

GORE, WOLFOWITZ AND ANWAR

By Dr. Mahathir Mohamad on August 16, 2010 7:55 AM

1. I am merely a Malay Muslim who once led a Third World country. I therefore do not understand democratic politics, the rule of law and justice.
2. And therefore when Anwar the great statesman and my deputy in the Government and the party, challenged me, I charged him with sodomy, beat him up severely and put him in solitary confinement for years.
3. Strangely for this cruel leader, when he was earlier attacked by another deputy who then collaborated with his own political enemy to challenge me in the 1986 elections, they were not charged with sodomy or anything and thrown into jail. One was actually made a special Malaysian representative to the United Nations with Ministerial rank while the other was free to form a splinter party, collaborated with opposition parties and contested against me in 1990 and 1995. This must have been an oversight by me. In fact one of them who supported the move to overthrow me, was actually chosen by me to be Deputy Prime Minister and succeeded me as Prime Minister.
4. Anwar was jailed by the courts for sodomy and abuse of power. But of course Malaysian courts take orders from me when I was Prime Minister.
5. Could it be that his "acquittal" after I stepped down was also due to influence? God knows.
6. And then Anwar was once again charged with sodomy during the time of the PM when he was "acquitted". It is very unimaginative of the Government of the time to make the same charge. A smart Government would think up of something else more credible.
7. But this was still a brown-skinned Malay Government which just cannot be smart. Or could it be that it was actually the victim of anal rape who decided to tell things as they happened? I would like to say we should wait for the court to decide, but that can take a very long, long time or even never. The delay must be due to Malaysian courts taking orders from the Prime Minister so that Anwar would be able to challenge the Government Party in the coming election.
8. Whatever, Malaysians must take heed of the advice by the great leaders of the United States of America, a truly democratic country which democratically exercises veto power in the United Nations, ignored the UN on Iraqi invasion, lies about Iraq's weapons of mass destruction, uses bombs and cluster bombs and depleted uranium shells and bombs, kill hundreds of thousands of innocent Afghans and Iraqis, arrests and detains just about any Muslim without trial and without benefit of any law, legalised torture of detainees, and supports internationally illegal acts by its allies. Malaysians must never reject the advice of the great leaders of the United States of America, a country dedicated to killing people so they can enjoy democratic rights.
9. Thank you Mr Gore and thank you Mr neocon Wolfowitz, Anwar's friend, adviser of Bush on the shock and awe invasion of Iraq which now enjoys so much peace and prosperity that thousands are regularly being blown to kingdom come.
10. We the Malay Muslims must democratically choose your bosom pal as leader of our country. After all he has been accused only of doing what you normally do in your great country.

Salam,

Datuk Seri Anwar Ibrahim sepatutnya berundur dari politik, InsyaAllah lebih aman dan damai fikiran. DSAI

kalau ada masa kenang2 lah balik zaman dahulu, bermula dari ABIM sehingga jadi Timbalan Menteri (masa itu DSAI amat cemerlang tetapi kemudian dah berubah) dan sampai peringkat Timbalan Perdana Menteri. Imbaskan kembali perubahan sikap jika ada. InsyaAllah ini lebih baik untuk DSAI. Sekiranya masih berminat politik, asahkan kepimpinan anak sendiri YB Nurul Izzah Anwar. Saya rasa anak DSAI lebih berkebolehan jadi pemimpin cemerlang cuma berada di parti yang salah. Bagi kebanyakan orang Melayu PKR itu DAP dan DAP itu PKR!!!! Sepatutnya YB Nurul ini wakil rakyat PAS!!!!

Ada kemungkinana Pakatan Rakyat akan memenangi PRU akan datang sekiranya BN khususnya UMNO masih tidak berubah terutama perkara berkaitan rasuah , kronisme, berebut2 jadi ketua dan calon PRU. UMNO sila ambil perhatian::::: kami peringkat bawahan masih tak nampak perubahan berlaku dari segi kepimpinan cawangan dan bahagian. Masih cerita lama. Kalau tak mahu dengar ,pun tak apa. Cuma nak bagitau saja.

Bagaimana pun jika Pakatan Rakyat memerintah Malaysia saya yakin tak tahan lama kecuali:

1. Perdana Menteri dan Timbalan Perdana Menteri dari PAS.DAP tak ada jawatan tertinggi kerana kebanyakan orang Melayu tak dapat terima !!!
2. 70 peratus barisan kabinet dari orang PAS.
3. DEB dikekalkan.Tiada perubahan struktur pengagihan socioekonomi.
4. Berjaya menyatukan hati semua orang Melayu
5. PKR dibubarkan yang bukan Melayu masuk DAP dan yang beragama Islam masuk PAS. Pengacau Pakatan Rakyat bukannya UMNO tetapi PKR.

Kebanyakan orang Melayu tak akan percaya kepada DAP. Saya percaya pada masa kini kelima2 perkara diatas diatas sukar dilaksanakan oleh PAS kerana depa selalu mengalah kerana nak dapat sokongan bukan Islam. Perkara 4 diatas adalah penting, bila ada sifat benci kepada sesiapa maka sukarlah berlaku keadilan. Ramai pemimpin dan ahli PAS (bukan semua)mempunyai sifat benci kepada orang UMNO. Tapi bila melibatkan kekasih depa tiba2 "Defender of the CLOWN" jadi "TONGue-tied".

PAS untuk Semua kecuali UMNO!!!!

1. Isu Khutbah Berdoa untuk YB Lim Guan Eng dan Rakan2

Petikan Utusan Malaysia 22 Ogos 2010 melaporkan khatib dikatakan berdoa "Ya Allah Ya Tuhanku, Kau selamatkanlah PEMIMPIN KAMI Lim Guan Eng dan rakan-rakan kepimpinan kerajaan negeri," dan tiada doa kesejahteraan untuk Yang di-Pertuan Agong, Tuanku Mizan Zainal Abidin dan Yang Dipertua Negeri, Tun Abdul Rahman Abas.

Komen saya :

1. YB Lim Guan Eng itu Islam ke? Kalau bukan Islam, memang karut dan mungkin "sesat" terutama sekali dalam rumah Allah sebab teliti semula doanya yang ditulis huruf besar!!!! Mungkin laporan akbar tak lengkap. Sekiranya sayang sangat kat Lim Guan Eng dan rakan2 DAP ,sepatutnya doakan depa masuk Islam dengan ikhlas kerana Allah.

2. Antara orang yang mula2 nafikan berita khatib berdoa untuk Lim Guan ialah sepupu dia iaitu Dato Seri Anwar Ibrahim. Biasalah. Berita Malaysian Insider 20 Ogos 2010 melaporkan DSAI berkata

"Tuduhan yang dilemparkan ke atas kerajaan Pakatan Rakyat Pulau Pinang bahawa nama Yang di-Pertuan Agong telah digantikan dengan Ketua Menteri Pulau Pinang Lim Guan Eng telah terbukti merupakan satu PEMBOHONGAN semata."

2. MCA bimbang tutup kedai

Datuk Chua Soi Lek dah sampai "lemah" tak tahu apa nama buat . Orang Cina dah tak sokong MCA. Orang Melayu UMNO pula mahu kerusi kebanyakan majoriti Melayu diberi calon Melayu.

Sepatutnya MCA dan lain2 parti lihat bagaimana memajukan kaum masing2 tanpa mengambil hak orang Melayu dan bumiputera lain. Peluang dan ruang cukup banyak di Malaysia. kenapa hak2 orang Melayu dan bumiputera pun nak minta pula? Terus terang saya katakan kaum Cina terlalu banyak faedah yang diperolehi dari kerajaan BN!!!! Lihat senarai dibawah.

Ada kalangan kaum Cina yang terbawa2 cara hidup budaya berniaga iaaitu berhendakkan lebih atau dalam bahasa mudah "TAMAK". Kerana tamak itulah, orang kuat DAP mengusulkan supaya tiada diskaun rumah untuk orang kaya Melayu. Alasannya ialah diskaun itu boleh diberi kepada orang Melayu yang miskin yang lain. Sekali dengar betul juga. Dua kali fikir, rupanya ada udang sebalik batu. Bahagian yang ini, orang PAS amat lemah berfikir, sebab depa berikiran"lurus". Apa DAP buat selalu depa sokong. Apa UMNO buat selalu depa tentang.

Zaman dulu British wujudkan "new vilage" nak asingkan kaum Cina dari komunis .Seharusnya Kerajaan wajib membantu kaum bukan Melayu yang miskin iaitu dibawah paras kemiskinan. Yang miskin sahaja!!!. Mereka perlu diberi bantuan hampir serupa dengan orang Melayu dan bumiputera lain. Memang ada kaum bukan Melayu yang baik hati tetapi malangnya kebaikan hati depa dipergunakan ahli2 politik dari pembangkang untuk meniupkan semangat perkauman!!!.

Siapa kata BN perkauman? Keranamu BN(dahulu perikatan):

1. kerakyatan kepada bukan Melayu walaupun ditentang majoriti Melayu.
2. Ketua Menteri Pulau Pinang bukan kaum Melayu sampai sekrang.
- 3.ada ramai wakil rakyat bukan bumiputera.
4. terpaksa di wujud 1Malaysia takut2 BN pun hilang di Malaysia
- 5.ada sekolah khusus untuk orang Cina dan India.
- 6.adanya ramai Menteri2 bukan Bumiputera dalam barisan kabinet.
- 6.orang Melayu jadi kuli kepada bukan Melayu di kebanyakan sektor swasta
7. bukan bumiputera mempunyai kuasa mengundi menentukan kerajaan
8. kebanyak barangan harian dikawal oleh bukan bumiputera
- 7.orang Melayu jadi pelanggan tetap pusat2 hiburan ,urut mengurut dan lain2
6. ramai orang Melayu masih dibawa paras kemiskinan kerana tumpuan nak majukan kaum lain sama denga pelbagai "projek" yang kadang2 dilakukan sambil selam minum air!!

Siapa perkauman!!!! Yang sebenarnya BN yang terlebih daripada adil ,dacing berat sebelah satu lagi!!

Terlalu banyak nak disenaraikan dosa BN kepada orang Melayu dan bumiputera lain. Saya harap PERKASA dan lain2 NGO Melayu buat senarai dan kupasan hak2 Melayu dan bumiputera yang terhakis dari dulu sampai sekarang. Dah terhakis depa boleh kata kita perkauman. Sampai hati nooo!! Sekarang BN cuba nak kembalikan hak2 asal orang Melayu dan bumiputera lain pun dikatakan perkauman!!!!!!!!!!!!!!

Yang sebenarnya Pakatan Rakyat asyik selalu menimbulkan isu perkauman melalui pelbagai kaedah. Akhbar arus perdana rasmi dikawal BN sementara Pakatan Rakyat pula jaguh dalam akhbar elektronik/internet !!!! Pakatan Rakyat nak jatuhkan BN dengan membawa isu perkauman kepada kaum bukan Melayu, kononnya BN tidak adil. Simbol mengundi BN ialah dacing bermaksud adil , cuma yang bermasalah ialah pemimpin politik BN ramai yang rasuah dan mengamal kronisma sehingga sasaran DEB tak tercapai. DEB tiada masalah , orang yang melaksanakan DEB itu yang bermasalah. Ingat perlaksana DEB bukan sahaja ahli politik tetapi penjawat awam yang tak semestinya penyokong UMNO!!!

We can never know the truth about Anwar unless we give him a real fair trial. His last sodomy case has been overturned by the highest court in our land. So is he guilty? To say so will be contempt of court (for the first case).

Now at the second, many people are thinking that they are seeing a replay. There are also other cases that cloud what they think they see. The Datuk Ramli case, Teoh Beng Hock case, and no a single inch to the defense lawyers of Anwar. All this adds up to a new maxim of its own making, "It is not enough to be evil. It must be done evilly". (copyright red1 2010) :)

Salam Tun,

Artikel Tun kali ini mmg antara yg terbaik pernah Tun sampaikan. Saya rasa amat marah ketika Gore & Wolfowitz mengeluarkan kenyataan agar kerajaan USA campurtangan terhadap urusan dalaman Malaysia.

Sepanjang perbicaraan Sodomy II ini, terserlah tingkahlaku pentingkan diri sendiri Anwar. Terserlah juga kececekan minda Anwar itu sendiri dalam menanganinya. Saya sering tertanya2:

1. Apa jenis pemimpin yg merayu agar negara2 luar mencampuri urusan dalaman Malaysia? MasyaAllah, lembik sangatkah Anwar tu? Jika dia mahu menjadi pemimpin Malaysia, tunjukkanlah keberanian. Jgnlah lembik sgt. Nanti malulah saya kalau dia jadi PM.

2. Saya berharap Anwar akan berkata kepada Gore & Wolfowitz, "NO! Don't you dare interfering our internal affairs! If I were to be jailed for my attempt to make my own country a better place to live, let it be. MY PEOPLE will help me, NOT you! Afterall, Malaysia is for Malaysian, not American." Kecutkah Anwar utk berkata begitu kepada Gore & Wolfowitz? Adakah Anwar tidak yakin rakyat Malaysia yg menyokongnya yg berdiri teguh dibelakangnya boleh membantunya?

3. Kenapa minta bantuan dari negara2 luar yg bukan Islam? Tidakkah dia tahu hubungan sejenis dihalaikan di sana? Tidakkah dia tahu bahawa, jika Sodomy II dibicarakan di sana, dia akan didapati tidak bersalah, walaupun jika benar dia ada melakukan sodomi?

4. Kenapa tidak meminta pendapat daripada negara2 Islam? Tidakkah dia tahu bahawa kenyataan dari negara2 Islam lebih kredibel berbanding dgn negara2 bukan Islam dlm hal sodomi, kerana sodomi juga diharamkan di sana?

Saya sungguh berharap Anwar menggunakan kebijaksanaannya utk membuktikan dia tidak bersalah, bukan dgn merayu bantuan dari kroninya di luar negara. Meminta bantuan dari luar akan menjadikannya terhutang budi kpd negara2 tersebut dan merisikokan kedaulatan negara jika dia menjadi pemimpin negara kelak.

Tekanan yg dialami oleh Anwar di dalam perbicaraannya telah menyerlahkan betapa bahayanya tindak tanduknya jika dia berada dalam keadaan terdesak. Dlm keadaan tertekan, pemikirannya seolah-olah tidak lagi rasional sehingga sanggup mengambil risiko menggadaikan kedaulatan Malaysia, sekaligus menggadaikan kepentingan rakyat Malaysia.

Dulu saya sokong Anwar. Dulu saya yakin dia akan membawa perubahan kepada Malaysia. Tapi Sodomy II ini telah menyerlahkan identiti sebenar Anwar. Saya takut utk sokong Anwar. Dan saya harap rakyat Malaysia yg masih lagi mempunyai perasaan patriotik terhadap Malaysia agar bersatu menolak kepimpinan Anwar.

Saya doakan Tun & isteri serta seluruh keluarga dikurniakan kesihatan yg berpanjangan.

Salam Dear YABhg Tun

Anwar Ibrahim is just like an accident waiting to happen. If not a disaster. His existence has always been setback to our nationhood where his personal ambitions are above everything he pursues even at the expense of our nation.

Same goes to the newest MCA leader who's not a better leader than the former but a one who dragged and carried away with DAP dance and drums. He should be the one who supposed to strengthen and to convey national agenda unto chinese community but his weaknesses and afraid of DAP rhetoric agenda made himself more or less just like DAP within BN which is so unbecoming and will a hundrance to our nationhood and pursue towards a developed and united nation prior 2020.

Hope the current administrative to become affirmative on all this challenge so that we are focused to become masyarakat madani as our dear TUN has strived to mould.

Thanks

Tun. I still interested to comment on Jews issues.What say you?

Maizai menerima tanah Palestine sebagai Tanah Perjajian Allah dengan Musa untuk Orang Yahudi?

Selepas Exodus dari Mesir merentasi laut Merah orang Yahudi melalui Senai. Semasa ketiadaan Musa kerana pergi menerima 10 Rukun di Gunung Sinai orang Yahudi mengikut pemimpin lain

melebur emas dan membuat patung lembu dan menyembahnya. Patung lembu adalah salah satu berhala sembah orang Mesir di Zaman Firaun- Ini kesalahan Yahudi Pertama Selepas Exodus Sesampai ke tanah yang di janjikan (Palestine) ketika Musa berumur 80 tahun.Mereka menghantar 12 pengitip dari 12 suku yahudi ka bumi Phelestin dan dari 10 dari 12 pengitip tidak yakin dan tidak mahu berjihad untuk mendapat Bumi Yang di Janjikan

- Tidak Yakin kerana di Phelestine ada orang yang tinggi besar besar (macam goliath) 9kaki -13 kaki walaupun bilangan Yahudi Banyak
- Tidak Yakin dengan Janji Allah dan Pertolongan Allah
- Takut Mati

Hukuman nya Orang Yahudi Merayau di Senai selama 40 tahun dan Musa meninggalkan mereka dan wafat ketika umur 120 tahun.

Adakah Janji Allah dengan Musa masih Valid?

Joshua dengan jenerasi baru mula ekspedisi menakluk Phelestine

dan menubuh negeri negeri yahudi selepas mengalahkan bangsa di Phelestine.

Sehingga satu masa Orang Yahudi di Takluk Babylon dan di Pindah ka sana - Kenapa Allah menarik balik Bumi tersebut dari Mereka kalau tidak kerana dosa mereka?

Selepas Nebachaneza mati pengrauh Yahudi di Babylon meningkat dan mereka membangun semula Temple di Phalestine dan akhirnya mereka dapat kembali ke Phelestine sehingga di jajah oleh Roman dengan Raja Mereka sendiri Herod semasa kelahiran Nabi Musa.

Penolakan mereka pada Nabi Musa - Mereka di Usir pada A.D.72 selepas kekalahan terakhir di Kubu Masada- Adakah kerana Dosa Mereka kerana menolak Nabi Isa??

Jika mereka menerima nabi Isa dan Ugama Nabi Isa sebenar tersebar di Rom mereka mungkin boleh

kekal di Phalestine tetapi penolakan mereka menyebabkan Uagama Kristian tersasar mengikut ajaran St Paul bukan ajaran anak Murid nabi Isa yang di lantik!
Orang Yahudi Miss perjajian sekali lagi dan tersebar ke seluruh Dunia termasuk Madinah...
Allah beri lagi Peluang semasa Nabi Muhamad. Kalau mereka menerimanya bukan saja Phalestine tetapi Seluruh Empire Islam adalah tanah yang di janjikan!!
Apabila Empire Islam sampai ka Parsi dan Spanyol mereka di layang dengan baik oleh orang Islam sehingga kejatuhan Spanyol ke Christian mereka di bicara Inquesition dan di paksa menjadi kristiankan atau di bunuh. Mereka yang lari ke kerajaan Othmanian mendapat perlindungan yang sewajarnya. Kamal Attaturk sendiri adalah keturunan Yahudi.
Orang yang membuli mereka adalah Orang Christian Eropah mereka tinggal di kawasan setinggan ghetto. Apa yang dibuat oleh Hitler adalah apa yang selama ini yang ada dalam hati orang Chritian Eropah. Mereka di benci Christian kerana di tuduh membunuh Nabi Isa.
Selepas 2000 tahun mereka di hantar ka Phalestine supaya mereka tidak lagi berada di Eropah. Sebenarnya cadangan awal ia untuk menghantar mereka ka Ethiopia bukan Palestine.
Adakah Palestine masih tanah Perjanjian Allah pada orang Yahudi?
Mereka kembali ke Palestine untuk merampas tanah pemilik di situ sejak zaman Saidina Umar menakluk Phalestine dari kerajaan Rom.
Mereka nak ikut apa yang Joshua buat apabila mereka berjayaBunuh semua bangsa lain termasuk ternakan!!! Itu hukum taurat.
Malah ketika lelaki mereka di hukum bunuh ketika belot dalam perang khandak ketua nya mengakui bahawa hukum taurat menimpa mereka sendiri.

Persoalannya adakah promise land itu tidak expiry date atau tidak valid lagi selepas kewafatan Musa, Penolakan Isa, Penolakan Muhamad?

The reason that Anwar was thrown into jail is because Malaysian law is crooked and make use by the power to consolidate their position.

Terima kasih Tun.

