami sebab kami adalah dari gulongan orang Melayu yang kurang dalam serba serbi.

Salam dari saya

Habislah Najib. Habislah UMNO. Selamat jalan kerana semuanya akan tenggelam.

Wahai semua orang Melayu, bersiap sedia dengan malapetaka yang akan menimpa. Hanya akar umbi UMNO yang mampu menukar nasib kita.

Wahai Panglima Angkatan Tentera Malaysia bersiap sedia untuk menghentikan musibah yang akan menimpa pada negara.

BPR, anda mempunyai tugas yang agak berat. Buka mata dan lapangkan dada. Siasat ke lubang cacing siapa dalang peruntuh negara. Pastikan martabat Melayu tidak runtuh akibat rasuah yang berleluasa.

Wahai Ketua Polis Negara, kerahkan tenaga, bantulah BPR dan bantulah Panglima Angkatan Tentera.

Wahai perajurit bangsaku bangunlah bersama-sama Panglima mu sekiranya perlu.

Doing what is true, what is right, what is fair no longer applies in Malaysian politics...

Its all about who your friends are, and whats in it for me... not what the public thinks.

Tun, you have used the word fail in point 7. BN will fail to win the next General Election. Its a good thing you left UMNO when you did. That party is a failure at all levels.

Are there any other failures and short comings of this current administration? I could write a book about it.

I supposed you have seen Clint Eastwood movie where the story about him and his companion a chimpanzee. The title something like this "Every Which Way But Loose (1978). Tun if Najib have guts, by

now he should have taken action to press AAB out of office and bring forward the UMNO election to Dec 08, officially he already UMNO boss right?. Is UMNO making another blunder? Anyway btw you and AAB at least there one similarity that is the habit of choosing the wrong guy for the right job. You chose AAB and AAB choose Zaid. Ha ha what a Joke.! Btw AAB and Najib, as in the Clint Eastwood movie who's playing the chimpanzee?

Salam hormat buat Tun.

Tun, you posed questions that irritate us all about the future of Malaysia and UMNO under Najib. With your latest article, now I really doubt Najib's ability to manage Malaysia independantly with AAB playing with time to manipulate the future of Malaysian politics by placing his inner circles around Najib. Looks like Najib is showing total obedient to AAB or is it just NR's strategy to buy time and pacify the devil. Wallahualam.

The devil must be ostracized now by hook or by crook before he incurs more damages. I doubt NR dare to initiate the act.

By Che\_An on December 4, 2008 11:44 PM

Salam Tun,

I guess it's just typical of the current leadership to preach and portray the reason to continue being in power to be as noble as it could be but in actual fact it's not. Four years ago most people would 'buy' into such idealism very cheaply, but it may not be the case nowadays. Yet still those who have the collective power to do something dare not do anything. One has to wonder why. Such people deserve no respect. However, regardless of what people say of him, I believe (and hope) that DRNTR would make the right choice when the time comes.

Semoga Tun sihat selalu!

Honourable Tun,

DSN as predicted is unreliable, just as AAB, This can be seen on the day UMNO & BN lost Penang,Kedah,Perak & Selangor.If DSN is a sincere UMNO Leader DSN would have earliar objected to UMNO & BN downfall which is the main failure for AAB & KJ wrong doing.DSN is not a true UMNO leader as his late father.

DSN guilts as we all know is his swaying and others which need not be mention here, but has been the everyday story amongs all Malaysian. Thus staying with AAB and still supporting AAB is the only right for DSN to accomplish his ambition.Both AAB& DSN is at all not bother if UMNO will lose the next election come PRU 13.As earlier mention by Tun, The crooks will by then make their commission as well as of their family members.Tun the result would be shown much earlier come the election in Trengganu where Mat Sabu would be contesting as announced by Nik Aziz.UMNO will lose and UMNO will lose & lose and by then is beyond repair.

Tun, has called the shots, and more shots need to be called by those within the MT UMNO now.AAB must no more be entertained to be the President of UMNO now.AAB knows this, as I and many others have personally / individually entered into his web site warkah untuk PM seeking him to resign for the

good of UMNO. Now the web site is closed and AAB cannot tolerate this anymore. AAB as known is, and will always be incompetent as a leader not only weak but insecere in keeping with all his promises. AAB will and never be a respected man for Malaysia. Sorry, but this is the fact of which AAB has and will never ever be respected. If AAB need to be respected first of all AAB must apoligised to Tun, followed then to the Agung, and finally to all Malaysian. If AAB is a real Hero he must apoligised soon because if not for Tun, AAB would not be what AAB is now. That is the actual fact, and truth if AAB is a true Islam Hadhari Hero. Any normal Malaysian living in Malaysia very well knows of this and AAB is playing deaf, dumb, mute, silence elegance ignoring all of his wrong doings supported by DSN, KJ and few others. UMNO candidates must act fast and if possible protest with the majority from variuos states all proceeding to KL for this to happen ASAP before 2009. Tun 22 years, and proven abilities cannot be denied because all this has can be seen, read and hear. Tun for the mistake in nominating AAB is forgiven, and now for the removal of ABB need to be achieve soonest. Tun, SUPPORTING ALWAYS ON INSTRUCTION. just awaiting for the the next course of action. Azif UMNO Johore with vast supporters for Malaysia 2020. Salam Tun, Family & Honourable Chedet Bloggers. Mission Possible for UMNO & BN.

I know these are serious stuff; but I've to smile when I read Tun's post today.

"Let's call a spade, a spade"

"Grab the bull by its horn"

"Tegak pada yang datar, berani kerana benar"

Again, we're seeing the classic Tun. Single minded and focused. Let the Evolution continue - please don't stop Tun. Our people has evolved in the last 24 years - we are slowly coming out of our shell and look around us and we're seeing individuals standing tall. Yes, we are still work-in-progress but, masya-Allah, you have played a big role and today I'm proud to be here and be a dot in the making of our nation's history. And with His grace, it will be a good history.

10 million readers, even if 0.1% is moved to take action, Che Det has again moved the nation. Amazingly with no power, no title and no organisation behind him. Just with God-given gift and his clear conscience.

As expected Tun, we can see it coming a mile away. It is uncanny that DSAB would think that the people could not think past his lies and because they know they can get away with it, is what makes us, the rakyat, loathe them and UMNO even more. They are ruining it for all the malays in this country. Sadly, UMNO will be left with a bad rap while its leaders-in-waiting will have the impossible task of restoring its dignity. Minta maaf kalau saya katakan...  
Pak Lah kurang memberi perhatian kami di Sabah (pantai timur)  
seperti yang beliau laung-laungkan setiap kali(jarang-jarang)  
lawatan ke sini.

Naiklah kenderaan darat dan masuklah ke pedalaman sedikit.  
Taulah kesusahan kami, yang akhirnya kami terpaksa melepaskan 'pucuk masing-masing' untuk survival hidup.

Minta maaf banyak-banyak,

By pdgsakti on December 5, 2008 12:16 AM

Sekali lagi, Pak Lah hanya pandai bercakap. Lebih penting kroni, suku sakat dan orang-orangnya dari kepentingan UMNO dan masyarakat Malaysia secara amnya...

Malaysia bernasib baik kerana Pak Lah, setelah di hinggut dan i asak bertalu-talu, mengundurkan diri dari menjadi Presiden dan PM. Namun kredibiliti Najib tidak sehebat mana, apatah lagi jika beliau mendapat TPM yang hanya berani menjadi kuda, di suruh angguk, angguk, disuruh lari, lari saja walaupun tak tahu apa-apa...

PRU-13 akan menjadi titik tolak. Jika UMNO tak berubah, maka selamat tinggal. Walaupun saya ahli UMNO, saya tidak akan teragak-agak mengundi pembangkang, jika pemimpin yang ada tidak ada kualiti kepimpinan. Agar ini akan menjadi satu kesedaran bagi mereka...

Dear Tun,

Whatever you've said reminded me of the previous leaders that I've known and the cyclic nature of human beings, after all leaders are human beings also. It is very odd today to find leaders who do not accumulate wealth throughout their leadership. Malaysia is not unique in this. It also happens elsewhere. Japan, Pakistan and you can name more. In the middle east it is okay for the leaders to make tons of money when they are in power. Even in the Islamic countries, the emphasis is more on the economic development with little done for the development of human beings. I don't think poor people can afford to receive quality education anymore.

By fortress on December 5, 2008 12:38 AM

Dear TDM,

Obviously the PM is getting bolder in securing and sealing contracts overseas. This is the last 'kopek'. There is no limit to human greed. If there is business to be made in the Moon, it will not be spared either. Anyway when there is a beginning there will be an ending. You have been a shining example to many of us to emulate. Malaysians are proud of you for the achievements made during your tenure as PM of Malaysia from 1981 to 2003. I always look forward to your advanced, beneficial and constructive ideas in making us good citizens of the country and the world.

May Allah Bless and Protect you and your family members. I hope Mukhriz will rise to the great heights that you had achieved.

All the good is from God and the bad is from us.

Salamun Alaikum Tun,

Tun, our surrounding and nature is talking to us all the time every minute and second without fail, for those who can understand will understand, for example dark clouds means that, the nature is telling us it is going to rain, a sleeping and flip flop UMNO President means that UMNO is going to be buried and abandoned by the rakyat.

One thing i'm very optimistic is that Najib will never become the PM of Malaysia. His wife has been singing in the tv "If tomorrow never comes" and definitely tomorrow as a Prime Minister for Najib will never come. This is the language of nature for Najib. Just wait and see.

Dearest Tun....

Thanks for the informations..Point no.8:I think everyone knows why and who gets the benefits.

I just hope that TPM knows what he will be doing for the sake of Malays and country. It will be back to square again if he were to choose wrong people and the the results for the next election will be worst.

Getting bored with the malaysia politics, tak abis abis mempersoalkan ketuanan melayu and rascism. Dato Mukriz just gave an opinion about one system in school dah kecoh bangsa lain mempersoalkannya. It was just an opinion if not agree sudahlah sampai nak report police of seditious..this system has worked in Spore too. Anything Malays talk bout other races consider rascist, if they talk about Malays it consider their rights as a malaysian. Then what right do the Malay has??Everybody wants to be a hero..

Hope ALLAH blessed Tun with good health so that you can keep on blogging.

Please politicians we have to look forward give a sensible suggestions on the economy and other important things with regard of the country. If politicians been talking about rascims and ketuanan melayu until the cows come home it will be never end.

Dear Tun,

As usual, what else we can expect from AAB? 5 years he has done nothing, let alone 3 months. All we hope is that AAB just stay out from government affairs and talk less.

What he is doing right now only have 2 possibility plans

1) Distracting people attention while planning a strike back to secure his power like what Tun mention on point 11.

2) Wallop all rakyat's money as much as possible while he still can.

Either plans is still going to destroy this country.

Your point 12 sound like you are worried about your son future. Don't worry. This is the time a great man will be tested.

Pak Tun,

Nothing stopping Pak Lah likewise nothing stopping you when a powerful man is in the position of power. Pak lah has the power, he talks less works more using all his might when he knows you are trying to overpower him by working less and talks more. Is this the best you can do to stop Pak Lah's last march to retain his legacy of power in UMNO? For the last time please do us a good job, don't just talk in the blog, we want to see you take some action, a real one, like exposing the name of the corrupters and the corrupted in UMNO that you had mentioned. Walk the talk Pak Tun, please!

By kaa2121 on December 5, 2008 1:22 AM

Dearest Tun,

I sincerely hope and pray that whoever leads UMNO after AAB will be a strong & charismatic leader and able to defend the Malays from attacks by the chauvinist Chinese politicians from MCA, GERAKAN, DAP. Remember, the power base lies with the Malays who form the majority of the country's population.

Orang Melayu kena ingat pada pilihanraya umum akan datang supaya jangan sekali-kali memangkah calon dari parti-parti tersebut di atas kerana mereka begitu biadap terhadap orang Melayu yang selama ini mengundi mereka. Ong Tee Keat tidak ada bezanya dengan Lim Kit Siang dari segi cuba mengambil/mencabar hak-hak orang Melayu.

To say that they accept Article 153 and at the same time demanding equality is a contradiction and in my view unconstitutional.

By taurus sitara on December 5, 2008 1:27 AM

Assalamualaikum Yg Berbahgia Tun Mahathir Mohd,

1.In Singapore there are basically 2 schools of "power".ACS (Anglo-Chinese School )produces ministers or bankers that control economy and finance while RI (Raffles Institution) produces ministers or director-generals that control administrative side of the government.

2.Looks like 2 similar power schools appearing in wayang "next change" Najib-led government.Najib and his boys are liken to ACS (money)while PakLah and his boys are liken to RI (admin).

3.Except that PakLah and his boys have disguised themselves (from 2004 to now) as ACS boys,what with all the ECM,Scomi,Monsoon Cup etc etc sweeping all the Govt funds and taxpayers money into dunno where?

4.Perhaps Najib don't take certain post like UMNO VP or Dy Youth Chief as automatic Ministers?Maybe have a respected retired minister or senior govt officials to coach these new inexperienced minister for say 3months before actually be appointed as ministers.In other words, reshuffle of Cabinet is 3months after UMNO elections?

5.They say it takes either a miracle by God or a tragedy before a man changes.Personally ,I feel Datuk Seri Najib has changed.Let's give him a chance.Who knows what magic this Najib may accomplished for Malaysia that may even remind us of his great father,the late Tun Abdul Razak?Wassalam.

Akum Tun dan bloggers.

Saya merasakan yg sebenarnya AAB cuba putar belit dengan menetapkan March 2009 baru nak serah kuasa. Entah2 dia tak mahu step down dari jadi PM? Kenapalah dia tak faham dan tak sedar-sedar yg orang dah tak mahukan dia?

Tentang penggantinya tu pun, berkaliber ke?? Dengan reputasinya yg dah tercemar saya syak dia bukannya pilihan yg tepat. tapi rasanya kita boleh bagi dia peluang untuk cuba memrintah.

Zaman Tun dulu, Tun tak sibuk-sibuk pun menonjolkan Mukhriz tapi AAB ni lain sikit, kalau boleh dia nak mewariskan jawatan PM kat KJ.

Perhaps we need a fresh new face to lead the country?? Whoever he is, I hope he is sincere to put Malaysia back on the right track.

God bless Malaysia.

Dear Tun!

Politics is a "dirty" profession, anyone involved in same is considered "the cream of the core"! Only the "dirty" can and will survive, even if it means long after their tensure in office!

At this rate you, dear Tun, are going you are simply proving that old saying true!

Now that Najib has firmly entrenched to be the next PM, if he ever makes it, why continue to fire your "blanks" at AAB? He will fade off gradually without your comments but what the Rakyat is going to be in for is the "MOTHER OF ALL REVELATIONS" before Najib becomes PM! The "rot" in UMNO has been firmly put in place before you became PM! As you have inherited that "rot" in your tenure as PM, so will Najib but the only difference here is that he (Najib) has a heavier baggage with the "ghost" of the murdered Mongolian woman to be contented with!!!

Keep condemning and see where all this is going to lead!!!

You will have no choice but to migrate from this beloved country of yours called MALAYSIA!!! Let's all look forward to, in your very own words, WAWASAN 2020!!! After all it is only 12 years away, am I right?!!!

There are many leaders in the present political situation have their own agenda up in their sleeves. How i wish we have unity and harmony in this country that we loved so much. Dear Tun,

I personally believe, given that another six (6) more months, things still will be the same for Pakla and for all of us. Like most of my friends from Penang said "Pi mai pi mai tang tu jugak". I wonder does he still

sleeping on the job again? If he did, who's running the country at the moment, KJ?

How do you do today Tun. May Jehovah God watch over you. See you soon.

Salam TUN.

