

Al-JAZEERA
Chedet.cc
14 September 2015
Tun Dr Mahathir Mohamad

1. Najib's Government claims that Al-Jazeera is trying to subvert his Government with the half-hour documentary on murder in Malaysia. It claims there is no truth in the report.
2. If the Government thinks there is no truth in the documentary, then it should sue Al-Jazeera for defamation.
3. Al-Jazeera is watched by millions throughout the world. Most will believe what they see. Merely saying that it is not true may convince some Malaysians but will not convince foreigners.
4. After all during the Merdeka month Al Jazeera showed a glowing documentary on Malaysia, including its PM. Viewers have a choice to believe which documentary.
5. This new documentary will blacken not only Najib's name but the whole country as well. It is not pleasant to be told that the Prime Minister of Malaysia may be involved in a murder case.
6. Najib and his Government have a duty to clear our name. Proof must be given that the murder, the cover-up, the police involvement and Razak Baginda were in no way guilty of the terrible crime. The Judiciary including the AG's Chambers too must clear their names especially with regard to the acquittal of Razak Baginda and the appeal by the Attorney General which was confined only to the two policemen. They were retried and were found guilty and sentenced to be hanged to death by the Appeals court.
7. Already Malaysians abroad are being asked what has happened to our country. This new episode is not going to improve the image of the country after the other scandals.
8. The Government must take this documentary film seriously and try to clear our name. Taking it off Al Jazeera in Malaysia would not change anything. The documentary has gone viral in Malaysia and is still shown throughout the world.

VERSI BM
Al-JAZEERA

1. Kerajaan Najib mendakwa bahawa Al-Jazeera cuba menggulingkan Kerajaan dengan dokumentari setengah jam mengenai pembunuhan di Malaysia. Ia mendakwa tidak ada kebenaran dalam laporan itu.
2. Jika sekiranya Kerajaan fikirkan tidak ada kebenaran dalam dokumentari ini, maka ia perlu menyaman Al-Jazeera kerana menfitnah.
3. Al-Jazeera ditonton berjutaan orang di seluruh dunia. Kebanyakan akan percaya apa yang mereka lihat. Dengan hanya mengatakan bahawa ia tidak benar boleh meyakinkan sesetengah rakyat Malaysia tetapi tidak akan meyakinkan orang asing.

4. Sesungguhnya semasa Bulan Kemerdekaan Al Jazeera telah menunjukkan dokumentari gemilang mengenai Malaysia, termasuk Perdana Menteri. Penonton mempunyai pilihan untuk percaya mana-mana dokumentari.
5. Dokumentari baru ini bukan akan hanya menghitamkan nama Najib tetapi seluruh negara juga. Tidak menyenangkan diberitahu bahawa Perdana Menteri Malaysia mungkin terlibat dalam satu kes pembunuhan.
6. Najib dan Kerajaan beliau mempunyai tanggungjawab untuk membersihkan nama kita. Bukti perlu diberi bahawa pembunuhan ini, penyembunyian (cover-up), penglibatan polis dan Razak Baginda tidak sama sekali bersalah atas jenayah yang dahsyat ini. Badan Kehakiman termasuk Pejabat Peguam Negara juga perlu membersihkan nama mereka terutamanya yang berkaitan dengan pembebasan Razak Baginda dan rayuan oleh Peguam Negara yang terhad kepada dua anggota polis sahaja. Mereka telah dibicara semula dan didapati bersalah dan dihukum gantung sampai mati oleh Mahkamah Rayuan.
7. Sudah pun rakyat Malaysia di luar negara ditanya apa yang telah berlaku kepada negara kita. Episod baru ini tidak akan meningkatkan imej negara ini selepas skandal-skandal yang lain.
8. Kerajaan mesti mengambil serious filem dokumentari ini dan cuba untuk membersihkan nama kita. Mengeluarkannya dari Al Jazeera di Malaysia tidak akan mengubah apa-apa. Dokumentari ini telah tersebar luas di Malaysia dan masih ditayangkan di seluruh dunia.

Can we label countries successful when there is legal prostitution, criminals and murders as leaders and government??]

You asked enlightenment from Tun. Sorry to intrude but I am offering a perspective.

Let's take a simple case of Dato' Seri Chua Soi Lek.

This fellow was caught with his pants down on an expose' but the MCA people still chose him as their leader.

Why?

I believed most MCA men want to emulate him and he is their precedent where they try to break

the local perception that their leader must be above board in moral issue's.
Luckily the ideas did not hold last than a few term.The majority of MCA people still reject the 'personal' issue's of their leader is a factor affecting the moral standing.
Now let see Anwar Ibrahim issue.
He is the most brazen politician in promoting this ideas.
He managed to sways many muslim in seeing his moral issue's as separate 'entity' from his political stature.
This has happened in Indonesia and this politician's are hoping Malaysia will crumble finally in the idea of 'my morality is not affecting my political standing'.
What we see's in Malaysia today is the act of erosion and desensitization.
We were shell shocked once when babies were murdered by their parent and bodies showed up everywhere.
And now?We accepted them as 'normal' occurrence.
This is a serious desensitization of our own part.
Instead of wondering what we should do we must checked our conscience's wether they have been eroding..the values of our conscience..
Have we done something about our own faith??
Now the mother of erosion have descended upon us.
Yes Najibgate.
Najib is the consummate political animal.A monstrous one at that.
But..

Are we not to share the blame for the moral erosion???

Terima kasih ilioni.

Terima kasih Tun.