Menung seketika sunyi sejenak
kosong di jiwa tak berpenghuni
hidup terasa diperbudak-budak
hanya suara melambung tinggi

Berpusing roda, beralih masa
berbagai neka, hidup di bumi
selagi hidup berjiwa hamba
pasti tetap terjajah abadi

Kalau hidup ingin merdeka
takkan tercapai hanya berkata
tetapi cuba maju ke muka
melempar jauh jiwa hamba

Ingatan kembali sepatah kata
dari ucapan seorang pemuka
di atas robohan Kota Melaka
kita dirikan jiwa merdeka

Terima Kasih

Dear Tun,
united states is a weird country. at the moment there is a poll questioning president obama's faith due to his non objection of building an islamic centre not far from sept 11s site on a private land belongs to muslim community. is it so called a democratic nation?. in contrary, muslim in malaysia was and will never question their prime leader's faith if christians, buddists, hindus, animists or whoever want to erect their places of worship. even in the vicinity of muslim majority area. in the recent past muslim mosques were ransacked, looted, burned and even muslims were physically harmed by christian terrorists in the US. this is america the most hypocrite nation in the world. the country survive only on intimidation on others by use of military might. otherwise americans are not worth a penny. so Gore pls keep ur mouth shut.

wow i kept my cannons for a day thinking maybe i should stop hurling my wisdom to ya all yet i still get tha shit.

owh we'r talkin about anwar now aren't we.

Well all i can say is he aint the world's most trusted dude but he sure did try his luck to steer this country from the chains of corruption and cronyism by bringing in the IMF. So what if his previous boss didnt like it. I think if the IMF came in, Malaysia would be much better off now. Maybe the IMF will bring in more blondes, wait, i meant expats. See the problem with Malaysia, there is hardly any hawt blondes around. Why cant be have a significant population of hawt blondes?

The malays sure wont like it. (not the hawt blondes dummy, the IMF. Besides who doesnt like blondes. To think Malays can get fuor of those hot stuffs just pisses me off)I can understand that. I just think if Anwar succeeds in getting the IMF to implement its policies the administration of the country will be more transparent and accountable as the old policies will have to be revamped. But having the IMF might see things getting worse (but still we get hawt blondes, so who cares!).

Well you could have just fire him Mr Mahathir. Dont have to throw the poor bastard in jail. That pisses alot of people off including me. You stirred the hornet's nest. I swear on my heterosexuality that i have never seen Malaysians so confused and split up. Imagine having thousands of people demonstrating in the streets of KL, its awe inspiring. That is democracy babe!

I reckon it was the sweet as reformasi movement that really shook my thinking. The chains of conformity was broken thus releasing a free-thinking human that i am today (still, some brunettes are way hotter in business wear but blondes look hawt nude or in 2 piece bathing suit ;).

For bloody 50 plus years the people of Malaysia has been listening to only one side of the story. Its about time we have a listen to another side of the story. I support a two party system which has proven itself as good check and balance to the government.

Finally, competition. Finally, efficiency. Finally, democracy!
Hidup separation of powers! Hidup judiciary! Hidup blondes!

(sorry i saw the most amazing looking girl today, she was awesome. blonde in white shirt and black blazer and to top that, she wore a conservative knee-length skirt with white stiletto) she had that cheeky smile going on and her hair was long and straight. i hope il get to see her tomorrow. Wish me good luck guys.)

Asalamualaikum,

... tapi hukum hudud mereka tidak laksana juga dengan memberi bermacam-macam alasan...
Kalau kata hudud yang dilaksana oleh orang lain salah, sila tunjuk hudud yang betul, contoh hudud yang dilaksana oleh Junjungan kita Nabi Muhammad S.A.W.

Sdr. zainal,
Kami setuju juga dengan kenyataan diatas.. Hudud yang dilaksanakan oleh orang lain selain dari yang disunnahkan oleh Nabi Muhammad S.A.W. bukan sahaja salah tapi haram dilaksanakan...

Tertanya2 juga kenapa tidak kelihatan kitab panduan HUDUD (Undang2 dan Cara) yang khusus mengikut suruhan Rasulullah dan tidak pula terbaca dan diketahui siapakah antara 'ulama' yang ditauliahkan untuk meriwayatkan hukum HUDUD Rasulullah dan sejauh manaka hukum tersebut diwajibkan keseluruh jajahan 'empire' ISLAM dizaman kegemilangan nya... yang hanya terbaca adalah Hudud ala Pakistan, ala Iran, ala Saudi dan ???..berbeza landasan.

Sukar juga jikalau tiada kitab Hudud yang SAHIIH untuk dilaksanakan undang2 dan hukuman2 yang benar2 tertib mengikut amalan Rasulullah.

Kalau adalah 'ulama2' yang bertauliah mampu mengubal undang2 dan hukuman menggunakan ilmu dan pengetahuan mereka, ada tercacat juga... takut tersalah koma dan titik nya...Hanya Rasul Allah sahaja yang maksum,

Tertanya juga tentang terjemahan kepada dua kalimah syahadat yang adanya sekarang...

"Ashadua la ilaha il Allah, Wa ashaduanna Muhammad Rasul Allah"... perkataan 'Nabi' tersurat pada terjemahan ke bahasa Melayu tetapi tersirat dalam Kalimah syahadat (bahasa Arab)...???

Pengetahuan adalah permohonan Nafsu, Ilmu adalah permohonan Iman

Mungkin suatu ketika nanti akan terjumpa contoh hukum hudud yang telah disempurnakan oleh Junjungan Besar Nabi Muhammad seperti yang saudara doakan dan KAMI (Kita Anak Muslim Insaf) yakin ketika itu seluruh umat Islam didunia yang fana' ini akan menjunjung pelaksanaan Hukum Hudud, Insyallah.

Mohon ampun dan maaf...tiada niat khianat, hasat mahupun dengki.
Selamat berbuka puasa dengan keluarga yang dikasihi dan disayangi

ALFATIHAH, AMIN.

ps. Mohon ampun dan maaf Ayahanda Tun... tersasar koma dan titik dari tajuk sebenarnya

TO TuaCheng,

Your comment,

"Well, the Saudi Arabia has no kings, until somewhere in the early this centuries. In fact that is only consisting of kings from the Bedoiuns."

If you revert to history, which country is involved in the creation Kings as a stooges and brutal dictators in the middle east's.

The West have been messing around in the middle east for centuries.

You should read more about the history middle east rather than making wild conclusions.

Your comment,

"Malaysia were not the same league of topics. The perspective in this forum was USA is evil and caused many Afghan/Iraqi/Palestines. So as the terrorist that consist Afghan/Iraqi/Palestines were equally causing deaths."

My comment,

If there is no Palestian-Israel Conflict, will there be so much terrorist running around?

If you open your television since 1980's, the violence in Palestine is shown frequently and is still going on and continuing. It is never going to stop. Israel is a small nation, yet it can do whatever it like, who is behind them?

The arabs are human being and they are not going to stand still and do nothing. If they fight back, the west label them terrorist.

Again, if you think logically and clear up your brain.

In 9/11, is it logical that Osama bin Laden from a cave can plan and execute hijacking four aircraft simultaneously? Even the writers of fictions will not come up with this idea as it is not plausible.

Dear Tun,

1-You were saved by the non Muslim votes in the 1999 PRU10 because they were worried PAS would take over. The Malays gave you a clear verdict.They do not trust you and they think you have something to hide.But what if the the non Malays also voted against you.....

2- Anwar would have been a free and moralled man again and most definitely already the PM.The year old currency controls would be rescinded.The IMF loans would be taken and just maybe the special preferences to bumis may be compromised as one of the conditions.

3-IMF policies would be enforced .Many Malaysians and almost all of the Malay owned corporations would go under, resulting in many Malaysian Banks going bust.Just like what happened to South Korea,Thailand and Indonesia many thousands will be retrenched but the good thing once the dust have settled we would have a stronger mainly foreign controlled economy.

4-So what would be of you then Tun?That tyrant who tried to frame a God fearing man trying to cleanse UMNO? I believe Anwar would let Tun off scot free just to show how a magnanimous person he is..

5-The Twin Towers will be made Ananda Krishnan's idea,while all of your other mega projects would be made out to have actually almost bankrupted Malaysia.Considering the economic chaos we would be in then you would easily have been a condemned man Malaysians wants to forget.Not many will be following your blog now for sure.

6-Tun you were really at the brink of collapse.Thank God you've made it.With experiences checkmating Musa and Razaleigh before, taking on Anwar was not an unwinnable case for a seasoned fighter like you.But can Najib who can't even win with his money loaded 'I help you you help me' strategy, withstand the same challenge from another seasoned politician?

Thanks Tun.

Sdr "samurai melayu",

What does it matter what race/religion I am? Are you really that shallow minded?

If you must know, I am a Malaysian. A Malaysian Indian Muslim (and not ashamed to acknowledge it, unlike some).

And I would like to ask you, since you are so pious, in what way did I sin? Is it a sin to challenge someone when we believe we are fighting for justice? And is it only a sin during Ramadan? Or are you only a practicing Muslim during Ramadan?

Another thing -- what a clever move -- mocking my pseudonym. How very intelligent. It makes me feel better that it is only people of your low level of intellect who are easily fooled and corrupted by the very corrupt. "UNLESS YOU ARE REALLY A BOBO!" -- whatever that means. I do not understand what you are trying to say.

In my comment, I had listed a number of arguments. You could not come up with a valid response and so you chose to write a condescending comment, mocking me about my pseudonym and the age you assume that I am. Same goes to FXSpec and Parameswara. Parameswara could only come up with technical mistakes in my post. I am sorry but none of you deserve any points.

Malaysia Boleh!

Assalamualaikum Tun Yang Amat Dihormati,

Seperti biasa, Tun secara 'bersahaja' dan 'sarcastic'. Pedas lagi berbisa. Apa yang boleh saya simpulkan, Anwar Ibrahim adalah manusia yang sememangnya tidak boleh dipercayai langsung, hakikat ini telah lama saya (malah ramai lagi) sedar, rentetan sikap, kejadian, bukti, tindakan, kata-katanya sejak dia dilucutkan daripada jawatannya (1998) telah mencerminkan sikap sebenarnya. Anwar Ibrahim adalah contoh manusia yang boleh memecah belahkan keharmonian antara kaum serta ketidakstabilan politik negara. Sepandai-pandai Anwar melompt (kelentong, sebenarnya), akhirnya ke tanah juga jatuhnya. KEBENARAN sudah/sedang ditunjukkan oleh Yang Maha Esa. Tiga sekawan ini, boleh dikategorikan 'cakap tak serupa bikin'. Pada mereka yang saja 'nak main wayang', jangan nanti kata Tun mengaku aniayai Al pulak, macam mana dilakukan oleh pihak tertentu mengedit ucapan Tun dulu.

Semoga keberkatan pada bulan Ramaddan ini, kita berdoa semoga Tuhan terus melindungi negara kita. Saya mendoakan semoga Tun dan Tun Siti dirahmati serta diberkati oleh Yang Maha Esa atas segala jasa Tun dulu dan kini kepada negara dan rakyat secara amnya. Amin. Sentiasa bersama Tun dulu dan kini.

Nota: Saya sengaja tidak menulis Datuk Seri kepada Anwar Ibrahim, kerana bagi saya, dia tidak layak dipanggil dengan gelaran sebegitu. Katanama diri, 'beliau' juga tidak sesuai untuk dirinya.

Malays are known for their unique leadership which is consensus building and moderate temperament. But the poverty surrounding them was the major challenge that prompted Tun Dr. Mahathir to break away from such straight-jacketed outlook. His policies were disliked by many Umno supporters that nearly brought down his Umno presidency. And he has to be realist and pragmatist in building a circle of cronies who can get things done. He practiced Right Way not Way Right. Is he wrong? I will say No. If he did not do what he did, Malaysia today will have been a failed state.

Ravi,

I don't think you know the difference between "supporters" and "blind supporters". There's a difference between the two. Saying that supporters are blindly supporting implies that the supporters can't think for themselves, that they are easily swayed and influenced, and in your context you are basically calling us gullible or even stupid. Which of course, isn't at all appreciated.

This piece was awesomely written by the Tun. It stabs hearts at the right places. "Take it as it is" the Tun is saying. It's also saying "You can't handle the truth". Which forth, is the reason why you are talking about the tone of the entry, and dare not discuss even one of the points laid out.

Tun,

Terlebih dahulu saya ingin ucapkan banyak terima kasih kepada tulis " Mazai " tentang hasil penemuan Dr Stephen Carr Leon. Bagi orang Kristian ini bukan penemuan baru sebab mereka sudah lama mengetahuinya cuma orang melayu masih degil dengan kejahilan dan keangkuhan mereka. Memang betul orang Yahudi adalah manusia pilihan Tuhan, jadi kesimpulannya kalau orang muslim masih degil nak kutuk atau nak cari pasal dengan bangsa Yahudi mereka sebenarnya sedang bergaduh atau

menentang Tuhan.

Ada kemungkinan muslim akan berjaya apabila anda semua menentang pilihan Tuhan ??? Fikirkan lah, jangan buang masa. Ahli-ahli politik hari ini tidak menjelaskan perkara yang benar kepada umat muslim tentang sejarah negara Yahudi atau mereka segaja buat-buat tak tahu ????

Sudah lama saya mengikuti apa yang Dr Stephen Carr Leon sebutkan iaitu semasa isteri saya mengandung lagi, anak dalam kandungan sudah didedahkan dengan musik, pemakanannya pun cukup dijaga. Hari ini anak saya yang berumur 11 tahun cukup bijak dalam semua bidang. Pada umur 10 tahun beliau sudah dapat menulis lagu sendiri, apa sahaja yang diajar kepadanya dapat di terima dengan cepat. Anak saya bercita-cita menjadi Pakar perubatan yang termuka dan saya percaya beliau akan capai impiannya.

Kenapa orang melayu ketinggalan ? Jawapannya sudah terjawab, cuma orang melayu memang tak akan terima dan mereka tetap tak akan berubah sebab sentiasa ingin dapat benda yang mudah tanpa mahu berusaha. Keadaan mereka menjadi lebih teruk apabila kerajaan BN merosakkan mereka dengan polisi DEB yang bukan sahaja menjadi bahan ketawa dunia tetapi menjadikan mereka tetap mundur sehingga hari dan hari-hari yang akan datang.

Semoga orang melayu terus dengan tuntutan bodoh mereka seperti manusia bodoh yang dinamakan Ibarhim (Presiden Perkasa), suatu hari nanti melayu akan lesap di bumi ini kerana mereka akan kehilangan segala-galanya kerana semua bangsa sedang sibuk menuju ke hadapan tetapi melayu bukan sahaja tak bergerak tetapi under ke belakang.

Suatu ketika dahulu saya anggap bangsa Indonesia adalah satu bangsa yang mundur apabila berbanding dengan rakyat Malaysia, hari ini saya sudah tersilap. Negara Indonesia adalah semua negara Islam yang terbesar di dunia dengan jumlah penduduk seramai 240 juta orang, penduduk muslim lebih kuranh 95 %. Hari ini kita dapat tahu bahawa orang muslim Indonesia atau kerajaannya tidak takut dengan orang Kritian di negara mereka menggunakan perkataan " Allah " dalam kitabnya, malahan orang muslim di Malaysia yang jumlahnya lebih kurang 15 juta (60% dari jumlah penduduk 25 juta rakyat malaysia) begitu takut dengan penggunaan perkataan " Allah " bagi penganut kritian di Malaysia.

Bukan itu sesuatu yang lucu yang mana telah dapat kita lihat dengan jelas bahawa orang muslim di Indonesia jauh lebih kuat iman mereka berbanding dengan umat Islam di Malaysia. Kita dapati hari ini ramai rakyat Indonesia yang keluar negara dan pergi ke serata dunia untuk cari pekerjaan dan kemudian dari hasil pendapatan mereka dihantar pulang ke negara asal mereka untuk menyumbang kepada pembanguna negara mereka.

Di Indonesia tak ada pun DEB, mereka pun tak bising macam Ibrahim dari Perkasa. Hari ini kedudukan orang melayu di Malaysia adalah jauh ke bawah bila berbanding dengan pembantu rumah rakyat Indonesia kerana sekurang-kurangnya mereka berusaha dengan tangan mereka sendiri dan tidak menuntut benda-benda yang bukan seperti hak-hak istimewa orang melayu. Rakyat Indonesia sanggup berkorban dengan meninggalkan keluarga mereka demi masa depan mereka, hari ini ekonomi negara mereka sudah jauh lebih bagus dari Malaysia. Apa orang melayu nak kata lagi, nak jerit lagi macam Ibrahim gila tu ???

Bukan sahaja rakyat Indonesia, malahan rakyat dari Vietnam atau dari lain-lain negara kecuali orang Melayu Malaysia yang pemalas.

Renungkanan setika,

Terima Kasih

Seterusnya, tomahan kurang logik diteruskan.

Ikutlah minda yang logik.

Jikalau sebarang dasar atau undang-undang, dimana dilaksanakan selama 40tahun.

Tetapi masih tidak dapat mengecapi tahap atau keputusan yang diinginkan. Sudahlah, dok peluk ia 50tahun lagi, kekal lemah.
Masalahnya, banyak yang tak faham.

Jikalau ditunggukan suap, selamanya disuap.

I hope some will understand above stated meaning.
By the some one mentioned, had I taken Sejarah. Hello to the shallow one, the time I've taken it PMR not yet existed.

So it is true, that what the students learn today in History and Literature is all shallow and not indepth.

Try take the SRP papers and sees whether you can get it correct. But what to do, this is NEP.

Assalamualaikum,

Once, I recall who were known "Maha Firaun", di hari yang Mulia ini saya memohon maaf zahir dan bathin daripada mantan PM yang saya admired his GOOD deeds to M'sia famous.

One by one I am giving my personal thoughts to your points; and I am not very good in English but giving my best. Merely a Malay Muslim "Hamba Allah".

1- You are hypocrite! You were once a PM and led the 3rd world country, did not know what is democracy in politic and law of justice? But you know dictator and ruled with greed!.

2- You, as leader, do you listen to others opinion or to consider it? Or just one should follow your orders. If not, see what you have done to your deputy Anwar. Proudly pronouns, I am your leader, I can do what I can to anybody including to the rulers. As a merely a Malay Muslim, ones should have refered to Sunnah and Al-Quran when you were blinded to make a decision, did you? Meaning you just ignorant and never scared of ALLAH subhanahuwataala. Forgive me, If I am wrongly quote you.

3- That was not strange. As merely Malay Muslim you knew what is Islam. One Muslim should know basic Islam "Rukun Islam" and "Rukun Iman". and know what "DOSA and PAHALA", "HALAL, HARAM, HARUS, MAHKRUH DAN SUBAHAH". You claimed M'sia is a Islamic country, and as a PM in power what did you do to enrich Islam to the right place. Islamic laws? Empower Islamic court and etc. Full use of Mosque by all means. Rule with reference of Islamic ways, like Omar Abdul Aziz and Sultan Fateh. Did you? Allah knew what all your deeds when answerable to Allah.

4- With all your power, Anwar was framed and jailed?!. You have confessed and declared that Anwar was CLEANED BUT I have a power!! (I have the cd of your public confession). How do you feel after you confession?

5- You stepped down on your own? And Anwar was acquitted by influence? NO! they are all at Allah

Wills. Every Muslim would not be a Mukmin until ones be tested by Allah. Same goes to you, Allah gave you the greatest power of all Malaysians. How did you deliver your power to rule? The greatest Muslim rulers were Omar Abdul Aziz and Sultan Fattah. You said God Knows. You are answerable to Allah.

6- They are your choice and your breed. Rule of the world, one would follow the same to his master as his successor. Your blue eye boys. Is it strange?

7- As your successor, they would follow the same to your deeds. You were their idol to refer to. Don't you feel proud? You feel bad when they did not obey what you have had advised them before. Things are not always good as you thoughts.

8- As merely Malay Muslim and a leader of declared Islamic country, the PM was a Muslim, should he refer to other non Islamic nation to rule or should he refer to Islamic late rulers for example Sultan Fattah or Omar Abdul Aziz? As a Muslim leader in power, what did you do for Better Islam? Where is the power of Syariah law and court? Dakwah Islamiah? Putting Islamic laws to the utmost high then others?!! America a world police, a killing machine to Muslims and others it's like. But you are killing your own people. You the same to America imposing ISA, Malaysia Kemunting for Malaysians, America Guantanamo Bay for Muslims.

9- Gore and Wolfowitz are Anwar friends. Who is Anwar? What position he has? Is he a PM? A good man always be remembered by others. But not to be with some one by begging and paying a substantial amount to be popular, as Anwar to Americans. Greed and jealousy are making ones forget to Allah. Remember, Henry Kessinger? He ia a jew and has no sympathy to Palestinians. You welcomed him to Malaysia. You also welcomed jews from Israel (hockey players)to Malaysia.(Jews are clearly condemned by Allah in Al-Quran, killing most prophets and now still killing Palestinian and never respect the rest of nations condenming their acts.) As your successor they are follow the same to bring in Jews in Malaysia through APCO.