Memang saya pun tertanya2 jugak. Pak Lah ni sambil menyelam minum air kot. Sebuk makan angin kat luar negara, bila nak buat kerja apa yang dia telah janjikan nak diselesaikan sebelum dia berundur. Apabila Najib akan di kelilingi oleh badut2 dan balaci2 Pak Lah maka jangka hayat Najib sebagai PM pun akan jadi pendek.

Ini memang perancangan Team Pak Lah yang mastermind nya si budak hitam itu lah.

Setelah sepenggal atau kurang Najib berpeluang berkuasa, sekali lagi kita akan melihat peralihan kuasa dari Najib kepada MT atau AR yang ketika itu TP dan TPM calon pilihan Pak Lah.(TSMY tewas dalam PAU)

Dan seterusnya akan bertukar pada KJ dalam tempuh 5 ke 6 tahun selepas itu. FuYOOOOH!!!!Bijak2 percaturan Pak Lah. Agak nya Idea ni semua dia nampak masa dia tidoq dan dalam mimpi2 nya kot. Cuma Najib saja yang tak nampak dan maseh terangguk2 geleng2 pada Boss nya. Dan maseh ingin meneruskan agenda2 nya.

Tidak akan terkejut lah jika UMNO akan tumbang pada PRU yang akan datang.

Selamat maju jaya Tok Ajib. Semoga Tok Ajib di lindungi ALLH SWT.Amin....

Salam Tok Det,

Pak Lah nak menambahbaik sistem kehakiman tapi bila Tan Sri Zaki dilantik jadi Ketua hakim Negara, ianya telah melingkupkan sistemn kehakiman. Zaki bukanlah org yang dihormati dikalangan pengamal perundangan termasuklah hakim - hakim yang lebih senior darinya. Masakan tidak YB Karpal Singh beriya - iya suruh Zaki letak jawatan. Memang tak dak kredibiliti. baru setahun jagung dilantik jadi Hakim Mahkamah Persekutuan, tup - tup jadi CJ pulak . Majoriti kakitangan mahkamah pun dah meluat dengan feel dia.

salam tun..saya dah tak tengok tv,rtm,tv3 dan semua stesen tv malaysia..sebab cerita pasal Malaysia takkan kena kegawatan ekonomi sebab kita punya bank stabil..kalau tak kena macamama eksport kita boleh turun..kalau eksport turun ramailah kilang nak tutup..paklah sibuk nak cari projek untuk sons and co..gunakan fasiliti negara..contoh pakai pesawat negara untuk kepentingan peribadi minyak kapal terbang dia, rakyat malaysia yang bayar. duduk hotel 5 bintang cari projek untuk anak anaknya.rakyat malaysia ada yang duduk atap rumbia tidak ada air dan api...paklah makan steak dan sirloin dan pencuci mulut makan aiskrim hagen daaz .rakyat Malaysia nak makan nasi lauk ayam pun payah.rakyat msia kena bayar minyak lebih mahal dari US.dulu kata rakyat Malaysia akan bayar ikut pasaran dunia.bila minyak turun rakyat Malaysia masih bayar premium dan memberi duit subsidi untuk kerajaan.bayangkan

rakyat di sabah dan sarawak makan nasi pun payah tapi kena bayar subsidi untuk paklah jalan-jalan ke luar negeri sedangkan ramai rakyat sabah,sarawak ,kelantan dan terengganu naik sampan pergi sekolah bergadai nyawa melawan arus ombak yang deras dan ada yang mati ditelan buaya di sungai..beginikah paklah nak buat perubahan..perubahan untuk keluarganya..yang kaya jadi bertambah kaya dan lebih banyak nak buat koleksi baju batik yang mahal-mahal yang tak termampu di beli oleh rakyat malaysia..  
By Jebat2008 on December 5, 2008 8:17 AM

Assalamualaikum Tun yang saya hormat lagi saya sanjungi,

Keputusan Pak Lah sebagai PM memutuskan kenaikan harga minyak yang mendadak pada bulan Jun 2008 tanpa menganalisis adakah kenaikan harga minyak tersebut berpunca dari bekalan minyak yang semakin berkurangan atau hanya spekulasi telah mengakibatkan harga barangan dan inflasi yang mendadak berlaku. MALANGnya bila harga minyak dunia telah turun ke paras "biasa" selepas 3 bulan kenaikan, akibat dari kebodohan PM dan Shahrir Samad menyebabkan kerajaan yang ada menurunkan secara berperingkat hingga terkini 1 liter = RM 1.90 . KEBODOHAN YANG TIDAK BOLEH DIAJAR KEPADA 2 ORANG YG BERTANGGUNGJAWAB INI IALAH MENAIKKAN MINYAK DENGAN HARGA YANG TINGGI SEKALI GUS, TETAPI MENURUNKAN DENGAN CARA BERPERINGKAT-PERINGKAT. Mikro atau makro ekonomi apa yang digunapakai? Sepatutnya menaikkan harga secara berperingkat maka inflasi naik dengan kadar yang rendah ( sepertimana nasihat Tun ). Di sini hampir semua orang yang bersekolah tahu bahawa bila harga barangan sudah naik, ia susah nak turun.

Moral of the story, PAK LAH SERUPALAH DENGAN MENAIKKAN HARGA MINYAK SECARA MENDADAK, BILA TURUNKAN HARGA MINYAK HARGA BARANG SUSAH NAK TURUN. BEGITU JUGALAH DENGAN PAK LAH BILA DAH NAIK JADI PM, NAK RESIGN SUSAH???????????????

Maka bila dia betul-betul resign nanti, peninglah penggantinya mencuci "najis" yang telah dibuat oleh Pak Lah yang bodoh itu.

Sekian Tun.

sorry 4 the late reply...Now its time for Miss or Madam HBT. If she is a divorcee then she is a miss. But if the husband is not alive anymore then she is a madam. But for sure she does not has a husband. I'm saying this because she always talk about PISANG and she has spoken about her kids, parents and also about the male friends but not her husband. Lama tak dapat kot??? Kesiannya, kat Penang tu ada banyak laki Indonesia yang single. Hang try la. All this Indonesian are the one who was getting PR status in Malaysia when our ex-premier was in power. And in the future all this Indonesian will become Melayu and Malaysian. And u can proudly say I have created a new Malaysian by getting married to an Indonesian, because automatically the Indonesian will become a citizen of Malaysia too by marrying u. on u saying "If you wanna release your frustrations, you are welcome but not to the extend of being very rude and impolite in che det's blog". what did I say that u fell it is so rude??? I didn't attacks Tun. Im just commenting about his policies. But I openly admit that I attack u. Are u Tun's personal asst or his friend until u know what he likes n dislikes??? Or are u working as a moderator in this blog because u have heaps of time to write comments here or are u Tun itself who are using a fake name to attacks back who ever writing things against the previous govt??? I know u wont answer because you cant answer and u never answer to whatever I have asked. The reason is you are so stupid till cant use your brain to answer me back. U only know how to buck. Again im telling the reason u will give is I got no time to layan ppl like like. Normal cowards excuse. About u saying "Yes, rasuah in police and immigration happened. Who started them? I am sure you know very well, siapa kan?" I really not sure who started it, can u plz tell

me??? Dun blame the rakyat because all this officer are too smart n they will make an offer that u cant refuse, like what happened to me. But I think it is the weaknesses of the govt. This statement really made me more interested to get to know u better HBT. "if you are my child, I will slapp you with my shoes" for sumbody to say this, I think that person definitely must have went thru this type of style of living or still practicing this type of style of living. I really pity u HBT because the amount of slapping with shoes that u got from ur patents. I really feel sorry for you. They slap u using bata shoes, selipar jepun or kasut kayu??? Kasut kayu is the selipar all the nyonya will wear at those time. How was the feelings because my parents has not slap me with shoes??? And u are still slapping ur children with shoes??? what type of shoes are using??? Try to use Adidas or Nike because they are more smooth and that will not hurt ur poor little children much. Anybody who knows this devil, plz complaint to Jabatan Kebajikan Masyarakat that she is doing all this to her child. The kids will be more happier to live as an orphan rather having a mother like her. Now let us talk about this statement "If you need to rasuah to get the project, then you made a fool out of yourself, stupid isn't it? Do u know that to meet a minister, deputy prime minister or even the prime minister, u have to lobby the time. Lobby system is called saguhati or rasuah??? For me it is called rasuah. Even the cabinet was practicing rasuah. And do u think the minister or even the PM will have open house every week to meet the rakyat n listen to their problems??? They got no time. They will ask their assistance to handle this kind of issues. The rakyat didn't vote their assistance to become the MP. The rakyat choose the minister to become the MP. But the ministers are only willing to meet u if u lobby them. All this are normal even when Tun was the PM. Now u look stupid. I think u don't know anything about political protocols. U are just trying to be smart in a place where u dun belong. I mean commenting about politics. About u saying "If your so-called Datuk friend can conned you into this business deal, then both of you are actually involving in an illegal business transaction". When did I say the Datuk conned me??? And if u can think rationally then u already got the answer y have I to take a Datuk as my business partner. The answer is already there and also in my previous comment. And when did I say I gave rasuah to get a project??? Hang ni senang-senang saja fitnah aku.cakap suka hati hang je. Hukuman untuk fitnah is bunuh sampai mati. Are u retard or u just cant understand English?? Plz explain. I did not say that....

I really laugh when I read this statement "When doing business, you have to do research first, not through connection to what, Datuk??" look who is teaching me how to do business. For me ur just a rubbish and u always talk rubbish. Plz read again my previous comment to get a clear picture. U always claim that you are a goodddd Malaysiannnnnnnnnnnn. Prove it by reporting about your friend to the police and ACA. And please make a press conference about it too so that we all know that u really did it and your are not a person who talks rubbish. He was trying to be a Malaysian by bribing another Chinese guy. And let police or ACA investigate this case, then they can arrest the black sheep behind this type of syndicate and this will make Malaysia a less corrupted country. I dare u to do it. U still can report even it happens 10 years ago or even if your friend has left Malaysia. The police and ACA knows how to handle this type of cases. About u saying this "The reason I sent my children to sekolah kebangsaan is not because I want them to learn BM only, it's because we are a multi-racial country, thus, I want to expose them to the muhibah environment and accept the national school system so that they will love and protect the country when they grew up especially in this so-called era of globalization. The trend now is that "nationality of the country" should be the top priority objective in any countries, don't you know?" I don't know why u must come out with this statements because it is an irrelevant statement for me and I dun bother abt ur kids. U see HBT, by u commenting about my statement actually u are embarrassing yourself because there is no facts in your comments towards me. U cant comments on my statements because it is full of facts and u are just trying to manipulate it. So please stop it now...and by u doing this I am writing more comments about previous govt policies and this will make the fanatic bumi putera's to be more angry with the non-bumis. If u uses to brain to think then u will understand what I am trying to say but if ur using something else to think then its ok, just carry on commenting on me.

To my fren s...tan, actually I really like the way u write ur comments. Im one of ur admirer. But I think it will be better if u comment about the govt policies rather than attack the malays. It is not the malays fault. They are just innocent and they are just enjoying the benefits while they can. Even us (non-bumis) will do the same thing if we are given the same benefit like theirs. The actual culprits are the politicians who was rising in the 70's. I think u know who am I talking abt... cheers my fren n keep writing n really hoping to see more comments from u...

Dear Tun

I'm sure you know why the PM is travelling a lot and we are waiting for you to enlighten us.

By antikmalaya on December 5, 2008 8:47 AM

Dear Tun,

The march to March 2009 may even be short lived if he fails to realize what should be his focus. Are leaders out there work for the rakyat or their personal glory?

Looking at what is happening in T. Ramunia on the continuing export of sand to our neighbouring country, I'm sick to see that:-

- a) Our leaders are no longer performing in accordance to their function.
- b) These leaders should be branded as traitors for selling our sand for our neighbour to expand their land. Sand for Land!!
- c) Our leaders love for corruption has no end.
- d) Our neighbour is laughing at us that money can buy our dignity.
- e) Our neighbour is laughing at us on top of getting the sand to expand their land, they also got the Pulau Batu Putih.
- f) Our rakyat has to suffer from the effect of the environmental damage but not our neighbour.
- g) We care less about our environment but not our neighbour who have taken great toll in beautifying their land.
- h) Melayu ni sampai bila2 pun kena main, perhaps that's the comment by our neighbour.

Leaders that allow this to happen are TRAITORS. If we continue to have them around, then the days are numbered for UMNO. Does our PM realise this?? The last GE12 has given us a clear warning to buck-up. I'm surprised to see why only Utusan Malaysia is having this news on the front page and not other dailies. Are we seeing some unhealthy trend here? As Malaysian, aren't we angry that our land and sand are being raped by our neighbour? Where is the semangat? I can only see the semangat in Utusan Malaysia which reflects only the Malays are concerned.

I hope our PM could see the damage that is going to take place soon!

Assalamualaikum Tun.

Pada pandangan saya Dato Seri Abdullah Ahmad Badawi akan terus berkuasa walaupun Dato Seri Najib menjadi Perdana Menteri.

Kenapa? Sepertimana yang diketahui umum, tertuduh utama dalam kes wanita Mongolia Razak Baginda telah dibebaskan. Dato Seri Najib dan isteri turut dikaitkan dalam kes tersebut oleh Raja Petra. Tetapi dengan bantuan Dato Seri Abdullah Ahmad Badawi segala dakwaan tersebut telah berjaya dinafikan. Malah Razak Baginda selepas dibebaskan turut menafikan pasangan suami isteri tersebut turut terlibat.

Kesimpulannya, Dato Seri Abdullah Ahmad badawi telah mempunyai senjata untuk menundukkan Dato Seri Najib sekiranya beliau cuba melawan tauke. Inilah yang dinamakan permainan politik.

Sekian Wassalam

Tun

I am deeply saddened by the state that Malaysia is in today. In a time when there is very deep economic uncertainty, our politicians do not choose to come together and think of ways that could help the Rakyat. Instead, they choose to raise issues that would further spur political unrest which in many ways would derail the economy if it is not kept in check.

Pak Lah is such a weak leader (if we can call him a leader in the first place). I wonder whether all the damage that has been done by that sorry excuse for a Malaysian could be repaired.

Banyak duit dihabiskan untuk projek yang tidak mendatangkan hasil ke malaysia hanya ternampak seperti untuk keuntungan tertentu sahaja.Pembatalan dan penangguhan pembelian helicopter bagi mengantikan helikopter nuri adalah tidak patut , mungkin harga patut dilihat balik tidak pembatalannya.Saya agak pelik setelah lama helicopter tersebut digunakan dan ramai anggota tentera kita mati tetapi masih mahu digunakan .Saya cadangkan menteri-menteri perlu naik helikopter ini untuk mereka pergi ke destinasi didalam negara kita dan jika nyawa mereka didalam pertaruhan baru mereka akan berfikir balik.

As PM in waiting, Dato' Najib look over excited. From his body language and the tone of his speech clearly indicate his excitement with a dash of arrogant attitude. He won't realised it, but we, the rakyat notice it quite remarkly.

Perhaps it's too early to conclude, but from my judgement, Dato' Najib is another Joker PM.

Assalamualaikum YABhg Tun.

Saya amat bersetuju dengan pandangan YABhg Tun mengenai tindak tanduk DSAAB yang bergelut membelanjakan wang negara untuk kepentingan kroninya sebelum melepaskan beban kepada DSNTAR.

YABhg Tun telah mewariskan kemantapan ekonomi dan perancangan rapi program dengan wawasan yang akan meletakkan Malaysia sebagai negara maju. Kekukuhan ekonomi terbukti apabila kita masih mampu bertahan walaupun negara-negara maju sedang menghadapi krisis keruntuhan institusi kewangan dan perindustrian yang berkaitan langsung dengan perbankan.