179. Tok det, I cuma nak tanya, what is sin tax means to you as umno baru 1st member in 2015?

180. With the current umno melayu muslim as ag in putrajaya, beliau faham ke apakah itu sin tax?

181. What is the difference between government conventional bond and sukuk bond, and what made you visionalized syariah compliace fund?

182. With so much advance breakthrough in medication, dont you think sin tax, like isa, needs to be debated in the federal parliament today?

183. Why prostitution and porn are still in high demand?

184. Why we still have babies being dumped, and is it because of khalwat or being raped?

185. Is khalwat still an illegal act to the younger generation especially malaysia is a country with 52% melayu muslim?

186. Lelaki muslim boleh kahwin empat, but with inflation increasing every year, I believe many domestic violence will increase too if men think it is their basic right to kahwin empat, might not afford to sustain their children expenditures especially in the poor states.

187. Think 50 years from now, can bn still rule say, say 10 years from now?

Allow me Tun:

Saudara / family 'Faridina', I agree with your comments @ <http://chedet.cc/?p=1867#comment-127642>. Tun Abdullah was the PM at that time, and he should have at least made some effort (his own internal investigation) to find out what actually happened on the night of the murder. But, I guess he preferred to be a 'nice' guy – 'Mr. Clean?'. Lepas tangan saja...

Thanks Tun.

Assalamualaikum Ayahanda Tun,

My prediction, after these Al-Jazeera documentary there will be more exposure from the international community towards our most love to hate scandalous PM ever Najib Razak.

See what they did to Khairuddin Abu Hassan and Matthias Chang clearly shows their intention to safe guard DSN who will be attending the UN summit in New York these coming Friday and Khairuddin is suppose to meet up with the FBI tomorrow.

To Khairuddin, I know you won't give up just treat these as some minor hiccups. The last time I met Khairuddin was at the Skypark while waiting for Tun's arrival from Jordan on the 9th of September and we had a brief chat and I managed to convey the rakyat's appreciation for whatever brave action Khairuddin took without fear or favour.

In Allah we belief and the truth will prevail only time will tell and my prayer is with you Datuk Paduka Khairuddin Abu Hassan.

Amin.

Wasalam Tun.

Macam2 kisah tangkapan selepas red shirt rally. Ofcourse yang paling sedih kes Kevin Morais dari hilang, jadi kes culik dan selepas itu sah mati dalam tong beisi simen . Semalam baca pulak pengkritik Najib iaitu Khairudin kena cekup. I don't know much about this guy, kena pulak google, dapat tau dia suami artis Umie Aida, sepupu Anwar Ibrahim. Khairuddin dan Anwar, mereka berdua adalah anak saudara Sulaiman Palestine. Ada pulak terbaca Umie Aida kata rumahnya di Mont Kiara dilelong tanpa pengetahuan dan telah dibeli seorang wanita Damansara.

Aduh macam2. Apa lah nak jadi dengan Malaysia ini.

Tun,

Someone mentioned about abolishing Chinese and the Tamil school and stick to only the national school. I agree it is wasting, stretching and limiting of good resources and budget. BUT before we can start talking about "ONE" education or school system we must know and realized the actual situation on ground-level. To be able to look at things rationally we must views things in multiple levels and reasons. We cannot look at things ONLY from political advantages, one-side, racial and religious angle or views. You mentioned or give yr view about the teaching of moral education in our school system.

Firstly, we must realise that every family and everyone have their own moral priorities and these priorities are a very wide subject. If our Malaysian education system can remove political, race and religious propaganda, the dream of ONE education or school can be achieved.

Someone also mentioned about Non-Malay employer do not want to employ Malays. Again we must first look at the condition rationally. Malays Muslim have too much restriction and taboo to allow Non-Malay or Non-Muslim employer to prefer to employ them. As a matter of fact Malays are hardworking people and they should be the preferred choice. Take a case of a middle size company, if there are Malays employees then the company must prepare for separate pantry or eating place or canteen, prayer room, additional break-time and etc.. This costs money or expenditure and companies are all about profit and reducing cost. Simple example of cost savings for a company is Buddhists, Hindus, Vegetarians or other non-beef eaters do not mind sharing a fridge, table, washed eating or drinking utensils and etc.. with others that eat beef. It is just my simple view to explain about the saying that Non-Malays do not want to employ Malays. Please do not take my comments as anti-Islam as I have no bad intention against the beautiful and peace-loving religion.

Dear Tun,

We must not be carried away with this racial drama that actually is being used by DSN and his warlords to divert our attention from the real issues which are his corruption and abuse of power not to mention his probable implications with those already demised untimely if you know what I mean.

I believe all races in this country want to live in harmony with each other, provided the leaders are fair and do not discriminate or manipulate racial differences to control and divide as in apartheid control regime. I believe racial differences in our country can be sorted out if the leaders refrain from actions which will worsen the situation. DSN and his administration should not in the first place have allowed the red shirt rally to counter yellow. He could have stopped it altogether putting a full stop to any racial glitch that could get worse. Instead DSN condoned what his mouth supposedly shunned. He purposely wants to allow it to happen, nurture hatred between the two races ALL BECAUSE HE WANTS TO MOVE ATTENTION AWAY FROM HIS REAL ISSUES.

Tun, you wrote on Al Jazeera Alantuya. Thereafter other names like PI Bala, Hussein Najadi, Sirul Omar, Azilah Hadri, and God knows who else maybe Teoh Beng Hock? or Ahmad Sarbani? had to rest in peace untimely. Now we hear of Anthony Morais.

What is becoming of us our country? Terror and fear are part and parcel of our lives now. True we can still jalan-jalan cari makan kat shopping mall mana-mana tetapi admit it in the back of our minds we worry about our safety. Even as we stop at the traffic lights.

