

TONY BLAIR 3

By Dr. Mahathir Mohamad on August 19, 2010 4:40 AM

1. I hate to return to this subject but since the Malaysian papers carry no news about Blair, Malaysians generally consider Blair as another great Prime Minister of the United Kingdom.
2. Currently the British Government had set up an enquiry commission under Sir John Chilcot to look into the background of Britains war against Iraq.
3. Blair had been called to explain why he supported America in the war against Iraq. He claimed there was "some intelligence evidence about loose links between Al Qaeda and various people in Iraq - it would not be correct to say there is no evidence whatever of linkages between Al Qaeda and Iraq".
4. The former MI5 (Intelligence) Chief, Lady Eliza Manningham Buller, facing the same Chilcot Inquiry revealed that MI5 had sent a memo in March 2002 to the Permanent Secretary to the Home Office (Ministry of Home Affairs) telling him "that Saddam was not likely to use chemical or biological weapons unless he felt the survival of his regime was in doubt". The memo went on to say, "We assess that Iraqi capability to mount attacks in the United Kingdom is currently limited".
5. Manningham Buller also told the Chilcot Inquiry that "There was no credible intelligence to suggest that connection (Iraq and Al Qaeda) and that was the judgment, I might say, of the CIA".
6. Blair had told Parliament on 10 April 2002 that "Saddam Hussein is developing weapons of mass destruction, and we cannot leave him doing so unchecked. He is a threat to his own people and to the region and, if allowed to develop these weapons, a threat to us also".
7. To this Manningham Buller said, "We regarded the direct threat from Iraq as low - we didn't believe he had the capability to do anything in the United Kingdom".
8. With regard to terrorist attacks in Britain, Blair had told a labour party conference, 26 Sept 2006 - "This terrorism isn't our fault. We didn't cause it. It is not the consequence of our foreign policy".
9. "If I am asked whether I believe we are safer, more secure, that Iraq is better, that our own security is better, I believe we are. The world is safer as a result".
10. To this the former head of MI5 said "Our involvement in Iraq radicalised a generation of young people (in Britain) who saw our involvement in Iraq and Afghanistan as an attack on Islam. We (MI5) were pretty well swamped - with intelligence on a broad scale that was pretty well more than we could cope with in terms of plots, leads to plots and things that we needed to pursue".
11. Manningham Buller also asserted that, "We gave Osama bin Laden his Iraqi jihad so that he was able to move into Iraq in a way that he was not before".
12. The British look down on Blair and forced him to resign because he is an inveterate liar. Some Malaysians think he is the fountain of wisdom!

Dear Tun,

I agree with arian August 22, 2010 1.20 pm. The non muslim commenters tend to side with the two arch enemies of muslims, Bush and Blair. Automatically they too put themselves as enemies of muslims. Any reasonable person knows that they ordered the invasion of Iraq and Afganistan resulting in the killing of hundreds of thousands of Iraqis and muslims in Afganistan. They blame it on Sadam Hussein. The non

muslims here are being insensitive and unnecessarily provocative.

May I comment on redzuan August 22 2010 3.07 am. Metallic currency is not practical and backward. This is basic economics. The daily inconvenience of carrying so much coins especially during payday is quite ridiculous. If Nik Aziz wants to force the issue, of course it is sunnah. Metallic currency was used during the Prophet era. But people travel to Mekah by airplane nowadays and not on camels anymore. There was no banking system during the time of the Prophet. I dread to think of our modern economy without banks. If we truly want currency stability, then we do only barter trade. pure stability because there is no currency.

I heard Malaysian fugitive RPK is appearing on BBC Hard Talk Malaysian time 10pm 1st September. He is the hero of anti government mouth piece Malaysian Today. A loose cannon, he just concocts and accuses all and sundry of all sorts of crimes of ridiculous proportion. He always says he has proof but never produce any dossiers as hard evidence except false and conflicting affidavits. He just wants to attract attention by being dramatic and sensational. Unfortunately, people like to hear exaggerated stories.

Che Det,
Salaams

Shehrazadian Dreams Of Obama
(the un sanction on Iran)

For the Manningham-Buller one may go to Iraq Inquiry(Manningham-Buller).

It is interesting to read John's Chilcot statement:

Public hearings: Sir John Chilcot's closing statement, 30 July 2010

30 July 2010

As we close this round of public hearings, my colleagues and I believe this is an opportune moment to set out what the Inquiry has done so far and what it intends to do next.

It is now exactly a year since we launched the Iraq Inquiry. In this time, we have held two rounds of public hearings and a number of private hearings – in all over 140 witnesses. Each of the public witness sessions can be seen, and the transcripts read, on our website (www.iraqinquiry.org.uk), where we have also published the witness statements and a considerable number of documents. It is a substantial archive of evidence. This is on top of the thousands of government documents which we hold. Taken together, they have given us an emerging picture of the UK's involvement in Iraq between 2001 and 2009.

This round of hearings has been extremely useful. It has offered us the opportunity to hear new perspectives on issues which we had previously only covered in part. We have also taken evidence on new subjects such as building policing capacity in Iraq, military personnel issues and the provision of military equipment. The public evidence sessions have demonstrated the value of hearing at first hand from those directly involved in, and responsible for, policy decisions and implementation.

Outside the formal evidence sessions, the Inquiry is gathering information and insights from a wide range of sources. We have talked informally to over a hundred military personnel, civil servants and diplomats who served on the ground in Iraq and we hope to hear from more of their colleagues later in the year. We have spoken to foreign citizens who have insight about the UK's involvement in Iraq between 2001 and 2009. My colleagues and I are also mindful of the issues raised with us last year by the bereaved families

of those British citizens and members of the British Armed Forces who died in Iraq.

Over the coming months, we will be analysing and integrating all this evidence and information as we begin to write our report. As we do this, we may find conflicts or gaps within the evidence. If we do, we will need to consider how best to get to the bottom of what actually happened. This may be through seeking additional written evidence or- where we wish to probe more deeply- through holding further hearings possibly recalling witnesses from whom we have heard before. If - and I stress the word "if" - we decide to do this, these hearings would probably take place in the late autumn.

The Inquiry also hopes to visit Iraq. We want to see for ourselves the consequences of UK involvement, to hear Iraqi perspectives and to understand the prospects for Iraq today. For the security of both the Inquiry team and those whom we wish to meet, we shall not publish any further details in advance of a visit. If we are able to visit Iraq, we shall provide a summary afterwards, as with our other overseas visits.

As I have said, over the past year we have gathered a large body of evidence for the Committee's report. It is worth recalling what this report is, and is not, designed to do. We are here to establish a reliable account of the UK's involvement in Iraq between 2001 and 2009 and to identify lessons for British Governments facing critical decisions or operations overseas of a similar kind in the future. As we have said repeatedly, the Inquiry is not a court of law; no one is on trial.