Sebaliknya, DSAAB akan mewariskan DSNTAR dengan kontrak yang perlu dibayar kepada kerabat dan kroni. Sebagai contoh DSNTAR diarahkan tandatangan kontrak pembelian helikopter beberapa hari sebelum pertukaran jawatan.

Beliau juga takut pada bayang-bayang onar yang telah dilakukannya dimana sebaik saja memegang jawatan, banyak kontrak yang telah ditandatangani terdahulu dibatakannya. Rakyat kebanyakan memberi sokongan kerana mereka beranggapan bahawa DSAAB telus. Padahal dalam diam-diam dia cuba mengagihkan kepada kroninya. Beliau berjanji akan meneruskan program YABhg Tun tetapi secara sinis mempersoalkan kewajaran meneruskan rancangan yang diluluskan.

Projek jambatan bagi menggantikan tembok Johor dihentikan. Pembinaan jalan keretapi berkembar Seremban-JB dan Ipoh-Padang Besar ditangguhkan. Pembinaan jalan keretapi Ipoh-Rawang diserahkan kepada kontraktor lain masih gagal disiapkan sehingga sekarang.

Saya bimbang DSNTAR akan diwariskan dengan kerajaan yang mufliis atau menjadi puppet dalam kerajaan yang dikelilingi orang DSAAB ataupun disingkir dari arena politik secara halus menggunakan taktik kotor.

Walaupun kita berdoa supaya Malaysia lebih berkeadaan baik di masa depan.

Semoga YABhg Tun sekeluarga dirahmati Allah.

Saya sebagai seorang rakyat Malaysia, amat berbangga kerana mempunyai seorang tokoh negara yang amat disegani dan dihormati oleh kebanyakan negara di seluruh dunia, iaitu TUN DR MAHATHIR MOHAMAD. Setelah Tun letak jawatan sebagai pemimpin negara, kami sebagai rakyat yang menyayangi Tun tertanya2, malah sebahagian besar rakan2 UMNO saya sendiri, siapakah yang akan ada menyerupai daya kepimpinan seperti Tun di masa akan datang. Saya sebenarnya amat mengagumi Tun, yang mempunyai daya pemikiran yang tajam. Sekarang ini pun Amerika menggunakan kaedah Tun untuk menyelamatkan ekonomi negara mereka..SUBHANNALLAH..Saya tidak mahu membazirkan masa saya dengan memberikan komen tentang Dato' Seri Abdullah Ahmad Badawi..Seluruh rakyat Malaysia tahu, dia seorang pemimpin yang lemah,dan dia sendiri pun tahu sejauh mana kekuatan dirinya.. Adalah lebih baik digantikan dengan yang baru, yang lebih berani, lantang bersuara, mendabik dada untuk negara tercinta ini, seperti yang telah Tun lakukan dahulu..Saya amat marah dengan tindakan Abdullah yang membatalkan projek jambatan baru menggantikan tambak johor..Sememangnya dia tidak mempedulikan kesusahan rakyat, terutamanya orang asli nelayan yang ramai mendiami pulau2 kecil dan kawasan pesisir selat tanjung puteri itu..Mereka kini amat sukar untuk mencari sumber laut di kawasan itu lantaran air yang kotor, kerana air tidak dapat mengalir dengan sempurna..Bagaimana dengan nasib keluarga yang bergantung pada hasil laut disitu..bagaimana dengan nasib anak2 mereka..Diharap Dato' Seri Najib

nanti dapat meneruskan projek itu, kerana dia dilihat sebagai seorang tokoh yang dapat membela nasib orang2 asli nelayan ini.

Dear Tun,

Najib is suppose to start showing his metal now. He has won the president candidacy post uncontested which means UMNO has given him a full mandate.

What else could he has asked for? Najib should start showing Pak Lah the exit lane now. He should indicate who among the candidates are his priority for the Deputy and Vice presidents post.

For him to allow Pak Lah to roam within the party is a cowardice act. By mathematics Najib is already the president of the party.

We the rakyat has limit to our tolerance. Dont despair us Najib, for we will despair you if you fail to display your strength.

Syabas Tun for pointing out.

menyerupai daya kepimpinan seperti Tun di masa akan datang. Saya sebenarnya amat mengagumi Tun, yang mempunyai daya pemikiran yang tajam. Sekarang ini pun Amerika menggunakan kaedah Tun untuk menyelamatkan ekonomi negara mereka..SUBHANNALLAH..Saya tidak mahu membazirkan masa saya dengan memberikan komen tentang Dato' Seri Abdullah Ahmad Badawi..Seluruh rakyat Malaysia tahu, dia seorang pemimpin yang lemah, dan dia sendiri pun tahu sejauh mana kekuatan dirinya.. Adalah lebih baik digantikan dengan yang baru, yang lebih berani, lantang bersuara, mendabik dada untuk negara tercinta ini, seperti yang telah Tun lakukan dahulu..Saya amat marah dengan tindakan Abdullah yang membatalkan projek jambatan baru menggantikan tambak johor..Sememangnya dia tidak mempedulikan kesusahan rakyat, terutamanya orang asli nelayan yang ramai mendiami pulau2 kecil dan kawasan pesisir selat tanjung puteri itu..Mereka kini amat sukar untuk mencari sumber laut di kawasan itu lantaran air yang kotor, kerana air tidak dapat mengalir dengan sempurna..Bagaimana dengan nasib keluarga yang bergantung pada hasil laut disitu..bagaimana dengan nasib anak2 mereka..Diharap Dato' Seri Najib nanti dapat meneruskan projek itu, kerana dia dilihat sebagai seorang tokoh yang dapat membela nasib orang2 asli nelayan ini.

Tun,

I dare to say that the NEP have brought along a huge monies to Bumiputras who are only closing and relating to Umno politics. And this is where these people are getting rich and learned how to corrupt more nations/rakyat monies.

And only when they have all this easy monies, they can manipulate whatever they want in the politics. They will become more arrogant, dishonest, irresponsible and greedy in their life! For instance, if you look at certain BN MPs debating issues with the opposition MPs in the Parliment, you will found out their irresponsible and rude characters which are totally unacceptable. Do you think their stupid acts could represent the rakyat and so is to protect the Government? Definitely not as they just try to become heroes so to gain supports and compliments from their Superior so that they will be giving more benefits. Nevertheless, they are trying to cover up the undisclosed interests owned!

So this is our country called Malaysia which have become a laughing stock in the world. We have to accept the facts of how the outside world look at us. UNLESS WE CHANGE OR REVISE CERTAIN OF OUR GOVERNMENT POLICIES OR THE COUNTRY WILL CONTINUE TO FACE THE REPEATING PROBLEMS SUCH AS CORRUPTION, RACIALISM AND POLITICAL UNSTABILITY ETC.....

Tun,

Pada pendapat saya, DS Najib mesti berani. Berani bertindak dan mesti pantas bertindak. Kalau dia takut. Tak kiralah takut Paklah, takut pengikut paklah, takut parti komponen, takut sedaramara, takut bini... Dia akan hancur. Lebih kurang saja keputusannya nanti.

Saya harap beliau pentingkan agama, negara dan rakyat terlebih dahulu sebelum yg lain. Tuhan dan rakyat akan menilainya.

Salam tun.

i fully agree with every opinion you gave in ur post. Malaysian never dream they can have a PM like pak lah who just say anything without do anything. I am one of the voter who didnt turn up in the voting center in march 2008. why?because i dont want my vote goes for pak lah, but i too dont want my vote being misuse by the opposition party as a sign of `supporting` them..

I already read your comic autobiography by E.Yu..intersting,very interesting on how u want to help malays to achieve the same standard living. Every of your policy really helpful to malay, but malay easily forget it just after u step down...

Now, I really hope after pak lah step down, najib will get rid of him in everything, like what pak lah have done to u tun..so that his legacy wont last long in the beloved party-UNITED MALAY Nation Organisation. And I really hope mukhriz will won the Youth Chief. If only he was my MP, I'll give any support he need to make sure he won the post..never let kj won anything or we will have to sell our country to singapore..history never lies...For tun, my loyalty stay with u until the last...

Dear Tun,

In My opinion, i strongly support Dr.Mukriz idea. It was nice and i think the GAP between each races will be close up. Definately bring benefits to the our country. I am not sure when Malaysia is going to implement Bangsa = Malaysian instead of Chinese Malay or Indian. and maintain Agama: Buddha;Muslim;India or i might not be implement at all.

Akum Tun,

I want to express my feelings. I am a malay, studied in Malay's university, working as government officer for the time being. I am very afraid to see the political situation right now. Pak Lah is a very annoying person. I hope Tun can give some tips or lesson to Najib as he will be the successor of Pak Lah. Too many damages done by Pak Lah. Too many corruptions also did by him. At least, this is the only thing you can do after u made a mistake by pointing him as your successor. Pak Lah is a type of person which what we say " Dalam diam ada kudis". I don't see anybody else who can save us from his stupidity. Plese stop him from ruining this Malaysia.

Assalamualaikum TUN,

I bimbang ttg kesihatan Tun. You have to take care of your health.

These two guys, Pak Lahlok and Najis, i takut psl dia org Tun jadi lebih emotional dn thats not good for your heart.

First of all, Najis nie, tocang dia kt tgn Pak lahlok psl dia org pegang repot ttg altantuya dn lain2 kes Najis. So belum tentu lagi Najis boleh jadi P\*\*\*M\*\* malaysia.

Second, I bimbang ttg Tun pasal Pak Lahlok dah tikam Tun kat belakang. Tun is really hurt by him. tapi skrg Tun sokong Najis walaupun Tun tahu dia busuk pasal Tun takde pilihan.

Esok Najis jadi P\*\*\*M\*\*, i believe dia akn tikam tun kat depan, kt jantung. masa tu i bimbang Tun akn jadi lebih teruk kesihatan Tun,

Pasal at least Pak Lahlok nie dh lalok sgt sampai dia tk ada time nak sekat Tun. so Tun masih blh bersuara, dn beri pendapat. tapi Najis nie bukan lalok, dia akn pastikan dia shut out Tun completely klu tun beri pendapat yg bernas.

Najis will do to Tun wat tun did to Tunku Abdul Rahman. So better stop all this UMNO things tun. Both this guys will kill you tun, and im worried for your health. We want you tun, dont let these guys betray and hurt u more. Dont support najis also, he will hurt u more than Pak lahlok.

Dan i malu dgn org2 melayu dn UMNO khususnya, walaupun dh tahu Najis, tetap nak sokong juga pasai apa? pasai dia melayu. janji dia melayu, mesti sokong walaupun Najis. Kiblat kat mana, bangunan UMNO ka? atau Pekan? Knp tk calon Tg Razaleigh atau Rais Yatim utk jawatan presiden? Klu nak suka sgt bergelumang dgn Najis, go ahead. tapi jgn nak komen ttg agama. UMNO berjuang utk bangsa sahaja klu pemimpin mcm nie.

Dulu kutuk Tun tk islamik lah, tak sembahyanglah, mamaklah dn mcm2. lepas tu dpt PM yg sekolah agama, anak ustad. apa dh jadi? teruk. taksab dgn bangsa mcm tulah Tuhan nak tunjuk.

tapi zmn Tun yg di tuduh tk islamik lah, Malaysia ada universiti Islam, bank islam dn lain2. Dapat melayu yg islamik dn berpendidikan agama, apa yg ada? fikir2 lah... cukup2 taksab dgn bangsa dn membelakangkan agama. klu tk berubah juga, Tuhan akn tunjuk kekuasaanNYA yg lebih dasyat lagi. I tak nak di murkai Allah swt. nauzubillah.

Yg Bhg Tun,

Saya berpendapat segala punca masalah dalam UMNO selama ini (2004 -2008) banyak disebabkan masalah kepimpinan tertinggi UMNO dan barisan Nasional. Ahli dan kepimpinan UMNO sudah sedia mengakui hakikat ini. Cuma yang tidak kelihatan sehingga ke hari ini adalah segala ramuan dan ubatan untuk membaiki segala penyakit dalam UMNO dan Barisan Nasional. Tun banyak memberikan keritikan yang tajam tentang hal ini dengan niat memberi kesedaran kepada pucuk pimpinan UMNO dan Barisan Nasional. Malangnya mereka-mereka ini seolah-olah tidak peka kepada pandangan Tun dan kehendak majoriti rakyat.

Sebagai rakyat Malaysia yang mempunyai sifat jatidiri yang tulin kita perlukan pemimpin negara yang benar-benar excellent seperti apa yang telah Tun lakukan semasa menerajui kerajaan terdahulu. Ramai yang berpendapat bakal pengganti kepimpinan utama negara mungkin juga berperanan seperti yang ada hari ini. Segala tohmahan negatif yang dibuat terhadap bakal pengganti yang baru ini harus dibuktikan kebenarannya. Membuat tuduhan dan tomahan adalah lebih mudah dar mencari dan mengemukakan fakta kebenarannya. Saya masih ingat kata-kata Tun seseorang tidak dianggap bersalah selagi tidak terbukti kesalahannya mengikut prinsip undang-undang yang ada di negara kita ini. Oleh itu kita harus berhenti membuat tomahan, tuduhan, andaian dan perasangka yang tidak ada asas yang kukuh dan disokong dengan bukti yang nyata. Saya tidak nampak sesuatu usaha yang betul dari mana-mana pihak (parti pembangkang dan NGO) mengemukakan sebaran bukti dan fakta untuk menyokong segala tomahan dan tuduhan yang dilemparkan kepada seseorang pemimpin lebih-lebih lagi kepada DSNTNTR. Sama-samalah kita mendokong dan menyokong segala usaha demi kebaikan negara kita.

Salam bahagia untuk Tun dan rakan blogger sekalian.

Nasi sudah jadi bubur, marilah kita makan ramai ramai. Pak Lah tak nak undur sebab selesai jadi PM, hinggakan nak taja orang2nya disekeliling Najib. Selamat Sejahtera Tun,

Dato Seri Abdullah baru khawin tak lama, honeymoonnya belum selesai, dia perlukan beberapa bulan lagi untuk melawat tempat-tempat yang ingin diziarahi beliau sebagai PM dan bersama-sama isterinya.

Dato Seri Abdullah mungkin nak memastikan pemilihan undangan negeri di Sarawak tak lama lagi BN akan kalah lagi. Jadi dia dapat mencatatkan satu rekod cemerlang pentadbiran beliau. Bukan setakat itu saja, dia pastikan gemilang dan terbilang (kalah teruk).

Sememangnya saya setuju dengan Tun bahawa ada lagi kontrak-kontrak yang belum lagi diselesaikan dan perlu dipercepatkan sebelum beliau meletak jawatan.

Dalam pepatah China ada disebut, merebut duduk diatas mangkuk tandas tetapi tidak mau berak.

Semoga Tun sihat selalu.

Tun and readers,

Najib is destined to be PM as the UMNO nomination shows. I hope and pray that he will continue to be generous to all Malaysian as just he was generous and benevolent to the army during his tenure as Minister of Defence. I just wish him the best as a technocrat in leading this beautiful nation. All allegations and accusations against him ( some are untrue)will eventually fade when he becomes PM ... PM - the highest office in the land. His very ability to reach the apex of a political office in this nation shows his grandmaster instinct. If he is truly good, capable and deserving in the post he will stay long otherwise his tenure will be the most shortlived in history.

YAB Tun,

Assalamualaikum, Selamat Sejahtera and a very good morning.

As Tun mentioned in your earlier writing, what can someone do in 3 months when he could not do much in 5 years....We will wait and see if miracle could be achieved.

Jetting about in a new VVIP Airbus A319 (not A320 as Tun mentioned)is certainly a way a country's PM should travel. Apart from the confort of a private jet, it is also free from time constraint. In other word, he could choose his own sweet time to depart or arrive.