It is not that everything points to that one person, no. But admit it with these missing people dead people we cannot pretend that we are not affected at all. Whatever is causing all these people being 'deleted' must be so insidiously powerful.

Lastly Tun, I hope nothing untoward will happen to Dato' Khairuddin Abu Hassan. I have no words to express regret that things in this country have truly been turned upside down. It's like we are in a military or police ruled state.

Thank you for the space Tun. Have a restful weekend. Take good care and love you always Tun Mahathir.

daeng, what republic? You really need to wake up from your illusion and being dragged by the politician and looking through just a microscopic racial spectacle. You are just missing the big picture. Rejection of a incompetence leadership by the current leadership doesn't mean that they are trying to challenge the Malay "special" right. Only because they care about this country that they are willing to take the risk to voice their opinion and try to persuade that something needs to be done.

[daeng Sep 18,2015 7:32 AM](#)

daeng, you need to stop the blaming game for your own incompetence. The real problem is because

of the politicians like you who is dividing our fellow Malaysian. Please stop pretending that you are championing and standing up for one specific race.

[Cruze Sep 18,2015 10:47 AM](#)

Well said. I am pretty sure that Tun is happy that you are a living testimony of those who benefited from his policy to pull out our fellow bangsa Melayu up.

If only there is more like you, Malaysia will be a better place to live in and will continue to prosper.

If only some people could understand that respect is to be earned and it is not something that you ask from others or it is a privilege that one just take for granted.

If only some people could stop blaming other people's fault for theirs, there will be no progress possible.

Let allow me share my thoughts, the person who is worthy of the key to Putrajaya:

- 1) Need to be able to show the fighting spirit for what is right (for what they believe is good for the country)
- 2) Need to be someone who is honest to develop the country
- 3) Need to be someone who is smart and someone who can bring progress to our country (In difficult times, make the honest best decision for the sake of the country)

In order for our country to progress, we need to make sure that the gap between different races are reduced and certain government policies are made to help achieve this goal and we have been somewhat successful in doing that. We have produced a number of successful Malay professional. As Cruze mentioned, there is significant difference between what is in the private sector and public sector, why is that the case? There is something very wrong with some policies or events in the public sector. As I have mentioned before, I've witnessed many capable Malays, capable Chinese & capable Indians and there is no issues working as a team in the private sector. I've witnessed some lazy Chinese, Malay or Indian during work as well so there is no point talking about race, it should not be about race. If we get an honest smart leader, they will try their best to do what's right for the country. If by giving advantage to Malays when there is a big gap between other race and the majorities is something that needs to be done, any honest smart leader would do so. An honest leader would think different ways to help reduce the gap.

Special privilege can be something addictive. Is that something that we want it to stay forever? Will this be something be beneficial for long term? Are we able to compete in the outside world when we are so used to the handicap that was always given. I am not suggesting to remove it completely but there needs to be done slowly and encourage to compete with others on a more level playing field. Let's take a look at what's happening in UK, where so many benefits are given out to their local people that makes the local people so lazy that they don't need to work. As a result of that, their debts kept on increasing. After the UK conservative form the coalition government with the liberals and they made some tough decisions to reduce the benefits gradually and make it tougher for people to only live with just benefits without working. Working people with benefits see a reduction in the benefits as well. But to reduce the impact they offer higher individual tax reduction which means that those who are only living on benefits will need to start working and those working class people will get some extra money through the higher individual tax reduction. This is done gradually and the right decision are tough decision and it takes a strong leader to do that. And, by making the right decision for their country, their people have wiped out the Labor group and formed a conservative government in 2015. We sometimes have to trust our people to have the intelligence to select what's best for their country.

Giving options for the politicians to manuever the results is never something good. Government should not be doing business but should be making policies to drive what needs to be changed.

Things will not get any better until we can get a leader who is smart and honest in developing our country rather than taking personal gain. That being said, there is no guarantee when someone is picked and therefore, our public institution needs to be able to operate independently of these political masters! We are in these SAD state where are today because of these shortcoming! Election process is the other vital part which needs to be improved so no political party can influence changes in their favor.

Assalamualaikum Tun,

Sokongan UMNO terhadap perhimpunan baju merah dengan ni secara rasminya UMNO telah mengatakan "good bye" kepada kaum bukan Melayu. Kesan sokongan jelas dengan penyertaan pemimpin-pemimpin UMNO dalam perhimpunan baju merah jelas terpampang di akhbar-akhbar dan sekarang ini. Saya yakin mustahil kaum bukan melayu akan sokong BN pada PRU ke-14. MCA, Gerakan dan MIC dan mana-mana parti bukan melayu dalam BN akan kehilangan semua kerusi mereka jika mereka bertanding di kawasan yang majoritinya kaum bukan Melayu. UMNO mungkin terpaksa menyerahkan kawasan mereka kepada parti BN bukan Melayu. Menjelang PRU 14, mungkin orang melayu akan mudah lupa peristiwa perhimpunan baju merah, tetapi tidak orang bukan Melayu. The Chinese and Indians will never forgive nor will they forget the red shirts rally. Dengan ini jelas UMNO mengharapkan undi-undi Melayu sahaja. Masalahnya orang Melayu pun sudah meluat dengan UMNO kerana isu 1MDB dan yang berkaitan dengannya. Kalau dlm markah periksa, UMNO telah kehilangan 50% markah. Tinggal 50% sahaja markah yang tinggal (undi melayu). Sedangkan passing mark adalah 50%. Apakah UMNO begitu yakin boleh dapat kesemua undi melayu? Good Luck.