We intend to report around the turn of the year. The report will include that material which is necessary to explain what happened; and how and why we have reached our conclusions. If that involves classified or currently unpublished material, we will seek declassification in accordance with the published protocol we have agreed with the government.

I reiterate the commitment that our report will be full, thorough, evidence-based and frank. Looking to the future, we shall make recommendations about the way such matters are handled in the future.

I would like to close this session by thanking those who have assisted the Committee in carrying out this round of public hearings. We are immensely grateful to the QE2 for hosting us; to Bowtie for enabling our proceedings to be broadcast on television and through the web and to Merrill Legal Solutions for their continuous and rapid transcription. And with that, I bring this hearing to a close.

Che Det,

Would the KIWCT be in any position to bring about justice that is sought on behalf of the Iraqis and Iranians?

Would KIWCT dare convict Saddam's Iraq for waging an unjust war on Iran?

Don't tell me i am another Melayu Mudah Lupa, Det; and just blowing hot air on this accursed Blair when you are just mortally terrified of Obama and Hilary, Det; and the deep respect for Iran is just another lip-service from your PGPO.

Salam Tun & fellow bloggers,

Tun janganlah dipanjang2kan cerita the world chief stooges,Bush & Blair. Lagi panjang cerita lagi syok dia pulak dan yang menyokong mereka pula dunggu. Harap Tun tumpu perhatian beberapa kesah panas

di M'sia sekarang;

1- Konsep I Malaysia masih belum jelas. Jadi senangnya diputarbelitkan oleh ramai yang paham dari sudut mereka yang mempunyai agenda tersendiri. Apa sepatutnya perlu dibuat? Kalau perpaduan yang hendak diharapkan, ini tak kan berlaku selagi sekolah sealiran tidak ditubuhkan. " kalau nak lentur buluh biar dari rebung nya ". Ini telah 50 tahun "merdeka" tapi masih ramai yg tak bolih bertutur dalam bahasa Melayu yg telah menjadi bahasa kebangsaan. Kerajaan tak kisah pun kerana ingin menetapi perlembagaan negara. (Kalau di US pun, kena lulus ujian bahasa dulu sebelum dapat "green card"). Tapi setengah pihak tuntutan macam2 dan mereka tak kisah lansung dengan peruntukan dalam Perlembagaan. Kerajaan mesti bijak dan bertegas.

2. Kisah bayi di buang juga tidak kurang hangat diperbincangkan. Ada macam2 cadangan untuk mengurangkan atau menghapuskan gejala keji ini dikemukakan dan dibahaskan tapi nampaknya tak ada berkesan, malah bertambah pula. Di mana silapnya? Cadangan adakan pelajaran di sekolah (Zaman datuk/nenek kita dulu tak pun diajar sex di sekolah tapi jelas tak ada pun benda2 macam ni berlaku). Ada pihak NGO/human right pula galak di ajar sex di sekolah cara melakukan sex agar mereka tidak mengandung dan oleh itu tak adalah kes buang bayi, kalau ada juga berlaku adakan tabung/postbox untuk dihantar bayi tersebut. (Kumpulan ini pula memang jahil langsung tentang hukum halal-haram). Dan ramai pula yang menentang bila Ali Rastam cadang tubuh sekolah khas untuk penuntut yang ingin berkahwin. Teruk kena hentam oleh pengkeritik yg tahu kritik saja (macam ramai terdapat dalam blog ni). Tapi saya setuju atas cadangan (dah nak ditubuhkan pada Sept ni pun)itu, sekurang2nya kalau hamil pun dia anak yang halal nikah. Jauhkan zina tu memang diperintah oleh Allah SWT. Ketegasan Ali Rastam patut di puji.

3. Bacaan khutubah - doa tinggalkan nama Agung sebagai ketua agama tapi sebut nama orang khafir. eh! kalau nak sebut dia pun jangan lah tinggalkan nama Agung. Apa dah jadi dengan Melayu Islam ni? Dah nyanyuk barang kali. Kata Dr Asri pula itu tak salah, tapi pada saya kalau nak di agung2kan orang khafir tu buatlah dalam sesi khas yang lain dan bukan Khutubah Jumaat. Salah tempatnya.

Berfikir waraslah kamu semua. Inilah akibatnya kalau dah tidak ada atau tidak bersandarkan ilmu Quran & Hadith. Apa pendapat TUN? Saya haraplah Tun dapat ketengahkan perkara2 ini, mudah2an Allah SWT memberi kita petunjuk yang haq. Wallahu'alam.

Well said tun. Here both the Blair's are given VVIP treatment and paid a lot of money for lectures I would not bother to pay any heed to. Malaysians are by and large gullible and oblivious of what is happening around the world. Or probably the VVIP treatment stems from the fact that our fore fathers looked to the white man as their masters and we suffer from " the white man's burden". It only goes to show our level of inferiority complexes, given the fact that the british themselves have turned against a man of their own race. We indeed behave like a race filled with nothing but stupidity and are a class that cannot distinguish good from bad, right from wrong.

Salam Ayahanda Tun,

Just to add up my previous posting to remind everyone that Al Qaeda's band of terrorist really was non existence (see my previous posting) or click here to watch on youtube:

<http://www.youtube.com/watch?v=Zrh5--h6RB>. Please ask yourself, Why when we talk about terrorism the name "Al Qaeda" will always be in favors of the World Mainstream news including the Malaysia very

own media?

Whenever anybody speak the words Al Qaeda, it will no doubt generated a sense of "911 evil reality" to signify how evil and dreadful was the Islamic faith to alleviates the (Mainstream media) global agenda of war mongering. These are the very "components" of lies that is very necessary (For the Mainstream media)to legitimate any war against the Islamic "Terrorism" or country.

Once and for all please allow yourselves an access to the truth that they do not want you to know. Tony Blair was just one of the "lying parameters" that Britain herself had acknowledged, yet there are still more to go.

Al Qaeda's (Just a file name)notorious reputation is still at large lurking into the mind set of all people around the world. Let's break that "codename" too. After these whenever any media utters the words Al Qaeda you will know that either the media company is one of the conspirator (To do war mongering) or quite simply they have been forced the words down their throats.

Ever wonders why Iran had been declared as "The Axis of Evil" even though they had never raided any country other than their infamous 10 years war with Iraq? Again, please allow yourselves to be informed of the historical facts that have been left out by the mainstream media. Please go to these <http://www.gilad.co.uk/writings/anthony-lawson-double-vendetta-the-insanity-of-the-iran-conf.html> (Not all Jews are bad). Gilad Atzmon an Israel artist living in Europe.