10- Good Muslim leaders should take an example of the late Muslim rulers to refer as Omar Abdul Aziz and Sultan Fattah. Lim Guan Eng (non Muslim) has done better ruling Penang with reference to Omar Abdul Aziz ways for the benefits of Penang people.

Wallahualam

Wasallam,

Salam Tun.

Aaah the plight of us brown skinned stupid people.

Oh well, Adam AS was made from black earth..meaning he was a black man. Hawa (Eve) was made from Adam's rib, meaning she was a white woman. We the children of Adam must then be BROWN.

So, white folks...think. Where did you come from? Albino monkeys? Certainly Darwin probably thought so. HaHa.

That's alright ... we are only a small nation ... that happened to be very successful.

Humbly, me...who happen to make all the LED lights for TOYOTA Camry, Lexus and Crown...worldwide. So blame me for feeling proud!!

Thanks to your Look East foresight Sir.

Salam Tun dan pembaca semua,

1. Saya tak mahu lah nak komen terlampau panjang tentang Anwar Ibrahim ni kerana saya pun tak berapa ada maklumat tentang 'aktiviti' sampingan nya atau pun aktiviti politik antarabangsanya.
2. Tetapi yang saya nak komen adalah tentang sesuatu yang sangat ketara dilakukannya, yang pada hemat saya, amat tidak sesuai untuk menjadikannya seorang pemimpin.
3. Kenapa dia mesti berselindung dibalik nama "de facto leader" of PKR? Kalau dah leader tu, kata jer lah leader. Jadilah Presiden PKR, kan senang?
4. Ini tidak, Si ISTERI jadi Presiden dan kekal Presiden sedangkan dah tak pegang jawatan MP pun. Kalau dah nak beri laluan kepada si suami, berilah laluan penuh. Kenapa mesti si ISTERI kekal jadi Presiden, yang nyata terang lagi bersuluh, tak ada 'bite' pun dalam arena politik kebangsaan.
5. Adakah pihak media ada minta pandangan Presiden PKR dalam apa-apa hal? TIDAK!!! Asyik-asyik tanya the de facto leader, asyik-asyik tanya pendapat de facto leader, Presiden PAS ka, DAP ka, pun bincang dengan the de facto leader, so- let the de facto leader be THE LEADER then, for God's sake!!! Why hide behind the tag de facto leader? Come out and be a MAN and stand as THE PRESIDENT lahh, baru ada guts...
6. HA..... saya kadang-kadang rasa si ANWAR ni memang tak ada the stomach to be the President of PKR kerana dia sendiri pun tak berani jamin kekuatan PKR tu sendiri. So, kalau dia tak jadi Presiden, senanglah dia nak lari kalau PKR kalah nanti. Tak payah jawab panjang-panjang, after all, he's not really

the President!!!!

7. But, if (God forbids) Pakatan make further headway towards PUTRAJAYA, he will come out in full glory and claim... "Well, I AM THE DE FACTO LEADER, okay?? I will now claim my rightful position as PM", and I dare bet my bottom cents, at that time, he will take up the party Presidency which he seems to avoid during these uncertain moments.

8. And the female President still has another useful purpose to remain as President of PKR for at least until the next GE, and that is to tell the same sob story of how the policemen came storming into her house when they were having dinner to detain her man. Her job is to get the sympathy votes from us sympathetic Malaysians.

9. If she quits the Presidency now, on what ticket is she going to take the stage to tell this same sad story? Certainly not on the ticket of just being the Wife of the De Facto Leader, right? That would only put her in the same league as one woman who PKR likes to make fun of as being as 'keph' as her PM husband. AND THAT WOULD CERTAINLY NOT DO FOR THE WIFE OF THE DE FACTO LEADER, right?

10. setiap kali saya melihat gelagat suami isteri Presiden dan Penasihat PKR ni, saya nampak betapa lawaknya gandingan mereka berdua sebagai pemimpin. NEPOTISM OF THE HIGHEST ORDER. Malangnya, masih ada yang menganggap mereka wira yang langsung tidak bersalah apa-apa.

11. Orang Malaysia tak kan masih tidak nampak perkara sejelas ini? Kenapa ANWAR BOLEH amal nepotisme, tetapi jangan orang lain? Kenapa? Kenapa? Some one tell me why...???? On what good reasons?

12. Penyokong PKR memang pengamal double-standards. And I rest my case.

Semoga ALLAH SWT pelihara kita semua dalam Rahmat dan RahimNya.

Dear all

Hari ini kita dengar yahudi malaysia nak kurangkan lagi keistimewaan bumiputra, ini bermakna depa nak ambil semua. Kalau keutamaan tu melebihi 70% di kurang jadi 50%, bolih lah dikatakan untuk adil. Tapi kalau lah dari 30%, ini bermakna mereka tamak nak semua tu....pemimpin yahudi tak bermoral. Sedarlah kaum bumiputra biar miskin tapi jangan menyesal kelak.

USA is one of the countries acted as a tool by One World Government (OWG) created by the Illumnists by empower them in three major areas i.e. politics, economy and military powers to achieve their ambitions in ruling the world..so every countries (especially muslim countries) are force to use their 'standards'. Dear Tun,

It is very bad of you to destroy the effort of Anwar Ibrahim in just one article when he recently spent weeks to boost his friendship with the Jews organization and Americans.

Anwar when read your article will surely find ways to retaliate but i am sure he is terminated in this issues. You know him better.

Many Malaysians believed that as long as Tun DR Mahathir lived, Anwar should not be dreaming of

becoming the PRIME MINISTER.

Tulisan Kamal Ahmad membangkitkan rasa sayu.

Namun posting Tun kali ini hanya menggambarkan seutas benang yang halus dalam hati manusia.Hati manusia yang punyai agama dan tuhan.

Melempi keringat,merentasi zaman dan segala penat jerih menyebabkan seutas benang yang halus tadi telah menjadi penuh dalam hati diri manusia.Penuh dengan Allah.

Tiada lagi tempat untuk lain.

Tiada Tuhan yang disembah selain Allah dan Nabi Muhammad itu pesuruh Allah.

Terima kasih Tun.

Salam Sejahtera kepada Tun dan Keluarga.

Tun tak dapat di nafikan lagi U simply the best.

Kami merasakan Datuk Najib pun tak dapat handle the situation.

Apa yang jadi dengan perjanjian air dan jambatan bengkok ada kah Malaysia ini pengecut.

Cuma sangat sangat terkilan apabila pucuk pimpinan di berikan kepada Pak Lah.Di mana bermula nya prestasi negara menjadi tak keruan dan merundum

Kalau lah Tun masih memerintah sekarang Negara Malaysia saya yakin lebih maju jauh sekali.Tanah tanah kita pun tak di gadai malah di pertahan.

Kami sangat sangat merindui kepimpinan Tun.Mungkin kah Tun dapat memimpin semula?

Kepada Negarawan yang tidak kenal penat dan lelah kami medoakan Mu di cucuri Rahmat sentaiaasa. Amiin

Salam YAB Tun,

Kadang-kadang manusia tidak dapat menggunakan logik ("common sense") dalam menilai sesuatu yang jelas dan nyata kerana hati telah ditutup oleh ketaksuban kepada ideologi, pemimpin atau kepercayaan.

Kadang-kadang asas yang digunakan untuk menilai sesuatu perkara, yang ianya tidak betul atau beremosi, akan menyebabkan tindakan kita melucukan.

Kadang-kadang kita menilai seseorang tanpa mengenalinya atau mempercayainya tanpa usul periksa. Percayalah seseorang yang kelihatan baik pada luarannya tidak semesti baik di dalam. Setiap seseorang mesti ada kejahatan yang dibuat tapi tidak diketahui ramai. Yang paling buruk jika kejahatan itu amat keji di sisi Allah dan pelakunya sentiasa mengakui dirinya sebaik-baik manusia. Jika ini berlaku kebiasaannya ianya akan dizahirkan untuk makluman manusia.

Oleh itu janganlah ambil sesuatu perkara tanpa usul periksa. Selidikilah dahulu.

Semoga dengan kita berpuasa pada bulan Ramadhan ini dapatlah kita mengecapi tujuan/maksudnya iaitu mendapat sifat tawqā. Semoga puasa kita diterima Allah.

Wasalam.

DAP leader Ronnie faces pressure to resign as exco member

By JOCELINE TAN

newsdesk@thestar.com.my

2. PETALING JAYA: DAP leader Ronnie Liu is under growing pressure to resign as Selangor executive councillor after being let off with a severe reprimand over the controversial letterhead issue.

3. The pressure is coming from his own party leaders who are of the view that the party's image can only be redeemed if he takes full responsibility for the questionable use of support letters in securing state contracts.

4. DAP life adviser and a co-founder of the party Dr Chen Man Hin said Liu, who is in charge of the state

local government, study and research committee should ask his conscience and act accordingly.

5. "As the head of the local government (study and research) committee, he should know if there has been a wrongdoing. I leave it to his conscience to act as he sees fit," he said adding that the issue had affected the party's image and that the people felt there was something very wrong with the disciplinary committee's decision.

6. The disciplinary committee issued a strong reprimand to Liu for the poor management of his portfolio and sacked municipal councillor Tee Boon Hock for misusing the letterheads.

7. Liu has since pledged to exert greater control over the use of support letters for state contracts.

8. Jelutong MP Jeff Ooi said the "repair work" for the damage done has to come from Liu who is also Pandamaran assemblyman.

9. "Our share market has dropped because of this. The ball is in his court, he has to bear the consequences and take concrete steps to correct things.

10. "If we want to be seen as sparkling clean, we must walk the talk," said Ooi who is also chief-of-staff in the Penang administration. Ooi said online opinions have been very negative on the matter.

11. "It matters to us because online opinion helped shape the political mileage for DAP in 2008," he said.

12. Selangor Speaker Teng Chang Khim, who made headlines for his "OMG, the real culprit let off" tweet, said the honourable thing for any professional who has been accused of wrongdoing was to resign.

13. "You don't need to be a fortune teller to foresee how this will damage the party," said Teng, who was the first to call for both Liu and Tee to resign.

14. However, Dapsy chairman Anthony Loke said the question of Liu quitting did not arise at the moment but that he should buck up in terms of performance.

15. Party sources said Liu's survival would depend on whether secretary-general Lim Guan Eng continued to stand by him.

16. Lim's silence on the issue has been read as tacit support for Liu who is his long-time loyalist.

17. The party's state elections have also been pushed from October to December for things to settle down before the contests for posts.

18. G in Bahasa Malaysia means as nouns/kata nama Gertak, Gajah, Guli, Gunung, etc.....we should leave it to Lim to decide WHO is HE?

Selamat Berpuasa Ayahanda Tun.

P.S.

I personally want to know what kind of action Mr Karpal Singh, the Tiger, will do in the name of Common Law. Ronnie was the culprit who launched the PKFZ scandal as police report to make it a criminal act to topple MCA's Tun Ling, a strong supporter of DrMM and UMNO for the peace, development and economic prosperity of the country making him the 1st Tun to be charged!

Well, OMG, Teng whom andrewtay respect so much in the name of A Communist or A Christian aka Laksamana Cheng Ho or Chinese or Modernised Malaysian, what is his opinions on the Justice and National Issues for Tun Ling?

I just salute you for this !!!

Y.A.B Tun ,

Menitis air mata saya membaca tulisan saudara Ahmad Kamal yang memberi respon kepada tulisan Y.A.B Tun. Dibulan Ramadhan yang mulia ini kita sebagai orang islam harus kembali kepada perpaduan seperti yang di tuntutan oleh ugaama islam yang suci ini. Perkembangan mutkahir akan membawa kepada kehancuran bangsa Melayu dan akhirnya islam di Malaysia ini sekiranya orang Melayu berpecah kepada PKR, PAS dan UMNO seperti sekarang ini. Terkini MCA dibawah Dr Chua mula menampakan taring untuk menikam UMNO dari depan dan belakang tanpa segan silu memberi reaksi yang sombong kepada kenyataan yang dibuat oleh TPM Mahyudin Yasin. MCA akan cuba mengatasi DAP dalam memperjuangkan kepentingan Cina tanpa mengambil kira sensitiviti orang Melayu lagi walau pun masyarakat Cina telah memiliki kebanyakan kekayaan Negara.

2. Suatu bentuk ancaman atau amaran keras harus diberikan kepada pemimpin-pemimpin Cina supaya tidak bermain api atau jangan cuba bermain api serta cuba mengambil kesempatan dari perpecahan orang Melayu sekarang ini.

3. Seruan kearah perpaduan yang dibuat oleh Mufti Perak hanya dijadikan gurau senda oleh beberapa pemimpin PAS dan mungkin mereka terlalu taksub yang mereka sudah pasti boleh menduduki PUTRAJAYA selepas PR13 melalui kompromi dengan DAP dan lain-lain sehingga sanggup melupakan matlamat asas perjuangan PAS. Ramai yang tidak sedar taktik Lim Guang Eng memenangi hati orang Melayu dengan ucapan-ucapan yang memuji kepimpinan Khalifah Islam seperti Omar Abd Aziz. Taktik yang sama digunakan oleh Lee Kuan Yew untuk menarik minat orang Melayu Singapura dengan ucapan dalam bahasa Melayu yang bagitu fasih. Preseden Singapura yang pertama adalah Melayu tetapi sekarang cuba bilang berapa orang Melayu dalam kabinet Kerajaan PAP Singapura.

4. Masyarakat bukan Melayu di Malaysia perlu sedar bahawa penduduk bumiputra dan Melayu melebihi 60 peratus dan peratus ini akan meningkat kerana kadar kelahiran yang tinggi berbanding kaum lain. Mungkin dalam tempoh 10 tahun akan mencapai 70 peratus dari keseluruhan penduduk negara ini. Pertumbuhan ekonomi berlaku disebaliknya. Peratus pemilikan ekuiti berada diparas yang sangat rendah dan tidak seimbang dengan peratus jumlah penduduk. Sudah terang dan tak perlu bersuloh lagi kekayaan negara dimiliki oleh penduduk minoriti.

5. Negara akan jadi tidak stabil kerana yang ramai melihat yang sedikit memiliki segalanya. Hari ini disiarkan dalam Malaysiakini yang memetik apa yang disiarkan oleh Malaysia Business sinarai tokoh-tokoh koperat yang menerima ganjaran dari syarikat masing-masing. Lihat sahaja sinarai tersebut, hanya beberapa kerat tokoh koperat Melayu dalam lebih 600 buah syarikat yang disinarai di KLSE.

6. Persoalannya mengapa pemimpin-pemimpin Cina bagitu tidak sensitif kepada perasaan kebanyakan orang Melayu. Lihat sahaja disekeliling mereka, berapa orang Cina yang miskin berbanding dengan orang melayu dan bandingkan kekekayaan masyarakat Cina dengan apa yang dimiliki oleh orang Melayu. Mengapa mereka sanggup membakar sentimen perkauman seolah-olah Kerajaan yang diterajui oleh orang Melayu zalim kepada orang Cina sehingga sokongan masyarakat Cina kepada Kerajaan bagitu merosot dan sanggup melihat perpecahan dikalangan orang Melayu.

7. Kita akan memberi sanjungan yang tinggi kepada pemimpin-pemimpin Cina sekiranya sanggup menyeru kepada perpaduan orang-orang Melayu dan memjalinkan satu pakatan politik yang ikhlas kearah pembahagian kekayaan Negara yang lebih adil kepada semua golongan tanpa merampas hak dan peluang mana-mana pihak. Semenjak Merdeka, tidak ada satu dasar yang mengambil kekayaan orang lain untuk dibahagikan kepada orang Melayu atau kepada bumiputra. Pengagihan dibuat dari pertumbuhan ekonomi yang dijana hasil dari pengurusan negara yang baik dan kerjasama yang baik antara semua kaum.

8. Sekiranya pemimpin-pemimpin Cina cuba mengambil kesempatan dari perpecahan Melayu kerana Melayu akan senantiasa berpecah antara golongan nasionalis dan golongan yang kononnya berteraskan islam, maka saya bimbang kita semua akan menuju kearah kehancuran kepada apa yang telah kita bina

selepas negara kita mencapai kemerdekaan. Sokongan kuat MCA, MIC kepada UMNO telah berjaya membawa negara ini keluar dari kemiskinan dan kini sedang bercita-cita untuk mencapai status Negara maju menjelang 2020. Mengapa kita harus mengambil risiko yang tinggi kalau telah terbukti kerjasama terdahulu telah menguntungkan semua pihak. Mengapa masyarakat Cina harus ikut rentak DAP yang akhir-akhir ini telah menampakan kesombongan selepas berjaya membentuk Kerajaan di Pulau Pinang. Tidak mungkin mereka dapat tidur sebantol dengan PAS kerana masing-masing mempunyai mimpi yang berlainan. PKR wujud dari perpecahan orang Melayu dan tidak akan kekal kerana asas perjuangan PKR hanya memperjuangkan keadilan kepada Anwar Ibrahim dan parti tersebut akan berkubur apabila keadilan sebenar terbukti.

9. Mudah-mudahan dengan semangat Ramadhan, semua pihak akan kembali kepada perjuangan asal untuk menegakan negara ini berteraskan kepada Rukun Negara.

10. Preseden MCA yang baru, Dr Chua pernah berkhidmat sebagai exco dalam Kerajaan Negeri Johor suatu masa dahulu harus menjadikan negeri Johor sebagai contoh yang terbaik kerjasama politik dalam Barisan Nasional telah membawa pembangunan yang pesat di Johor dan pada umumnya kekayaan negara dapat diagih dengan adil. Mengapa harus diporak perandakan keadaan yang baik dan lupa kepada sensitiviti orang Melayu. Lahir PERKASA kerana hati orang Melayu terusik dan jangan biarkan ianya terus berkembang kerana PERKASA boleh memainkan peranan yang lebih besar sekiranya hati orang Melayu terus diasak dan diusik.

11. Islam menuntut kita senantiasa bersyukur diatas nikmat yang telah kita perolehi dan terus berusaha untuk mencari kekayaan didunia tetapi tidak lupa bahawa akhirnya kita akan dipanggil menemui Allah SWT. Kekayaan harus dibahagi secara adil dan kita juga dilarang untuk merampas hak orang lain. Golongan yang miskin dan terpinggir harus dibantu supaya kestabilan negara dapat senantiasa dikekalkan.

Yang ikhlas,
Rahim.

Asalamualaikum Tun,

Dear Tun, about Anwar, I don't want to talk about that man (or gay, only Allah knows that) for now. We do see things differently such as NAP, Proton and AP and a whole lot other issues, but let us not talk about that for now (again).

Let's talk about on a bigger agenda (threat) to the nation (and ummah), let's talk about Freemason's influence in Malaysia. They are a part of a bigger associations (District Grand Lodges of Middle East atau DGLME). Looks like the threat from these Illuminatic Organization is worrisome. Not to mention their centers at Singapore are widening its wings in South East Asia. Not to mention the "Li (or Lee?)" family is a well known bloodlines to this Illuminati family. They've even set up lodges (should I say temples) in Peninsular Malaysia and Sarawak and Sabah. Even our most influential VIPs, Datuks and businessmen are joining the club too. The Lion's Club, Leo's Club and Rotary Club could be found within most of our schools, attracting our young ones to be accustomed with the Illuminati/Freemason ideas.

More info on Illuminati, Freemason, Anti-Christ (Dajjal-AI-Masikh) could be found in numerous books (books such as "The Hidden Hand", "Dajjal", and "The False Messiah").

Website such as; "Wake Up Project". In you tube; "The Arrival". Also in you tube; "HashemFilms-Dajjal the Anti Christ".

Their threat are becoming obvious as the world has been reorganized by these hidden hands with their hidden agenda to rule the planet (and going against Allah s.w.t.). More readings will reveal how the Christians first suffered the treachery brought upon them by these "hidden movement", and how powerful empires and nations all around the world were brought down by them. Illuminati/Freemason latest ploy is

going against Islam; the very last line of defense of humanity. Will they succeed?

Prophet Hadith on Dajjal the AntiChrist:-

`Abd Allah ibn `Umar narrated: Once Allah's Apostle (Muhammad) stood amongst the people, glorified and praised Allah as He deserved and then mentioned the Dajjal saying, "I warn you against him (Dajjal) and there was no prophet but warned his nation against him. No doubt, Noah (Nuh) warned his nation against him (Dajjal) but I tell you about him something of which no prophet told his nation before me. You should know that he is one-eyed, and Allah is not one-eyed."