For HBT3456, the Singaporean little worm who thinks we full-blooded Malaysians are stupid, naive, gullible, friendly and hospitable and we all line up to accept their snide remarks. We are not small-minded, little worm. Your late Boss the crooked conman and Dictator Lee Kuan Yew (1959-2015) was. He went all the way to prove his honesty and incorruptibility by making bankrupt those who libelled and slandered him. But from 1959 to 2015, Singapore is ruled by nepotism which is alive and well.

IT IS VERY CLEARLY CARVED IN STONE BY THE WESTERN DEMOCRACY THAT IF YOU MUST HAVE POWER TO GOVERN THEN YOU CANNOT HAVE MONEY OVER AND ABOVE THOSE WHO HAVE NO POWER. THIS PRACTISE IS FAIR AND HONEST ! Anything less than this is crooked and a con-job. There is no escape, little worm ! All overt and covert acts are recorded in history. This is why two of the finest Indians of Mother India, population 1.2 Billion, could not bear to hear the rubbish which spewed forth from the little Dictator of Singapore, population 3.2 million especially the nonsense about his brilliant academic achievements of 1947.

Little worm, HBT2345, you mean these two finest World Class Indian gentlemen of Mother India are MAVERICKS (like me) because they expressed facts and did not kow tow or submit to the seductive blandishments of your late Boss, the little Dictator !

Finally, in 1982, your ex-Foreign Minister, S. Rajaratnam, the ideologue of the PAP wrote a 2 part article in the Singapore Business Times that in time your beloved homeland Singapore will go the way of Sparta, Goa, Gibraltar, Hong Kong, Palembang, French Pondicherry etc., no matter how hard your late Boss the crooked con-man Dictator or you tried to up-lift or bolster the dead horse now known as the Republic of Singapore or beat down the presenter of facts like me.

It is only a matter of time. Sorry little worm ! It is time for you not to talk so big well above your little size to us NORMAL MALAYSIANS ! Do you know when Singaporeans talk like you behave like jokers or bluffologists ! All hanging on to the tail-coat of your ex-Boss the little Dictator, the guy with the feet of clay !

These are facts. It is crystal clear that all of you have no legs to stand on, like the Singaporean Trojan Horse DAP since your dear Dictator is now found to have feet of clay from the facts so presented. Even though he was honest, frugal, hard-working and did not travel to play golf. But when he did travel, it was always with his wife on SIA, his love of POWER AND NEPOTISM is another form of a person's weakness.

MAN PROPOSES. GOD DISPOSES.

MALAYSIA BOLEH ! MALAYS BOLEH ! MALAYSIANS BOLEH !

Within 25 years or earlier, Singapore has to consider 5 Options :-

1. Merge with the United States as the 53rd State of the Union. Our venerable Johor Straits become a monsoon drain with a chain-linked fence. We may say 'Selamat Pagi Amerika.' to our neighbours inches away.
2. Become a British Colony again. Even the Scots want out.
3. Confederate with ScotLand and create a Confederation of Scotsmen and Chinamen, a super kiasu union of sorts with a Jewish President !
4. Re-merge with Malaysia. But the ancients forbid because a good horse does not return to old pastures !
5. Maintain status quo with an Indian Prime Minister together with the highest cost of living in the World and a humongous foreign manned military of Lend Lease hardware against neighbours who love to play 19 holes of golf every day and will never defend an inch of their Sovereignty, National Interest, Self-esteem unlike South Korea, China, Japan and India. They love to do the easy way by giving things away always !

Assalamualaikum.

Tun,

1. Saya ingin menyambung sikit tentang ulasan saya tentang bangsa "Cina" yang pro DAP yang saya anggap sebahagian darinya tersangat biadap.
2. Saya minta maaf jika tulisan saya menyentuh perasaan individu tertentu khususnya kaum Cina.
3. Saya bukanlah seorang yang extreme dalam satu-satu bangsa tetapi menjadi agak extreme bila melihat kumpulan dalam satu-satu bangsa begitu extreme bila mendapat kuasa.
4. Kuasa yang dimaksudkan adalah kuasa politik.
5. Orang Melayu juga bangsa lain yang perolehi kuasa kebanyakannya bongkak dan tidak boleh ditegur. Kumpulan inilah yang amat saya benci.
6. Kita sebagai rakyat Malaysia sewajarnya kena banyak bertolak ansur tetapi malangnya kumpulan/individu yang extreme inilah punca perbalahan antara kaum di negara ini.
7. Jika kaum India dan Cina contohnya begitu extreme dan bersikap kurang ajar kepada bangsa Melayu seperti mahu menjadikan negara ini sebuah republik, ianya akan menaikkan darah Melayu seperti saya, mungkin juga Melayu lainnya.
8. Sebahagian kaum Cina / India yang extreme inilah puncanya persepsi negatif lahir dalam diri Melayu akan terbit rasa "curiga" kepada mereka yang majoriti Melayu merasa kurang selesa dengan tindak tanduk mereka.
9. Saya tidak hairan seperti tragedi di Indonesia beberapa tahun lalu menyebabkan Cina menjadi mangsa "pembunuhan" kepada kaum tempatan Indonesia kerana ketidakpuasan hati mereka.
10. Sebaiknya kita tidak mahu perkara tersebut berlaku di sini dan begitu juga tragedi 13 May 1969.
11. Saudara KLCC, saya menganggap kamu bukanlah golongan seperti itu dan teguran saya tentang Cina yang extreme adalah pandangan peribadi saya dan mungkin juga majoriti Melayu. Ianya teguran yang mungkin boleh membuka mata kita agar masyarakat Malaysia boleh lebih cerdik dan lebih memahami sensitiviti kaum dan beragama di Malaysia.
12. Untuk itu saya bukan saja mahukan semua rakyat lebih cerdik tetapi pemimpin no 1 seperti PM lebih cerdik dari rakyat.
13. Malangnya PM sekarang ini saya anggap kurang cerdik dari rakyat, oleh itu wajarlah Najib dan menteri-menteri dalam kabinet Najib seperti Salleh Said Keruak, Ahmad Maslan, Zahid Hamidi, KM Melaka, Ketua Puteri Umno Melaka dan orang seperti Shahrir Samad, Tunku Aziz, Duta Malaysia ke Indonesia Shahrin disingkirkan.
14. Saya cukup yakin ramai lagi ahli parlimen yang lain lebih bijak dan bukan kaki rasuah berbanding mereka yang hanya bijak mengampu dari idea membuat kerja demi kesejahteraan rakyat semua.
15. PM mesti bijak bukan dipijak.