You will see that these facts are just about arrogant personal 'vendetta" of Europe & America towards Iran. Henceforth, we shall all see and justify who really are the "Axis of Evil".

Again, thank you for allowing my posting to appear on your esteem blog of TRUTH. Take care ayahanda Tun, we still need you.

assalamualaikum..semoga tun berada dalam keadaan sihat..

sememangnya kita tahu betapa menipunya dan kejamnya Tony Blair dan Bush apa yang menjadi pertanyaan saya adalah kenapa pertubuhan-pertubuhan seperti OIC, ASEAN n lain lain tidak dapat digabungkan dan dibentuk atau menghasilkan 1 pertubuhan baru untuk membantah pergerakan/ketenteraan tony blair n Bush..

malah jika Saddam hussein dihukum bunuh..adalah tidak adil jika tidak ada langsung mahkamah yang membicarakan tentang kekejaman bush n tony blair apakah gnanya PBB disertai oleh pelbai negara jika keputusan pertubuhan tersebut hanya dibuat oleh pemimpin negara dominan..??

adakah begitu sukar untuk menggabungkan pelbagai jenis negara untuk menghalang terus peperangan n kekejaman terhadap rakyat-rakyat tidak bersalah

adakah jawapan/alasan tony blair telah diterima,,

bagaimana pula dengan Obama??/ adakah beliau juga cukup lemah untuk menghalang perkara ini berterusan atau sememangnya beliau jua bekerjasama?????

Salam bahagia Tun.

Some folks invited Blair to Malaysia is not merely to listen to his loads of wisdom from his fountain of

knowledge. Some wanted to see, hear and perhaps interacted with such man. A person who have committed Britain into war with Iraq. They wanted to hear what actually he has to say in his mind that could commit his countrymen to war. They wanted to see the personality traits of such person. And hopefully to be able to identify such traits in our leaders and be able to prevent or support him in making decision in the interest of the country.

After that, its about what he got to say about European economic policies and strategies. as compared with this side of the world.

I don't think by attending or inviting such person here would mean that we worshiped them or champion them. Its merely to get more exposure for ourselves to equip us to be competitive in the European world. Blair, beside working out war strategies with his across pacific counterparts, he also touched on economic issues with the US and European countries as well.

If our leaders are not so busy fortifying their own personal wealth and instead focus on finding out how to make Malaysia economically competitive to the Europeans and China markets, people would have not required to bring Blair or any other "angmohs" here for talks and wisdom gathering. Our leaders should start to make their presence known in the international markets and start getting our products there. And when they come back, they should organise forums with Malaysian businessmen and start making in-roads to this countries.

Why are we still hackling each other about who should have what, and how much? Don't waste time on this, and start working out for a living, and improve ourselves with knowledge instead of bickering and hatreds.

Like many times mentioned "knowledge will lead to wisdom". So what we want is knowledge about how to fish. Not to be given fish and wait for one to come jumping onto the plate.

salam Tun.

Assalamualikum

Semoga Tun sekeluarga sihat sejatera

Walau apapun, Blair dan Bush telah berjaya dalam misi mereka men"trademark"kan Islam sebagai agama pengganas dan pada masa yang sama MENYEDUT minyak di Iraq. Bijak kan?

Kita boleh lihat dari reaksi, dengar dan baca komen dalam blog dalam internet....terutamanya komen oleh golongan kafir...semua nya menghina agama Islam dan Nabi Muhamad kita.

Baru-baru ini, pembinaan masjid berhampiran bekas tapak WTC pun jadi isu. Ini menunjukkan bahawa mereka sudah beranggapan keseluruhan umat Islam adalah teroris. Pada hal merekalah sebenar Satan yang bertopengkan manusia.

Sekian.

Terima kasih.

Assalamualaikum Tun,pada pendapat saya,pemimpin dan wakil wakil rakyat yg beragama islam yg dok tambah bini baru ni tak layak jadi pemimpin.Ini kerana masa dan otak mereka habis digunakan untuk menyelesaikan masalah bini bini mereka je.Bagi mereka masalah yang rakyat hadapi tak penting.Kerajaan mesti mengenakan syarat baru iaitu sesiapa yang diberikan tanggungjawab untuk mewakili RAKYAT tidak boleh BERBINI DUA.Jika ingin BERBINI DUA sila LETAK JAWATAN ANDA!!!. Cadangan diatas yang saya kemukakan ni adalah untuk rakyat lebih yakin dengan kerajaan BN terus memerintah dan diharap akan menang besar pada PRU akan datang.

Salam Tun,
My comments to Saatcham,

Does it mean that when a criminal "apologised" for his mistakes, he is relieved of the consequences of his crime?

Does it mean that when Blair said he did the "right thing for my country", it means he is telling the truth?

There was no WMD in Iraq (he lied) and Kofi Annan stated that Iraq war was ILLEGAL. It does not have the mandate of UN. Therefore, Blair claim that he did the right thing for his country, is just another drama queen lie. If anyone wants to do sth right for his country, he should honor the UN's charter, ratified by all members, in this case, all are bound to get UN approval for any hostile action.

This proof that Blair is an unrepentant liar.

By zamreeAuthor Profile Page on August 22, 2010 12:13 AM

sebenarnya Blair lebih memahami Islam daripada Bush namun atas kepentingan Barat beliau terpaksa menjadi pak turut saja. US adalah kesinambungan kepada Britain dalam menjaga kepentingan Barat. Barat perlu mengekalkan kuasa unipolarnya agar tiada pesaing lain dapat menandinginya selepas kejatuhan komunisme. Islam dilihat sebagai ancaman yang akan memusnahkan ideologi yang mereka bina selama ini. Demokrasi, kapitalisme dan sekularisme adalah antara kejayaan Barat dan kita lihat setakat mana Blair dan konco2nya dapat mempertahankanya.

Tony Blair never quit though. Trying to repay his so many losses by barely doing nothing. Got his memoir published (ghostwriter maybe) and all the gains from the sale goes back to the public as his what so called 'Tony Blair's Great Sacrifice'. The fact is, he did not sacrifice anything, he is just trying to gain more and more. Won't work enough for me to believe such twisted liar.

[[If the business community wanted to hear about his talk on business accept, it's their right, they did not call him in for political view]]

Again. I have to respond as my earlier comment's to your's. What it is all about?

1) In Islam we practice what we called the "persona" or image. Quote from Tun..

"Seorang pemimpin itu mestilah bersih dan kelihatan bersih.

Tun are representing the voice of the masses..

3) Hidden agenda. "Pukul anak sindir menantu"..Tries to understand this from the Malay community point of view.

4) The Aesop Fables. Read. Fables.

Who cares to authenticate the story of the Red Riding Hood?? Goldilocks and the Three Bears?? Or scores of tales and myth?? What we cares is the lesson from this tales..