Tun Dr.M,finally you spoke your mind on this hot issue.But its quite bizarre that some to many here are commenting mocking the personality of a former PM,and one of the great statesman of southern world with absurdly foolish and covertly racist rants.Though i am not a south-easterner yet from the third world,i never came across bloggers use derogatory words over their own former high ranking official including our RSA.So Dr.M,you are quite generous giving spaces for them to vent their anger.Least to say,a former PM has spoken the fact courageously as he deem fit,unlike those dominants who often use lies upon lies yet they call it as truths like WMD.To all those chest-thumpers in this blog with communal overtones,remember that Disagreements and respect goes hand in hand.

Sdr. asifadio,

Adik kami tidak pernah berkata dia berada kat jalan yang benar tetapi setakat ini kami percaya beliau berada dalam lapisan yang membolehkannya mencapai sebahagian Ilmu Sempurna yang didoakan..Insyallah

BELIAU JUGA TAHU BAHAWASANYA ILMU ALLAH TIADA TITIKNYA DAN TIADA SEORANG MANUSIA MAMPU MENGUASAI SEGALA ILMU ALLAH... Wallahualam

Kami juga percaya sebagai seorang insan yang lemah, yang menerima dan memuliakan Hadith (sahih)junjungan Nabi Muhammad s.a.w. berasa amat tersentuh apabila kedudukan dan kemuliaan Rasul Allah dipersoalkan oleh orang yang menolak Hadith...

Adikku Wajaperak,

Bersabarlah dan tidak perlulah menegur Ayahanda Tun kerna menyiarkan komen2 yang bertentangan dengan ilmu dan pengetahuan adik kerna Ayahanda Tun lebih tinggi ilmu dan pengetahuan nya dari kita..

Tidak akan terjejas setitik jua pun iman seorang insan yang memuliakan Penghulu kepada semua umat manusia yang telah ditentukan Allah swt untuk menerima umat nya dipintu syurga...Amin.

Tun, what Al Gore and Wolfowitz are doing is just a demonstration to the world at large that Americans and the whites believe in true principles of democracy and Al Gore was just trying to lead by example by living up to what he branded as "brave fighters of democracy". This is not inconsistent with his democratic right to emulate his former boss by leaving some carbon footprint in the clothes of his private masseur, despite his persistent advocacy in teaching the third world countries not to leave any in the atmosphere and this is also consistent with his stand that he has a right to claim his manhood by asking his long time carbon consort to get lost after producing a few carbon products from their union. Wolfowitz, on the other hand, acted consistent with his democratic right to abuse his public position to benefit his girlfriend in return for his democratic right to have basic human sexual rights.

Asalamualaikum,

UMNO memerintah pun banyak nama jalan menggunakan nama orang cina. Pusat pemerintahan Kerajaan Malaysia pun banyak nama persint-persint yang akau pun tak faham dalam bahasa Melayu ke? atau bahasa Inggeris. Sekolah diMalaysia pun sekejap guna bahasa Inggeris dalam 'maths' dan sains sekejap guna bahasa Melayu, ikut angin siapa Perdana Menteri. Datang Timbalan Perdana yang baru, guru siswazah dah bolih berpolitik pulak!!!!!!!!!!!!!!!!!!!!!! Hancus sekolah.

Perintah tuhan tidak juga dilaksana. Kalau tanya mereka percaya dan patuh pada Allah S.W.T. mereka jawab sudah tentu kami percaya dan patuh perintah Allah S.W.T. Masalahnya mereka cakap saja percaya dan patuh perintah Allah S.W.T. tapi hukum hudud mereka tidak laksana juga dengan memberi bermacam-macam alasan.

Percaya dan patuh kepada ajaran yang dibawa oleh Junjungan Nabi Muhammad S.A.W.mereka semua akan jawab ya!!!!!!!!!!!!!!!!!!!!!! Masalahnya mereka cakap saja percaya dan patuh perintah Junjungan Nabi Muhammad S.A.W. tapi hukum hudud mereka tidak laksana juga dengan memberi bermacam-macam alasan.

Kalau kata hudud yang dilaksana oleh orang lain salah, sila tunjuk hudud yang betul, contoh hudud yang dilaksana oleh Junjungan kita Nabi Muhammad S.A.W.

Kenapa takut sangat hendak melaksana hudud yang dilaksanakan oleh Junjungan kita Nabi Muhammad S.A.W.

Mengaibkan manusia lain nombor satu, yang itu bangsa lain tak boleh lawan.

Dearest Tun

Bobo

Just to correct 2 things.

1- GE 13 has not yet come to pass.

2- Anwar was sacked from UMNO at the height of the economic crisis on the charges of sodomy. After being sacked he frantically organized the reformasi movement in a desperate effort to topple Tun and of course free himself.

Anwar miscalculated real bad. Tun was not Suharto who was easily collapsed by the crisis. With Al Gore and US behind him he was close. He would have been a free man had it not been Tun that he was challenging.

Am I right Tun?

By shafinazhAuthor Profile Page on August 18, 2010 12:57 AM

Tun,

Sometimes i wonder why is it so difficult for Anwar to swear on the Quran that he is innocent? Does he have anything to lose by swearing on the quran?
Simple logic tell us that this man is really afraid of something or have something to hide by refusing to do so.

Salam Tun.

Salam TUN dan semua

persoalannya ramai yang buta hati daripada buta mata? sebagai contoh Dr chua soi lek yang jelas mempunyai masalah moral masih dianggap hero bagi kaum cina, dan begitulah soal anwar ibrahim, masih ramai yang merasakan bahawa janggut anwar dan tuturkatanya yang diselang seli dengan ucapan agama mengaburi hati.

namun begitu apa yang penting juga imej pemimpin umno pun banyak yang tidak betul, maka makin gelap la hati orang melayu untuk menentukan mana yang betul dan salah, apalagi nik aziz yang berserban membuat fatwa yang mengelirukan, maka makin pusing la melayu yang rata2 tidak faham mana yang betul dan salah.

Selamat berpuasa dan semoga Allah merberkati perjuangan kita semua

Salam Tun,

Plenty of diehard anwar supporters out there, theres also quite a few diehard anti-mahathir detractors in this blog. To each their own...!

However, I just want to tell off some idiots here:

bobo, your logic and reasonings are more like booboos...!

Tuacheng, you're too old to understand Tun's sarcasms....!

Ravi, all I want to say to you is "up yours....!"

Yes, I am a diehard Tun's supporter, no doubt about that....blinded, blindfolded, blinkered, etc. etc. (whatever choice expletives deleted anybody wants to use against me, no prob!).

By rarunasalamAuthor Profile Page on August 17, 2010 10:10 PM

Tun M's supporters who have kindly commented on my 'labeling' of some as blind supporters - let me elaborate.

I refer to you as blind supporters, as to having Blind Devotion to Tun M's philosophies and opinions...is that wrong..not at all..It's your every right to be devoted and subscribe 100%. Thats your right ...I am not telling you to change your devition.

But fact is find, in that because you are blinded by this devotion, you are also blinded by the rage and anger that Tun M exerts...

Like in the movie Inception...Tun M has filled some of the minds to his anger and contempt of people and organisations...and to those minds has succesfully succumbed to this 'inception'....you are only quite happy to slag and slur..

Look at you...you cant even understand the term blind supporters..you dont want to understand the context of it...you get upset and narky and spew your venom...

Again...I say,..it's ok for you to subscribe 100% to Tun M's preachings and teachings...thats your right...it's also your right to be gullible...(pls look up the meaning of this word before you come back to retort)

Ayahanda Tun,

Updated: Selasa Ogos 17, 2010 MYT 3:28:18 PM

Husam Bidas Editor Islamic Banker

Oleh ARIFFUDDIN ISHAK

2. PETALING JAYA: Exco Kerajaan Negeri Kelantan, Datuk Husam Musa membidas editor majalah Islamic Banker, Mushtak Parker dan menyifatkan beliau tidak layak memberi pandangan mengenai dinar emas dan dirham perak yang diperkenalkan kerajaan PAS Kelantan.

3. Husam mendakwa penulis berkenaan mempunyai agenda tersembunyi apabila menuduh PAS

Kelantan mengambil kesempatan terhadap emosi dan simpati orang Islam.

4. "Siapa dia? Dia tak layak nak komen mengenai tindakan kerajaan Kelantan memperkenalkan dinar emas dan dirham perak.
5. "Kerajaan Kelantan ada penasihat ekonomi kami sendiri, kami yakin ia akan menguntungkan rakyat," katanya kepada mStar Online di sini Selasa.
6. Beliau berkata demikian sebagai mengulas kenyataan Mushtak, menerusi kolumnya di akhbar dalam talian Arab Saudi, Arabnews yang menganggap kerajaan PAS Kelantan mengamalkan politik oportunist murahan apabila mengumumkan penggunaan mata wang itu sempena permulaan Ramadan.
7. Malah Mushtak juga menyifatkan tindakan itu mencerminkan buta huruf pentadbiran PAS dalam dasar kewangan dan monetari yang jelas dilihat sejak ia memegang kuasa pada peringkat negeri pada 1990.
8. Akhbar sebelum ini melaporkan Menteri Besar Kelantan, Datuk Nik Aziz Nik Mat, melancarkan Dinar Emas dan Dirham Kelantan sebagai mata wang alternatif untuk pelbagai urusan termasuk perniagaan, membeli-belah dan pembayaran zakat di negeri ini.
9. Selain itu Husam yang juga Pengerusi Jawatankuasa Perancangan Ekonomi, Kewangan dan Kebajikan tetap mempertahankan tindakan kerajaan negeri memperkenalkan penggunaan dinar dan dirham.
10. "Orang ramai tak perlu pandangan kolumnis ini untuk faham kebaikan menyimpan dan berurusan dengan dinar dan dirham ini.
11. "Hanya berikan mereka peluang menyimpan beberapa keping dirham dan dinar di dalam poket... sekejap sahaja dinar dan dirham ini akan meningkat nilainya," katanya.
12. Menurut beliau lagi, penggunaan nilai mata wang ini akan menguntungkan pengguna kerana harganya akan terus meningkat.
13. "Simpan dinar dan dirham seperti menyimpan telur, esok ia akan menetas... bila menetas, nilai anak ayam akan lebih tinggi daripada telur.
14. "Itulah yang berlaku kepada emas, harganya akan terus naik dalam jangka masa panjang dan penyimpanannya boleh dapat untung daripada kenaikan itu," katanya.

Komen:

Ayahanda Tun, this Datuk Husam Musa is a Pas Muslim who now is the VVIP in Kelantan, Third World State in Malaysia, therefore he does not understand democratic politics, the rule of law and justice base on WORLD GENUINE GOLD SUPPLY AND DEMAND....

Due to displeasure, inferiority and religion, he has declared Democracy at RM Currency base, I thought he is a smart Pas Muslim politician..., and he will face alot of inner pressure, and the greatest enemy is non other than himself.

May God Bless Him, and the path that he took will drive him crazy....and I feel sorry for him....

Goodnight Ayahanda Tun.

We suggest that Sdr. Tuacheng remains calm and patience. It's an uphill task to beat our Macha 'Ravi' for the 1st Class Honours of the 'High Priest of the Muttals' and moreover you have to contend with 'Gunse07' first for the 2nd Class Honours..

Meanwhile pls be contented in your 3rd Class Honours position. Otherwise you will be in the same tongkang with our YB...for not being patient to be the PM.

Please take our posting in a jovial mood. No malice intended.

Dear Tun,

1-Considering just how corrupted UMNO has become it would be easy to believe that Anwar has indeed been a victim for his jihad against UMNO money politics. Anwar dared enter the kitchen and he got himself burnt real bad the first time.

2-But I find it rather strange, a political maestro such as Anwar can allow himself to be caught again, doing the same wrong things? How hopelessly careless can anyone be especially now that his political future has taken a very promising turn.

3-Can't he find any willing partner at all? I am sure he can afford to keep a lover boy who would be a willing secret lover, what more with his charm, wealth and loving ways. Don't tell me he can 'move' thousands of people to do stupid things for him and yet he just can't find one lover to keep secret their affairs?

4-If only Anwar is willing to pledge upon the Quran to deny these allegations I am ever willing to give him the benefit of the doubt. UMNO led by the vote buying Najib has no credibility whatsoever. So Anwar, you just counter Saiful's pledge and I am on your side again. Serious.

Thanks Tun.

Salam buat Tun sekeluarga...

Prof. Harun Din berkata, mereka yang setuju kalimah 'Allah' diguna oleh bukan Islam hukumnya KUFUR. Sebab tujuan bukan Islam menggunakan kalimah 'Allah' bukan untuk mengesakan Allah S.W.T. tetapi mensyirikkan Allah S.W.T.

Menurut www.asysyariah.com, kekafiran atau kufur dalam bahasa Arab asalnya bererti penutup. Adapun dalam istilah syariat bererti lawan daripada iman. Kufur biasa terjadi kerana beberapa sebab antaranya;

1. Mendustakan atau tidak mempercayai.
2. Ragu terhadap sesuatu yang jelas dalam syariat.
3. Berpaling daripada agama Allah.
4. Kemunafikan iaitu menyembunyikan kekafiran dan menampakkan kelslaman.
5. Sombong terhadap perintah Allah `Azza wa Jalla seperti yang dilakukan iblis.
6. Tidak mahu mengikrarkan kebenaran agama Allah S.W.T.

Ironinya, di mana 'pejuang tulen PAS' yang selalu 'perasan' lebih Islamik berbanding orang Islam lain di seluruh dunia ini? Bukankah kufur itu murtad dan hukuman kepada orang murtad ialah...?

Si kufur sudah pasti tidak merasa berdosa bersekutu dengan negara yang membunuh orang Islam!

Anwar Ibrahim Laknatullah!

@TuaCheng,

Relax la kawan... you read your post first and then you analyze la why my post was so direct :) I dont think you are in any position to talk about wives and harems to begin with brother..

@superkid,

Hmmm.. jangan la cakap aku buta sejarah.. hang tu kot yang buta sejarah.. kaji betul-betul... jangan berlandaskan buku teks sejarah sahaja. I'm not denying that other races played vital roles for Malaysia to merdeka.. Aku tau depa pon bermati-matian.. TAPI, masalahnya, kita ni merdeka ke? And lets be frank. EVERYBODY'S A LITTLE RACIST ;)

Rupert Emerson, a professor from Harvard University wrote a little book titled Malaysia : A Study in Direct and Indirect Rule. Guess when? In 1937. 1937. 1937. Like I said. Read a book. Put ACTUAL thought into these things.

Sorry Tun, no disrespect but I believe that Malaysians need to start seeing the bigger picture as I am very sure you do. Again, thats why I say I would probably do just about anything to spend an hour or two with you.

Btw, great entry. You are very smart and very wise. I just can't see anyone else with your charisma to lead our country.

You must be the product of school kids who dislike the subject SEJARAH. You don't even know what you're talking about. OR, you must have dropped out of school before PMR?? I think, now, the Ministry of Education must have second thoughts about scrapping off the PMR! Products like you will destroy the nation..., just like PKR, your favourite political body.

Now the second trial is even worst.

By TuaChengAuthor Profile Page on August 17, 2010 11:48 AM

To TuaCheng,

Your comment,

"How about those Terrorist that kills thousands in the 911 incident?
How about those Terrorist that destroyed the precious historical Bamiyan Buddha Statues?
How about those Terrorist that kills hundreds of tourist in Bali?"

Mao Tze Tung kills more people then all above put together.

Your comment,

"They are more interested, for their hundreds of wife and many thousands sons, in short HAREMS."

The previous emperors of China have more wives and concubines that can generate a new population.

Good at least some one with intellect trying to bring up, something logical.

1st of all, since 4th Malaysia PM mentioned the deaths caused by USA.
Which in return, it is questionably, how about above deaths caused by terrorist.
Since JB_FROM mentioned Chairman MAO of china killed more than others.
-1st, those kills were also Chinaman from China. This is called CIVIL-UNREST. (Races was not the matter, ideology).
-Now 4th Malaysia PM is so sarcastically bring-up racial intention?
So please get your brain clear-up.
(If comparing China & USA, there are many deaths from CIVIL WAR & UNREST), which brought down to today's TAIWAN.

Malaysia were not the same league of topics. The perspective in this forum was USA is evil and caused many Afghan/Iraqi/Palestines. So as the terrorist that consist Afghan/Iraqi/Palestines were equally causing deaths.

COMING BACK to Emperor of China and his concubines. That is the big difference, that Chinese from China decided.
They decided to end these kind woeful, feudalistic and aristocratic rulers 100+plus years ago.
That is why, it leads to 2 new ideology that clashes in the 1930 to 1950, between Democratic Koumintang & Communist Party.

Well, the Saudi Arabia has no kings, until somewhere in the early this centuries. In fact that is only consisting of kings from the Bedouins.
If not mistaken, when the HOLY Prophet Muhammad pass on, it is the 4Caliphs that leads from Mecca.
Followed by Ottoman empires in Turkey that leads the golden age of Islamic civilizations.

Honestly, if pertaining it, so sorry that now Raja Berperlembagaan is the basis in most country except in the Mid-east. Honestly, Malaysian should know that.

Here is another one:

To respond to Tuah Cheng's comment about Bali Bombers and other acts he mentioned.

All I can ask to Tuah Cheng read what's China doing to Tibetans and Muslim Uyghurs openly. If he open his mouth to mentioned these to Chinese officials he will be locked permanently in jail and God knows maybe his family will receive invoice about the single bullet that been used to be murdered.

Or try to mention the Tiananmen square massacre by China in 1980ties.

Cepelli, I can't help but to laugh.

Why again religion was brought up? Please understand, China today is COMMUNIST CHINA. They are atheist. They don't care it is Muslims, Buddhist or Christians. Whoever against the politburo, you are found guilty.

Did I mentioned, Communist are an ideology which totally against Democracy. Same thing, no matter you are Hans, Uyghurs, Mongols or etc, they will clamp down equally to all people at Tiananmen.

But I'm cynical, how about Malaysia? Just seribu ringgit saman for cow head protesters. Ahmad Ismail seditiously 1.5years suspension from UMNO.

If counting on cruelty, China had made it equally cruel to anyone, without reference to race or religion.

Back to the topic, equality is not taboo. If point 1 fingers at people, 4 is pointing back.

Dear Tun,

i would like to emphasize on the current malay dilemma that i called blind malay. blind by the hatred of you tun, these malay would take any course to prove of your injustice, cronyism, racist-ism & bla-bla. even to the extend joining force with allied which in the long run not only will it kill himself but his entire race & religion so as they can see tun being punished.

i do not know what you have done to justify this hatred but one should know that hatred is not a good thing. it will eventually 'rot' a person silently from the inside out.

Tun,

You were merely a Malay Muslim who once led and ruined a Third World country. You therefore do not understand democratic politics, the rule of law and justice. You have done enough damage to the country with your biased policies. With the wrong policies, we are now far behind singapore, the country you hate the most. Dont blame others, blame yourself for spoon feeding them. Blame yourself for changing the medium of teaching from english to malay and produce unemployed graduates.It takes more than 30 years to reach this stage, so it will probably take another 30 years to reverse back and make it right. Please stay healthy to witness all these while you enjoy your retirement. Thank you.

Assalamualaikum Dear Tun & Family,

Once upon a time, when you said (after a fashion) that certain western leaders were envious of our achievements, many in the country scoffed at you. These people believed themselves to be educated, highly literate and civilized. Many pretended to be writers. They pooh-poohed you, saying how stupid you were for coming up with such a poor attempt at deflecting attention from your own shortcomings. If memory serves me right, this occurred a number of times. As a child, I believed in you, but I kept quiet because I did not know what to say in your defence. Defiant, I turned my hearing away from those losers.

Now, I am more than 30 years old. Not wise by any stretch, but thanks to a reading habit my dear arwah father nurtured in me, I now know without a doubt that you have always been right. The world is not just a product of people growing up, getting an education, and making a living. This world is the product of schemes, lies and treacheries. The perpetrators have been many, but of late they seem to have come from one source, an illegal state which continues to fight for recognition for its very existence, as well as for its causes.

Exacerbating the problem is this illegal state's friends, who in their greed have shown great intelligence of creating structures promising magnanimity and enlightenment. Yet, behind the seemingly well-meaning constructs lie webs of deceit, created both for the gain of scandalously large profits as well as the entrapment of those who foolishly flock to their banner in the mistaken belief "here is someone who cares about who I am and will help me be a Hero to my people."

You are well aware Tun, that there are many people like this. One of them fancies himself Prime Minister material, despite being the butt of so many jokes. Oh, what butt jokes those have turned out to be. Still others are not so visible, hiding in the wings, you could say. Many of them are, unfortunately, writers, and under the pretense of modern thinking they vomit thought after thought onto the written page as well as to the ether. In fact, many of these scum suckers can be found trolling your comment pages. At first glance their so-called pearls of wisdom carry weight, but the thinkers among us will find they are actually venomous ideas that will undermine much of what is important to us: our Faith, our unity, our way of life.