I wonder why PM Department bought that new A319 to add to its fleet of VVIP aircraft. At present the government has a Boeing Business Jet (BBJ), a Bombardier Global Express, a Falcon 900 and an ageing Fokker F28 in its fleet of VVIP aircraft operated by Royal Malaysian Air Force (RMAF). The RMAF has in its inventory of 2 CN 235 VVIP/VIP aircraft as well.

The RMAF has been the VVIP carrier and guardian for all VVIP aircraft all these while. I was made to understand that the new A319 VVIP aircraft is being operated by a private company. I wonder who owns this company. What about the maintenance and the security aspect of this aircraft. Where is this aircraft parked and kept at night? Is the security for this particular aircraft 'air tight'?

As an ordinary Rakyat who loves this country, I am very concern of what's going to happen come March 2009 and of course PRU13. I think these two dates are important in charting the future of this country.

Selamat Hari Raya AidilAdha.

We treasure you criticisms, comments and wise counsel which this country needs so much today. We truly love you and are really proud to have you to guide and counsel us.

Wishing you and your family well and kind regards,

Assalamu Alaikum Tun,

Tun I have said many times in my previous comments in you blog reminding our (Umno) leaders not to be selfish. They should not think about their own, family and cronies' pockets instead think seriously about Islam, the Malay dan the country. They should reform themselves to be better by rectifying any mistakes that had been incurred.

I hope Umno delegations in the march Umno general election would carry out their responsibility as voters wisely by choosing only capable, clean from scandal and corruption leaders, as a message to the irresponsible that Umno does not want corrupted leaders anymore in future but clean, charismatic, brilliant and bertakwa to preserve the image of Malays, Islam dan country itself.

Perwakilan you could stop all these perennial messes. You can do it. Jika anda tidak menerima rasuah, anda adalah hero bangsa, agama dan negara sebenar. Melayu boleh, Malaysia Boleh. Just Do It. The whole world eyes are observing us.

Tun,

Salam bahagia dan semoga Tun dan keluarga sihat dan diberkati ALLAH selalu.

Saya masih melihat kebencian menebal Tun terhadap Pak Lah (orang yang Tun lantik). Malah, tulisan Tun menjadi begitu 'menghasut' agar berlaku pergeseran di antara Najib dan Pak Lah seterusnya Muhyidin dan Najib.

Secara fakta, Tun memang benar terhadap tindak tanduk Pak Lah yang seolah-olah sedang 'makan angin' sebelum bersara pada bulan March 2009. Tetapi Tun juga makan angin malah lebih jauh sehingga ke Antartika dan adakah perbelanjaan Tun dan keluarga (mungkin bukan semua) ke Antartika dibayar dari poket sendiri?

Oleh itu, kami menghargai jika Tun gunakan blog ini untuk berkongsi pengalaman atau pandangan tetapi elakkan dari menjadikan blog ini untuk menghasut. Untuk pengetahuan Tun, saya pun tak lah lihat Pak Lah tu sebegus mana dari segi cara kepimpinannya tetapi secara peribadi sudah mula menampakkan Pak Lah lebih baik kerana walaupun beliau PM beliau amat jarang menghentam Tun macamana Tun menghentam beliau.

Lagi satu, Tun cakap pasal orang Melayu perlu bersatu malah sampai Tun menangis bila cakap orang melayu dan perpaduan tetapi Tun sedar tak Tun sedang memecahbelahkan orang Melayu dengan hasutan melalui blog ini. Pak lah orang melayu, Najib orang melayu dan Muhyidin jugak orang melayu.

Kadang kadang saya terfikir, kenapa Tun marah Pak Lah sangat sangat. Kalau nak kata Tun dengki, Tun dah merasa semuanya.

Cara Tun komen ada kalanya seperti terlalu marah kat Pak Lah dan mula hilang rasional. Saya cuma takut jika perwakilan amat amati betul betul tulisan Tun, mereka akan menghukum anak Tun, Datuk Mukhriz.

Saya amat menghormati Tun terutama bila ingat jasa jasa Tun dan mohon maaf jika tulisan saya di atas menghiris perasaan Tun (walaupun rasanya Tun tak mungkin ada masa nak baca).

Wasalam.

YABhg TUN,

Dalam Pak Lah mengejar masa untuk mengkayakan orang-orang pilihannya, yang paling ditakuti ialah BERITA tentang:

Dua orang kuat KJ iaitu CEO TNB Al walid dan MB Khazanah Al Azman yang dikatakan di uar2kan akan dimasukkan ke Petronas menggantikan TS Hassan Merican sebagai CEO.

Jika benar ini berlaku...Melayu kena bangun menentang habis-habisan kerana PETRONAS adalah BENTENG terakhir ekonomi Negara.

By Jamal on December 5, 2008 12:23 PM

Dear Tun,

It gives me the chill that it can happen, as you've assumed.

If true!!! it can be possible, that the 4th floor guys and KJ are implementing their stratgey for Pak Lah to retain the power within UMNO.

To make Najib a lame duck President or if he indeed becomes PM as lame duck PM as well.

Maybe only maybe Pak Lah is going about getting contracts started to feeding his supporters and would be supporters.

Now it is known who will be the delegates to the Perhimpunan Agung UMNO. Just target them with "rewards" to vote the cronies in.

Clever yah.

well good luck to Pak Lah and his 4th floor stratigists and we can KISS UMNO good bye in the next GE 13.

Salam Tun.

Pak Lah buat lawatan sambil honey moon. Lepas ni dah tak ada peluang nak makan angin free. Tak pa lah. Bagi lah dia peluang terakhir menggunakan kemudahan kerajaan.

Tapi yang penting selepas Mac ni dia benar2 lah menyerahkan kuasa PM pada Najib.

Tapi ada juga nampak kebenaran nya Najib mungkin maseh di kelilingi oleh orang2 Pak Lah. Dan Najib akan terus ditekan untuk meneruskan DOLLALISM. Maka nya back to square one lah. tak da lah apa2 kelainan antara Pak lah dan Najib.

Makna nya UMNO akan terus lemah dan akan terus diperlekehkan oleh parti2 konon nya kawan. Apatah lagi parti2 lawan. Dan juga NGO2 yang bersifat racist. Semua nya akan menekan UMNO dan menuntut apa juga perkara yang mereka idamkan. Selepas apa yang mereka dah dapat akhir nya mereka akan bersatu tenaga menumbangkan UMNO dan orang2 Melayu.

Pemimpin2 melayu yang telah menjadi dalang kepada bangsa melayu tak dapat berbuat apa2 pun untuk menyelamatkan sebahagian saudara2 mereka. Mungkin masa tu nasi dah pun jadi bubur. Melayu akan mengemis di negeri sendiri. Semoga ALLAH SWT menjauhi musibah ini terhadap kaum melayu.

Apa kah usaha UMNO untuk terus unggul dan relevan dalam kepimpinan negara. Apa kah orang melayu sudah bersedia untuk menerima kaum lain sebagai pemimpin. Jika di lihat waktu ini tak ada seorang pun pemimpin melayu yang berjiwa besar didalam UMNO waktu ini dapat diharapkan untuk mempertahankan maruah bangsa dan negara. Yang ramai hanya lah harimau2 jelmaan sahaja. Tak ada ngauman yang mengegarkan dan mengerunkan. Cuma berani ugut2 sesama ahli. Bila kena sergah oleh pemburu2 haram terus jadi tikus mondok.

Tapi ini tidak mudah berlaku jika TUN berkuasa.

Sir,

In an interview with a couple of the The Sun's investigative reporters,i.e. Nadeswaran and Fernandez, the PM said that the reforms he promised in 2004 were actually meant to be carried out during the second or later part of his premiership. So, this means DS Abdullah thought he was going to have a jolly good time first before doing any work. Plenty time to do work later and make some money along the way. He must have thought that since you held the post for almost 1/4 of a century, he, too, should be hanging around for as long as you had. Too bad the results of the 12th GE put paid to his plans. Since his 'holiday' has been abruptly cut short, he must quickly fill up his coffers for his retirement from active politics. And so this business of signing overseas contracts is a good way to do this. Surely there is a certain percentage of income for him. A Star columnist wrote yesterday that Filipino politicians have a perception of their Malaysian counterparts in that a 20% cut is given them for any investments in the country. Really this is unbelievable but nobody has denied it, so far. So, it is completely believable that DS Abdullah is on the move to make his money now before he goes into oblivion. What a crook he is! He and his family members! The worst thing is DS Najib is closing one eye to this nonsense. I can't wait for the 13th GE to vent my frustration through the ballot box.

By Efsi Togel on December 5, 2008 1:04 PM

Semoga sihat dan selamat ayahanda... orang UMNO memang penakut...DSN dapat pencalonan tunggal membuktikan lagi sikap penakut ni.. (berani kat kampung je..) umno ni lebih sayangkan perut, saya nampak tak ada ramai pejuang bangsa dan negara dalam umno sekarang. lebih kepada politik cari makan saja. apa pun yang berlaku kini adalah memperjelaskan lagi definisi bangsa Melayu. gentlemen melayu lebih sangat gentlemen-nya, sampai india & cina naik kepala pun dibiarkan. melayu tak pernah berubah, sejarah telah memberikan takrif mengenai sifat melayu dan terbukti pada hari ini. cuma ayahanda yang benar-benar ikhlas cuba membangunkan bangsa ini, orang lain lebih kepada 'leisure' terutama Pak Lah dan kini diturut oleh Najib, saya berdoa akan Muhyidin & Mukriz yang memimpin Melayu selepas Pak Lah, mudah-mudahan Muhyidin & Mukriz beroleh kejayaan dan membawa Melayu keluar dari kegelapan ini. Dengan ini saya cadangkan Muhyidin sebagai PM dan Mukriz sebagai TPM.

Assalamualaikum Tun.

Dato Seri Abdullah Ahmad Badawi pada pandangan saya adalah kesilapan besar yang Tun pernah buat sepanjang tempoh 22 tahun memerintah negara. Bukan maksud saya untuk menyalahkan Tun dalam pemilihan Dato' Seri Abdullah Ahmad Badawi sebagai pengganti Tun, tetapi sudah menjadi adat jika sesuatu yang baik atau buruk berlaku dalam sesuatu pentadbiran atau organisasi ketualah yang akan dipersalahkan terlebih dahulu. Minta maaf jika Tun tersinggung.

Kehebatan Tun dalam berpolitik memang tidak dapat dinafikan baik dalam negara dan di luar negara. Semasa Dato Seri Abdullah menjadi Timbalan Perdana Menteri beliau telah berjaya mengaburi dan memperdayakan Tun dengan imej Mr. Clean kononya. Ilmu apa yang beliau pakai sehingga berjaya menyakinkan Tun bahawa dia adalah calon yang sesuai sebagai pengganti Tun.

Tetapi apa yang lepas kita jadikan pengajaran. Pokoknya sekarang beliau adalah Perdana Menteri Malaysia. Memang beliau telah melakukan kerosakan pada negara, pada UMNO, pada hubungan antara kaum dan sebagainya. Tetapi saya percaya beliau tidak akan melepaskan jawatan dengan sebegitu mudah.

Walaupun sepetimana yang telah dihebahkan bahawa pada Mac 2009 beliau akan melepaskan jawatan kepada Dato Seri Najib, tetapi beliau masih mempunyai tempoh dua bulan untuk mengatur strategi politik beliau.

Yang pasti Dato Seri Najib telah dirantai oleh beliau dengan skandal wanita Mongolia oleh Dato Seri Abdullah.

Sekian Wassalam

Tun,

Malaysia akan berada dalam kerugian setiap saat selepas Disember 2008 hingga berakhir Mac 2008. Eloklah PM AAB berundur segera demi kebaikan Malaysia.

Webmaster, Tolong jangan siarkan.  
Assalamualaikum Ayahanda Tun,  
Saya ada nak mengadu sikit kat Ayahanda,  
Minggu lepas saya ada pergi melawat sebuah kilang kat Shah Alam. Kilangnya suram aja. Kontrak TNB. Buat mentol street light.  
Investment sangat tinggi, berjuta juta.

Saya bukannya pandai sangat, tapi pengalaman sebagai Pegawai bank selama 13 tahun dan menjalankan syarikat sendiri( electronic assemby sub contractor to Japanese firms) selama 14 tahun.

Saya rasa syarikat ini akan hadapi masalah besar sebab tak competitive. Tak efficient, (rejection rate tinggi). Yang membimbangkan saya...

1) Saya syak diorang dapat contract secara rasuah. Sebab product dia MAHAL. Tapi, market TNB tu masih too small for their investment. Business model tak berapa sihat, pada pandangan saya. I would have done things differently if I were them. Kalau Japanese, mati hidup balik pun diaorang takkan buat macam mereka ni.

2) Yang mengerikan, main shareholder ialah Ketua Hakim Negara yang baru tu along with someone just as prominent, saya terlupa pulak siapa dia. Saya bimbang mereka akan terjebak dengan hutang yang akan menjejaskan kerja mereka. I worry that he might get desperate menanggung hutang sampai orang kampung kata, hidung kena tanjor oleh orang yang bakal menyelamatkan dia.

Almaklum, berniaga bukan boleh main main especially kalau dah melibatkan jutaan ringgit.

Niat saya mengadu adalah ikhlas. Saya bimbang trend keushawanan tak kena tempat begini.

Salam hormat dari saya.

Dearest Tun,

May Allah bless you always with good health and His rahmat. First of all thank you for creating this weblog. We Malaysian have better insight what's going on with our beloved country, good or bad and vent our anger sometime.

In my opinion Najib is not the best candidate to replace the bodohwi regime. As you said before a leader is not only clean but must be seen clean as well. And he is not. Unfortunately politic is about perception, it's depending on how well a leader can lead or mislead the perception of peoples. In this regard I really respect YB BABI. He is the master of deception. It doesn't matter whether he is right or wrong but he can

lead the general public into believing him. I don't trust this guy. Back on Najib, he is lacking in will power to change things and most importantly he has no gut, as you mentioned earlier. We need leaders the likes of Muhyidin, Rais and Mukhriz. On Pak Lah....what can I say about this guy? He is Master of Disaster. You chosed him but you'd admitted it, so I forgive you. Since his regime in power he has brought nothing but shame to the country and misery to all of us. My Iraqi friend termed him as no good spineless moron as he had done nothing to the Muslim ummah when he is the Chairman of OIC. You see, he and peoples in that part of the world have great expectation on Malaysia to lead them as you did last time and was hoping to continue during his term. What happened to Malaysia is quite unfortunate. We could have been greater than before as the foundation laid by you was very solid and we could have catapult ourselves to new height, alas more damages and calamity brought about by this moron and his herd. We just can hope and pray that the next one will be better but looking at the current situation it will just remain status quo.

Salam Tun:

As all to my previous comments, Pak Lahap has already planned all this dubious, dirty and unsucrupulous steps. He is not stupid and evil, but smart and evil.

It is now left to Najib to show his mettle, what he is made of. If he is only bulky, no brainer, relax one corner jack and no guts, why should all the rakyat choose him as the leader of the country. He should get himself slim and fit, and stop relax one corner attitude, and eating a dozen burger. He should have guts to do what is right and not be a coward to be push to one corner.

To Pak Najib, we rakyat need a real man, who can stand on his own feet, honest, humble, responsible and dedicated to build this great country. And most of all willing to sacrifice and die for Malaysia. We dont need a leader like Pak Lahap, who like to give handout and gula2, just to appease and pamper us, we dont need that. If you Pak Najib dont have the guts to be what it takes to be a leader, dont waste our, the rakyat, time, effort or money. Just get lost and relax one corner and enjoy your dozen burger, let the real capable leader take that place.

For and behalf : Rakyat yang dah muak dengan perangai Menteri2 sekarang.

1.Saya harap DSN dapat menerima TSMY sebagai timbalannya. dan saya tak nampak calon2 lain yg dapat menandingi TSMY dalam konteks berjuang untuk bangsa,agama dan negara.