The lesson.

the problem with us(ISLAM) is that we are weak
we are lagging behind in science, technology and knowledge
thats why muslims are being bullied

the only way we can ensure that we are not being bullied is to be strong.

we have to take steps to make ourselves stronger then all this will stop.

If we care to examine some past comments among others,some idiots claimed this country was lagging behind many others including Vietnam in economic progress and we are going to the dogs.

Even as we speak Vietnam's dong is being devalued while ringgit is at its highest in many years,we just recorded a GDP growth of 8.9% following a previous quarter growth of 10.1%.We are amongst the top 10 most competitive nations in the world.

This just proves that we must never trust stupid comments without facts.These people have an incurable disease called stupidity.It's just small minded people with devious intentions we are dealing with here.We can spot them from a mile away.

To these people,please provide proof if you want to throw allegations at Tun.You make unsubstantiated claims but when Tun provided proof for many despicable acts done by the Jewish regime,Bush and Blair,Anwar Ibrahim etc. you guys choose to turn a blind eye.Shame on you!

By jalil7Author Profile Page on August 20, 2010 5:36 PM

Dear Tun,

not that i support Tony Blair, but he was PM at a time when Britian was struggling with herself of a phenomena known as "reverse occupation". It is a phenomena whereby countries previously colonised by Britain now have representatives of their culture and religion right in the middle of the United Kingdom. call it "the empire strikes back" if you will.

the fear was then of that Islam overtaking the UK, with many extremist operating rather freely. many UK citizens observed this but were silent about it, until of course their very own neighbourhood speaks a different language. a very grave mistake. large colonies of foreign cultures develop and indeed flourished in UK. huge clusters of immigrants were allowed to grow to such proportions that the landscape of UK itself is changing. a cultural clash is inevitable.

oddly though, Tony Blair sees that an attack on Iraq would help send a message to muslims in his own kingdom, but that is rather an odd way to take a free kick. it would be better to take full control of the situation in his own back garden, and stay off international aggression. that would serve the same message well, cost a lot cheaper and will be a lot more effective in curbing their own national threat.

that he succumbed to the inclinations of his own supporters is now costing him his name. but i guess he had to act in that manner else he would loose support. and he knows that. as history would have it, him contributing to the war in iraq also cost him his office and name. thus he is doomed either way. not an easy position to be in.

but i do not support this sort of thinking. for a humanist (one who values human life) in that position should surely favour a peaceful solution, rather than aggression. if he wants to take out terrorists in iraq, it does not require an outright invasion, where innocent people suffer.

i would like to think that the Brits would have more wisdom. but led by Blair to take a short cut approach to problem solving, it left UK in a more difficult state.

Salam My Dearest Tun,

"Some Malaysians think he is the fountain of wisdom!" - this is because some people here still thinks that those westerners, especially those who has hold power, are the best example, the best person one could be. Therefore, anything that person says is TRUE regardless of what is it.

Minda masih lagi dijajah walaupun sudah lama merdeka. Dalam pemikiran orang2 tu, semua yang dibuat 'orang putih' tu adalah yang terbaik untuk diri mereka. Such a bull!

Dear Tun,

Please keep voicing your opinion as many of us is still sleeping comfortably and they need to be tight-slapped to wake them up.

For all your kind deeds that you've done unconditionally to your people and this country, I Thank You from the bottom of my heart.

Love & Respect,

Salam Tun,

Beri laluan....

Politik Malaysia sekarang selepas era Tun saya merasakan teramat pelik:

1. Bermula dengan ex PM iaitu Bodoolah dan Khairy Jamaludin. Bodoolah tu PM yg cukup lemah IQnya ramai jugak yg sokong??? KJ yg ternyata main duit untuk naik jadi Ketua Pemuda pun ada juga yg sokong???
2. Nik Aziz yang jelas memutarbelitkan agama dan mengkafirkan orang Melayu yg sokog UMNO pun ramai yg menyokongnya??? Nik Aziz yg bersengkokol dengan DAP terutama Lim Guan Eng yg jelas bermain api tentang keistimewaan raja dan orang Melayu, masih lagi orang tua Kelantan ni tak sedar. Orang ajak fikir penyatuan Melayu putar sana putar sini?
3. Anwar Ibrahim yg jelas didokong oleh Yahudi , ramai pulak mempertahankannya. Anwar Ibrahim yang kaki punggok ni ramai juga pemujanya.
4. Presiden MCA Soi Lek yg nyata lagi bersuluh mempunyai moral yg menjijikkan diterima oleh Cina sebagai ketua. Kalau kat negeri Cina jika ada pemimpin begini, silap-silap dah dihukum pancung???

APE NAK JADI DGN MSIA ... SKRG???

HARAPAN SAYA HANYA SATU ... BERSATULAH UMNO DAN PAS DEMI AGAMA, BANGSA DAN NEGARA TERCINTA.

JATUH UMNO/PAS MAKA HANCURLAH "NEGARA ISLAM", JATUHLAH KEISTIMEWAAN MELAYU, JATUHLAH KERAJAAN MELAYU.

AYUH ... MELAYU MESTI BERSATU.

PEMIMPIN PAS DAN UMNO MESTI BERSATU DEMI WADAH PERJUANGAN ISLAM DI BUMI MALAYSIA.

PEMIMPIN UMNO MESTI SEDAR DAN FAHAM,
PEMIMPIN PAS JUGA MESTI BERFIKIRAN JAUH DEMI PERJUANGAN AGAMA.

MELAYU DAN ISLAM ITU SEIRING.

LUPAKAN ANWAR IBRAHIM ... KERANA MELAYU INI PUTAR BELIT BANGSA DAN AGAMA.
TEMPATNYA SAYA YAKIN DI NERAKA JAHANAM BERSAMA-SAMA PENGIKUT SETIANYA.

Oh! Selamatkan Peniaga Melayu

Share on Facebook

343

Assalamualaikum, saya adalah seorg peniaga melayu yang sudah hampir 4 tahun berniaga 'kiosk' di Alamanda putrajaya. Di Alamanda kebanyakan peniaga kecil adalah orang2 melayu. Pelanggan kami sudah tentulah kebanyakan dr pekerja kerajaan yang mana anda pasti sudah maklum yg perkerja2 kerajaan kebanyakannya adalah orang melayu.

Sejak saya mula berniaga, ketika itu sewanya RM2500. Ia sedikit demi sedikit naik setiap tahun. Dan sekarang sewanya sudah mencecah RM 3800 untuk sebuah kiosk yang kecil itu. Sebelum ini, ia diuruskan oleh putrajaya holdings. Tetapi, sejak januari 2010, ia dia ambil alih KLCC. Dan bermulalah era baru dimana keseluruhan pengurusan telah dirombak, dan bermacam2 pula peraturan baru yang kadang kala tidak masuk akal dibuatnya. Dahulu bahagian kiosk di incharge oleh 'AZHAR', sekarang ia telah diambil alih seorg wanita CINA yang bernama MELISA.