It is not my intent to teach you, Dear Tun, of all this. You knew all this before I was even born. I am sharing this with you so that you know that the younger generations DOES know what you know. We don't know everything, but we know enough to get started on continuing your fight.

I reject the Zionists! I reject their American supporters! And by Allah S.W.T, I reject Anwar "Booty" Ibrahim!

May God Bless you and your family Tun, and give you long life, good health, and an even sharper mind, with continuous rezeki.

Assalamualaikum

Tun,

Why have you got angry with USA ??? Why you bother the American ? I truly believe that if we are truly strong and smart eventually people will look up on us and listen to us.

The world owe America a great debts in Second World War, if not the Atomic bom invented by America and landed in Japan didn't you think that the War would stop and the Japenese will leave Malaysia ?????

America at first did not participate in the War however other country who was so gridy and attacked the Pearl Harbour which belongs to America which led to America involved in the war.

I want to know why no one talk about how greedy and cruel Japan was until so many countries in Asia and South-East Asian have to suffer during the 1941 - 1945 war ???? When Vietnam was invaded by Russian and the whole South-East Asia nearly become Communist region, where were the Muslim countries ? Did they come and help to prevent the spread of Communism to this region ? If not America the one who came and fight with Russian don't you think that the whole South-East Asian had become Communist countries ????

Can the muslim or the so call malay stand up and fight with them ??? If not America the one who has stand behind South Korea, don't you think that the whole Peninsula of Korea already become a Communist country as well ????

Where were the muslim nations when Aceh was hit by Tsunami in 2004 ???? The nation was havoc and even the Airport runway was also damage resulting no airplane can land to send helps for the victims, if not for the fast rescue action by America in sending the " Supertanker " and helps i can't imagine how many more life would be added to death tolls. The Supertanker also operate as the floating runway for helps to come from the rest of the world and channel it to the victims.

Any of you all so call muslim ever say thank you to America ???? Your rich muslim brotherhood in the middle-east just sit and watch, with such kind of attitude, do you all muslim dare to criticise other people especially America ??? Let say our Malaysia Muslim was so good and intend to help, how are you going to land in Aceh without the runway ???? Use your brain and think.

Tun, i am not saying that i am supporting 100 % America but we should also know how to be thankful for things or helps others had rendered to us and not just blindly criticise out of emotion. Should America never invented the aeroplane, how long the muslim pilgrims has to take to reach Mekah ????? Months right ??? America has made the world so small and save a lot of our times (including the muslim) to travel and communicate. Are you muslim not enjoying it ???? If the muslim think that America is the " Satan " then stop using their technologies and start inventing yours. I believe the world will respect you all, if not should the mouth shut.

Citizen in concern.

Inilah Artikel Dr. Stephen Carr Leon

Mengapa Yahudi Bijak?

(Based on true story by Dr. Stephen Carr Leon
CALIFORNIA)

Setelah berada 3 tahun di Israel kerana menjalani housemanship di beberapa hospital disana, ada beberapa perkara yang menarik dapat saya perhatikan untuk dijadikan tesis ini, iaitu "Mengapa Yahudi Bijak?" . Memang tidak dapat dinafikan ramai cendekiawan berbangsa Yahudi, dari segala bidang, Engineering, musik, sains dan yang paling hebat ialah bidang perniagaan, dimana ia memang paling tersohor. Hampir 70% perniagaan di dunia dikuasai oleh kaum Yahudi, dari kosmetik, pakaian, pemakanan, senjata, perhotelan, perfileman di Hollywood dan sebagainya.

Ketika tahun kedua, akhir bulan December 1980 dan sedang saya menghitung hari untuk pulang ke California saya terfikir apakah sebabnya kaum Yahudi begitu pintar? Kenapa Tuhan memberi kelebihan kepada mereka? Apakah ini suatu kebetulan? Atau olah manusia sendiri? Adakah bijak boleh dijana? Seperti kilang pengeluaran?

Maka saya pun tergerak membuat tesis untuk Phd saya, disamping kebaikan untuk umat sejagat dan dapat hidup secara harmoni. Untuk pengetahuan anda tesis yang saya lakukan ini mengambil masa

hampir lapan tahun, ini kerana untuk mengumpulkan data-data yang setepat mungkin.

Antara data-data yang saya kumpulkan ialah pemakanan, adat resam, ugama, persiapan awal untuk melahirkan zuriat dan sebagainya dan data-data tadi saya cuba bandingkan dengan bangsa dan kaum kaum lain.

Marilah kita mulakan dengan persiapan awal melahirkan zuriat. Di Israel, setelah mengetahui yang sang ibu sedang mengandung, pertama kali saya perhatikan ialah, sang ibu akan sering menyanyi dan bermain piano dan si ibu dan bapa akan membeli buku metamatik dan menyelesaikan masalah metamatik bersama suami, saya sungguh hairan kerana teman saya yang mengandung sering membawa buku metamatik dan bertanya kepada saya beberapa soalan yang beliau tak dapat menyelesaikannya, oleh kerana saya memang minat tentang metamatik, tentu saja dengan senang saya bantu beliau. Saya bertanya kepada beliau, adakah ini untuk anak kamu? Beliau menjawab, "Ya..., ini untuk anak saya yang masih didalam kandungan, saya sedang melatih otak beliau, semoga ia menjadi genius apabila dewasa kelak". Perkara ini membuat saya tertarik untuk mengikut perkembangan beliau seterusnya. Berbalik kepada metamatik tadi, tanpa merasa jenoh beliau membuat latihan metamatik sehingga beliau melahirkan anak.

Seperkara lagi yang saya perhatikan ialah pemakanan beliau, sejak awal mengandung beliau gemar sekali memakan kacang badam dan korma bersama susu, dan untuk tengah hari makan utama beliau ialah roti dan ikan tanpa kepala bersama salad yang digaul dengan badam dan berbagai jenis kekacang, menurut beliau daging ikan sungguh baik untuk perkembangan otak dan kepala ikan mengandungi kimia yang tidak baik yang dapat merosakkan pengembangan dan pertumbuhan otak anak didalam kandungan. menurut beliau ini adalah adat orang orang yahudi ketika mengandung dan ianya menjadi semacam kewajipan untuk ibu ibu yang sedang mengandung mengambil pil minyak ikan.

Ketika saya diundang untuk makan malam bersama orang-orang Yahudi, perkara pertama yang saya perhatikan ialah menu mereka. Setiap undangan yg sama perhatikan ialah mereka gemar sekali memakan ikan (hanya isi atau fillet) dan biasanya daging tidak akan ada bersama dimeja jika ada ikan, menurut mereka, campuran daging dan ikan tak elok dimakan bersama. Salad dan kacang adalah suatu kemestian, terutama badam.

Seperkara yang pelik ialah mereka akan memakan buah buahan dahulu sebelum memakan hidangan utama. Jangan terperanjat jika anda diundang kerumah Yahudi anda akan dihidangkan buah-buahan dahulu. Menurut mereka, dengan memakan hidangan kabohidrat (nasi atau roti) dahulu kemudian buah buahan, ini akan menyebabkan kita merasa ngantuk dan lemah dan payah untuk memahami pelajaran disekolah.

Di Israel, merokok adalah taboo, apabila anda diundang makan dirumah Yahudi, jangan sekali-kali merokok, dan tanpa malu mereka akan menyuruh anda keluar dari rumah mereka dan merokok diluar rumah mereka. Menurut saintis di Universiti Israel, siasatan menunjukkan nikotin dapat merosakkan sel utama pada otak manusia dan akan melekat pada genes, ini bermakna keturunan perokok bakal membawa generasi yg cacat otak (bodoh atau lembab). Suatu penemuan yg dahsyat ditemui oleh saintis yg mendalami bidang genes dan DNA. Para perokok harap ambil perhatian. (Ironi nya, pemilik pengeluaran rokok terbesar adalah Yahudi sendiri..!)

Perhatian saya selanjutnya ialah melawati tadika mereka, Pemakanan anak anak tadi cukup dikawal, makanan awal ialah buah-buahan bersama kacang badam, diikuti dengan menelan pil minyak ikan (code oil lever). Didalam pengamatan saya, kanak Yahudi sungguh bijak dan rata rata mereka memahami 3 bahasa iaitu Hebrew, Arab dan Inggeris dan sedari awal lagi mereka telah dilatih bermain piano dan violin, ini adalah suatu kewajipan. Menurut mereka bermain musik dan memahami nota notanya dapat meningkatkan lagi IQ kanak kanak dan sudah tentu bakal menjadikan budak itu bijak.

Ini kerana menurut saintis Yahudi, gegaran musik dapat stimulate (semacam senaman untuk otak) maka itu terdapat ramai sekali genius musik terdiri dari kaum Yahudi.

Seterusnya ke darjah 1 hingga 6, anak anak Yahudi akan diajar metamatik berkonsepkan perniagaan dan pelajaran sains amatlah diberi keutamaan. Di dalam perhatian peribadi saya, perbandingan dengan anak anak di California, ianya jauh berbeza tentang IQ dan boleh saya katakan 6 tahun kebelakang! Segala pelajaran akan dengan mudah di tangkap oleh anak Yahudi. Selain dari pelajaran tadi sukan juga menjadi kewajipan bagi mereka dan sukan yg diberi keutamaan ialah memanah, menembak dan berlari, menurut teman saya ini, memanah dan menembak dapat melatih otak memfokus sesuatu perkara disamping mempermudah persiapan untuk perhidmatan negara.

Selanjutnya pemerhatian saya menuju ke sekolah tinggi (menengah) disini murid-murid ditekan dengan pelajaran mata sains dan mereka digalakkan mencipta produk, segala projek mereka walaupun

kadangkala kelihatannya lucu dan mengarut, tetap diteliti dengan serius apatah lagi ianya berupa senjata, perubatan dan engineering, idea itu akan dibawa ke institute tinggi di Politeknik dan Universiti.

Satu lagi yg di beri keutamaan ialah fakulti perniagaan. Saya sungguh terperanjat melihat mereka begitu agresif dan seriusnya mereka tentang perniagaan. Diakhir tahun diuniversiti, para penuntut dibidang niaga dikehendaki melakukan projek dan memperaktikkannya dan anda hanya akan lulus jika kumpulan anda (10 pelajar setiap kumpulan) dapat keuntungan sebanyak \$US1juta! Anda terperanjat? Itulah kenyataan, dengan rangkaian seluruh dunia dan ditaja sepenuhnya oleh syarikat milik Yahudi, maka tidak hairanlah mereka dapat menguasai perniagaan didunia! Siapakah yg mencipta design Levis yg terkini? Ianya dicipta di Universiti Israel oleh fakulti bisnes dan fesyen.

Pernahkah anda melihat cara orang Yahudi melakukan ibadah mereka? Salah satu caranya ialah dengan menggoyangkan kepala mereka, menurut mereka ini dapat mengaktifkan otak mereka dan menambahkan oksigen dikepala, banyak ugama lain di Timur Tengah, seperti Islam juga ada menyuruh umatnya menunduk atau menggoyangkan kepala, ini guna dapat mensimulasikan otak kita supaya bertambah aktif. Lihat orang orang Jepun, mereka sering menunduk-nundukkan kepala dan ianya sebagai adat. Ramai orang orang Jepun yg pandai. Adakah ianya sebagai kebetulan? Kegemaran mereka ialah sushi (ikan mentah). Adakah ini kebetulan? Fikirkanlah!

Berpusat di New York, Dewan perniagaan Yahudi bersedia membantu mereka yg berminat untuk melakukan bisnes (sudah tentu untuk Yahudi sahaja) jika mereka ada idea yg bernas, jawatan kuasa akan memberi pinjaman tanpa faedah dan pentadbir dari jawatan kuasa tadi akan bekerjasama dengan anda untuk memastikan yg perniagaan mereka menurut landasan yg betul. Maka itu lahirlah Starbuck, Dell computer, Coca Cola, DKNY, Oracle, Perfileman di Hollywood, Levis, Dunkin Donut dan ada beratus kedai ternama dibawah naungan dewan perniagaan Yahudi di New York. Graduan Yahudi dari fakulti perubatan New York akan disarankan untuk mendaftar dipersatuan ini dan digalakkan memulakan klinik mereka sendiri dengan bantuan wang tanpa faedah, barulah saya tahu mengapa hospital di New York dan California sentiasa kekurangan doktor pakar.

Kesimpulannya, pada teori saya, melahirkan anak dan keturunan yg bijak boleh dilaksanakan dan tentunya bukan semalaman, ianya memerlukan masa, beberapa jenerasi mungkin? Persiapan awal adalah ketika sang ibu mengandung, galakkanlah siibu melakukan latihan metamatik yg mudah tetapi konsisten disamping mendengar musik klasik. Seterusnya ubahlah cara pemakanan, makanlah makanan yg elok dan berhasiat yg baik untuk otak, menghayati musik sejak kecil adalah baik sekali untuk penumbuhan otak kanak kanak, dengan bermain piano dan violin sudah tentu dapat melatih anak anak mencerdaskan otak mereka demikian juga sukan yg memerlukan konsentrasi yg tinggi, seperti memanah, bola keranjang, dart dan menembak.

Merokok menjanjikan jenerasi yg moron (goblok) dan sudah tentu gen bodoh akan mengikut ke jenerasi siperokok. Lawatan saya ke Singapore pada tahun 2005 amat memeranjatkan sekali, disini perokok seperti dianak tirikan dan begitu susah sekali untuk perokok dan anda tahu berapa harga sekotak rokok? US\$ 7! ini bersamaan perbelanjaan sehari untuk makan anda!! Saya puji sekali sikap pemerintah Singapore dan menjkubkan sekali dan seperti Israel ianya begitu taboo dan cara pentadbiran dan segi pembelajaran mereka hampir serupa dengan Israel , maka itu saya lihat banyak institusi pelajaran mereka bertaraf dunia walaupun hakikatnya Singapore hanyalah sebuah pulau sebesar Manhattan! Anda mungkin muskil, benarkah merokok dapat melahirkan jenerasi goblok, saya telah menemui beberapa bukti menyokong teori ini. Lihat saja Malaysia dan Indonesia, jika anda ke Jakarta atau Kuala Lumpur, dimana saja anda berada, dari restoran, teater, kebun bunga hingga ke musium hidung anda akan segera terbau asak rokok! Dan harga rokok? Cuma beberapa sen US! dan hasilnya? Dengan penduduknya berjumlah ratusan juta orang berapa banyakkah universiti terdapat disana? Hasil apakah yg dapat dibanggakan? Teknologi? Jauh sekali. Adakah mereka dapat berbahasa selain dari bahasa mereka sendiri? Mengapa mereka begitu sukar sekali menguasai bahasa Inggeris? Ditangga berapakah kedudukan mereka di pertandingan metamatik sedunia? Adakah ini bukan akibat merokok? Anda fikirilah sendiri.

Di tesis saya ini, saya tidak menimbulkan soal ugama atau bangsa, adakah Yahudi itu zalim sehingga diusir dari semenjak zaman Paraoh hingga ke Hitler, bagi saya itu isu politik dan survival, yg ingin saya ketengahkan ialah, mampukah kita melahirkan jenerasi yg bijak seperti Yahudi? Jawabannya ialah mungkin dan tidak mustahil dan ianya memerlukan perubahan, dari segi pemakanan dan cara mendididk anak dan saya kira hanya memerlukan 3 jenerasi sahaja. Ini dapat saya lihat sendiri tentang cucu saya, ini setelah saya mengajar anak saya melalui program yg telah saya nyatakan diatas tadi, pada umur 9 tahun (cucu saya) dia dapat menulis esay sepanjang 5 muka surat penuh. Esaynya hanyalah mengenai

"Mengapa saya gemarkan tomato!"

Selamat sejahtera dan semoga kita dapat melahirkan manusia yg bijak dan bersifat mulia untuk kebaikan manusia sejagat tanpa mengenal batasan bangsa.

Tun. I still interested to comment on Jews issues. What say you? Saya berkesempatan menulisnya seperti berikut:

Saudara-saudara sekalian,

Malam tadi aku terjaga dari tidur walaupun jam dinding menunjukkan masih pukul 3.00 pagi. Fikiran tiba-tiba melayang, teringat akan satu artikel yang di baca dalam internet sebelum tidur. Artikel oleh Dr. Stephen Carr Leon dari Universiti CALIFORNIA mengenai cara hidup orang Yahudi. Satu umat yang istimewa dan Berjaya di muka bumi ini..

Dikalangan umat Islam pada hari ini Yahudi adalah satu bangsa yang amat dibenci kerana bangsa ini dianggap begitu angkuh dan kejam terhadap umat Islam. Membunuh dan menganiaya tanpa sebab dan tanpa belas kasihan. Sehingga mewujudkan satu bentuk permusuhan yang tidak akan ada kesudahannya. Sedangkan Agama Yahudi dan Islam adalah dua agama yang paling hampir akidahnya. Malahan Islam juga mewajibkan penganutnya mempercayai rasul-rasul keturunan Yahudi seperti Nabi Ibrahim, Ishak, Yaakob, Musa dan Isa Alaihisalam serta kitab-kitab yang diturunkan kepada mereka seperti Taurat, Zabur dan Injil.

Apa yang menyebabkan permusuhan antara umat Islam dan kaum Yahudi bukanlah oleh hal-hal yang berkaitan dengan agama tetapi adalah kerana perebutan wilayah. Ia itu perebutan bumi Palastine. Dikalangan umat Yahudi, Palastin adalah milik mereka kerana inilah bumi yang telah dijanjikan oleh Allah untuk mereka melalui nabi Musa Alaihisalam apabila keturunan mereka diusir dari bumi Mesir semasa pemerintahan Firaun:

Surah Al Maedah ayat [5:21]-(kata nabi Musa AS kepada kaumnya).....

Wahai kaumku masuklah ke tanah suci (Palastine) yang telah ditentukan Allah bagimu dan janganlah kamu lari kebelakang (takut kepada musuh) maka kamu jadi orang yang merugi.

Bumi yang asalnya dimiliki oleh orang Yahudi ribuan tahun lamanya. Orang Yahudi telah diusir beberapa kali sebelum itu oleh Empayer-empayer Babylon, Rom dan Parsi dan kemudian diduduki dan diperintah oleh orang Arab Islam semasa dibawah pemerintahan Turki. Atas semangat mengembalikan hak agama, kaum Yahudi kini berjuang untuk medapatkan semula wilayah tersebut sebagai bumi yang dijanjikan oleh Allah untuk keturunan mereka.

Manakala dikalangan umat Islam, Palastine adalah sebuah Negara Islam dan tempat terlataknya masjidil Al Aqsa iaitu masjid ketiga paling mulia.

Kedua-dua belah pihak Islam dan Yahudi telah berjaya menukar motif pebalahan merebut wilayah ini kepada satu perbalahan yang bermotifkan perjuangan agama. Bagi umat Islam membela Palastin dan mempertahankan masjidil Al Aqsa itu adalah satu perjuangan Islam. Kebencian dan perasaan marah yang ditimbulkan antara satu sama lain seolah-olah tidak lagi boleh dimaafkan dan ianya telah menjadi satu pertentangan agama yang tidak mudah dilerai dan diamankan. Umat Islam menggunakan segala bentuk pengaruh dan keyakinan keislaman penganutnya untuk menzahirkannya rasa benci terhadap orang Yahudi. Begitu juga orang Yahudi menggunakan segala kekuatan, kebijaksanaan dan pengaruhnya untuk merealisasikan kebenciannya terhadap umat Islam terutama bangsa Arab dan Parsi.

Apa yang anihnya walaupun umat Yahudi bilangannya tidak sampai 12 juta dimuka bumi ini berbanding

dengan keturunan Arab yang melebihi 120 juta dan umat Islam lain yang menjangkau lebih 1,200 juta lagi. Namun permusuhan ini nampaknya lebih memberi kemenangan kepada kaum Yahudi apabila mereka disokong oleh bangsa-bangsa lain yang maju didunia terutama orang Eropah dan Amerika. Mereka juga mendapat simpati hampir sebahagian besar masyarakat dunia bukan beragama Islam.

Merenungkan hal ini maka kita perlu mengetahui apakan keistimewaan yang dimiliki oleh kaum Yahudi sehingga mereka seolah-olah berada disatu kedudukan istimewa dimuka bumi ini yang mendapat sokongan masyarakat bukan Islam didunia. Sehingga menyebabkan setiap keturunan Yahudi sendiri merasakan kaum Yahudi adalah kaum istimewa dan kaum pilihan Tuhan.