Wassalam.

Salam Tun, saya hanya seorang housewife dapur tapi bukan seorang yang bodoh, tidak tersangat beremosi(emosi ada kalau tak bukan manusia la), tidak juga pekak dan buta hingga tak tahu hal dunia luar selain dapur. Saya hanya menyampaikan pendapat saya pada Tun, itu pun kalau Tun sudi menyiarkan.

Sept 18 2015 5.32pm

"Yang lagi parah ada yang melalut tentang keadaan di Universiti Awam"

Bukan kerja saya nak melalut tak tentu pasal. Apa yang saya sampaikan di sini adalah secebis saja news dari kampus supaya ibu2 mengambil perhatian pada anak2 mereka di U w/p mereka sudah besar panjang. Ia adalah keadaan sebenar yang terjadi di sebuah UA. Go read the news, nak tau sebab sebenar go ask the polis. Anak kelima saya baru saja masuk U dalam dua minggu di suruh mengundi pemilihan MPP. Ada pihak memberi kata dua/arahan/amaran/suruhan...call whatever you want, "kamu akan dibuang U kalau kamu X calon si fulan si fulan" or "kertas undi kamu ada no. siri kami tahu nama kamu dan siapa kamu undi". So saya beritahu anak saya no way berani mereka nak buang U budak2 ni hanya kerana undi calon so & so, mereka tak ada hak langsung. Just tektik takut menakutkan budak2 ni untuk meraih undi. Saya nasihat buatlah pilihan ikut hati masing2 dan yang selalu nampak kelibat sebab belum betul2 kenal. Tamat pemilihan MPP mesti tumpu pada pelajaran. Beginilah cara pilihanraya kampus U. Selama ni hanya dapat info dari berita perdana so now anak sendiri mengalami first hand. Empat orang anak yang dah masuk U tak pernah cerita hal pemilihan di U masing2, semua alright je pada mereka.

Kalau ada yang masih anggap saya ni melalut lagi pi la selidik sendiri, I'm sure you kenal ramai kenalan terpelejar dan berpengaruh, koreklah info daripada mereka. saya ni housewife dapur je so connection yang ada, just my six children. They are trustworthy dan tak pernah saya ajar mereka menipu dan cakap bohong.

Tun, semasa Tun belajar di U Tun berpolitik kan, cemerlang juga Tun ye. Mari kita doa ye Tun anak2 muda kita di U cemerlang tak kira yang minat berpolitik atau tidak. Kata2 yang diucap oleh seorang ibu adalah seperti doa. So kita cakap yang baik2 kepada mereka, insyAllah mereka keluar nanti jadi insan yang berguna pada negara, bangsa dan agama.

Tun, Allah beri kita akal untuk berfikir, menilai dan memilih. If I choose to puji sanjung giler you Tun, that's my choice so too if someone choose to puji sanjung giler DSN or siapa2 or apa2 that's his/her choice. Hak kita untuk memberi pendapat dan pertimbangan saksama, akhirnya yang penting hasilnya yang memberi faedah yang benar2 terbaik untuk negara.

Sorry Tun, ingat nak keep it short and sweet. Nak buat ayat2 pendek nanti ada yang tak faham and kata melalut lagi. Yang sudi baca silakan, yang tak sudi just skip through, no problem.

Sorry again Tun, memang dah keluar topik. Nak beri pendapat tentang hal duit hilang berbilion2, hal Al-Jazeera tapi nak buat macam mana, this 'think-tank' orang2 dia pandai dok spin spin jadilah kesah "Yellow vs Red". Bukan mudah otak kita nak di manipulate or di infiltrate but this issue perkauman dibangkit mesti juga dibahas untuk di nokhtahkan kalau tak jadi kuman berjangkit. Ada ramai bijak pandai di sini dan lebih berinformatik yang boleh memberi banyak ide dan pendapat tentang topik sebenar yang terhangat ini. So stay FOCUS everybody. Me too.

May Allah Bless you Always Tun. Take care Tun. And I sanjung hormat puji you giler2 Tun. Honestly.

Dear Tun,

I'm off the topic here. Allow me to give my 2 cents. Now that most of us has become so racist here due to this yellow and red demonstration, why don't we go back to basic. Why don't we just abolish the Chinese and the Tamil school and stick to only the national school with the national language. We are the only country in the world with these kind of schools – with three languages. If we abolish the Chinese and the Tamil schools and let our children attend to the national schools, then they will grow up truly as Malaysian.

" is only elementary my dear Watson "

I rest my case Tun and good nite.