Berbalik kepada cerita saya, saya adalah penjual baju2 buatan tempatan. Minggu lepas saya dipanggil ke pejabat pihak pengurusan. Alangkah terkejutnya saya bahawa saya diperintah untuk tutup kedai sebaik sahaja tamat kontrak pada jun ini. Mengapa perkara ini berlaku, bila saya minta penjelasan, mereke memberi alasan bahawa saya tidak boleh menjual t-shirt. Kemudia sya memohon untuk menukar produk, ttp dia memberi alasan yang sya sudah mempunyai 3 kiosk. Ya mmg saya ada 3, tp bkn kiosk saya. Tp ia bukanlah jawapan yang logik.

Saya tidak menolak kemungkinan disini ada unsur RASIST yang mana saya mendapat tahu ada suara memberitahu bahawa MELISA mahu mengeluarkan peniaga MELAYU dan memasukkan peniaga CINA. Buktinya sudah ada. Apa yang mebuatkan saya rasa tercabar adalah, ia berlaku di PUTRAJAYA di mana ia adalah kawasan orang2 melayu. KLCC bg saya adalah satu kuasa untuk menjatuhkan orang melayu. Lihat sahaja betapa MAHAL nya sewa dialamanda.

Siapa yang pernah ke alamanda pasti sudah tahu betapa mahal nya makanan di RASA. Saya boleh jamin jika anda pergi membeli makanan di RASA, RM10 itu hanya ckup untuk seorang sahaja. Segalanya MAHAL di alamanda. Saya sangat2 ingin memberitahu tuan2 dan puan2, pengunjung2 di alamanda bukanlah seperti di KLCC. Bukanlah pelancong2 asing dan orang2 kaya raya. Kenapa management KLCC mahu penjadikan Alamanda seperti KLCC.

Mmg tepat jika saya katakan ia mmg mahu menjatuhkan org melayu. Orang kita harus sedar, kita semakin dihimpit. Orang cina sebenarnya mahu mengawal dan sudahpun mengawal ekonomi kita. Saya dia Alamanda sungguh terkilan kerana tiada siapa mahu bersuara, dan saya pasti, jika ada yang bersuara mereka akan ditendang keluar. Contohnya sudah banyak. Termasuk saya sendiri. Buat pengetahuan anda, salah satu rules beniaga di Alamanda adalah, tidak boleh menjual produk yang sama. Ok anda faham betul2 ayat itu. Disini ada satu cerita, isteri saya adalah penjual slipper dan sandal getah disana, pada 3mac pihak management membuat bazar di centreouth sempena gong xi fa cai. Alangkah terkejut apabila saya dapati ada peniaga cina menjual sliper dan sandal yang 100% sama. Dan juga menjual brand imitation yang dilarang sekeras2nya diputrajaya.

Satu persoalan disini, bagaimana kejadian ini blh terlepas pandang? Siapa yg x telus? Dimana peraturan KLCC yang begitu ketat? Dan satu soalan yang harus mereka jawab.. Kenapa peniaga cina itu tidak diambil tindakan malah terus menjual produk yang sama sehingga tamat tempoh promosi?

Cerita kedua, peniaga adalah dilarang sekeras2nya menjual produk tiruan. Ok, satu hari saya ditegur

kerana menjual baju transformers. Ok xpe, sya terima keputusan itu. Tetapi bagaimana pula kiosk aunty TOYS yang menjual SPONGEBOB, MICKEY MOUSE, BEN10 dan sebagainya? Itu juga barangan tiruan dimana ia harus mendapat licence dari nickelodeon dan warner bros malaysia. Ia adalah sangat2 tidak adil.

Satu perkara lagi, saya mempunyai seorang rakan yang mahu berniaga di alamanda. Saya menyeru supaya dia menyiapkan proposal untuk rujukan management. Ok kita lihat disini bagaimana permainan mereka. Hari jumaat itu beliau pegi ke managemnt untuk submit bisnes proposal. Ketika dikaunter pertanyaan, dia bertanyakan tentang kekosongan kiosk. Lantas kerani itu memberi no hp MELISA. Ketika rakan saya menghubungi MELISA, MELISA memberitahu bahawa bukan dirinya yang ingcharge kiosk. Rakan saya terpinga2 kerana siapa yang harus dia hubungi. Dan saya memberitahu, kiosk memang diuruskan oleh MELISA dan bukan orang lain.

Dia terdiam seketika, dan saya memberitahu dia agar banyak bersabar. Ini adalah politik cina. Dan MELISA itu adalah seorang RASIST.

Sebenarnya, apa yang saya bimbang satu hari nanti alamanda akan dikawal oleh peniaga cina. Dimana pembelinya adalah majoriti melayu. Ia tidak mustahil kerana sekarang ini satu persatu peniaga cina masuk. Tetapi siapa mahu bersuara? Saya amat2 berharap agar anda semua mampu bersama menentang kuasa liberal ini. Tidak kiralah anda dari parti mana, yang penting anda orang MELAYU. Kita harus tegakkan ekonomi orang MELAYU. Kita harus bela PENIAGA2 MELAYU. Sampai hari ni saya terus berharap agar suatu hari nanti PUTRAJAYA HOLDINGS dapat membuang terus KLCC management dari PUTRAJAYA ini. Jika tidak, selagi itulah orang melayu kita akan ditindas dibumi sendiri.

ASSALAMUALAIKUM.

Tun,

I can imagine you seething as you write your comments on Tony Blair. If you think he is such a bad person why do you need to write an essay to prove your point. You'll have to line up with the other left-wingers to smear his reputation. I can't see you being very objective yourself. You hated him before Saddam and you hate him more now. So, whats the difference?

Tun, how many people have died accidentally Malaysian Polis Stations in the last decade. Long before Guantanamo the ISA and Kamunting was used with indifference. At least in Guantanamo the prisoners get 3 good meals, play rooms, access to lawyers and 1st class healthcare. Do you have cancer treatment facilities in Kamunting? Don't believe me? Watch Michael Moores 'Sicko'. Tun, you're not that Holy that you can pass judgment on Tony Blair.

Tony can at least claim ignorance and stupidity on his part. You were complicit in your actions when you sent Malaysians to Kamunting during your reign. I'm sure you had your nasi lemak, slept well and told yourself that you were doing it for your country and race. Therein lies the difference between you and Tony Blair. He has a conscience.

Tun, May the Detainees forgive you for your actions. Tunku should have given you a taste of your own medicine when you wrote the 'Malay Dilemma'. You might have thought twice before giving out warrants for detentions.