Justru terfikir oleh saya bahawa umat Islam akhirnya akan terus terkorban, teraniaya, tertekan, terpinggir selagi permusuhan ini berterusan dan agama dijadikan penyebab kepada permusuhan itu. Kemenangan tidak akan menyebelahi umat Islam jika umat Islam tidak mempersiapkan diri untuk menjadi umat yang lebih hebat. Saya tidak terfikir Allah akan menyebelahi kita hanya kerana kita Islam dan mereka bukan Islam. Mereka juga adalah makhluk ciptaan Allah yang dikurniakan dengan berbagai keistimewaan.

Allah SWT sendiri didalam Al Quran telah mengesahkan bahawa Keturunan Yahudi adalah kaum pilihannya dan telah memberikan keistimewaan melebihi kaum-kaum lain di muka bumi ini:

Surah Al Baqarah ayat [2:122]- Wahai Bani Israil, kenanglah akan limpah kurnia nikmatKu yang telah Kuberikan kepada kamu, dan Aku telah melebihkan kamu atas umat-umat yang lain.

Surah Al Jaatsiyah (45:16)- Dan sesungguhnya telah Kami berikan kepada Bani Israel Al Kitab (Taurat), kekuasaan dan kenabian dan Kami berikan kepada mereka rezeki-rezeki yang baik dan Kami lebihkan mereka atas bangsa-bangsa lain.

Selepas fikiran menerawang sekian lama terfikir oleh saya bahawa mulai hari ini umat Islam yang berpegang kepada Al Quraan perlu menerima ketetapan Allah SWT dan bukan menolaknya hanya atas alasan wilayah Palastine telah didukuki oleh orang Arab sekian lama. Allah SWT juga seperti yang disebut didalam Al Quran telah memberi jaminan bahawa Palastine itu juga adalah hak kaum Yahudi. Oleh itu kembalilah sebahagian dari wilayah Palastine itu kepada kaum Yahudi kerana disitulah asal usul keturunan mereka, agama mereka serta turunnya rasul-rasul semenjak ribuan tahun lamanya. Justru Allah SWT sendiri telah mengarahkan umat Islam supaya menukar qiblatnya daripada Masjidil Al Aqsa kepada Masjidil Haram di Mekah.

Surah Al Baqarah Ayat 144: "Sesungguhnya Kami melihat mukamu (Muhammad) menegadah kelangit, maka sesungguhnya kami akan memalingkan kamu ke kiblat yang kamu sukai. Palingkanlah mukamu ke arah Masjid al Haram. Dan di mana sahaja kamu berada maka palingkanlah mukamu ke arahnya. Dan sesungguhnya orang-orang yang diberikan Al Kitab memang mengetahui, bahawa berpaling ke Masjidil Haram itu adalah benar dari Tuhannya,dan Allah sekali-kali tidak lengah dari apa yang mereka kerjakan"

Maksud dan tujuan perintah Allah SWT kepada umat Islam supaya menukar Kiblatnya sudah tentu amat jelas dan mudah difahami. Tidak lain tidak bukan antaranya untuk mengelakkan perebutan, pergeseran, pertelingkahan dan antara umat Yahudi dengan umat Islam. Palastine adalah bumi yang telah dikhaskan untuk umat Yahudi.

Kalau kita dapat menerima hakikat ini maka sudah sampai masanya bagi kita menamatkan segala bentuk kebencian dan permusuhan terhadap kaum Yahudi sebaliknya jadikanlah mereka rakan yang akrab. Rakan yang sering disebut-sebut oleh Allah SWT didalam Al quraan. Soal penderhakaan mereka terhadap perintah Allah itu adalah urusan antara mereka dengan pencipta. Bukan urusan kita.

Jadikanlah mereka 'kaum pilihan Allah SWT' yang memiliki segala kebaikan, keistimewaan dan kekuatan ini sebagai umat yang memberi inspirasi untuk dicontohi. Jika ini dapat dilakukan maka tidak akan wujud lagi penganiayaan berterusan terhadap umat Islam yang tidak berdosa. Keistimewaan mereka mengatasi kaum-kaum lain sepertimana yang diberikan oleh Allah SWT telah dibuktikan berulang kali didalam sejarah hingga dapat dilihat kehari ini. Banyak bangsa dan Negara yang berjaya telah menggunakan

kebolehan kaum Yahudi ini termasuk Negara jiran kita di selatan tanah air.

Dibawah ini saya turunkan satu artikal amat menarik mengenai kaum Yahudi yang sepatutnya dipelajari, dicontohi dan diamalkan oleh setiap umat Islam sekiranya umat Islam ingin menikmati kehidupan dengan lebih selesa bersama-sama dengan umat-umat lain di bumi Allah SWT ini.

Berdasarkan penemuan ini diharap pihak berwajib dapat membetulkan tanggapan orang Islam terhadap orang Yahudi. Juga perlu merangka program-program yang sesuai yang dapat memajukan umat Melayu di bumi Malaysia ini dan umat Islam didunia. Janganlah jadikan Islam itu seolah-olah agama yang suka mendorong penganutnya mencari permusuhan kecuali untuk mempertahankan hak. Maka kita akan dapat memberikan sumbangan yang lebih bermakna kepada umat manusia disamping meningkatkan keimanan kita kehadiran Allah SWT yang mencipta seluruh alam.

Berikut adalah Adat-adat dan undang-undang penganut Yahudi (Dari Ensiklopedia bebas WIKIPEDIA)..... Kebanyakan penganut Yahudi mengikuti undang-undang pemakanan yang termaktub di dalam Torah yang melarang campuran susu dengan daging. Daging babi juga adalah terlarang dalam agama Yahudi. Makanan yang disediakan menurut undang-undang tersebut serta daging yang disembelih oleh pihak Rabbi dipanggil Kosher. Budak-budak lelaki juga disunat (biasanya sewaktu bayi lagi) selaras dengan perjanjian Nabi Abraham dengan Yahwe mereka. Dan apabila seorang budak lelaki mencapai kematangan dia akan diraikan kerana menjadi ahli masyarakat Yahudi dalam upacara dipanggil Bar Mitzvah. Selepas kematian, mereka akan berkabung selama seminggu di mana mereka akan membacakan Kaddish. Agama dan perkauman saling kait mengait dalam masyarakat Yahudi. Misalnya pengambilan riba adalah berdosa sesama kaum Yahudi tetapi adalah dibenarkan dengan mereka yang bukan Yahudi.

Seterusnya bacalah dan hayatilah artikal berikut bertajuk Mengapa Yahudi Bijak? oleh Dr. Stephen Carr Leon dari Universiti CALIFORNIA

dan kita akan mendapat banyak pengajaran darinya. Semoga umat Melayu menjadi umat Islam yang berjaya dimuka bumi ini dan menjadi umat Islam contoh yang diberkati Allah SWT.....AMIN..

Dear Tun,

After reading comment from 'amin tan' on August 16, 2010 at 2:21 PM, I would like to rephrase what I said to 'Jo' on August 16, 2010 at 1:11 PM.

To 'Jo',

Sorry, I have been trying... but I just could not understand what you are trying to say.

Anak kecil main api
Terbakar hatinya yang sepi
Air mata darah bercampur keringat
Bumi dipijak milik orang

Nenek moyang kaya raya
Tergadai seluruh harta benda
Akibat sengketa sesamalah kita

Cinta lenyap di arus zaman

Indahnya bumi kita ini
Warisan berkurun lamanya
Hasil mengalir ke tangan yang lain
Pribumi merintah sendiri

Masa depan sungguh kelam
Kan lenyap peristiwa semalam
Tertutuplah hati terkunci mati
Maruah peribadi dah hilang

Kini kita cuma tinggal kuasa
Yang akan menentukan bangsa
Bersatulah hati bersama berbakti
Pulih kembali harga diri

Kita sudah tiada masa
Majulah dengan gagah perkasa
Janganlah terlalai teruskan usaha
Melayukan Gagah Di Nusantara – Lagu Warisan, nukilan 1981.

Salam kasih dan salam hormat Ayahanda Tun. Menghayati penulisan posting blog Ybhg Tun yang pada kali ini, mohon diizinkan saya menulis dalam bahasa ibunda saya, yakni Bahasa Melayu. Di atas saya sertakan lirik lagu Warisan. Lagu yang telah ditulis pada Desember 1980 dan mendapat lonjakan pada sekitar awal 1981 hasil serapan kedalam kursus-kursus “LDK” BTN pada ketika itu. Memang bersemangat lagu tersebut, sebab penulis liriknya juga adalah merupakan seorang yang bersemangat patriotisma yang sangat tinggi. Liriknya tidak ditulis oleh hanya seorang pejuang sahaja. Malah ianya telah ditulis oleh beberapa para pejuang yang lain juga. Al fatimah semoga Allah memberkati mereka.

Siapa diantara pembaca disini yang tahu siapa kaha gabungan penulis lirik lagu berkenaan? Tidak mungkin ada. Sebabnya demi semangat perjuangan mereka, para penulis telah memilih untuk tidak meletakkan nama mereka pada lirik berkenaan. Biarlah ianya dinyanyikan oleh semua, untuk semua, dan dari hati kesemuanya. € cont-

Saya amat berterima kasih kepada Ybhg Tun diatas kesediaan Ybhg Tun membaca komen-komen kami ini. Setiap penulisan dikirim, tetap membawa jiwa penulis walaupun hanya sekadar paparan computer sahaja. Ini adalah kerana laman blog Ybhg Tun adalah merupakan wadah perjuangan yang belum selesai buat semua kita disini. Perjuangan mana ada selesainya. Patah tumbuh, hilang berganti – maka perjuangan ini diteruskan oleh generasi-generasi seterusnya demi kesinambungan sebuah perjuangan bangsa.

Akan tetapi, saya terasa bahawa penulisan posting Ybhg Tun pada kali ini bukanlah 100% sepenuhnya dari hati dan jari jemari ikhlas Ybhg Tun. Saya yakin, dalam kesibukkan Ybhg Tun, intipatinya adalah tepat daripada hati dan semangat Ybhg Tun, namun kata-kata disusun bukanlah oleh Ybhg Tun. Ini adalah disebabkan saya dapat merasa bahawa penulisan posting ini tidak berjiwa. Jejak pejuang tidak mungkin boleh diisi oleh sebarang kalian sahaja.

Start. Maafkan saya Ybhg Tun, izinkan saya kupaskan ayat-ayat saya tadi disini. Secara keseluruhannya, dapat saya zahirkan secara pemahaman bahawa sebenarnya posting Ybhg Tun pada kali ini adalah sebenarnya sebuah perjalanan merentas masa dan dimensi, sebuah nukilan minda yang membawa kita semua jauh semula ke suatu sudut lama yang masih melambatkan kedatangan kita semua. Perjuangan memang begitu Ybhg Tun. Hari ini kita berjuang dan kita tiupkan semangat kedalam detik perjuangan tersebut, selesai hari ini, apabila matahari melabuh suatu lagi tirainya, maka perjuangan tersebut menjadi sejarah batu-batuan perjuangan kita. Namun oleh kerana tiupan semangat kencang yang telah kita

berikan kepadanya, maka ianya seolah-olah hidup dan berjiwa walaupun sudah lama kita tinggalkannya dibelakang. Walaupun kita semua sudah berubah, walaupun kita semua sudah saling bersisih ganti, namun detik sejarah perjuangan tadi tetap tidak berubah. Tetap ikhlas dan jujur dalam masa dan kehidupan kita semua. Setiap ayat-ayat kita, telah kita anyamkan dengan jiwa kental perjuangan dan semangat bangsa. Maka ianya tetap hidup seperti kata-kata Hang Tuah juga suatu ketika dahulu. Hang Tuah menghilangkan diri setelah perjuangan beliau hancur musnah dengan ketamakkan bangsa sendiri, kebodohan pemimpin dan juga kebodohan bangsa sendiri. Maka Hang Tuah telah berhijrah ke Gugusan Bintang Riau (di katakan). Terpecah Melayu sudah bermulanya.

Ybhg Tun, mohon dimaafkan sekali lagi penulisan ini, namun membaca posting Ybhg Tun ini jelas ianya bukanlah dijiwakan oleh semangat Ybhg Tun sendiri. Ini adalah kerana Ybhg Tun telah membawa/mengimbas kita semua jauh semula kebelakang, kedalam sejarah perjuangan kita ke sini melalui posting tadi namun terasa kosong juga. Setiap daripada semua insiden-insiden perbalahan kepimpinan UMNO yang telah dituliskan oleh Ybhg Tun tadi sebenarnya adalah menyentuh 1001 kehidupan, hati, iman, harapan, keringat dan tangisan Melayu kita. Setiap detik tadi melibatkan kehidupan manusia yang telah melakarkan sejarah secara makro dan mikro dalam setiap kehidupan kita semua sebagai sebuah Negara, sebuah bangsa dan sebagai individu-individu tersendiri. Setiap saat tersebut telah melakarkan 1001 kehidupan. Pahit, manis, susah, senang dan juga telakar dimana pejuang-pejuang bangsa telah jatuh kecundang dimedan peperangan, di ingati di sanjung, tidak kurang juga yang telah mengakhiri hayat mereka dalam perlarian dan dilupakan serta di tinggalkan oleh perjuangan. Apakah salah mereka, hanya sekadar askar dan gurkha bawahan kepada perjuangan UMNO dan nama-nama besar UMNO sahaja.

1969 Dr. Burhanuddin al-Helmi, 1977 Ustadz Asri Muda, 1978 Jatuhnya PAS di Kelantan, 1981 Datuk Suhaimi Kamruddin, 1983 Hizbul Muslimin Malaysia, 1985 Datuk Musa Hitam / Tengku Razaleigh (Team A – Team B), 1989 Parti Semangat 46, 1990 Ghaffar Baba, 1998 Datuk Seri Anwar Ibrahim, 1999 Parti Keadilan Rakyat, dan akhirnya 2009 Datuk Seri Abdullah Badawi terjun bebas bersama penyokong-penyokong beliau serba sedikit adanya lagi tinggal. Tidak boleh dinafikan, ini adalah nama-nama besar Melayu yang telah tewas kecundang dan hilang daripada perjuangan UMNO pada suatu masa dalam kehidupan mereka. Maka saya mohonizinkan juga oleh Ybhg Tun, untuk saya meneruskan penulisan ini.

Setiap pemimpin tidak akan kemana tanpa sokongan orang-orangnya, maka setiap naik dan jatuhnya seseorang pemimpin akan membawa beribu yang lain turut serta. Semua tadi benar kecuali bagi Abdullah Badawi, kerana beliau telah dijatuhkan dari kiri dan kanan tebing. Beliau lebih tahu kupasan tersebut, tak payah kita buat dosa sesama kita pada bulan mulia ini.

Penulis posting Ybhg Tun tidak dapat menghayati jiwa dan semangat teriakkan dan sorakkan kegembiraan para pemenang dan telah tidak dapat juga menjiwakan nya dengan tangisan dan esakkan dari pada semua mereka yang telah direbahkan UMNO.

Setiap kali UMNO bergaduh, maka Melayu dipaksa memilih pihak. Di minta berpuak "demi Negara dan bangsa". Maka Melayu mula berpecah. Serba sedikit pecahan menuju kepada PAS demi untuk mencari perlindungan, serta demi untuk meluahkan perjuangan yang masih juga belum selesai. Kemudian terjadi lagi pergaduhan para dewa-dewa UMNO, guruh berdentum dilangit politik Melayu, kilat terpancar menikam kebumi warisan ini hasil geseran pedang besi dewa-dewa diatas langit. Melayu lari bertempiaran meminta perlindungan dan kasihan bangsa. Kaum yang pernah bertandang dating, Cina dan India hanya mampu melihat sahaja. Ada yang bersimpati, ada yang terus lagi membinasakan Melayu.

Lari lagi saki baki Melayu membuka hutan belantara politik, mendirikan dangau untuk berteduh, memasak secupak nasi, membentangkan sajadah demi untuk solat kepada Allah. Kita semua Melayu, semua seagama semua dari satu rumpun. Tetapi sayangnya kita telah terlalu jauh berpecah dan dipecahkan. Kita miskin dalam 1001 kekayaan dunia milik kita.

Apakah ini yang telah dilakukan oleh UMNO selama ini? Pembangunan Malaysia yang telah

dilaksanakan diatas perpecahan bangsa Melayu? Setiap berlakunya detik perpecahan Melayu maka terhasil kekuatan perjuangan seperti PAS, Hizbul Muslimin, Semangat 46, PKR dan banyak lagi NGO kini. Akhirnya perkauman pula jadinya kini dan Melayu tetap hilang. Dahulunya bertempieran lari minta berteduh, minta simpati. Kini perkauman saja jadinya dan ludah meludah sesama sendiri pula dibuatnya.

UMNO perlu sedar dan bangun semula mengingati janji-janji yang telah dibuat mereka kepada Melayu dahulu. Kesatuan, pembelaan dan kesinambungan. Apakah UMNO telah melakukan semua tersebut? UMNO mesti ikhlas dan insaf dalam penilaiannya. Jangan maki hamun sana sini lagi, cermin diri kita dahulu. Cermin jauh kebelakang diri anda semua.

Melayu sudah jauh bergaduh dan berbalah sesama kita semua. Akibat terlalu lama begini, kita semua sudah bergenerasi begini maka kita terus terima Melayu yang bukan kelompok kita sebagai musuh kita. Baik UMNO baik PAS, semuanya Melayu. Saya tidak mahu berkempen untuk mana-mana pihak. Biarlah saya neutral, biarlah saya hanya suara sejarah Melayu yang telah dilupakan semua. Biar saya bersuara dan kemudian biar saya hilang semula kedalam sejarah perjuangan bangsa kita ini. Saya lebih selesa disana. Sebabnya disana kita semua tidak bergaduh sesama kita sehebat ini. Kita tidak membenci dan bermusuhan begini. Hati saya tak ada amarah dan tidak ada kekejaman terhadap sesama saudara-saudara saya. Itu tempat saya. Biar kami disana. Saya menulis tanpa agenda dan tanpa apa sangat lagi harapan sudahnya hanya menantikan sejarah kehancuran sebuah bangsa.

Ybhg Tun telah membawa pembaca merentasi masa dan detik perjuangan dalam posting ini. Syukur Alhamdulillah. Namun penulisan, ianya tidak pula berjiwa. Maka saya hantarkan sedikit semangat kita yang sudah lama ditinggalkan dahulu oleh UMNO. Kita semua Melayu. Satu bangsa, satu rumpun, satu pengharapan dan satu moyang. Mohon tidak dipolitikkan penulisan tidak seberapa adanya ini. Hanyalah cebisan sejarah sahaja.

Jangan juga ada yang akan berkempen selepas membaca penulisan tidak seberapa ini, supaya PAS masuk UMNO atau UMNO masuk PAS. Cukuplah jika hanya kita semua mampu insaf hari ini, bahawa disebalik kesibukkan semua, disebalik kepentingan semua bahawa kita adalah bangsa Melayu. Kita beraja dan kita adalah sebuah bangsa yang berdaulat. Raja-Raja kita memegang amanah daulat kita semua. Jangan lah kita tergadai esok hari demi apajua alasan atau harapan. Setiap kita istimewa jika kita membuang permusuhan ini dan menerima sesama kita seadanya. Kita semua sangat istimewa sebenarnya. Melayu adalah penyayang dan penuh hormat menghormati. Jangan kita merubah ini hanya kerana politik. Saya tak suka berkempen kepartian atau pun mana-mana NGO juga. Saya menulis sebagai seorang Melayu lama yang sudah ditinggalkan zaman namun tidak perjuangan. Kerana jika anda semua lihat, zaman anda miliki tapi perjuangan anda sudah tercicir. Ikhhlaskah anda semua terhadap apa yang anda laungkan?

Saya mohon kepada Ybhg Tun untuk mersedakahkan sedikit bacaan ayat al Fatimah pada bulan mulia Ramadan ini kepada roh-roh para pejuang Melayu yang telah pulang ke Rahmatullah. Di setiap huruf, ayat dan liku-liku penulisan posting Ybhg Tun pada kali ini, mereka semua berdiri kaku memandangi kita semua, mereka semua sudah kita lupakan, mereka semua hanya lah soldadu atau gurkha tanpa nama dalam batuan ini. Namun janganlah kita lupakan mereka semua. Walaupun dalam dunia moden kini kita mampu menulis semua ini dalam sekelip detik sahaja, namun langkah keringat serta tangisan mereka terdahulu adalah nyata telah berlaku dan telah juga kita tinggalkan jauh kebelakang. Mereka tidak berubah. Pakaian mereka tetap sama, jiwa mereka masih sama, hati mereka sama sahaja. Insyallah jika hari ini kita insaf, mereka akan tersenyum juga pada kita melalui kata-kata posting Ybhg Tun tadi.