Don Corleone – still gloating over Man United win over Liverpool.

For the little Singaporean worm THB4321. What are words ?

A long time ago, I learnt that talking is exactly like shooting bullets out of a gun. There is no way you can retrieve your words or bullets back. Look at the rubbish which spewed out of your brainless mind at the behest of your PAP bosses. This rubbish is nothing. This is not the way to convince as I discovered. And what I do now is to de-comtaminare the decades of brainwashing that Lee Kuan Yew and Singapore are great. This is all rubbish without the collusion of the West. Please read two comments of top distinguished Indians from Mother India to put facts about Lee Kuan Yew and Singapore into proper perspective. :-

http://www.hmb.utoronto.ca/HMB303H/weekly_supp/week_o2/sen_Aasian_value.pdf. This article was written by one of India's finest sons, Amartya Sen, a Nobel Prize winner who topped everything academic in the West about the fallacy of Lee Kuan Yew's defense of his cruel authoritarianism.

And TJS George, a distinguished journalist of Mother India wrote this in his Blogspot in June 2010.

" The West has spread the impression that Singapore's Lee Kuan Yew is Asia's outstanding economic miracle man whilst Malaysia's Mahathir as a cantankerous ogre, hater of white people and dictator to boot. Both were dressed up portraits. What makes Mahathir special is that while pursuing economic progress, he never lost sight of the larger picture of human values. That cannot be said of Lee Kuan Yew and certainly not of Indonesia's Suharto and Thailand's Thaksin Shinawatra."

The above distinguished comments by World famous Indians of Mother India were unsolicited. TJS George wrote a book, " Lee Kuan Yew's Singapore." in 1973 in which he highlighted the failings of Lee Kuan Yew that long ago !

I admire and respect the Indians of India !

There are a few instigators like the Singaporean worm TBH4567 who bring the gutter politics as created by them from the streets to this distinguished Blog. Let them do so in order that those sensible Bloggers who are so inclined reply to them.

And for the embedded worm, BHT6069, it is the person who utters insults or scolds me like you that is inferior to me in all respects, mentally and physically. This shows your low class. Why should I bother with worms like you ? Have you ever achieved 1st place in your Singapore primary school ? If you have not, please do not display the inefficacy of your verbal attempts anymore. It is shambolic !

For the Ministry of Information, Singapore, the embedded worm BTH6969. Many thanks again for publicising me who is perfectly NORMAL unlike your crooked conman and Dictator Lee Kuan Yew (1959-2015).

Your Boss, the Dictator is the maverick, rogue and an ABNORMAL product of the venerable University of Cambridge. If he had been NORMAL, no one could better him. But such was his character that he cannot even stand up against our beloved Tun Dr Mahathir Mohamad as to his shambolic record. Here is one of his 42 failed Policies :-

From the 1970s to the 1980s, he enforced the 2 Child Family Policy which failed miserably and caused great unhappiness amongst the citizens by the abortions, sterilizations, suicides and mental depression. He expressed no morose over his cruel deed which was only surpassed by Hitler. Since then no one was stupid enough to apply such a Policy on a robust population of 2 millions of which only 1.6 millions were productive. 300,000 of his supporters emigrated during this period. By using abusive words will get you know where, little worm.

TBH. WHAT IS SO SACROSANCT ABOUT THIS LEE KUAN YEW THAT NO ONE CAN PRODUCE THE FACTS OF HIS MISDEEDS TO THE WORLD ? WHAT IS SO SPECIAL ABOUT HIM ? I NEVER CRITICIZE, INSULT, OR ABUSE HIM. I PRESENT THE FACTS. HE IS AN UTTER FAILURE IN DEALING WITH HUMAN RELATIONSHIPS AND RESOURCES.

For the uninitiated Blogger, please view

<http://chedet.cc/?p=464> for the true facts on Lee Kuan Yew so that we may appreciate the good deeds of our beloved Tun Dr Mahathir Mohamad better. One has a warm and compassionate personality. The other is just a just an educated bully !

dibawah kepimpinan DS najib.malaysia pun tak selamat dah.

bukan tu saja dengan baju merah racist yg diupah oleh kroni2 DS Najib untuk menghuru-harakan lagi malaysia ni.

agak-agaknya yg penyokong setia DS najib ni yg hadir perhimpunan baju merah ingat rakyat ni bodoh kut.Nampak sangat laa diorang tu dibayar untuk datang bukannya datang secara rela.

tertarik dengan setengah komen-komen dalam ccchedet ni. Ada melayu cerdik ada melayu bodoh. Yg hadir ke baju merah tu memang melayu bodoh yang melayu cerdik macam kita ni la nampak sangat dah kroni dan pengikut DS najib ni nak alih cerita pasal 1mdb, Gst, donation a.k.a Rasuah dan ekonomi yg makin teruk di bawah kepimpinan DS najib.

betul cakap tun, Melayu mudah lupa. Yg ketegori baju merah tu memang melayu yg mudah lupa. Yang menjahanamkan bangsa melayu adalah bangsa melayu sendiri. Ini yg masalah ni sedih. Harap-harap cepat-cepat laa ada undi tidak percaya kepada DS najib ni untuk pulihkan balik malaysia ni sebelum tergelam lebih dalam lagi ke lembah rasuah yg makin teruk.

Do you know what is the use of "Clorax"? If you dont know, it is use to bleach things or clothing.

Do you know there is new usage for "Clorax"? If you dont know, it is to bleach your brain, mind and thoughts because it is too colorful now.

Dear Tun,

May you as healthy ever. Cheers.