Peace Be With You Tun

By pakpandir08Author Profile Page on August 20, 2010 9:47 AM

Tun,

i think your claim is hard for people to buy it, with the following reasons.

(1) Tony Blair still proud to tell Tun Mathathir: Yes, i am a liar, and i lie. But i dare to admit it to the public, with no cover up.

(2) Tony Blair still proud to tell Tun Mathathir: Yes, i am a liar, and i lie. But my country is transparent, even that i am an ex-Prime Minister, there is transparent enquiry commission against me if i have any wrong doing during my administration.

As you see, people now are more rational and educated (except the hardcore supporters and pembodek). They are looking in the perspective of a nation ... what are the roles of judiciary, laws, and enforcer in Tony Blair case, you can see that human usually can do things wrongly, but the key points are what are the actions taken if they are found to be wrong even if he is an ex-Prime Minister ...

It seems that this blog is created due to hates, and the pembodek comment based on their favoritism ... Tun may try to create a new blog named "Tony Blair 4". And in the blog, elaborate Tony Blair did not lie, he is handsome and he is the best leader in the world you may see the pembodek will agree with it, and support for the statements by Tun why? i also dont know why hahaha

Salam Tun,

We all know that there wil never be any politician in this world, (except Japan maybe) who would openly admit their mistakes and step down. As for Blair, everyone knows he is a liar, but does that make him any different from any other politician. I dont think any Malaysian admires him anyway. Its just the mentality of Malays(ians) who would simply "kowitz" to any occidental as long as there's money to be made. Closer to home, there exists so many more just like him and some even worse. Thats what politics is all about these days, lying, cheating and making money. If not for themselves then for their children and/or cronies. Im sure Tun is aware... Politics will be politics and politicians will be politicians...

Bush Blair Lies have give birth to suicide bombers.

Existance of suicide bombers is NOT and absolutely Not because they can get rewards on moneytary terms or what.

It is because they have seen their loves one being killed innocently,wifes,daughters being rape in their

Belives me no man will die for money.
It is the sufferings that dares them to be suicide bombers,
as to them they have lost everything and their lives is lifeless

YABhg Tun & all chedet's fellow

Foremost- Tony Blair was the perfect liar; similar to the former President of U.S. Not also lying to British
peoples but to all peoples on this earth.

To Tony Blair, SERVE YOUR RIGHTS! Goerge Walker Bush Jr, should also send to ICJ under conviction

of practice International Crime.

Without Blair or Bush, world especially the Muslim world, world society will stay in peace. This two men were actually responsible of seeding terrorist on this earth.

About the WMD, Iraq does not possess it. But the U.S, Britain, France, China, Russia, Pakistan, India, North Korea and of course the gold son of the U.S. and the West-Israel. Now Iran under Ahmadinejad was their scapegoat in order to keep their hidden agenda running.

After Iraq, Afghanistan and Pakistan, Iran was their next destination.

Hopefully so Malaysia not calling again Blair to come here to preach or do free lecturing in order to get better advice. Before, Malaysia call this Inveterate Liar to Malaysia land. What we get from him? Nothing!

The Malaysian Cabinet included...perhaps Najib felt he should practice what he preaches (of Tolerance to Acceptance) without reservation even to an inveterate liar and a terrier to terrorist Bush.

Once upon a time, a Menteri Besar (Mat Tyson) could simply cancel the Micheal Jackson Concert to be staged in Shah Alam giving 'moral issue' as an excuse and now we wondered why THE PM of Malaysia could not come out with a reason and/or an excuse to act likewise?...perhaps due to the deep 'roots' implanted during his learning ages in England.

Salam Tun dan pembaca semua,

1. Di Malaysia juga ada seorang yang amat kuat pembohongan dan putar belitnya, amat ketara penipuan yang keluar dari mulutnya.
2. Tetapi masih ada orang di Malaysia yang menganggap dia pun - a fountain of wisdom juga. No, no. He's the voice of democracy in Malaysia! kihkihkih.....
3. Kepada yang mempunyai ingatan lemah, saya bawa tuan-tuan dan puan-puan kembali ke satu masa di Bulan September 2008, selepas PRU 12.
4. Wakil media sedunia dipanggil datang untuk mendengar pembohongannya, bahawa beberapa ahli parlimen BN akan melompat ke pihak Pakatan dan bahawa the number is increasing by the minute. Dan tak berapa lama lagi, beliau akan mengetuai pembentukan kerajaan baru di Malaysia. YA RABBI!!!!!!

5. Itulah satu lawak tahap maksima yang pernah saya saksikan sepanjang usia saya yang sudah hampir separuh abad ni. Memang payahlah nak kalahkan penipuan skala sebesar itu.

6. Tapi, jadi ka tidak pembentukan kerajaan baru tu? Mana dia Ahli Parlimen yang melompat dari BN ke PAKATAN tu? Lenyap dengan begitu sahaja..... gone with the wind

7. And this is the best part. Does THE MAN show that he is affected by his world-scale lie? That the whole world knows how wishful his thinking is? NO.....

8. And know what? I think such self-delusion is because, there are people who makes him feel as if he is THE FOUNTAIN OF WISDOM!!! Penyokong yang sebeginilah dikenali sebagai SOKONG BAWA REBAH. But does he realise this? NO....., because he is too absorbed with himself that he cannot stop even for a while to see that very simple yet highly destructive fact.

9. And what do I have to say of this simple yet realistic analysis of one man's lie based on recorded evidence?

10. The longer he continues deceiving himself, he deeper will his political grave be.

Tq.

Tony Blair has apologised for his mistakes and admitted that his legacy in the eyes of many people will be dominated by Iraq when he stands down as Prime Minister on 27 June.

In an emotional and highly personal speech, Mr Blair insisted that he had done what he believed was "right for my country" and stopped short of saying sorry for the Iraq war.

Can be used to describe many politicians globally.

Tony Blair is a smart intelligent guy, something he shares with you. As to his decisions on foreign policy.

He is heralded by many in Ireland for his work in bringing two communities together.

Iraq has led to much criticism. Saddam Hussein had his own methods of running the country. He too was criticised. Many Iraqis left, often to live in America. I met many Chaldeans/others when I lived there.

Lies or no lies, I hope that Iraq gets an honest government.

It will be lovely to hear that one day in the future, Iraq has the problem of people wanting to move there, as opposed to wanting to leave.

Salam Tun & fellow bloggers,

Strongly suggest that Tun refocus attention on the developemnt at home front that are becoming worst by the day. We do not want the repeat of 69 and destroy what we have achieved since then. If MCA want to champion the Chinese ala DAP, BN should review MCA position in the coalition (That is the result of electing a "leader" with low moral value). For the Majority chinese think again of the possible risk of loosing the wealth you have accumulated. Malays have no other place to go to call home but most wealthy Chinese have no problem to emigrate to other countries of their choices, unlike the majority chinese.