Kepada generasi muda yang menghayati lagu Warisan tadi, ketahuilah bahawa penulisnya telah pun lenyap dari perjuangan UMNO sudah lama. Suatu masa dahulu bertempieran lari, meminta kasihan dan ada yang kembali semula ada juga yang telah hilang terus kedalam arus perjuangan ini. Inilah intipati lagu Warisan. Setiap ayat disusun dengan air mata mereka semua. Al Fatimah buat mereka yang tiada lagi dengan kita hari ini. Juga buat kita semua yang masih lagi dalam liku-liku perjuangan ini.

Saya memohon maaf pada Ybhg Tun dan juga pada semua hadirin jika mana-mana kata-kata saya menyinggung hati saudara-saudari yang saya sanjungi semua. Maaf saya pohon. Saya juga telah habis

berkata-kata disini. Selamat berpuasa Ramadan mubarak. Terima kasih sekalung budi dan amanat perjuangan kepada Ybhg Tun.

Wassalam.

Tok Det,

I enjoyed your sarcasm this time very much! Hehe.. the best ever on your blog!

I hope Mr Paul "Neocon" Wolfowitz, along with his brothers in Malaysia, Brother Anwar Bin Ibrahim (B.A.B.I) will continue to make Malaysia prosper and becoming a truly democratic country where all people including gay and homo and bi-sex have their own legal rights to be married and live the lifestyle the like!

Welcome Republic of Malaysia!

Assalamualaikum Tun,

Kindly allow my 2 cents worth for Mr Gore, Mr Neocon Wolfowitz, Anwar's friend and adviser of Bush.

If there was a conspiracy on Anwar's case, the Government of Malaysia would not have used same charge on sodomy twice to pin him down when the 1st case had created much chaos and reputation damage for the government. No rational person or government would allow the same mistake to happen twice.

It is not a mistake on part of the government of Malaysia to charge Anwar on the second sodomy case. It is also not a conspiracy on part of the government of Malaysia to pin Anwar down.

Allah swt had graced Malaysia with love and kindness because we have done more goods than bads for our people. If the government of Malaysia is cruel under the premiership of Tun Mahathir, why do all efforts to pin him down was unsuccessful. It was simply because you do not have any concrete case against him.

Unlike Anwar, I'm seeing a demise of his future because he has invited Allah swt's anger over his doings.

You know who he is and you're making all effort to salvage him. Anwar is on a personal power struggle mission and he places the country as second priority. We do not see him as a leader for the Malaysian. Please take him away from us because he has done much damage for the country and we see more damages to come for as long as he is here on the Malaysian soil.

To TuaCheng,

Your comment,

"How about those Terrorist that kills thousands in the 911 incident?
How about those Terrorist that destroyed the precious historical Bamiyan Buddha Statues?
How about those Terrorist that kills hunderds of tourist in Bali?"

Mao Tze Tung kills more people then all above put together.

Your comment,

"They are more interested, for their hundreds of wife and many thousands sons, in short HAREMS."

The previous emperors of China have more wives and concubines that can generate a new population.

for your info 49% of New Yorkers themselves do not believe their government's version of 911.A lot more are undecided.

Please see the video link on Tun's website here for some eye-opening facts that will change your perception.

The third building that collapsed by itself for no apparent reasons the day after 911 is a clear hint of pre planning on the part of the most evil of men.

Hang jangan nak main api.. Malaysia bukan untuk Melayu ja.. Hang poie baca botol syampoo buat pa?? G baca buku sejarah nun.. Jangan dok buat-buat lupa, Melayu, India, Cina, Senoi, bumiputera Sabah Sarawak ramai sama-sama mati untuk tubuhkan Malaysia tercinta kita ni.. Hang ni.. Adoiyai.. Cuba jangan dok bakaq api dgn api..

@ TuaCheng, His use of the phrase Brown Skinned Government does not actually meaning Malays in that sense.. It means the our whole Malaysian.. Look at the real sense of the article. It clearly about this Government (Malaysian Govt.) versus the White Skinned Govt. (the USA Govt.) esp. Gore and the crew. He was not trying to imply that this government is a Malay government. This article is clearly a sarcasm directed to the bastards trying to messing up with Malaysia.

And all those terrorist were wrong. Never forget our condemnation of those killing. Malaysia is one of the nations that helped the arrest of the Bali bomber. Do NOT forget Mahathir is the one who authorize the use of force to the al-Maunah movement, another so-called Jihadist who looks for firepower and murder to achieve their end. ALL MURDER are wrong. Including 9/11. Including Bali. Including Afghanistan, Palestinian and other murders. Including the infamous mass baby dumping right now. Mahathir never said otherwise. Get your perspective right.

Try to read whatever people wrote regardless of who they are. Don't came here looking for point to say Mahathir MahaZalim or Anwar Penipu or something like that. Just read, analyze with open mind, and think.

By helmyklAuthor Profile Page on August 17, 2010 4:01 AM

This is a good piece Tun. Your sarcasm is fantastic. The west and even the bangsa asing in Malaysia seriously believe that Malay leaders are stupid. But who can blame them. With the desperate performance of Najib and his apple polisher like Nazri Aziz, they gave up Malay rights instead of defending them to gain support from bangsa asing. Najib is a bangsa asing lover..he gave RM30 million to chinese schools in sibu which are already cash rich but gave nothing to the bumis there. Najib forgets that there are millions of struggling Malays and Bumis in Malaysia because he is being constantly surrounded by wealthy people like his brother, Nazir and Amirshyam. Perkasa must form a party for GE13 for Malays to change the BN/PR governments.

By boboAuthor Profile Page on August 17, 2010 2:51 AM

Only Mahathir can turn every issue into a racial issue.

Anwar was accused of sodomy after GE13 which saw the Opposition denying BN its traditional 2/3 majority and during the height of the September 16 hype. Anwar was charged with sodomy in 1998/9 after he led a popular "reformasi" campaign which threatened Mahathir's leadership. Hmm... any pattern there?

During the first sodomy trial, Anwar was accused of committing sodomy in an apartment which did not exist at the time of the alleged act. The witness produced contradictory claims in court and was proved to be an unreliable witness.

In 2008, Saiful Bukhari had visited a private hospital before visiting HKL. At both medical centres, there were no signs of penetration to his anus according to medical reports. Yet, there was semen found in his

anus by the Chemistry Dept. It is like claiming to be shot without any gunshot wounds, yet finding a bullet in the body. Amazing!!! Malaysia Memang Boleh!!!

Saiful Bukhari had met a high ranking official before the alleged sodomy act AND met the then-Deputy Prime Minister at his official residence. The then DPM claimed he had never met Saiful (who else did he claim that he never met?), and later admitted that he did. Apparently, they had met about discussing a scholarship after Saiful had failed in a miserably easy course.

(Heck, maybe I should see the DPM about a scholarship to continue my medical degree!)

Then of course, the then DPM spilled the beans that they had in fact discussed the alleged sodomy act, before the alleged act! Beats me why Anwar was not caught red-handed by the police. Again, MALAYSIA BOLEH!

The blind followers here can call me an Anwarista. I don't care. I am not a blind supporter of Anwar. I use logic and reasoning. If anyone here can beat my argument, I will give them a zillion points. I hope Mahathir responds but being the great politician he is, he will definitely ignore this post.

Thank you and Malaysia Boleh!

Salam Tun & fellow bloggers,

Well said and nothing much more I could say. I believe all right thinking people should be able to see and understand what is happening in this world. Well done too, to adik-adik dan idea for your comments. Both of you are rational thinkers.

Tun,

Many still harbour so much hatred to you for reason known only to them but it is not them to judge you but Allah will be. For none believers, merely doing/says goods to human kinds is good enough for license to paradise, so too to those Muslims who believe that do all amal ibadah as commanded and they will deserve heavenly life later. However, one should not forget that only Allah will decide what He want to decide and most important of it, is the action of your heart - hati which nobody even the angel/malaikat truly knows except Allah, that has so much bearing to what will be one's reward of heaven & hell, later. So Allah's HIDAYAH should be the utmost things and NOT others, that everyone should be asking/looking for from Allah that gurantee heaven as promised by Allah.

To me you are the best leader so far that Malaysia has ever had. You should have just retired and enjoy the rest of your life quietly but NO you still continue to contribute the best you can for the better of mankind, provoking the thought for many to think and aware for the challenges ahead, not only for us now but for our future generation to enjoy good life.

May Allah bless you if that what you deserve. Go on courageously offer your views if that is the truth that need to be told to those who need such guidance to become better ummah. However, advice from me, based your thought on knowledge from Quran & hadith and you will be doing the right things beyond any human could comprehend.

May Allah bless and protect us all ameeeen

Salam YAB Tun and fellow bloggers,

1. Hehe...I'm not surprised there are idiots out there who couldnt read between the lines but agree with you as 'being the cruel leader'and we should seek advice from great leaders of USA - especially anwar's stupid followers.

2. Even though you have put it in a light and amusing way, but I still get angry with those idiots who

belittle these issues; killers of muslims are anwar's buddies and yet these idiots supported anwar.

3. a. You Tun are a real statesman, a real muslim
b. you had no prejudice against anwar, you thought he was a good muslim who could lead this country, you groomed him to succeed you even though most ministers disagreed with you, you rejected karpal's suggestion to investigate anwar, etc. But people forgot that anwar's fate was destined by god, not you. Remember these idiots sembahyang hajat to make you suffer? In the end, it is anwar who is going through the suffering.

4. Now it's proven that anwar had sodomised and has collaborated with the killers of muslims...like it or not, anwar has links with the jews. When the muslim bloggers belittle you on these jews issues, I am sad. The kafirs' opinions are not my concern.

Thank you Tun for trying again and again to get rid of this thinking that american leaders and america are the best in the world! Those small-hearted idiots will still kowtow the whites.

Tun,

Don't know and don't care about what others have to say.

About you being Malay that is because of an abberation of definition in the constitution.

Who Anwar wants to bonk, I think is none of mine or your or anyone's business.

Not that such perversion, if true, makes him fit to lead this country.

But what about your alleged perversion of the judiciary in this country as rightly pointed out by the royal commission probing the lingam tape.

In my opinion, you are lucky Malaysia is equated more to Zimbabwe than the US or Israel, your pet hates.

If Malaysia were to be anywhere to either of these two countries, you and your pals, vincent tan, lingam and the rest of the jing bang will be counting the number of bars in your cells in Kajang prison and having chats in its courtyard.

Don't think Malaysians are fools.

Best Regards

Some times your sarcasm is so meaningful but its getting irritating when its obviously too much.

Why you are so worried about DSAI? Why cant you let his idea for changed? UMNO is corrupted to the core. Leta think how can younger generation benefit from government policy. I'm as a younger generation hunger for changed. Let the people of Malaysia decide what are the best for them.

For some reason I just feel like to shared a hadith.

Dari Abu Hurairah r. a., Rasulullah s. a. w. Bersabda: "Siapa yang merusak nama baik atau harta benda orang lain, maka minta ma'aflah kepadanya sekarang ini, sebelum datang hari di mana mata uang tidak laku lagi. Kalau ia mempunyai amal baik, sebahagian dari amal baiknya itu akan diambil, sesuai dengan kadar aniaya yang telah dilakukannya. Kalau ia tidak mempunyai amal baik, maka dosa orang lain itu diambil dan ditambahkan kepada dosanya".

Salam maaf dari saya.

Salam bahagia Tun.

I too grow up in your leadership era. I have visited you and your family for more than 5 years' of HRP. Its such a great feeling to come up the stairs and meet Tun dan seisi keluarga in person. At one time, together with my 6 months' pregnant wife, we were at your front gate since 7am to wait for a chance to greet you and your family a Selamat Hari Raya.

I am privileged to have a leader like you, and the 4 hours wait is worth every minute of it.

Regardless of what other thinks about Malaysia's citizens, black, white, brown, or whatever color, bumi, or visitors or whatever, I still look up to you for guidance from all this hatred and racism.

I felt your tears when you shed one upon your announcement of retiring and pulling out of politics.

I felt the same grief that you have about your futile attempt to build bumis up to a competitive level. I too felt a sense of failure and frustration on the bumis who wants everything easily done for them without wanting to bead a sweat. Its frustrating that the bumis are taking the ketuanan seriously, being a house owner and just sitting down collecting rentals and chatting at kopi tiams or playing checkers to past time. I felt your failure to make the bumis realise that they need to capitalise on the assistance thrown at them from the Government and to use it to wrestle back the economic power rather than being boneka-boneka played by politicians for their self greedy gains.

What easier way to rally up the Bumis than by stroking the racism chords and plucking the strings of colors one by one..

But most saddening of all, the folks who have no gratitude for the things that you have done for them. The actual "kacang lupakan kulit" folks who are now ministerial and posted in a lot of GLCs etc.

I know you are being targeted as the single person who have breed a generation or two of chronism cultures, but I do know for the fact that what you did is just to fast track them and any deviation along the way is purely of their own greed and slack-asialism.

I do feel for you Tun. You are a man of great vision. However, your anak buah failed to see beyond true your vision, and failed to carrying on your thoughts. All they want is more, more, more and more without an aim or hala-tujuan or sustainability of wealth.

To some who may not know this, but some of the folks who went onboard the ships to greener pasture was also anak jati Malaysia. Anak bumiputera as well. So, will they be called traitor or visitor? Come on. Think straight. Open your mind for just a minute. See how many fingers are pointing to ourselves when we point this yellow or black bottom visitors out as nuisance to the country, and the our fellow bumi countrymen have since resided in UK or Europe with mat saleh wives, or husband. Changed nationality etc. So, what gives? Can we accept this fact sincerely?

No one have the right to call a certified Malaysian a visitor or penumpang except a decree from our beloved Yang Dipertuan Agong.

So, please Daulat Tuanku, bukan mengkianati Tuanku dengan merampas hak Tuanku.

By cfwongAuthor Profile Page on August 16, 2010 11:28 PM

Dear Tun

Your place in the history of Malaysia as one of the greatest leaders will never be disputed, no matter what your enemies may try to paint a negative picture of you. Malaysia can stand tall today in economic and social development is due in no small part to you being a great visionary leader with consistent right principles. Unfortunately your tenure was cut short by those who tried but failed to dismantle your years of achievements. The physical landscape of Malaysia, especially KL, bears a lasting testimony of what you have done. Your enemies may portray you as a wasteful leader, but what you have done is for the good of Malaysia and people of Malaysia can be proud of the physical and economic transformation. Your immediate successor failed miserably economically and politically but unfortunately by his weak leadership, he opened the floodgate for opposition to gain politically at the expense of BN. Even when your leadership were at the weakest, you still commanded a 2/3 majority in Parliament.

Had you stayed on as the PM, the opposition would never have had the opportunity to make in-road in the political landscape. Malaysia would have been far better than what it is today, politically and economically. The opposition like to blow their trumpet loudly of their achievement, but their joy will be shortlived.

Americans are the greatest hypocrites in the world and Gore & Wolfowitz are no exception. They never practised what they preached. They preached democracy, but they invaded our country with impunity and in the process destroyed many innocent lives. Their words cannot be taken seriously by anyone. Their lives and country are messed up. They are very good at in interfering in the affairs of other countries, because of their military might. They have the habit of criticizing the human rights record of other countries but their own record is more deplorable. The trouble with them is that they are too self-righteous, thinking too highly of themselves.

Assalamualaikum Ayahanda TDM,

How i miss the old days when you were in command. What is left today are leaders without guts to protect or fight for the Malays. It is sad to see UMNO crumble to pieces due to weak leaders who seem to mainly interested in filling their own pockets.

You have to advice the Malay leaders to do something practical in order to wake up the sleeping Malays all over Malaysia. Believe me ayahanda, so many Malays don't really know what is happening to

Malaysia. The Malays in their slumber villages don't really understand what is happening. We need honest people to go to the villages and awaken the Malays who still living in comfort. You know how Malays are... They will only show their potential when condition is too dire.

It is up to us to protect our rights as a Malaysian.Be it Malay,Chinese or Indian.All we have to do is united if we still want to be the majority.Its all up to us.

Be thankful our past leader(s) have seen it fit to embrace your yellow and black buttocks. Time and time again it has been proven that you people didn't come here to embrace Malaysia, you came to exploit her. Don't even deny that cause we both know its true. Why else would you leave your beloved motherland?

Good, that makes another good reason not to vote Barisan Nasional.

If I'm visiting, please don't tax me. If I'm visiting, dont get us to buy Malaysian made cars.

Why? It is the blacks (African American) that toils the field during that time.

most of the commentators here are missing the point on the message that tun is trying to relay.

the conclusion of this article is, ANWAR IS A SODOMIZER, and there IS NO CONSPIRACY WHAT SO EVER relating to the charges that anwar is facing!

Tun wrote in such a way to encourage his readers to think logically.

When tun said, "Strangely for this cruel leader, when he was earlier attacked by another deputy who then collaborated with his own political enemy to challenge me in the 1986 elections, they were not charged with sodomy or anything and thrown into jail."

and then tun "... then Anwar was once again charged with sodomy during the time of the PM when he was "acquitted". It is very unimaginative of the Government of the time to make the same charge. A smart Government would think up of something else more credibles"

penyokong anwar especially kena fikir LOGIK LOGIK DAN LOGIK!

still dont understand ke? still think anwar sodomy charges is a conspiracy ke? adoiiii

Dear Tun,

Its a gem how you are able to put across an idea through a simple sarcastic manner. I have always admired you for your ability to put things simply.

I for one never trusted DSAI even when he was your DPM. It further strengtened my convictions against him for what he did during the two months vacation you took and made him the acting PM.

I pray for your good health and sharp mind, may you continue to be healthy and forever witty.

Sabar ya Tun,

Assalamualaikum, Apa yang saya bimbang sekarang ialah minda generasi muda Melayu kini. Mereka percaya semuanya "konspirasi"! Dan dalam minda mereka, tiada siapa pun yang ikhlas: polis, tentera, pihak berkuasa dan sebagainya. Semuanya bekerja untuk wang, pangkat dan kuasa!

Ini menjadikan kisah Tun pun amat perit.

To respond to Tuah Cheng's comment about Bali Bombers and other acts he mentioned.

All I can ask to Tuah Cheng read whats China doing to Tibetans and Muslem Uyghurs openly. If he open his mouth to mentioned these to Chines officials he will be locked permanently in jail and God knows maybe his family will received invoice about the single bullet that been used to been murdered.

Or try to mention the Tianemen square massacre by China in 1980ties.

You are a very rational man.

Do you think it is possible for a strong and healthy man in his twenties could get rape by a 60 year old man. If I am not mistaken, multiple of times.

I agree with you, let the court decide.

Selamat Berpuasa.

How about those Terrorist that destroyed the precious historical Bamiyan Buddha Statues?
How about those Terrorist that kills hunderds of tourist in Bali?"

Wow, really? REALLY? You want to know "who wrong"? Ok I tell you "who wrong". USA wrong. JEWS wrong. ANWAR wrong. Read a book man. Read something. Shampoo bottle, I don't care. But then judging from your grammar..

Malaysia not just for Malays? Pfft, please. This is the voice of the new generation. Malaysia IS just for Malays and Bumis. As far as I'm concerned, the rest of you are just visiting. Be thankful our past leader(s) have seen it fit to embrace your yellow and black buttocks. Time and time again it has been proven that you people didn't come here to embrace Malaysia, you came to exploit her. Don't even deny that cause we both know its true. Why else would you leave your beloved motherland?

I know I'm not making sense but all this fasting is making me not see straight ;) I've been trolling Tun's blog for a while and just been reading. Finally I couldn't take it anymore with comments such as Mr. TuaCheng's.

I love you Tun, and I'm proud to announce that I'm a product of your leadership. What I would give to spend an afternoon with you.

Dear Tun Mahathir.....Once again you enigma of words carries lot of meaning. Some of the words require a high standard of understanding. Remember the investor from Taiwan, he quoted "only Mahathir dare to fuck the US" and that inspires/reason him to invest in Langkawi. In virtue, only brave people dare to challenge the supreme.

Nevertheless, Aristotle quotes as bellows:

1. Bid People – talk about ideas
2. Medium People – talk about works, foods and common civilian issues.
3. Small people – talk about others, habit, attitude and all about negatives issues.

Each categories standard of people's expressed different views. If all Malaysia talk about ideas, Malaysian will be in glories. Rephrase your eclipsed and American autocracy is totally different ancient. Your leadership is guided by "iman" whereas "Kafir" lead by Satan. In this barbarian world the weak victimize by the stronger and that the reality of the life.

Therefore, we need to be stronger in order to gained recognition from the world, not only in military and economic but in all aspect of living especially the people's itself need to be supreme. At this peak not only US listen to us but also the world. Holland is a small country but yet they control third of the world economic.