2.Semasa saya menjadi perwakilan UMNO tempoh hari, dalam ucapan naib2 presiden pada masa itu, TSMY sahajalah yang menyerlah dari segi pemikiran dan kepimpinan nya. beliau dapat membantu DSN dalam pentadbiran negara dan memberi pendapat jika DSN terkeluar dari landasan dalam pembentukan polisi yg menyentuh sensitiviti ahli UMNO.

3. Kalau UMNO nak hidup yg korap wajib di singkirkan. tetapi perwakilan saja yg dapat memilih dlm bulan March ini. Jadi kalau mereka yg rasuah dan korap, jadi umno akan jadi parti yg korap. Pemimpin yg

rasuah, pengikut juga rasuah, negara rasuah. itukah yg mereka nak? jangan silap pilih la brother. hancur bangsa dan negara kita.

Salam Tun,

"5. After announcing that there is no money to build the second Penang Bridge, the contract was signed during the PM's China visit to build the bridge after all. There is a lot of money involved here".

//Patuhlah I lihat DAP Pakcik Lim KS nampak mesra dengan Pak ZZZ pada hari raya itu di Putra World Trade Center. Kemudian I lihat juga si Lim Guan Eng seolah2 sedang membodek Najib dalam newspaper.//

6. In Uzbekistan, Petronas is to invest a few hundred million Ringgit. Trips are also scheduled for Iran and Turkmenistan. No doubt more contracts and more money would be involved. Some contractors will benefit.

//Tun, I ingat Pak ZZZ ini hanya membantu bisness keluarganya Air Asia aja Uzbekistan. Rupa2nya, Petronas dilipat juga. Kasihan lah I lihat CEO Petronas nampak muram aja kat TV pada malam jamuan itu kat berita TV.//

Tun, I think he is desperate, takut sangat the whole family kena sue sampai bankruptcy kerana koridor2 yang dilancarkanya memang tidak laku dan telah membazirkan duit rakyat yang begitu banyak, that'why dia tak berani nak umumkan perjalanannya ke luar negara secara umum.

Selamat Hari Raya Haji kepada Tun, Tun Siti Hasmah, Dato' Muukhriz dan family.

Tun,

In Malaysia, racism is part and parcel of the this country. So it is natural to have a diversity of culture, religion, etc. How does a more successful race harm another race who is less successful? Generally, if the 'Malaya' has only Malay race, will the Malaya Malay better off than today's Malay of Malaysia?

The answer is a big 'No'. It is simply many Malays work in a chinese firm, so without the chinese where the Malay be working now. I've nothing against Malay in the office neither do I see Malay has problem with a chinese in the office, I only notice it in the newspaper, politics and this blog.

Pls. look at one another as human being first not by race and religion.

The root of our problem actual lies in the racism based parties politics such as UMNO, MIC & MCA. The leaders of these parties keep on throwing racism on to the rakyat which without them, Malaysian is more unified. This is manifested by not only some of the commenter here but also your dear son. I am disappointed that your legacy is living in a backyard. I don't think he can manage a grocery shop let alone a country. A big let down.

Takut nanti bila rakyat dah bosan sangat, Pak Lah je yg jadi last PM utk BN. Lepas ni PM dari parti pembangkang pulak!

Good Evening to all Chedet Bloggers,

I think majority of Malaysia people right now don't like Pak Lah. Everything he propose or planned just talks only.The only good thing that he is good at is Flip Flopping.The man just never keeps his words or just trying it.Behind every flip flip decision that he makes are to benefit his own cronis.He will always be remembered as the least most popular PM in the history of Malaysia.Come March 2009, all hell will break lose in UMNO.

Good Comment TUN.

Saudari Zana

Your belief in Tun is most appreciated - however blind belief is a major risk, especially when your faith in Tun is based on perception, not reality!

Tun said he was going to publicise who he believes are playing Money politics in UMNO...I bet you this is from the same play book as Dato Seri Anwar who till today keeps harping on taking over Government.

And if your beloved Tun does reveal his list of those corrupt in the practise...kudos on him. I'd say he is brave... Because, those very people will not stand idly by...they will reveal their cards on Tun and this becomes a free for all...

and in the unfortunate event if Tun does not reveal his "dirty list" so to speak...well, the country would be forever wondering if Tun did have the courage to spill the beans, dust the cobwebs, rattle the applectart...I could go on and on...

Oh, by the way, thanks for reading all my comments (current and past) on Tun..I'm flattered ...

Advise to you Zana...be devoted...but don't be blinded by your devotion...

.....TORA! TORA! TORA!

Niaya Pak Lah. Semua tulisan akhir ini bertubi tubi menerkamnya. Tun terhidu 'the end is near?' or 'the time is now!' Whatever the outcome, opportunists who thrive in turmoil will benefit. Bila bangkai berbau, gagak menghurung.

Antara gagak, satu orang lama era dinosaur, ada menubuh dinasti (Onn, Razak, Badawai, M????????), ada penjunjung kroni dan kerabat (SEMUA!), ada pejuang kawan dan kontraktor. Pejuang nasib rakyat bersikap berani, bebas, kena pecat!!

.....MISSING PM

Tun is the most travelled PM in M'sian history. Patutlah terkenal seluruh dunia? Di awal penggal dulu banyak peristiwa besar berlaku Tun berada luar negara (ingat Memali?). Opposition gelar the missing PM.

.....FAIR CRITICISM

Tuduhan Pak Lah tak keras berusaha menunai janji tapi sibuk naik jet ke sana sini tepat!. Kenapa dia begini? Ini mungkin 'last call?'

Dear Tun,

This is the 1st time i am pining a comments in your blog, honestly tun you are a great man who's has help our beloved country to be known to the world, but then again you have also created some laws here and there whereby now you yourself is caught into, so who is to blame. Honestly in this lovely country all races is living in harmony with no bad feelings against each other, but then again all this bad feelings is created by all those politicians who wanted to get themself notice Ha Ha Ha in fact they have created a fool of themself for doing it.

No doubt our present PM is not working up to expectation but then again he is also human and also i feel he is trying to do something good for the future of our country but there are also some politicians who do not like what he is doing, worry that they cannot cari makan if those laws of corruption is put into effects and will jeopardised their special privilege in making extra income from all the hard earn money of the rakyat.

I know that all this is something that not many corrupted politicians who support the idea but who dares to oppose it openly

if they do then it will show that he/she is corrupted , so they have to do something before this laws is put into practice and enforced.

What i do not understand is why . tun yourself a great man in our country is trying to stir the bush amongst all the races as can be seen on some of your blog.

thks for giving us this opportunity to post a comments in your blog.

By peteryap on December 5, 2008 10:25 PM

Dearest Tun,

I just got home after being away in the region on business and had just gone through your articles for the past few days.

So UMNO sacked Zahid? That still didn't help with the fact that he squandered away RM10.5 million of tax payers money on those judges!!

Abdullah may want to stay in power after March? bad for the country but great for Pakatan and Anwar Ibrahim, the latter's dream of moving to Seri Perdana is getting closer and many of us including Saiful should seriously think of migrating. If Abdullah stays on, we already know the results of the 13th general

election today!

Najib not willing to work with Muiyiddin? I am not the least bit surprise. Obviously because Muiyiddin is a far more intelligent leader than he is and also untainted!

I was in Shanghai last week and Tun, all my Chinese friends were intersted only about one subject - Altantuya Sharibuu!

It's also phenomenal that after 5 years as our socalled PM, the Chinese news media including the more sophisticated Phoenix Channels, are still calling him PM Badawi instead of PM Abdullah. Clearly as PM, he has neither made an impression at home nor abroad!!!

I can't help making the comparison that while you were our PM, the protocol concious Chinese news media never failed to call you by the right name and never as PM Mohamad. I was very touched when a 25 year old local Shanghainese colleague asked me in Mandarin at dinner one evening, and I quote, "how is your GREAT PM MAHATHIR doing?" end of quote. Well, I wish my answer for this young man was that our PM Mahathir is still doing great things for our country.

Perhaps there is still hope and a flicker of light at the end of the tunnel for Malaysia, if UMNO and Barisan will remember your legacy. Clearly, we can't pin our hope on PM BADAWI nor NAJIB!

I am forever greatful to have you as our PM for 22 glorious years!! Then, we were able to hold up our heads high, where ever we go!

Dear Tun,

If Najib has got no "balls" his fate will be exactly like Pak Lah "the haprak and HP6" Prime Minister in 3 years time. UMNO will continue to be just like a "pussycat" Malay party having a "pussycat" President and "pussycat" Prime Minister. A President and Prime Minister with no backbone and no choice but to rely on Pak Lah's cronies surrounding him in order to get political support for his own survival and willing to sacrifice his principles and become a "dah bodoh stupid" Prime Minister.

Now we are watching how Najib will play his card to gain the confidence of the rakyat and to steer the country forward. Will he be able to get back the confidence of the rakyat? Does he have the mental capacity to sustain the long haul and dare to venture something drastic and make changes without fear and favour of being influenced by his own cronies and Pak Lah's cronies who will be leaving Pak Lah behind?

The current situation is really not in Najib's favour. He will face a very heavy responsibility and the challenges ahead will determine whether his leadership is effective or suffer the same fate like Pak Lah being totally rejected and humiliated by the rakyat.

Salam Tun yang dikasihi,

Kelebihan Pak Lah yang saya nampak adalah pada sebutan nama 'LAH'nya. Kerana pada perkataan 'lah' inilah akan wujud perkataan dan sifat 'nantiLAH dulu', 'tidorLAH dulu', 'sabarLAH dulu', 'kahwinLAH dulu' dan 'cutiLAH dulu'. Adakah syndrome ini warisan daripada sifat 'kekakitangan kerajaan'nya dahulu. Masuk pejabat 8 pagi, kemudian minum pagi 10-10.30, lunch 12.30-2.00 ptg, diikuti minum petang jam 3.30-4.00 lalu pulang jam 4.15ptg. Maka berapa jam sehari kerja pejabat dapat dilakukan melalui tatacara sedemikian. Mungkin Pak Lah telah memberi sedikit pengajaran berguna kepada kita, iaitu "jangan lantik seorang PM dari kalangan kakitangan kerajaan", kerana hasilnya macam yang telah kita alami. Lantiklah PM dari kalangan saintis, doktor, jurutera, ahli perniagaan dan ilmuan atau cendekiawan. Jangan pilih pemedato, seperti si 'master of spin' tu, kerana pemedato ada sifat sombong dan bohong. Wallahuaalam.

Wassalam

By pakbelalangAuthor Profile Page on December 6, 2008 12:14 AM

Dear Tun,

As I said in my earlier comment that Pak Lah is using this "peralihan kuasa" period for his honeymoon "while the perks last".

No such thing as trying "to regain the country's competitiveness, to face the challenges that the world has in store for us or to reform the judiciary, the setting up of an Anti-Corruption Commission, Special Complaints Commission, equitable distribution of the fruits of growth, strengthening and enlarging the social safety net, development of corridor initiatives etc etc.

All these so-called initiatives are just rhetoric. Only fools would believe what he said. Imagine trying to reform so many things within 3 months and knowing very well he could not even able to absorb and find simple solutions for the many economic problems that the country is facing now, like the price hike of fuel, the ex-gratia payment etc.etc.

Anyway, as a token of "appreciation" for his contribution to the country and supaya tidak "tempunan" biarlah dia ROUND THE WORLD IN 80 DAYS AND VISIT 1000 PLACES THAT HE MUST SEE BEFORE HE DIES OR LEAVES OFFICE !!! kah, kah, kah !! Afterall when he can give RM5 million to the guilty Tun Salleh, he thinks he is also entitled for RM10 million to travel round the world in 80 days by a new Airbus 320. You scratch my back, I scratch your back.

Dearest Tun,

DSAAB is a LOSER, but unfortunately he doesn't seem to realize it. In a way, I feel sorry for him.

If he still wants to be the PM after March 2009, I believe something bad is going to happen. Hopefully, he will make a wise decision to STEP DOWN as soon as possible – before 2009.

May Allah SWT bless Tun & family.

By zaki\_77 on December 6, 2008 1:17 AM

Tun,

I also heard Khairy recently suggest that the elected UMNO youth chief should also get a cabinet post! I smell something very fishy here because I believe AAB wants to cement his son-in-laws position within UMNO as he has high hopes for Khairy in the future (if he wins the youth chief post).

I want to tell everyone that AAB will try his best to manipulate the results in Khairy's favour and then force Najib to change the rules and offer him a cabinet post in government. This is the under-hand tactics of our 'mr clean'... Wake up UMNO and rescue yourself from the AAB scourge before it's too late, even for Najib to make a positive difference.

By aad on December 6, 2008 8:37 AM

I am throwing a wild card here.

Is it possible that AAB and Anwar Ibrahim are working secretly behind closed doors?

These are some of the hidden pointers :

1. The premature release of Anwar from prison
2. The dismantling of various project players
3. The latest judicial fiasco
4. The Zaid Ibrahim poser
5. The deliberate weakening of UMNO?

Think about it.

A GOOD MAN DOES NOTHING.

Salam Ayahanda Tun. I don't know if my comment this time here would be fit for sharing. But let me say my peace anyway on Najib and his attitude lately. When I was younger, I had the privilege to compete and beat a group of well healed mat sallehs at a certain task. One of these mat salleh then had congratulated me by a firm hand shake and looked me straight and said: "A pig is a pig, you could teach and make it run just as fast as the horses and probably even beat the horses at that, but at the end of the day the pig is just a pig". So many years later, and the broken nose healed but the very words still sting. I have chosen to remember that well. And somehow Tun, I just fear that the same is happening here and

again. Najib has to see things for what they are and not for something that is never there. Its like that Tun, no matter how rich one could be, there shall comes a certain times in ones life - to only be needing; some quick fist jobs, plenty of raw uneducated courage and the best set of loud lungs. That is survival of the fittest.

Minta izin lalu sekejap,  
Kepada Ravi,

Habis tu,ke mana selepas ini kita sebagai rakyat biasa,kalau datang ke Blog bekas Pm asyik nak lebih mengutuk daripada menyatakan idea bernas kepada setiap tajuk perbincangan Tun??Saya bukan gemar membaca komen daripada saudara,tetapi rasa pelik kerana bukan saja saudara,tetapi Si Apit,V9179 dan beberapa lagi yang tak ingat siapa,selalunya datang kesini seperti berlagak pandai dan sombong.Ini Blog siapa?Samalah kalau pergi ke rumah orang yang kita tidak diundang tiba-tiba memarahi si Tuan Rumah.Kalau tidak sukapun, apa yang saudara dapat?Kepuasan?Walaupun,mungkin saya tidak sebijak saudara,tetapi saya boleh menilai kebaikan yang Tun telah lakukan selama ini.Bukan itu saja,keperibadian,ketegasan dan kewibawaannya yang menyebabkan saya memandang tinggi terhadap beliau,tetapi ini bukan alasan saya menyokong apa sahaja membuta tuli.Janganlah membiarkan bibit-bibit kebencian melampau di dalam diri sendiri. Ramai lagi pemimpin,tak payah tengok negeri luar,yang dekatpun cukup yang pandai retorik dan bermain kata-kata,tetapi kerja tak ke mana contoh DSAI,dan ramai lagi.Tidak guna saya mengutuk mereka ini,kerana bukan saya kenal DSAIpun kerja dengannya pun tidak pernah,tetapi saya tidak nampak apa kebaikan yang dibawa kepada negara terutamanya ekonomi,politik dan keharmonian secara PRAKTIKAL.Tun lebih berhak menyuarakan ketidakpuasan beliau tentang kepimpinan dan keadaan negara sekarang,kerana beliau adalah bekas PM Malaysia selama 22 tahun.Walaupun saya tidak kaya-raya,saya tetap bersyukur dan berterima kasih kepada Tun kerana beliau telah mewujudkan peluang pekerjaan yang banyak,sekiranya saya ingin menjadi lebih senang sudah tentu saya harus bekerja lebih gigih, yang penting menggunakan peluang yang banyak tersedia di sekeliling kita,jika dibandingkan negara ketiga yang lain.Bagi saya dan keluarga Tun adalah sumber inspirasi kami supaya tidak kenal putus asa.Sekiranya rakyat negara luar tahu jasa Tun,kenapa kita rakyat Malaysia sendiri tidak tahu menghargai jasa Beliau??Walau bagaimanapun, setiap manusia ada pendapatnya sendiri,apa yang cuba disimpulkan disini bersopanlah dengan orang yang lebih tua!!