My two cents opinion:

1) We are born on this bless country. Sincerely don't have any issue living together with Malay, indian or any others races. The more the better , because there are different and interesting unique cultures with different races. To me, it enrich my live with all this interesting cultures and peoples. I enjoy visiting ours friend in classes, seminar, breakfast / lunch / dinner, sports and many more. To a normal citizen, beside of living in a hectic city or rural area; what we need is a peaceful country as well as a sound and sustainable economy.

2) Every one of the citizen will try their best in their profession to find a living. With the money that we earn, we can spend for food, education, houses, car, paying taxes and saving in bank (ideally). With the taxes money that we contribute , we hope that the leaders in the country can offer better medical services, public transport, reasonable cost for food, electricity and water, good public education, better ways to improve the public security, investment of R&D on what are those industry that can improve country's income so that we can still excel even when the natural resources done using and many more. I don't think any citizen will have excuse of not supporting the government if 80-90% of the above stated have been achieved.

3) When the leader is under perform, I think we should stand firm with our thoughts that they will be some one else that is more qualify to lead the country. That's why there must be rules and qualifying systems to select the leaders of the country.

4) Lastly, 916 rally and racism remarks are just time delaying and diversifying tactics. We should once again re-tune and stay focus on what are the major un-solved issues.

5) Don't give up and keep up the spirit with one goal. Unite.

121. Alan, do you know why the singapore opposition leader was sent to jail in the 80s by the late lky?

122. He is bankrupt, and in australia living as a lonely old man since his wife and children have left him long long time ago.

123. He speaks very good cantonese.

124. During that time, the late lee went to hongkong and roc taiwan to learn more about these countries since this tiny red dot has nothing, and as the pm, he took the challenge to generate income to run singapore as a country.

125. He was booed by hongkongers and taiwanese activists and if you are smart, you know it is very hard to be a lee kuan yew.

126. With regards to bank bumiputra finance, late jalil ibrahim was trapped, strangled and stuffed in the suit case in a 5 stars regent hotel in hongkong, does alan know the top man of bbf during that time was tengku razaleigh?

127. Uncle maverick mubarak chan keeps criticizing the late lee reminded me of henry chin, downline of the late jalil ibrahim in hongkong who instructed him not to approve the loan, and wait for him to return to the office, got scared and frightened being pressured by these people who have the written note of bbf chairman instruction from malaysia head quarter to release the 400 million usd.

128. Today, because of internet, we can read and watch untold stories of the past which can never be allowed to publish by malaysian publisher since oops lalang operation, and I believe dsn is one of the umno leaders of the oops lalang that said mandikan cina dengan darah.

130. Today, dsn has shown malaysians especially my race the ugly side of him.
131. Because of his greed for wealth and power, he once again used oops lalang supported by tengku razaleigh, sponsored perhimpunan rakyat bersatu to frame dap when all bn component parties said no to this rally.
132. Even if dsn is not jail, but his name will be tainted in umno history and malaysia forever.
133. Good luck to all the malaysian politicians, and here I wish you all best of luck, to make our trx a syariah compliance sc, the first of its kind in the world.
134. Nurul izzat, you will be the role model for young malaysians, dont give up and do your best to clear your father's name.
135. By that time, we can proudly claim ourselves as Malaysia Boleh Keranamu.
136. Thank you tok det once again for the space here for me to blog to unblog because being a mahathir is very hard too.
137. Without his vision and effort, we will not come this far.
138. Once again tok det for allowing me to understand our politics more.
139. Aku rakyat malaysia.
140. I hope chinese vernacular school is abolished so that xiamen university in sepang with be the first chinese university outside china to teach in english, and if mca can do this, I will proudly say malaysian chinese boleh.

Salam YAB dan Yang DiKasihi Tun,

Mohon izin Tun untuk memperlihatkan bagaimana sesetengah orang boleh percaya dengan FITNAH tanpa usul periksa dan 'meroyan' marahkan golongan tertentu, dan macam2 perkara tidak elok & tidak wajar telah diluahkan dan diperkatakan.

///

Eric Paulsen Nafi Siar Gambar Himpunan Baju Merah Yang Dipalsukan

PETALING JAYA: Peguam Hak Asasi Manusia Eric Paulsen menafikan menyiarkan gambar perhimpunan baju merah yang dipalsukan di Facebooknya.

<http://www.mstar.com.my/berita/berita-semasa/2015/09/17/eric-paulsen-nafi-posting-gambar/>

///

Nafi lah selagi boleh nafi! Posting palsu? Jadi benarlah ia gambar yang diedit! Malangnya bagi yang suka percaya kepada FITNAH gambar tersebut dianggap benar, dan macam2 kejian telah dilempar kepada pihak yang didakwa menghina / memaki mereka.

Sebagai seorang Islam yang baik / beriman, kita sepatutnya tidak sekali-kali percaya kepada berita2 buruk (yang boleh melaga-lagakan antara kaum – contohnya, isu 'Cina babi, pendatang, etc...) TANPA MENYIASAT kesahihan berita tersebut.

Saya tidak akan membela mereka yang menggunakan kata2 kesat & memaki hamun, tetapi saya lihat di blog Chedet ini ada segolongan pengkomen yang sentiasa memandang serong dan sentiasa ada rasa 'syak wasangka buruk' ke atas apa saja kejadian atau 'event' yang buruk yang berlaku. Cepat saja 'jump to conclusion...', dan hasilnya lahirlah tuduhan2 yang besar kemungkinan adalah fitnah.