However, bear in mind why Israel does not have to follow US but yet US follow them. We append several perspectives to be discussed:

World View

Who recognized US as the world leader? Are the weapon possessions by them or the nations itself spur it glory.

Politic Views

Endeavour of your glories times nobody could predicted you wisdom. All your movements are well plan and that why leaders' today need master plan in every angle's as possible. Sadly today leaders only care about their seat not the people wealthiest. Resulted, they being hate by civilian.

UMNO should propose to restructures the Parliament seats as what been done in Johor. Extra seat it crucially need. For example Parliament Langkawi holds about sixty thousand votes as well as other districts in Malaysia. There should be two Parliament in Langkawi and by this mean enhance DUN as well. Therefore, they will be able to maintain their position.

Great position came with great responsibilities.

Just look at many Malay proverbs and observe how the older Malay generation express their anger of dissatisfaction. Assalamualaikum Tun & Ramadan Al-Mubarak,

Wondered why any of the former CJs of Malaysia on retirement rebutted any of the false accusations that the PM controls the Courts, unless they themselves have conspired against you.

Somebody please castrate that guy, at least we know then our courts are free and he'll never find another bosom....forgive my French.
By TuaChengAuthor Profile Page on August 16, 2010 2:04 PM

Why are you so racist on purposely defining the statement "Brown-skinned Malay Government".

I'm to tell you, being Malay and being PM, does not mean a Malay Government.
This is Malaysia, the Malaysian Government. Malaysian PM is a PM to all Malaysian, not only an UMNO PM. Please get your point right.

By the way, base on your point, maybe it is true, that the 1st time, you've made a mistake and let them comeback against you.

So you've got smart, to ensure DSAI forever is out of politics.
By the way, I truly disgusted by your bias views of USA.

How about those Terrorist that kills thousands in the 911 incident?
How about those Terrorist that destroyed the precious historical Bamiyan Buddha Statues?
How about those Terrorist that kills hundreds of tourist in Bali?

So, who wrong? If having the world greatest commodity in the hands, and yet could not control USA, I'm sorry to break the bubble, I don't think the Arab league (and Muslims league) were not interested to bother about Afghanistan/Pakistan/Iraq and etc.

They are more interested, for their hundreds of wife and many thousands sons, in short HAREMS.

Ayahanda Tun,

Because of 1 Great Northern USA Democate AL GORE, 1 WOLFOWITZ, 1 ANWAR made us see with naked eyes the meaning of budaya sampah sarap politik of all races in Malaysia:-

7. But this was still a brown-skinned Malay Government which just cannot be smart. Or could it be that it was actually the victim of anal rape who decided to tell things as they happened? I would like to say we should wait for the court to decide, but that can take a very long, long time or even never. The delay must be due to Malaysian courts taking orders from the Prime Minister so that Anwar would be able to challenge the Government Party in the coming election.

8. Whatever, Malaysians must take heed of the advice by the great leaders of the United States of America, a truly democratic country which democratically exercises veto power in the United Nations, ignored the UN on Iraqi invasion, lies about Iraq's weapons of mass destruction, uses bombs and cluster bombs and depleted uranium shells and bombs, kill hundreds of thousands of innocent Afghans and Iraqis, arrests and detains just about any Muslim without trial and without benefit of any law, legalised torture of detainees, and supports internationally illegal acts by its allies. Malaysians must never reject the advice of the great leaders of the United States of America, a country dedicated to killing people so they can enjoy democratic rights.

However,

If PM gunting wayar putih, wajarperak pasti akan disakiti.
If PM gunting wayar biru, Tsk..Tsk.. Marah nampak?...:)
If PM gunting wayar merah, KLCI and FOREX will show Red Alert.
So which wayar should be gunting?

The best option is 3 wayar tak perlu diguntingkan kerana Rukun Negara 1 & 5.

To make it simple, just let KL remains as Federal Territory Capital City for Parliament, Istana Negara, Federal High and Appeal Courts, Financial Centre to make it as Greater KL, 1 Malaysia, Peninsula, Sabah dan Sarawak.

It's time for all Ministries of Malaysia to move into Putrajaya as the Pusat Kerajaan Negara, Malaysia under Rukun Negara 3 & 4 if all races want to be fair and equal to all races on good and focus governance.

For the REIT Fund, Building & Construction Sector, it will be best the Government leave it to ONLY PM (NO Cabinet Minister, PLEASE!!), Press Media, Professional Association, MPs BN, MPs PR and people of the areas to decide so that the Government will not be accused of blown up as irrelevant investments due to Corruptions.

10. We the Malay Muslims must democratically choose your bosom pal as leader of our country. After all he has been accused only of doing what you normally do in your great country.

Those who wants to work in Government Sector, they should go for Putrajaya. For those who prefer to be Republicans and Capitalists, they can choose KL as their base. For those who prefer to be a socialists, eg:- Felda Settlers, they should stay in the States and improve their yields and lifestyles by Science and Innovations.

Finally, I agree with point as follows:-

9. Thank you Mr Gore and thank you Mr neocon Wolfowitz, Anwar's friend, adviser of Bush on the shock and awe invasion of Iraq which now enjoys so much peace and prosperity that thousands are regularly being blown to kingdom come.

That make Malaysians 2day enjoy so much peace and prosperity after burning US\$100 billions due to Maverick (means Flip Flop) Malaysia
Malaysia: Mahathir Mohamad written by Mr Barry Wain.

Good day Ayahanda Tun.

By parameswara 2Author Profile Page on August 16, 2010 1:33 PM

dearest Tun,

1-Anwar is truly an awesome orator. When he speaks he'll convince anyone that he is the innocent. That Tun Mahathir is the truly corrupted man trying to stop him from exposing more. Many will believe him easily. I would have believed in him too had it not been for the information I got and believe. Now who's fault is that? Your own fault Tun. You gave him too many ammunition.

2-Firstly is obviously your own cronyist practices, never mind that he is 2x5. Just one example, don't say you have not helped Tajuddin Ramli got out the MAS problem at the rakyat's expense. There's many more. Secondly your nepotism, and this is a very big blunder to me-see how your sons make tons of money through the sheer 'daddy kasi' opportunities. Actually you are very much like Suharto here, you were on a verge of starting a dynasty for your family had the economic crisis of 97 not come.

3-Because of your children's involvement in corporate business it made your frantic but admirable currency controls more of a personal effort to save your own children rather than the rakyat. Or the rakyat should thank your kids involvement to be so cared. If there is an area you have showed a lack of wisdom Tun personally to me its in this area of allowing your kids go into corporate business. No matter how you wish to justify their potential to be great businessmen for as long as you are the PM they just got to forget all that.

4-No matter how you try to clear your involvement in their success whatsoever, just tell me who would dare to reject the request of a PM's son/sons being the tough guy that you were? Sometime its the corporations themselves that would like to make use of your sons as a means to get close to you and make more money. Tun Mahathir you must not forget you were then the most powerful man in Malaysia. This is the occupational hazard of being a PM. If you were keen to see your children active in corporate business maybe you should have just quit politics after a term. Then let us together see how they fly on their own.

5-Pak Lah was just as careless as you. In his case it was much worse. Not only his son was involved in corporate business and making tons of money but he has also allowed his only son in law to act like the crown prince of Malaysia. Najib is repeating the same mistake with his brothers most obvious is of course Nazir. Najib will be an easier prey what more with 'the smitheerins of Altantuya on the steps of Putra jaya' to quote one blogger. Tun the highly egoistic Malaysians cannot tolerate these sort of insensitivity very much.

6-Anwar's strength is his ability to know just what the rakyat hates most and ride on it to his full advantage. Through his speeches he will craftily divert the rakyat from his faults to the faults of his nemesis. Burnt up of their hatred of Tun and others and their plundering ways, the rakyat then wouldn't care very much if Anwar has entered the forbidden tunnel or not. I don't think Najib's dull though energetic speeches can match Anwar at all. His 'I help you you help me' sort of tactic will only serve to hasten his collapse.

7-Anwar would have been more credible if he had not brought in Wolfowitz and The US in the picture. Especially with Tun cleverly playing up the emotions of the Malay Muslims against the USA through the Palestinian genocide, Israel nuclear bombs, free trade and 'why they hate us' issues. Whoever is a friend of USA is a friend of Israel or the enemy of the Malay Muslim. Of course if Anwar is so smart he wouldn't be in the mess he is in now in the first place. But then again maybe its too early to judge. But he can really talk, that I can tell you.

Thanks Tun.

My View,My Opinion

Focus on what good we have,be the best we can be.

Individual,family,community,nations focus of what good we have.to build our nations.

You losen yr seats voluntarily,
confused,disturb of things that happen after you step down,
dissappointed with yr choice,etc,etc.
Most important Tasks is to uphold yr team together.
Get the right chemistry,the right people,is most important.
Not easy but you need filtrations of yr own men.
One tomato can infects others if not dispose as early.
You made the right decisions of disposing Anwar.
Anwar talks like a Champ,unfortunately,pitifully can never enter Final.
Anwar Sodomy,is his personal crime to God nor to his wife.
His wife is the best judge of him.
GOD decides.

It is Anwar Sodomy with US is a serious threats to us,Malaysia
US will take us a Ride if We did not hold together.

US talk of democratic rights to China,
Womens Rights in Afganistan,
Freedom of rights in Burma,
Nuclear Threats of Iran,
North Korea Military Threats, etc,etc,etc.
They campaign, propaganda all these rights as to benefits their own personal agenda,for self
importance,absolutely NOT for human rights.
nor for Human Justice.
They did not support Anwar,
They are supporting themselves.
Anwar is just an instrument.
It is for US benefits and interest.
US is helping themselves at the expense of Anwar and Malayisa.
viceversa it They did in Iraq,China,Korea,and many more.

They want us to be divided,
They want Shite,Sunni divided,
They prefer Hamas,Hizbollah divided,
They LOVES North Korea and South Korea to be divided,
It is US,and British that maps the world dividing since World War 2.
They divides the World map to stay in power,
When we are weak, its easier for them to exists.
Make them look like a hero,look like Mr Democratic,
but indeed they are the biggest Monsters alive,
and most threatening,poisonous Venom.
Preaching rights as to cause a stir,conflicts in one nations,
Creates, Inflates more flames,to get us divided and weak,
IS a passport for them to be in control of their interests.
Gore,Bush or whoever is just the secondary character,
the main is US intentios of us divided,
thus they will hit our weakest link.

Dear Tun,

Siapa kena "main bontot" siapa!! Maksud saya dengan perkataan sopan, siapa kena tipu siapa!!

Saya rasa Anwar tidak layak jadi Perdana Menteri. Pada pandangan saya setelah meneliti gelagat beliau dalam arena politik, segala kelakuan beliau memperlihatkan peribadi yang tidak consistent. Beliau mempunyai "split personality". Manusia yang mempunyai split personality bukan sahaja menipu diri sendiri malahan dia boleh menipu orang lain tanpa disedari oleh orang yang ditipunya.

Yang boleh diharapkan dari Anwar ialah retoriknya sahaja, tidak lebih dari itu. He is just good to be a professional travel salesman !!!!

By amin tanAuthor Profile Page on August 16, 2010 12:55 PM

Dear Tun,

I agree with you. Oral sex, anal sex, homosex and extra marital sex are normal in Western society. In fact, those who are against homosex are branded homophobic and anti social. Recently concluded student union election in Sheffield University England saw a presidential contender lost because he was branded homophobic. He was a strong christian. As in the Bible, it is also in the Quran that homosexual is sinful. Sodomy is a crime in Malaysia. Sodom is an ancient town in Palestin where Prophet Lut's people practised homosexuality and God destroyed the whole town.

Salam Tun dan sekeluarga,

Selamat menjalani ibadah puasa di bulan yang mulia ini. Dah lama saya tak komen dalam laman Chedet ni.

Saya sebenarnya dah muak dengan cerita mengenai si Anwar ni. Saya rasa tak bersalah langsung tidak menggunakan title Dato` Seri sebab dia tak layak dipanggil dengan gelaran mulia tu. Sepatutnya dah lama dah pihak istana yang menganugerahkan darjah atau pingat kebesaran tu tarik balik gelaran tersebut. Orang macam dia ni tak layak dapat gelaran macam tu, patutnya dipanggil Encik Anwar Ibrahim aje.

Hairan pulak saya, kalau dah tau si Anwar ni dok `menjual` rahsia2 negara kat US , kenapa pihak PDRM,SPRM atau Peguam Negara berdiam diri aje? Sepatutnya dah lama diambil tindakan. Tak kan lah kerana dia orang `kenamaan` oppps masih boleh digelar orang kenamaan ke? Masih tergolong dalam group VVIP ke?...saya rasa dah tak layak dah.

Wasalam.

penyokong Anwar tidak sedar, tengok apa jadi kat Sibu, sekarang hendak di'Cina'kan..nama jalan pun sudah banyak di'Cina'kan..tengok apa jadi kat Penang, banyak pakai nama 'orang putih' ala-ala Singapore..sedarlah wahai Melayu..Melayu menuju kehancuran..jika Melayu UMNO buat semuanya salah...jika Cina DAP buat tidak mengapa..inilah sifat penyokong Anwar...

Saya masih ingat, satu ketika dahulu laungan 'Hapuskan Kronisme!!'..tapi sekarang laki, bini dan anak 'orang kuat' parti...tengok DAP pula, ada geng 'bapak-anak'..bukankah ini juga bermaksud kronisme?

Saya risau, Cina sudah banyak meminta kerana mereka nampak kita sudah lemah...

Tun M,

Sarcasm to the fore! Well, not many people may truly understand what Tun implies. There are those with "blinkers" and forever have their own perception that cannot be changed. Nevertheless Tun wants to make them think but in reality with the high degree of obsession that they have it is daunting.

Assalamualaikum Tun..

Tsk..Tsk..

Marah nampak?...:)

Tun..

Semuanya bermula dengan diri kita sendiri juga..Memang patut Tun marah tetapi adakah kita cukup jujur juga dengan diri kita sendiri??

Nilai hidup adalah pilihan diri kita sendiri.Saya hanya menyentuh nilai kehidupan seorang muslimin yang tulin.

Tun..

Tun ada hak pada saya sebagaimana saya ada hak pada Tun.Hak utama pada seorang muslim ialah keselamatan pada muslim itu sendiri.Di sini dalam blog Tun..Tun sendiri amat suka dan gemar menyakiti muslimin seperti saya..Mengapa Tun..?

Maksudnya??

Di lihat dari segi sudut kesufian,tasawwuf dan mukasyafah..

Bila Tun bersalam dengan bukan muhrim..Tun menyakiti kami orang-orang muslim..Apa kena-mengenanya?..Begitulah tepatnya hadith Rasulullah s.a.w

"Bandingan orang mukmin itu seperti satu badan.Jika satu anggota sakit maka yang lain akan berjaga malam kerananya"..

Saya harap Tun sudi untuk mempertimbangkan untuk tidak lagi menyakiti orang Islam seperti saya..Ini blog Tun..suka hati lah Tun nak buat apapun..Tetapi

Saya menuntut hak saya yang ada pada Tun untuk tidak di sakiti..

Mari kita hayati permintaan seorang tua ini..

Doktor : Macammana pakcik?..Sudah sedia untuk menjalani pembedahan??

Pesakit: Saya takut sakit tuan..

Doktor : Kalau begitu saya akan ubah dari LA kepada GA..

Pesakit: Apa tu LA dan GA tu tuan?

Doktor : Don't worry Pakcik..It is for us to know and not for you to concerns..

Pesakit: Ikut suka Doktor lah.Cuma saya minta jangan saya di sakiti

Tun suka melepaskan komen anti hadith musuh Islam.Ini sangat menyakiti saya..Tun..

Dr..

Tolong jangan sakiti saya....:(

Ribuan terima kasih..

Tun

Dr ...

Dear Tun and readers,

I hope that Malaysians aware that US not to be fully trusted and depended on since US do seem to show poor example as leader of democracy with Veto power. At the same time I hope that Malaysians have not developed anti US sentiment as general behaviour.

I am not a friend of Anwar or his supporter but the sodomy case whose to blame since as normal citizen I do not see any clear and strong evidence? It can be questionable so as a normal citizen watching new updates from both sides I cannot sincerely say he is guilty and neither can I say he is not. When it is not certain then he shld be free. Look for other things to challenge him until the sodomy case has proven beyond reasonable doubt. I think Tun made a great leader but I do not wish Anwar be unfairly treated as he has family too. If there is evidence then bring it out for all to see so spare me from the doubt.

Citizens shld learn to choose and if Anwar not good I know who to vote. I hope readers do not think I am Anwar supporter now. But I like M'sian to hv their own opinion and not be driven become mere band wagon to Tun's influence but I do admit I too agree with Tun most of the time but not all of the time.

Assalamualaikum Tun.

Dulu masa di Hulu Selangor, Datuk Seri Anwar Ibrahim ada turun berkempen untuk Datuk Zaid Ibrahim. Tapi BN menang. Saya tak tahu kenapa.

Tup-tup keluar berita ada dua tiga kesah dari oversea yang mengutuk Datuk Seri Anwar Ibrahim. Saya pun tak tahu kenapa.

Saya harap saya tahu. Apa yang terjadi dengan politik Malaysia sekarang ni?

Terima kasih Tun.

Tun,

Taking USA as an example, they attack Iraq with reason Iraq have destructive weapons ... but later on found out they lie ... However, it seems that they are looking forward to use the same reason to attack Iran, North Korea & others again ... as you see, a same reason/excuse can be used repeatedly even it is a lie, as long as it involves politics ...

It is good to see that Tun is so "caring" about crime in Malaysia such as sodomy case. However, to convince people that there are no politics element involved, and Tun mainly caring due to it is a crime ... i guess Tun also must give some comments about other similar case such as oral sex which is illegal ... and for such case, it has video evidence some more

but very strange Tun, you did not comment about the video incident, and not sure whether there is any charges on that incident or not, as cannot see it in newspaper ...

for a human who no need to be too smart, even no need to have any common sense ... when they see this kind of situation, they will have some questions ... hahaha

This is like paper cut Tun. Soft but painful. Good one!
I am very sure that website like Malaysiakini would use your words for their own benefit.

Salam Tun,

Bravo. This entry has got to be a classic in my book. Real vintage Tun. Thank you.

Kalau yang membaca entri Tun ni tak faham juga, susahlah -- sampai bila pun kita akan berada di tahap 'third world.'

Assalmualikum w.b.t Tun,

Selamat menunaikan ibadah puasa & semoga Tun di kurniakan kesihatan yg baik hendaknya.

Tun,

there is no doubt you is the only PM that admired most by the people of Malaysia. You open up the door to modernization. Your services to the nation is so great. Thanks you so much.

Unfortunately in handling your ex-deputy is the greatest mistake as well. You judged him into your hand is unacceptable and against the spirit of democracy.

Malaysian as a whole have a right to determine their future leader. Regardless its a mistake or not let the people of Malaysia determine it.

Salam & Regards

Dear Tun

One thing which I pray in this month of Ramadhan, may outsiders do not not interfere the politics of our country. Unfortunately we have a leader used to be groomed with full of love (extreme) by Tun to the extend it caused envy to other UMNO leaders, manages to connect himself to this neoconservative, personally if he gets his way it is very dangerous to our contry. What the ordinary folks feel about this, nothing, yet they are the one who decides in the election. I think saving this country from outsider influence is much more important than democracy- surely we not going to go to hell if our democracy fails, what a point being a democratic country being influenced by outsiders like Iraq, Afgahistan, Pakistan. Do someting please to stop this unholy alliance with neoconvervative.

Salam Tun

Hehehe...tak faham lagi tak tahulah Tun.

1. Tun pernah kata "we chose what we want to hear or what we want to eat". We chose until we close our mind to accept others no matter how right they can be.
2. Even being right is very subjective. But that doesn't mean wrong doing is right thing to do.
3. Which is right, you jailed Anwar or Anwar decided to 'befriend' with the US which will imply US agenda upon us as we know it.

Salam Ramadhan.

Salam Tun,

It is all plain to see and not all Malaysian's are as dumb as you think they are. It has been the natural process and has become so predictable.

Tun Mahathir

by writing this peace - you have shown your bitterness , you have shown your personal anger, you have shown your lack to think rationally and construct a constructive blogpiece and attacking at a pure personal scale.

Is this how a great statesman you have become in your later years?

Dissapointed sir...not what the country expects from a statesman.

Naturally your blind supporters will say you're "calling a spade a spade"...only problem is are you?

They have no ability to think for themselves...and you're more than happy to lead them in the path of anger and hatred...

sadly...Barack Obama with his fewer years in office will end up with a more progressive leadership than yours and he would do it with fewer "accomplishments" than you...