Mohon maaf ,Tun kerana berinteraksi dengan beberapa orang 'kawan' di sini.

Harapan saya,Pak Lah akan segera turun dari'tahtanya'segera.NO MORE U TURNS.

Semoga Tun dirahmati Allah dan cera selalu.

salam tun,

saya dah sebut dah benda ni di post tun 'Mac 2009' pada 2 disember 2008 pukul 8.54 pm.

Isunya sekarang ni, najib pun bukanlah calon pengganti yang saya lihat boleh memimpin orang Melayu, ini pandangan ikhlas saya sebagai anak melayu. Takde apa-apa niat lain.

Dia ni politician sejati bukan pejuang, play safe. Lihat saja komennya terhadap isu cadangan penubuhan satu sistem sekolah kebangsaan oleh Mukhriz atas dasar perpaduan, sungguh tidak menjanjikan apa-apa harapan kepada rakyat Malaysia umumnya dan Melayu khususnya. Tiada ketokohan seorang pemimpin no 1 negara yang boleh memimpin.

Samalah macam dia deal ngan isu peralihan kuasa ni, pak lah tu dah terang2 gagal sebagai pemimpin untuk menyatu padukan rakyat ke arah kemajuan dan kemakmuran, pun dia dok tunggu lagi, play safe lagi.

Apa taknya, kalau muhyiddin tak bising2 pasal peralihan kuasa ni, memang takde sapa lah nak bangkitkan pasal kepimpinan pak lah ni. Bangkang lagi ada, minta pak lah stay. tapi yang kelakarnya melihat manusia talam dua muka ni, bila pak lah kata setuju dipercepatkan, berebut yang nak jadi no. 2. jelaslah sudah apa yang ada di hati pemimpin UMNO masa kini. memang malaun diorang ni.

Anyway, saya bukan orang politik. saya cuma pemerhati bebas saja.

Tanpa apa-apa niat, sekali lagi saya nyatakan saya tak nampak apa2 jaminan keadaan boleh pulih sekiranya orang yang akan menggantikan pak lah sebagai orang no 1 adalah orang yang tidak mempunyai visi dan prinsip perjuangan yang kukuh dan jelas, dalam kes ini orang yang menurut sahaja pelan peralihan kuasa yang pak lah inginkan.

Dear Tun yang disanjung.

1. Sememangnya DSAAB nampak macam seorang PM yang baik & lembut. Dengan itu, orang - orang di tepinya pun mengambil kesempatan melakukan sesuatu untuk kepentingan diri sendiri. Baik bagi jawatan dalam kabinet mahupun dalam parti. Inilah yg mendorong mereka menyokong DSAAB.

2. Ramai yang percaya, PM yg Ke 5 sekarang tak macam Tun dulu, dimana Tun lebih tegas & work hard & smart. Ramai menteri-mentari takut nak buat sesuatu yg tak baik kerana Tun akan ambil tindakan yg amat tegas. Ini nyata disebalik kepimpinan sekarang. Dengan itu, parti lawan dengan senang aja "attack" BN atau UMNO pada bila-bila masa.

3. Pilihanraya yg ke 11, DSAAB dapat mandat yg begitu kuat sekali kerana rakyat begitu harap PM yg Ke 5 dapat lakukan sesuatu macam pemerintahan Tun dulu. Sokongan yg tak berbelah bagi telah diberikan kepadanya.

4. Namun setelah beberapa tahun yg lalu, kegiatan rasuah dan salah guna kuasa oleh pemimpin2 tak nampak "improvement" malah semakin serius. Orang yg dapat jawatan tinggi, semakin sombong dan sentiasa bangkit soal perkauman demi mendapat populariti dalam parti. Mega projek dibatalkan, kadar jenayah yg semakin tinggi dan macam-macam lagi....

5. Bila Pilihanraya yg ke 12 tamat, nyaris-nyaris habis sokongan rakyat kepada BN. Sebenarnya, ramai yg membuat ramalan dan jangkaan yg betul terhadap keputusan PHR yg ke 12. Cuma BN & UMNO aja yg tak tahu.

6. PM sepatutnya undur secepat mungkin walaupun saya hormat pada DSAAB. Saya tak nampak kebaikan sekiranya kepimpinan beliau diteruskan. Kebaikan itu mungkin ada pada menteri2 yg menyokongnya sebelum ini.

Salam sejatera YAM Tun & family. Semoga Tun panjang umur & take care.

Suara rakyat.

Ayahanda Tun,

1. Komen saya jarang diterima kerana ditakuti ada unsur hasutan tetapi kalau Tun amati tulisan orang bukan Melayu yang menulis dalam blog Tun, lebih bersifat racist, penuh hasutan, tidak menghormati

orang Melayu dsb.

2. Saya mengecam politik kotor, rasuah, kronism dan "lembik". Pada masa yang sama saya juga mengecam politik memancong lawan dengan cara kasar dan tidak terhormat. Menggunakan kata-kata kesat pada pemimpin bukan budaya Melayu, ini budaya samseng dan gangster. Pemimpin sebegini perlu dikaunsel, dinasihat agar mempunyai insight tentang diri mereka agar sedar kelemahan dan kepincangan pimpinannya dan bukannya melemparkan fitnah, gelaran2 memperbodohkan mereka dsb. Kini UMNO telah mempunyai maruah paling rendah dalam sejarah perjuangan bangsa Melayu, kerana apa? kerana orang Melayu sendiri yang mencemuhnya. Orang bukan Melayu mengapi-apikan lagi agar lebih kuat dakwaanya. Siapa rugi?

3. Kenapa tidak kita juga menyingkap politik MCA, MIC, DAP, PKR dsb. Apakah mereka benar-banar bersih dari rasuah? Blog mereka juga popular tetapi lebih lebih positif kearah membangunkan bangsa mereka disamping membangkang kerajaan yang ada. Mereka ada kesepakatan dan tak melatah seperti yang berlaku dalam UMNO. UMNO kini ditentang oleh orang dalam UMNO yang kecewa dengan kepimpinan, orang yang keluar UMNO kerana hilang kepercayaan kepada UMNO, orang Melayu dalam PAS dan PKR yang ingin menumbangkan kerajaan BN, semua parti pembangkang bukan Melayu dan komponen BN bukan Melayu.

4. Mohon Tun bawa isu politik parti lain juga agar lebih seimbang. Kami berbangga dapat memahami politik negara melalui tulisan Tun tapi kalau terlalu berat pada politik orang Melayu dan UMNO, fikiran kami tidak luas dan ditakuti indoktrinasi ini akan menyebabkan kami membenci UMNO selamanya.

Suatu ramalan yang menyeramkan...

Krisis Perlembagaan II

March 2009.Najib menang Presiden UMNO.Muhyidin jadi PM!

UMNO berpecah dua,Raja-raja terbelah dua..

The only once weakening UMNO are their corrupt leaders, nobody else.

UMNO has no good leaders left, Najib is as dirty as the rest.

You know this that's why you picked AAB, thinking he was the least corrupted.

UMNO has been come a cancer to Malaysia. Every time the people try to cut it out, they use racial issue along with their partners MCA and MIC to influence the weak minded people. And Malaysia has a lot of lazy racist weak minded people.

Assalamualaikum Ybhg Tun Dan Keluarga,

Selamat Hari Raya Aidiladha. Siapa agaknya Pemimpin UMNO atau pemimpin Malaysia setakat ini yang paling singkat menjadi Perdana Menteri?

By RT on December 7, 2008 11:57 PM

Hello Tun,

All that I know quite clearly at the moment is that there is a lot of in-fighting within UMNO.It's just speculation that AAB & Anwar work behind the scenes.I think Anwar has better things to do than that.Tun you're also concerned that AAB & family are having overseas holidays in the super modern jet -airbus 320.Well just heard & saw on TV the horrific landslide at Bkt Antarabangsa which caused the evacuation of thousands of people.I think as a responsible PM, AAB will have to fix this matter first before he can

take flight again.

Sad to learn of the tragedy. Hope the suffering will be alleviated & the people will be well compensated by Insurance.

Take care.

Selamat pagi dan salam Tun,

(Macha Ravi, Nasha bin Edwin, Poh (I do not mean to offend you Poh, I sincerely hope that you can understand in bigger picture when Malaysia is landed in the age of globalisation for you next generation), and the geng (I mean those with half breed brain) can continue with the dreams of 'I believe that democracy is fair in the world as if you are the GOD and KING)!!!!

Izinkan Tun, as usual I spent 3 hours per day with che det to fight for peace, harmony and love for Malaysia, tanpa isu perkauman.

To: Ms penny on December 5, 2008 9:55 PM

Dear Tun,

//This is the 1st time i am pinning a comments in your blog, honestly tun you are a great man who's has help our beloved country to be known to the world, but then again you have also created some laws here and there whereby now you yourself is caught into, so who is to blame. Honestly in this lovely country all races is living in harmony with no bad feelings against each other, but then again all this bad feelings is created by all those politicians who wanted to get themselves notice Ha Ha Ha in fact they have created a fool of themselves for doing it.//

Very good question that Penny has brought up to show that you are indeed a rakyat bangsa malaysia. All laws in our country are fair and suit our beloved country, but laws have to be changed as time moves on. Now, rakyat are relieved that Zaid Ibrahim is sacked from UMNO, maybe he will join PR depending how much money and power he can get from PR OR maybe PR does not want to bring him in because as chinese says, bila dah "sui" (in cantonese, maksudnya kotor), pasti akan menjatuhkan PR, right?

Since Zaid Ibrahim is out from politics, the next one will Narzi, our current Law Minister and ketua kepada BPR. With Nazri still around, our country law and BPR will be spinned and exploited again to protect Pak Lah (who is also the Defense Minister), KJ and family from their wrong doings that will jeopardise our peace, harmony and love in the country.

Penny ask yourself a question, during Tun's time, do we see minister law and ketua BPR is from the same person, no, right? Except the Finance Minister which Tun had to hold to drive us out from the 1998 RM attack. You know very well that chinese are very good in controlling finance and money, why Tun did not appoint the chinese as our Finance Minister because we chinese does not love the country during Tun's leadership and are ignorant of Islam and Agong and Raja2 Melayu.

Now, Datuk Mukhriz has suggested "one school system", what did our chinese leaders' reaction? From here, Penny we chinese know that these chinese leaders are still stubborn and do not want Malaysia to

be united under bangsa malaysia. These reactions have proved that they do not have love and passion for the country, thus they cannot lead Malaysia secara sihat dan adil. I believe within 10 years we will be re-united under bangsa malaysia because lots of our chinese have spelt out love for the country and have buka mata dan hati because of our Tun's che det blog.

//No doubt our present PM is not working up to expectation but then again he is also human and also i feel he is trying to do something good for the future of our country but there are also some politicians who do not like what he is doing, worry that they cannot cari makan if those laws of corruption is put into effects and will jeopardised their special privilege in making extra income from all the hard earn money of the rakyat.//

Because of what Tun has done in the past, Tun did not expect Pak Lah to be the greatest leader (tengok muka dah tahu lah)but at least try to learn from Tun's mistakes and rectify them, but instead he has a very lazy and ego mentality of "well, Tun boleh, saya juga boleh, siapa Tun". From here, we already know that he is not only malas but also ego, cunning leader who exploit our rakyat money in the name of Democracy.

Look at Air Asia (his family business), as if Malaysia is a very greedy country that want to control air traffic in Asia, where is our foreign diplomacy? From the name, we can safely tell that he is indeed greedy and does not know where he stands, and most importantly, he has made Malaysia a fool in the eyes of Asia's leaders. This idea, we have to thank the anak2 Singapura, who is so cunning to rasuah him with Singapore Airlines profit. It's time this Pak lah need to be forced to resign now, with him around, our country will be more messy and more difficult to revive be it in political and economics landscape.

//I know that all this is something that not many corrupted politicians who support the idea but who dares to oppose it openly if they do then it will show that he/she is corrupted , so they have to do something before this laws is put into practice and enforced. What i do not understand is why . tun yourself a great man in our country is trying to stir the bush amongst all the races as can be seen on some of your blog. thks for giving us this opportunity to post a comments in your blog.//

If Penny wants to know the answer, please read all articles posted by Tun when he is still able to. From here Penny will understand what happened during Tun's leadership and why we have landed in this situation. Penny, all people are same, they are good, moderate and bad people depending which type you prefer. From all the comments by the bloggers, you will understand why our malays felt humiliated and offended. Human beings can live in harmony if we love and respect each other. Don't let the politicians fool us again, we must wake up and fight for the right, we cannot rely on these politicians only. When rakyat united, these politicians will not dare to take us for granted to make them weathy and powerful. They work for Agong, Raja2 and rakyat under our rukun negara, not for them. Please refresh yourself with rukun negara, just get an exercise book from sekolah kebangsaan, you will know that under the rukun negara, we are all fairly treated regardless whether you are malay, indian, other minorities or chinese.

Good day, Penny.

Same to you Tun, relax and enjoy yourself, Tun, wish Tun Selamat Hari Raya Haji once again...

Pak Lah's overwhelming 2004 election win underlined the public's utter disillusion with Dr Mahathir's rule.

This subsequent disappointment with Pak Lah owes not only to his weak leadership, the public is once again disappointed that Pak Lah has not been able to unlock the system of patronage rooted in Dr Mahathir's era.

Saudari Zana

mengapa Saudari Zana mengutuk PM Abdullah tanpa bukti atau sebab yang bernas? Pendapat saya yang Saudari Zana hanya mengkritik PM kita dari "hearsay" Tun...

There's 2 sides to every coin...Tun is just giving you his side...I would think it's pertinent you ask Tun to be equally open about his past dealings.

If you want to claim that he has only developed Malaysia in last 22 years, let me ask you one basic question - where was the succession planning strategy from Tun to ensure that Malaysia will always have a larger pool of talented leaders.

Tun took the convenient choice of naming a quiet leader like PM Abdullah to be his successor. His successor did not like Tun's meddling post retirement plus some of his projects were exorbitant. No point getting upset with PM Abdullah lah!

If you still want to merepek pasal Tun ...go for it...

You've every right to support Tun BLINDLY... as much as I have every right to criticise Tun for his lack of VISION!

A'kum Tun,

Menteri Kabinet sekarang hanya boneka semata. Prestasi menteri-menteri kabinet tak da yg mencatatkan rekod yg bagus dalam mengambil berat tentang soal rakyat. Sini-sana skandal. Skandal seks & rasuah jadi liputan berita tentang Menteri-menteri malaysia. Apa nak jadi?

Harap-harap Malaysia tak akan menjadi negeri seperti Thailand. Negara yg di beri nama THE LAND OF SMILE sudah menjadi THE LAND OF GLOOM & DOOM. Ketidak kepuasan rakyat akan berlaku suatu hari nanti jika para politik di negara Malaysia tidak mengambil serius tentang pekerjaan mereka.

DSN must be brave to go against all odds.When he becomes PM ,he should choose dynamic people in his new cabinet,not the run of the mill politicians.

People really want to see a new line up of fresh faces and those who can be trusted to carry out their jobs.