I believe most of us are concerned and worried that Malaysia will become a failed state.

Tun may Allah bless you with good health & wisdom because we still need you to lead the nation the best way you can.

12. The British look down on Blair and forced him to resign because he is an inveterate liar. Some Malaysians think he is the fountain of wisdom!

Exquisite! That paragraph surely ought to lancinate Blair's cheerleaders over here who still think Blair is the paragon of truth. But then again Blair's cheerleaders may be too dense to understand the full import of this particular entry, Tun.

The Chilcot Inquiry has thrown out some gems although it's hard not to be sceptical about the inquiry considering that three members were Iraq war proponents. One of the three, Martin Gilbert has also authored several sympathetic works on Israel. Gilbert started life as Churchill's assistant when Churchill was about to write his magnum opus, "The Second World War." Gilbert ended up being best known as Churchill's biographer. What does he think of Tony Blair? Well, Gilbert once said that Bush and Blair may one day be seen as akin to Roosevelt and Churchill. So we can see where the Inquiry will be heading.

Blair continues to try to reinvent and market himself as a credible servant of peace by grabbing an appointment as the Mid-East Quartet's envoy. This despite his lack of credibility in Britain. In his latest attempt at buying credibility, Blair is going to donate the proceeds from his memoirs to a British veterans' association. Even that has been labelled as 'blood money' by soldiers' relatives. He is shameless.

When is Luis Ocampo of ICC going to indict him?

Usually the people concern about what action taken when some fishy situation occurred in Blair case, they set up an enquiry commission

Luckily in Malaysia, our leaders are all clean, that's the reason why we rarely see this kind of commission here ...

we should feel so proud to condemn others? Or should we look at the mirror ourself?

Even Bush boy himself was without a choice.Who dare go against the real boss behind them all,the you know who?

2-We know he is no fountain of wisdom.But all the Muslim haters will drool over him just to spite us.What Muslims should reflect during this month of Ramadhan is why does the whole world hate us so much?We can see that in this blog most of the non Muslims are very united and enjoying themselves hitting us esp with a posting on this..

3-Tun let this be the last of the Blair postings or else it'll be one more too many.I am afraid the next time people will start sympathising with him instead.Tun I know postings on Mountain bikes/Langkawi don't get very good response,what about you giving a comment on Musa Hitam and his SIME the next time.

Assalamualaikum Tun.

Saya pun naik heran kenapa akhbar tak banyak siarkan apa yang berfaedah dan dapat menambahkan pengetahuan kita rakyat Malaysia.

Asyik-asyik tunjuk gambar bayi dibuang. Macamlah semua orang nak buang bayi. Kalau tu tulislah panjang sikit tajuknya macam 'Remaja ternoda buang bayi' bukannya 'bayi dibuang lagi'.

Kata nak menaikkan bangsa Melayu, tapi akhbar Melayu sendiri menjatuhkan bangsa sendiri dengan ayat-ayat negatif yang sepatutnya boleh dipositifkan.

Mungkin saya lupa bahawa ia melibatkan iklan dan ruang serta sensasi untuk menarik perhatian ramai orang supaya beli akhbar. Tapi gambarnya tetap sama, saya tak cadangkan tukar pun.

Tengoklah bila pena berada di tangan kita, susah juga nak sampaikan pengetahuan pada masyarakat umum. Sedangkan dalam Al-Quran pun suruh sampaikan apa yang kita perlu sampaikan.

Ayatnya...saya terbaca sepintas lalu, tapi kemudian tak jumpa la pulak bila cari balik. Tapi ada kat dalam blog www.cahayamukmin.blogspot.com rasanya.

Hari tu pun penceramah yang cantik apa ke namanya pun saya tak berapa ingat, tapi Prof Syarifah la. Beliau bagi ceramah tentang 'Israk Mikraj'.

Pesan beliau 'berkata benarlah wahai orang muda'.

Sepertimana Nabi Muhammad S.A.W menceritakan tentang Israk Mikraj yang mana ramai tidak mempercayainya dan meninggalkan agama setelah cerita itu disebarkan.

Terima kasih Tun.

Assalamu Alaikum Tun,

I hope the British inquiry body could commit Blair's military action in the Iraq war as illegal. If British govt take stern penalty against Blair including life imprisonment, bad perspective of Muslim countries toward Britain could be repaired..

12. The British look down on Blair and forced him to resign because he is an inveterate liar. Some Malaysians think he is the fountain of wisdom!

It is typical, not suprised!

Dear Tun,

Wish you and your family well, Selamat berpuasa.

Wassalam.

I followed Tony Blair's performance in the British parliament everytime there was an opportunity and what comes out very strongly is his rhetorical and eloquence ability.

He could present a lie as a "fact" with no difficulty by his imaginative arguments, justifications and pronouncements and sounded logical. He gets out of every seemingly cornered position in debate against him. I could sense a sense of frustration by his detractors. Though Blair may win the debate I sense his detractors knew he was lying all along but unable to catch this slippery man.

The other person of this calibre is the popular US ex-President Bill Clinton on the Monica Lewinsky affair. He could overhaul a panel of Inquiry (of select parliamentarians) of his exploits - and escape victorious. Till today I cannot believe that he could outsmart and beat them all.....maybe that's why he is President.

These are people can turn black into white and vice versa by their lies and clever arguments coupled with God-given oratory gift to their advantage.

HARPING ON THE SAME ISSUES AGAIN.

BLAIR GOT CLASS AND WAS POPULAR NOT ONLY IN HIS COUNTRY BUT TO THE WORLD TOO.
HE IS NOT A RACIST LIKE YOU ANYWAY.

Dear Tun,

1. Blair was invited into Malaysia by our intelligentsia who perceived that he is of their class and you are a pariah.

2. This is because you have made them look stupid and this is a result of their reaction. Just to thumb your nose.

3. We look forward to more of your postings.

Best regards.

Salam Ayahanda Tun,

Seems like I'm the first to comment for this title, just to add up a few details that possibly most of us would want to know. I definitely agreed with your statements.

"The British look down on Blair and forced him to resign because he is an inveterate liar. Some Malaysians think he is the fountain of wisdom!"