DSN should adopt the slogan "Berani Berubah", it gives new hope to people because people really want changes.

This is really interesting which reminds me of the Streamyx ad.

The mothers were bragging about how well their children . Anak saya dapat 5 A. Lima A dia dapat .  
Sekarang dia terkejar ke sana terkejar ke sini.  
Sibuk sekali.

Same can also be said about AAB but in the reverse order.

Dia terkejar ke sana , terkejar ke sini. Lima B dia dapat . Dia dapat Lima B.

As you can see. A does not necessary meant the best . B can be better.

Dear Tun,

If Najib has got no "balls" his fate will be exactly like Pak Lah "the haprak and HP6" Prime Minister in 3 years time. ///

pakbelalang - I think you got it very wrong. If Najib has got no "balls", then he will do much better than Pak Lah.

Pak Lah has got "balls" to go against the puppet master a.k.a. TDM - Pak Lah cancelled most of TDM's projects, in particular the crooked bridge and reversed most of his policies and undo some of his controversial decisions - compensating the judges which effectively meant "wrongful dismissal". If only Pak Lah had no "balls" and do as he was told, he would still be in office.

If Najib has "balls" and start to do what he thinks is good for the country, instead of what is good for his master, then he will be hounded out of office in less than 3 years' time.

I tend to agree with a post By anakmerdeka on December 6, 2008 11:43 PM. It does make sense that as a person who is a very influential and a thinker , we would also like you to expand a bit more on your comments and critical analysis of the nation.

being our ex PM you certainly see things differently than anyone else who never was in the position or stepped into your shoes. I dont think it is wrong if an ex PM like you comment on the nonsense people like soi lek, pak mat taib, rahim tambi chik, and the same ones like them, the other leaders be it from PKR, PAS etc..

why make it sound like UMNO is the worst? I mean. of course they are obviously bad becoz they are the ones running the show and some are taking the chances like nobody biz...and paklah...well.. that's

another story.zzzz...

Given the opportunity, I doubt if the other race based party will not do the same or probably worst. let us see how good they fare so far in running the states? i dont see anything better..they give away land to people that easy eh? and an exception I see, is that they manage to make UMNO people pee in their pants every time an BN MP dies, as there will be another by election,...oh well

I wonder if any of these racist indians or chinese ever thought how lucky they were being a malaysian? can they imagine living in Mumbai..people like some indian lawyers who talk too much, as if they are treated so lousy here? You know how smelly the roads in mumbai are? my neighbour an indian said he was lucky being here, he has bought property of almost millions.. and never had to smell the shits on roadside ever...I mean, I hv never been to Mumbai, but... that's wat an indian friend told me..

and why when we are in India, we have to bear with Indian way of life? and in Malaysia, they cannot accept that this is the way we do things. take it or leave it. we never kacau other people's religion unless they build their temples on illegal land. Even surau and masjid are open to be demolished if done that way. Fair isnt it.

The leader should be more firm in making policies for the nation to become more united.

How come we cannot all go to the same school using one system? the chinese and indian school should all be abolished and the subject be made ELECTIVE in the one school we all have to go to. So, any one can learn another language, india, chinese or whatever. Why the race based system? this is the reason why we are all so disunited and the outsiders are so happy to see us this way. so easy to crack. Can't all of us see the same Malaysia we want to build? we are almost stepping backwards every day. If not taken care of, we can end up like Thailand ..anyone care to live in such chaos? THINK people. dont just think about your so called FREEDOM OF SPEECH. be happy with what you have. Dont try to stretch your luck too much.

I as a Malaysian (chinese) and still living in Malaysia, it's my right to mempertahankan the country tanpa berbau isu perkauman but honestly speaking I do not know why she attacked. //Kesiannya, kat Penang tu ada banyak laki Indonesia yang single. Hang try la. All this Indonesian are the one who was getting PR status in Malaysia when our ex-premier was in power. I'm just commenting about his policies. But I openly admit that I attack u. Are u Tun's personal asst or his friend until u know what he likes n dislikes??? Or are u working as a moderator in this blog because u have heaps of time to write comments here or are u Tun itself who are using a fake name to attack back who ever writing things against the previous govt??? //The reason is you are so stupid till cant use your brain to answer me back. U only know how to buck. Again im telling the reason u will give is I got no time to layan ppl like like. Normal cowards excuse. About u saying “Yes, rasuah in police and immigration happened. Who started them? I am sure you know very well, siapa kan?” I really not sure who started it, can u plz tell me???//

Orang cina kita lah yang mengikut pemimpin2 cina yang menghalalkan rasuah in the name of DEMOKRASI. Ini saya belajar dari the det on how to judge those leaders who are favouring rasuah. Hm... now we chinese know that the high profile chinese leaders (I mean those yang suka show-off type) adalah perasuah, as for Malay leaders, melayu kena buat apakah yang patuh dilakukan untuk mengeluarkan mereka daripada menghalalkan rasuah ini. If you are curious, you can get the answer from Datuk Mukhriz's suggestions on "one-school system".

//Dun blame the rakyat because all this officer are too smart n they will make an offer that u cant refuse, like what happened to me. But I think it is the weaknesses of the govt. This statement really made me more interested to get to know u better HBT. “if you are my child, I will slap you with my shoes” for somebody to say this, I think that person definitely must have went thru this type of style of living or still practicing this type of style of living. I really pity u HBT because the amount of slapping with shoes that u got from ur patents. I really feel sorry for you. They slap u using bata shoes, selipar jepun or kasut kayu??? Kasut kayu is the selipar all the nyonya will wear at those time. How was the feelings because my parents has not slap me with shoes??? And u are still slapping ur children with shoes??? what type of shoes are using??? Try to use Adidas or Nike because they are more smooth and that will not hurt ur poor little children much. Anybody who knows this devil, plz complaint to Jabatan Kebajikan Masyarakat that she is doing all this to her child. The kids will be more happier to live as an orphan rather having a mother like her. Now let us talk about this statement “If you need to rasuah to get the project, then you made a fool out of yourself, stupid isn't it? Do u know that to meet a minister, deputy prime minister or

even the prime minister, u have to lobby the time. Lobby system is called saguhati or rasuah??? For me it is called rasuah. Even the cabinet was practicing rasuah. And do u think the minister or even the PM will have open house every week to meet the rakyat n listen to their problems??? They got no time. They will ask their assistance to handle this kind of issues. The rakyat didn't vote their assistance to become the MP. The rakyat choose the minister to become the MP. But the ministers are only willing to meet u if u lobby them. All this are normal even when Tun was the PM. Now u look stupid. I think u don't know anything about political protocols. U are just trying to be smart in a place where u dun belong. I mean commenting about politics. About u saying "If your so-called Datuk friend can conned you into this business deal, then both of you are actually involving in an illegal business transaction". When did I say the Datuk conned me??? And if u can think rationally then u already got the answer y have I to take a Datuk as my business partner. The answer is already there and also in my previous comment. And when did I say I gave rasuah to get a project??? Hang ni senang-senang saja fitnah aku.cakap suka hati hang je. Hukuman untuk fitnah is bunuh sampai mati. Are u retard or u just cant understand English?? Plz explain. I did not say that...//

Oh... you are the perasuah then... lobby government projects. What you have gone through, I do not feel sorry for you now, because you deserved to be punished by god (chinese says.... tuhan dah buka mata to teach you a lesson, lol). Because of these lobby traditions which can kill our peace and harmony, Tun dah buka mata! Rakyat dah buka mata! You kat mana? You kat UK bising2 buat apa???? You dah give up your right to fight for our country with che det to clean up the mess under Pak Lah tenure, rakyat dah bangun. Tun resigned kerana Tun tidak ingin orang2 kata Tun adalah dictator. Dah 5 tahun, apakah Pak Lah, Ong kat ting, Samy Vellu, dan koh tsu khoon buat? Continue baca lah che det, you will know the answers.

P/ Si Tsu Khoon, you lelap juga macam Pak Lah ke masa you as the CM in Penang. Now your partner DAP, Lim Guan Eng is trying to outsmart you like what you have done, but both of you jangan happy2 sangat, because in PRU 13, you guys will be kicked out from representing the chinese!!!!

//I really laugh when I read this statement "When doing business, you have to do research first, not through connection to what, Datuk??" look who is teaching me how to do business. For me ur just a rubbish and u always talk rubbish. Plz read again my previous comment to get a clear picture. U always claim that you are a goodddd Malaysiannnnnnnnnnnn. Prove it by reporting about your friend to the police and ACA. And please make a press conference about it too so that we all know that u really did it and your are not a person who talks rubbish. He was trying to be a Malaysian by bribing another Chinese guy. And let police or ACA investigate this case, then they can arrest the black sheep behind this type of syndicate and this will make Malaysia a less corrupted country. I dare u to do it. U still can report even it happens 10 years ago or even if your friend has left Malaysia. The police and ACA knows how to handle this type of cases. About u saying this "The reason I sent my children to sekolah kebangsaan is not because I want them to learn BM only, it's because we are a multi-racial country, thus, I want to expose them to the muhibah environment and accept the national school system so that they will love and protect the country when they grew up especially in this so-called era of globalizaton. The trend now is that "nationality of the country" should be the top priority objective in any countries, don't you know?" I don't know why u must come out with this statements because it is an irrelevant statement for me and I dun bother abt ur kids.

U see HBT, by u commenting about my statement actually u are embarrassing yourself because there is no facts in your comments towards me. U cant comments on my statements because it is full of facts and u are just trying to manipulate it. So please stop it now...and by u doing this I am writing more comments about previous govt policies and this will make the fanatic bumi putera's to be more angry with the non-bumis. If u uses to brain to think then u will understand what I am trying to say but if ur using something else to think then its ok, just carry on commenting on me.//

After reading all your rubbish, I confirmed that you are a 'banana china' yang tidak bersyukur. Siapakah Agong kita, Siapakah Raja 2 Melayu kita, Apakah Agama Negara kita? If you can answer me, you will know what to do as the rakyat of Malaysia lo. But I bet you can't make facts from here, because you memang tak tahu kerana you dibesarkan dalam keluarga yang racist dan tidak bersyukur dan hanya tahu

kayakan keluarga seperti Pak Lah lo, hehehe.... It's because of your tamak mentality tanpa menghiraukan agama, bangsa dan negara kita, our Malaysia has landed back to the past (42 years ago). Now, it's time for the bangsa Malaysia to clean up this mess, but you, keep on dreaming lah in UK, jadi lah hamba kepada orang asing, ha.... ha... sampai nama bapak ko pun lupa..... continue pakai lah kasut adidas atau nike....

//To my fren s...tan, actually I really like the way u write ur comments. Im one of ur admirer. But I think it will be better if u comment about the govt policies rather than attack the malays. It is not the malays fault. They are just innocent and they are just enjoying the benefits while they can. Even us (non-bumis) will do the same thing if we are given the same benefit like theirs. The actual culprits are the politicians who was rising in the 70's. I think u know who am I talking abt... cheers my fren n keep writing n really hoping to see more comments from u...//

Because you guys are ignorant to our history. You guys can hooha..hooha.. on "I am a Malaysian, I want to have equal rights" BUT YOU GUYS DID NOT REALIZE THAT YOU GUYS ARE INDEED THE RACISTS, and have stopped growing up your peanut size brain, thus shallow-minded. You said that you are good in history, but how come you "cakap tak serupa bikin"!!!! Apakah itu hak2 setiap kaum, the answer is stipulated in our sekolah kebangsaan exercise book-back cover, hanya RM0.60/copy, you can get the answer and fact lo. Excellent in history does not mean that you are good in politics. Tak payah report kat mana2 jabatan, pakai "common sense" dah faham. Bila Malaysia bermasalah, you guys dah jatuh cinta pada Singapore and lari ke UK, tak tahu malu ke nak buat komen kat che det, memang biadap seperti si Nazri lo...

Tun, I am sad because of power and wealth strugglings by our present leaders, these leaders are so desperate that they can ignore our agama, raja2 melayu, perlembagaan negara by main2 isu perkauman untuk membuat rakyat marah, tetapi, mereka secara diam2 membelah kuasa dan kekayaan raja2 dan rakyat. Ini lah pemimpin yang kita tak mahu.....

Hey.... "cina banana" keep on dreaming lah with you democracy with your peanut size brain...

Good day Tun.

Thank you for your support and comments. I need to clarify a bit your advise not to 'attack the Malays'. I dont actually attack the Malay race but only the attitude and approach of some Malays I described (that behavior is found in other races too as you rightly pointed)

.....SIAPA DISERANG

I attack the attitude of those Malays with vested benefits (political and mostly economic) giving warnings and threats to racial peace. I am against those who unashamedly misuse the Malay special privileges even though they are thoroughly undeserving compared to other poorer Malays. I condemn those Umno people who play on extreme racial sentiment for personal gain and growth in the party.

I do not mention other races cos they are not and will not become the powers that be. Our destiny lies in getting the right, bright and upright Malays to lead. Not the 'kering akal' type that welcome you to leave, frighten Malays into fearing their own shadow (calling enlightened Malays pengkhianat), wave the keris, threaten citizenship when people read the constitution, organise street marches over statements pleading for fairness and openness.

Mahathirism..menghempap lalat dgn batu! Jaga kaki sendiri!!! If God follows this principle of response Tun Mahathir will not rule for 22 yrs.

YABhg Tun,

Up till now, I still don't have any clue or idea which, where or what direction Pak Lah is taking our nation. But, still like you said..he march on.

I don't understand all the reforms he's suggesting of making mainly because I can't remember any of this being an issue or were even discussed at the grass root level. I can't recall it being an issue in the " Kampong - kampong " during the election. And, that Zaid fella.. who puts all this reform ideas into the PM head...., where is this guy come from, who is he representing with all this reforms ideas that he had??? the malays??? poor kampong people??? UMNO people from the cawangan??!

And, I cannot understand why Datuk Hishamuddin get so many nominations, much more then some of his senior college, although I know why. I know he has done alot for the teachers( hello ) but, nothing much for EDUCATIONS in the country as a whole. Infact, we're still debating whether to continue teaching science and maths in english or not, some progress!!  
BN/UMNO leaders including the PM admitted that part of the reason why BN lost the election badly was because of the young voters and if that is true....?? Where were UMNO Youth?? don't talk about Puteri lah...., they are only extra baggage!!!

UMNO needs to get their act together starting from the top and fast!!  
UMNO if it were to survive....might even need to go it alone in the coming general election if the other race doesn't show signs of supporting BN and what it stands for.  
By mgpunya on December 12, 2008 11:51 AM

YABhg Tun,

Najib is being afraid of Abdullah and Khairy to spill the skeleton in his (Najib's) closet. So much so, he has to be humble to Abdullah. Abdullah has the most potent weapon to leash out on Najib regarding the Altantuya murder case based on what is reported by Raja Petra Kamarudin of Malaysia Today, that Abdullah and Khairy is in possession of the Military Intelligence Report that Najib and Rosmah is involved in the Altantuya's murder. Other than that Abdullah and Khairy is also said to be in possession of the report on the submarine and the sukhoi purchases scandal and many more other scandals involved Najib and his wife, Rosmah. Najib cannot be the next PM, he has too many baggages to carry. He must clear his name before he can take over as the next PM of Malaysia. The people's perception on him is too great to be ignored.

Allow me to comment the views posted by YES MINISTER dated 4th Disember 2008 at 8.17pm. as above.

Yes Sir, I totally agree with your views and please just let me add this...." GOD FORBID IF IT WAS TRUE THAT A SHIPMENT OF NUCLEAR MATERIALS WAS CAUGHT ON A SHIP OWNED BY..( WHO ELSE )..SCOMI ( ..AND GUESS WHO OWN THIS COMPANY ) ON THE WAY TO LIBYA BY THE CIA!! and that my friend would put THE ABOVE pale in comparison to this one!!

Salam Ayahanda Tun. I don't know if my comment this time here would be fit for sharing. But let me say my peace anyway on Najib and his attitude lately. When I was younger, I had the privilege to compete and beat a group of well healed mat sallehs at a certain task. One of these mat salleh then had congratulated me by a firm hand shake and looked me straight and said: "A pig is a pig, you could teach and make it run just as fast as the horses and probably even beat the horses at that, but at the end of the day the pig is just a pig". So many years later, and the broken nose healed but the very words still sting. I have chosen to remember that well. And somehow Tun, I just fear that the same is happening here and again. Najib has to see things for what they are and not for something that is never there. Its like that Tun, no matter how rich one could be, there shall comes a certain times in ones life - to only be needing; some quick fist jobs, plenty of raw uneducated courage and the best set of loud lungs. That is survival of the fittest.//

Kepada saudara Kamal Ahmad

I faham perasaan hang :

"A pig is a pig, you could teach and make it run just as fast as the horses and probably even beat the horses at that, but at the end of the day the pig is just a pig".

Jangan rasa sedih kerana nasib rakyat cina juga pun dihina mat salleh di negara nya. Hongky kata: Kita mesti bijak menyamar sebagai "pig" so that kita boleh makan harimau yang bodoh dan sombong tu (mat salleh tu lah) tanpa pengetahuannya (tapi kita kena pakai taktik yang bersih lo di Malaysia), maksud nya kita buat tak tahu, bila kita ada chance, kita akan ngap mat salleh tu to teach him a lesson.

As for Najib, kita kena sabar dan diam2, kalau dia ikut langkah sombong macam mat salleh, kita akan beri peluang kat anwar, biar anwar gaduh lah dengan dia. anwar mesti pandai pakai taktik untuk sekat duit najib daripada dikeluarkan ke negara asing, hehehe.... ini lah hak rakyat. Bila kita bersatu, mereka tidak akan berani menentang kita.

Take care Kamal.

Till then Tun.

Salam Sejahtera semua,

Apakah peluang Kami Rakyat untuk mengundi Perdana Menteri?...

Kalo pengundian perdana menteri berdasarkan undian Rakyat dan bukan berdasarkan Wakil rakyat.. tidakkah kita rakyat boleh menentukan siapakah yang akan memimpin pucuk kerajaan?...

Demi kesejahteraan Rakyat, kenapa kita tidak bubarkan sistem yg mudah tercemar dengan rasuah itu?

Cuba lupakan party seketika, cuba kita fikirkan masa depan rakyat..

Tak kira lah party PKR, Rokat , Umno atau pun Jembalang sekalipun kalo Masa depan rakyat terbela, apa salahnya untuk memegang jawatan PM. Biar jembalang pun akan lebih baik daripada calon skrg nih.

Salam Sejahtera,

Anak Malaysia yg bukan anak Melayu

By kmal-salam on December 12, 2008 11:55 PM

Assalamualaikum YABhg Tun,

Rata-rata bloggers yang telah menyuarakan pandangan, kebanyakannya menyuarakan ketidakpuasan hati mereka terhadap kepimpinan kerajaan buat masa ini. Mengapa seorang PM yang pada mulanya telah diberi mandat yang cemerlang, kini telah dikritik hebat oleh rakyat beberapa tahun kemudiannya.

YABhg Tun memerintah negara kita selama 22 tahun yang saya anggap amat cemerlang. Rata-rata kita bangga menjadi rakyat Malaysia ketika itu kerana kita mempunyai seorang "statesman" yang amat dikagumi serta dihormati oleh kawan dan lawan, baik di dalam mahupun di luar negeri.

Pendekatan seorang doktor dalam urusan pentadbiran negara juga dilihat banyak membantu. Ianya diumpamakan seperti; luka diubati sewaktu ianya masih kecil sebelum ianya melarat dan memudaratkan, bukannya selepas ianya menjadi parah.

Dasar keterbukaan bersuara dilihat sebagai sesuatu yang baik. Ianya baik. Namun sekiranya tiada mekanisma kawalan atau "controlling mechanism", ia pasti akan mengkelam-kabutkan keadaan. Contoh yang terbaiknya adalah sekarang. Semua pihak, baik di dalam mahupun di luar kerajaan membuat pelbagai komen, yang kebanyakannya menyentuh perkara-perkara sensitif seperti agama, perkauman, perlembagaan dan pelbagai lagi. Ini sekiranya tidak diberi perhatian secara khusus, boleh mencetuskan satu keadaan yang mencemaskan serta mewujudkan satu prejudis yang tidak perlu di dalam minda rakyat.

Ketika pemerintahan Tun, ketegasan Tun mungkin tidak berapa disenangi rakyat. Ini mungkin disebabkan rakyat tidak betul-betul memahami apa sebenarnya yang menyebabkan Tun bertegas. Namun kini, rakyat faham ketegasan Tun. Ketegasan tersebutlah yang banyak membantu rakyat menikmati kemajuan, kemakmuran, kestabilan, keutuhan yang diperlukan.

Kita semua boleh menilai apa yang telah dilaksanakan sewaktu era pemerintahan YABhg Tun berbanding dengan pemerintahan sekarang. Kemajuan, kemakmuran, kestabilan, keutuhan adalah beberapa perkara yang sememangnya dirasai oleh segenap lapisan rakyat negara ini. Ianya boleh dianggap sebagai satu penanda-aras ataupun "benchmark" yang agak sukar untuk ditandingi. Mungkin ada betulnya sesetengah pendapat yang menyatakan dasar Tun mengkayakan beberapa orang sahaja, namun, secara objektifnya, hasilnya dapat dilihat serta dinikmati oleh rakyat.

Walau bagaimana tidak puas hati sekalipun rakyat di sepanjang pemerintahan Tun, majoriti rakyat tetap memberikan mandat yang selesa, tidaklah sehingga negeri-negeri yang dianggap kubu kuat parti kerajaan boleh dikuasai oleh pembangkang. Saya menganggapnya sebagai satu pencapaian yang amat memalukan bagi seorang PM.

Penglibatan ahli keluarga terdekat Tun dalam kerajaan, politik mahupun perniagaan tidaklah ketara

seperti sekarang. Sekarang ini penglibatannya secara langsung mahupun tidak langsung nampak jelas, sehinggakan Tun pun acap kali menyatakan pendapat mengenainya.

Kata simpul saya ialah, Tun adalah seorang Tokoh Negarawan yang amat dibanggakan. Walau apa pun keputusan yang pernah Tun buat sepanjang tempoh pemerintahan Tun, samada buruk ataupun baik, rakyat merasainya sehingga kini. Terima kasih.

Semoga Allah memberkati YABhg Tun sekeluarga.

P/S : Dear Sir, should you decide to run for premiership, you can always count on my vote. It is yours without any hesitation whatsoever. Whatever had been said against you, there are still thousands of us, ready to back you up.

How I wish, you too, during your time, continue to Marched-On. Probably, by doing so, we would not be in this trying situation.

Once again, thank you & salam.

//.....A LEAF FROM THE OLD TREE

Kalau tidak membaca melebihi, jelajah merata ikat kontrak dasar M'sia Inc. era Mahathirism. Pak Lah jejak langkah sama. Somebody smell a rat only now? Berduyun ahli BN/Umno, kroni dan kontraktor dlm rombongan Tun ke luar negara. Banyak pelaburan, MOU, kontrak dimeterai. Dulu kata nak perkasakan usahawan Melayu, demi persyarikatan M'sia. Skrg lupa and 'I wonder why?'

Ko ini memang berotak outdated dan malas memajukan diri yang suka finger pointing untuk syok diri nak sakit hati Tun buat apa???? No point LAH, kerana "era Mahathirism" kini menjadi semangat rakyat untuk membina "era Nasionalism Bangsa Malaysia" kerana che det blog, rakyat dah 'smell a rat only now'. Pak lah jejak langkah sama? Kemungkinannya dia baru bangun kot dan sedar bahawa perbuatannya memang bahaya untuk dia, keluarga dan gengnya, jadi dia ambil U-Turn LAH. Apapun, orang yang jahat akan dihukum pada akhir riwayat hidupnya. Sabar LAH, Tan, tuhan akan tunjuk jalan.....

Dulu Tun kata nak perkasakan usahawan Melayu, demi persyarikatan M'sia. Skrg lupa and 'you wonder why?' Dulu, rakyat khasnya kaum cina tak realize apakah yang Tun buat adalah untuk memajukan dan mempertahankan hak negara kerana pemimpin2 cina hokkien LAH yang berotak seperti ko ini yang suka ambil kesempatan atas nama demokrasi, kita salah faham, kini cina dah bangun, melayu juga dah bangun, rakyat bangsa Malaysia dilahirkan, hanya ko yang masih nyenyak tidur terdesak sangat LAH nak jadi judge dan polis seperti Singapura dan America untuk merampas kuasa dan kekayaan Agung, Raja2 Melayu dan rakyat atas nama demokrasi LAH.

//.....NASIHAT UNTUK NAJIB

Banyak nasihat dan petua diberi percuma pada Najib. Beruntung anak bangsawan ini, orang lain kena bayaran. Who is your people, my people, Pak Lah's people are listed like a menu. Rakyat's people kena pecat, delisted. Awas Najib, niaya kalau jadi 'Mahathir's poodle' Jadi 'ayam tambatan' sudah cukup. Pilih jenama tempatan!//

Kerana pak lah bermentaliti nanti dulu LAH, tidur dulu LAH, syok diri dulu LAH, rehat dulu LAH,

honeymoon dulu LAH, keluarga dulu LAH, menantu dulu LAH, china + india dulu LAH hanya tahu tiru cara Tun tanpa sedar apakah yang patut dilakukan, Tun dah tegur banyak kali, PM masih degil LAH, ini LAH mengapa BN kalah LAH kerana PM hanya buat kempen "Tak Nak" tapi tak buat kempen "RAKYAT NAK APA".

Kerana che det, rakyat buka mata. Ko ini hari2 baca dan buat komen di che det, masih tidak belajar dari history (sejarah), orang macam ko hanya suka buat kacau-bilau tanpa mentaliti bangsa. Tun, it's good that Tun keluarkan komen dia (and the other banana v9179) supaya rakyat buka mata LAH....

Awas Najib? Kalau Najib tiru langkah pak lah's MY WAY', akhir LAH riwayat UMNO. Akhir LAH hak istimewa melayu kerana masih ada pemimpin2 cina hokkien seperti S..Tan ini yang masih syok tiru singapura, syok sangat nak jadi 'poodle' negara asing, seperti Koh tsu khoon yang syok diri jadi hamba kepada pak lah yang suka tidur LAH.

Poodle adalah seekor anjing comel dan molek yang suka dijadikan sebagai 'pet' orang kaya. Kalau Najib nak jadi PM, jangan hanya dengar cakap bini seperti 'poodle'. Ini LAH rakyat tak nak..... kalau nak jadi PM, pilih LAH jenama rakyat yang bermentaliti bangsa Malaysia, tak kisah LAH dia ini siapa, asalkan dia sayang negara dan bertanggungjawab atas rukun negara kita.

Hey, you guys nak tiru langkah I pulak, tak apa, asal kan you guys buka mata LAH, nak maki hamun I, it's ok with me, tapi jangan lupa ini blog ex-PM kita.

Tun, I am on your side kerana I tahu apakah yang telah berlaku pada 1998 dan juga apakah yang sedang berlaku sekarang kerana I faham ekonomi, sejarah (learned from Tun's The Malay Dilemma), stock exchange, international and domestic trade policies, as for politics, globilization, terrorism and raw power (not skill) is real diplomacy , I learned from buku "Dr Mahthir's selectecd letters to world leaders.

Hm... this one you have to blame pak lah lo, but not Tun, because only these 5 years rakyat baru sedar kerana che det blog. MCA and DAP, orang hokkien macam you all should be ashamed (I mean those who are their members only), membuta-tuli manipulasikan perlembagaan dan rukun negara through spinning the media, main isu2 perkauman dan history to favour you guys. Please read Tun' latest book on "BLOGGING TO UNBLOG", LAH, if you want to have equal rights lo!!!!

//Mahathirism..menghempap lalat dgn batu! Jaga kaki sendiri!!! If God follows this principle of response Tun Mahathir will not rule for 22 yrs.//

Yeah lo, Tun menghempap lalat (you LAH) dgn batu, ko lupa jaga kaki, jadi sakit lo. Fikir LAH S..Tan, jangan LAH asyik buat urusan negara macam family business atas supply and demand hokkien ko LAH kerana rakyat sedar dan bersyukur kepada Tun, "insyallah".

//v9179 : Do not stop for a bogus 'polis blog'!!!!//

"What fresh carrot's skin do you have??????

Tun, the carrot skin ia a direct translation from pepatah Hong Kong yang anak2 cina tempatan bersekolah kebangsaan yang bersyukur sebagai rakyat Malaysia. Kerana mereka tak tahu bahasa cina, mereka translate it into english. Maksudnya, "who do you think you are??? Ini ayat2 untuk menunjukkan kemarahan mereka kepada sesiapa yang tidak respect and accept others. Since this Tun' blog, kalau nak komen, kena LAH ada pendirian, jangan suka2 finger pointing kat orang dan dan ambil tuhan sebagai alasan.....

My mission for today is accomplished, Tun. I am working now and I am enjoying my work. Thank you Tun for everything you have done to the country. cuma orang yang berfikiran sempit tak akan see the bigger picture. Take care Tun and bloggers yang mengenang budi dan berani mengeluarkan ayat SAYA RAKYAT MALAYSIA, BANGSA MALAYSIA BOLEH!!!!

Salam Tun..

1. Pak Lah thinks he is still in his fairyland world.
2. He thinks he can still save Malaysia in 3 months time.
3. He still wanted to go for honeymoon with Jeane using 'Rakyat' money.
4. Doesn't his Granpa thought him not to steal moneys from others??
5. Doesn't he know that they're many people in country starving because they are jobless? Many graduates still under their parent responsibility due to no vacancies, no opportunity.
6. The criminal case is suddenly increasing due to this condition.
7. Enough is enough Pak Lah. We know that you are weak...and you are lazy to learn, you don't even try to understand things. You are not a subject matter expert. Not even to organize yourself I guess.
8. I guess you become what you are now is because the support of your late wife Datin Seri Endon. She's your mastermind. And I guess Najib also the same. Datin Rosmah play the big role in his career but my advice to Najib is to be careful because Pak lah downfall is because of his family but najib downfall can be the wife. Datin Rosmah if you read my writing, please don't be so arrogant because ALLAH don't like people who is arrogant.

Tun,saya minta dapat memberi pandangan bagi menarik semula sokongan kaum india kepada BN,bukan sekadar hanya kita membincangkan masalah org melayu dan kepimpinannya, kita harus juga memikirkan sokongan kaum lain terhadap BN,apa yg saya fikir untuk mengembalikan sokongan kaum india kepada MIC ,pertamanya samy vellu harus melepas kan jawatannya yg telah lama berkarat,beliau sudah tidak releven lagi menjadi pemimpin kepada kaum india. beliau berlagak sebagai hero dikala sudah tiada kuasa,tapi beliau menjadi heroin dikala berkuasa dulu. Umno yg harus mendesak beliau turun, kalau nak harap beliau turun sampai mati pun takan turun. Saya harap Tun yg rapat dgn beliau dapat memberi dia nasihat untk kebaikan BN.tq

Tun

the last few months has seen the PM roll out his "reform" agenda, all which once tabled and passed, will confirm the PM has kept his judicial promises.

Are you getting concerned that once these are implemented, there will be more allegations made against you and your former administration.

I presume you have nothing to hide, but once the Witness Protection Program is in force, those who refrained from making their accusations against you public, might decide to come forth and make the allegations known.

Again, if you have nothing to hide, you have nothing to fear...