Had anybody knows that Al Qaeda's entity really was a non existence "terrorist"? The Al Qaeda's info can be obtained from the following url:

<http://www.alqaedadoesntexist.com/>

or from youtube

<http://www.youtube.com/watch?v=Zrh5--h6RBA&feature=related>

We had reason to believe that Osama Bin Laden's role as the Al Qaeda's leader had been assigned to some unknown bloke named Adnan Syukrijumah a supposed new "terrorist" leader to carry out another "911". (In the making war-game)

You may find this much debated info from a typical Infidel blog here:

Hey Dr. Mahathir you are 100% correct and I will tell you why. This man Tony Blair and his Texan pal George W. Bush are both guilty of mass murder under the Nuremberg trials and statutes. It is they who should be both arrested along with Dick Cheney and sent to prison for the rest of their lives. I know both Barack Obama and David Cameron have inherited a huge mess from their predecessors. Both Bush and

Blair are both hated in the United States and the United Kingdom. I was very glad that not only you Dr. Mahathir but also President Vladimir Putin of Russia and Jacques Chirac of France were against the war. I hope that these two fools Tony Blair and George W. Bush are both shot to death by a firing squad or are hanged for the crimes of committing genocide and a war of annihilation against the innocent Iraqi people. Both are very evil. I hope you face these two Anglo-American-Zionist criminals along with both Putin and Chirac. God bless you Dr. Mahathir and keep up the good fight. Also remember as the great Master Chief of the Halo Games said Finish the Fight!!!

Tun,

Why u hate him so much? He was just like you, holding on to the power for so many years and made many wrong policies. Dont always point the finger to others, you should point to yourself. One more thing, no doubt u built lots of high rise buildings in the country, you also produced the highest number of unemployed graduates.

YABhg Tun'

If we were given a choice to say something about the wrongdoings of Mr Tony Blair, we would rather be numbed than getting dumb to believe what he mentioned in the inquiry just to satisfy uncle sam evil wishes !

This is non related to the topic above..BUT its something that will interest you ..its quoted from Gandhi himself..and you should be proud that he was on the same page with you...hope you read this...Selamat berpuasa and god bless..as I have always mentioned, the nation misses your leadership

"Several letters have been received by me asking me to declare my views about the Arab-Jew question in Palestine and persecution of the Jews in Germany. It is not without hesitation that I venture to offer my views on this very difficult question. My sympathies are all with the Jews. I have known them intimately in South Africa. Some of them became life-long companions. Through these friends I came to learn much of their age-long persecution. They have been the untouchables of Christianity [...] But my sympathy does not blind me to the requirements of justice. The cry for the national home for the Jews does not make much appeal to me. The sanction for it is sought in the Bible and the tenacity with which the Jews have hankered after return to Palestine. Why should they not, like other peoples of the earth, make that country their home where they are born and where they earn their livelihood? Palestine belongs to the Arabs in the same sense that England belongs to the English or France to the French. It is wrong and inhuman to impose the Jews on the Arabs. What is going on in Palestine today cannot be justified by any moral code of conduct."

By longjaafarAuthor Profile Page on August 19, 2010 11:13 AM

I guess being a Prime Minister he had to make a decision one way or the other. In this case, his decision cost the lives of hundreds of thousands of innocent people, mostly muslims. He went to war simply to please George Bush, thinking that the two countries are the custodian of the world. But to a majority of muslims, it would have been different if Saddam was not a muslim, and one cannot help being utterly disgusted at how they treat Israel, that actually has WMD and would not hesitate using it on muslims in Syria, Iran and the Palestine.

The foreign press has also moulded public opinion to the the extent that there is hatred towards muslims. Take the case of the proposed Cordoba Islamic Centre in New York. The Republicans have gone to town instigating people to reject the centre in it's proposed location. This shows that they are not anti terrorists, but anti muslims.

Coming back to Blair as a PM, history will judge him and he will be remembered as such. It would be similar to you, Tun, as in your case, you too have your detractors who will judge you based on your achievements as well as your mistakes. Let's hope you have more of the former.

CHE Det

1. It's very refreshing to read when you're being cynical.
2. Nowadays our leaders are so timid.
3. When an UMNO leader tried to show his stand on remarks by certain quarters against Bumi rights, he should stay firm and remained in his convictions even if someone gave a slap on his back.
4. At this point in time whereby certain quarters are free to challenge Bumi rights we do not need such weakling as a Malay leader.
5. A leader like Blair the Bule, showed convictions that Iraq had WMD. Eventhough I'm sure , deep in his heart, he knew he's lying, but he managed to get away with it and ultimately caused UK to go into war with Iraq.
6. Of course Blair used his attributes negatively and had caused thousands or maybe millions of innocent lives to die.
7. Malaysia now is badly in need of a leader with conviction and who can stand firm in his beliefs and not go apologetic if being challenged.

Thank you.

Dear Tun,

Another wasteful of your time and mine reading this.

After reading this article it just creating more anger against Tony Blair personally and UK/USA at large, frankly, I and most of Malaysian could not do much.

I hope no one reading this come to point plan attack against Tony Blair or UK or UK people.

If the business community wanted to hear about his talk on business accept, it's their right, they did not call him in for political view.

Cool of Tun, your time is very limited.

Thanks.

Funny Blair was liar.

Thatcher was liar.

Anwar was liar.

Bush was liar.

By the way, is Mugabe a liar, Chaves a liar, Suharto a liar and Castro a liar?

Did you lied before?

Who are we to judge? Only god will do the final judgment.

Less worry, god will judge Blair, anyway not for us to worry.

I find in cases, some officials from government, mentioned the government did not sack Tun Salleh Abbas.

But in fact Tun Salleh Abbas was sack by the government in 1986 to 1990.

In the royal commision, many former officials could not recall.

I would say, that is the remnant of the effect of colonized mentality, a liar is misguided as the fountain of wisdom. Forget about wisdom sometimes business greed is above everything, there are people thinking like that since colonial times. British fed them Chritianity, OK and prepare to dump a little diety as long as the pocket became deeper.No need for proof lah, just glance through the histroy book a little long you will see it.

A friend of mine just came back from Iraq, he said Americans are everywhere and the temperature in Baghdad is 55 celcius and no electricity !. The residents have to use selfmade cooling tower like in power plant with water as cooling medium using Generator. Safety, forget about it. This is the aftermath of Blair wisdom, kudos to Blurr admirers.

Dearest Tun,

These people have not evolved, still upholding and feeling great being a British colony once or just, still adore glamorizing the whites. Especially so as they have not felt belonged to a country their parents/great grandparents had migrated to. Possibly they want to follow the whites but not sure if the whites want them.. So, create such admiration and hopefully they will knighted and welcomed to the white land..

But generally, mereka lupa daratan, tidak megenang budi..

Selamat berpuasa.

Tun,what has happen in Iraq is of grave injustice.What can one do?United Nation has long abandon it's oath.OIC still remains OOOH I SEE.Other international callobrating countries are just too deep in their own mess,they just can't.....so it's up to Malaysia with her conquered mentality citizens and maybe the world new super power...China.