Contoh yang lain ialah kes Kevin Morais; tanpa berfikir tentang 'DOSA FITNAH' yang besar, sudah ada yang membuat andaian (boleh dirumus dari penulisan) yang ianya dilakukan oleh pihak tertentu yang mereka sangat 'benci'. Dan mereka ini juga sentiasa 'claim' yang mereka golongan bijak-pandai...golongan yang lain dari mereka semuanya bodoh-bodoh belaka...

Lagi satu selama saya hidup di bumi Malaysia (Semenanjung), saya masih lagi berasa selamat untuk keluar berjalan-jalan ke mana-mana tidak kira siang atau malam (cuma jangan dedahkan diri kepada persekitaran yang membahayakan diri sendiri).

Ada pihak yang 'fitnah' Malaysia sebagai tidak selamat langsung cuma kerana kemarahan mereka kepada beberapa individu / pihak. Kawallah sedikit kemarahan / emosi tu... Mereka yang terlalu beremosi ini jugalah yang konon nya teramat sayangkan Malaysia. Elok buat muhasabah diri.

Ada yang kata kesemua sistem sudah korup. Jika saya disaman Polis, saya bayar saja saman, dan tidak pula pernah saya dipaksa membayar rasuah. Bila berurusan dengan agensi2 Kerajaan, tidak pernah pula saya dipaksa bayar 'duit kopi – rasuah' untuk apa2 urusan. Pergilah berurusan di Indonesia...pemberian 'duit pelincir' bagi kebanyakan urusan perkara biasa..setiap level ada harga tertentu. Jadi, berpada-padalah jika ingin mengutuk pihak yang kita tidak suka.

Yang lagi parah ada yang melalut tentang keadaan di Universiti Awam. Setahu saya yang suka mengheret pelajar2 ke kancah politik ialah pihak Pembangkang (dipelopori oleh Anwar). Pelajar2 wajib tumpukan perhatian kepada pelajaran, bukannya sibuk berpolitik dan menghasut orang lain;

hakikatnya, majoriti pelajar2 yang sibuk berpolitik bukan pelajar cemerlang; mereka jugalah jaguh berdemonstrasi yang kerjanya asyik menyusahkan orang awam.

Maaf Tun, saya perhatikan blog Tun sudah jadi medan bagi pihak pro-Pembangkang untuk memfitnah / menghasut. Yang lagi pelik saya baru dapat tahu antara mereka (Batu api? Busuk hati?) yang desak Tun supaya tubuhkan parti UMNO baru adalah dari kalangan kaum Cina yang saya jangka sememangnya suka jika UMNO / Melayu berpecah-belah supaya mudah untuk ditumbangkan. Nada tulisan seolah-olah 'prihatin' lah sangat! Saya harap Tun tidak rasa TERUJA dengan puji-pujian tinggi melangit dan bodekan mereka ini terhadap Tun (saya sendiri segan untuk puji Tun sebegitu tinggi) sehingga Tun berasakan yang mereka ini memang mahukan yang terbaik untuk Malaysia.

Terima kasih Tun.

*** Semoga Allah S.W.T. sentiasa melindungi Tun sekeluarga ***

No need to talk so much about this and that. It is obvious that the current leader and his gang is playing Tai ichi with the citizens of the whole country as long as it takes . till over time they are tired and changed their minds into accepting him . When election time comes he will draw all the cheats in the agencies to make sure he wins. So you must be strong in your direction and pray for the country. Till then Tun pls keep going strong !

Assallammualaikum Tun.

Saya mohon ruangan.

Saudara Cruze..

[MD saya menghormati saya apabila saya nyatakan saya tidak meminum arak dan saya hanya berdiam diri apabila ada staff bangsa melayu yang meminum arak....itu hak dan pegangan masing masing bagi saya]

Dukacita saya nyatakan saya tidak bersetuju dengan saudara.

Apabila saya berlatih untuk menjadi pegawai kadet Tentera Udara Malaysia, saya mengesyaki bahawa arak adalah amalan 'normal' pegawai-pegawai tentera.

Tak perlu kita pergi lebih terperinci.

Pokok persoalannya jika kita ingin mata hati kita tajam maka semua penglibatan kita dalam maksiat amat merugikan kita.

Saudara sebagaimana 'mainstream' tidak terdidik dalam konsep 'divide and rule'.

LLP (Lain-lain pangkat) diasingkan dimana tempat makan NCO (Non Commissioned Officer) berbeza dengan mess Pegawai. Apa akibat dari pengasingan ini?

Mereka yang diambil secara berperingkat seperti TJP 50 tidak akan merasa 'brotherly' dengan TJP 51 dan seterusnya. Tidak ada persaudaraan yang hebat di antara pegawai di antara lain-lain intake apatah lagi pegawai-pegawai dengan LLP.

Jika tiada kesatuan yang utuh dikalangan tentera bagaimana dengan polis, kastam dan kesemua agensi penguatkuasa di Malaysia? Bagaimana dengan bidang pendidikan? Ringkasnya struktur 'mikro' kita bermasalah. Bagaimana kejituan akan terhasil dari output makro? Kesemua ini adalah sebahagian dari perancangan 'anasir-anasir' barat. Saya percaya saudara tidak pernah merasa kesatuan dan kekukuhan yang hebat dari persaudaraan di dalam perjawatan saudara. 'Brotherhood Of Roses'. Sebaliknya yang ada di dalam dunia korporat hanyalah 'Fraternity Of Stone' dan 'The League Of Fog And Night'. Jika ada yang tertanya-tanya apa kena mengena dengan posting Tun, ianya adalah penjelasan tentang pendidikan Yang Amat Berbahagia Ahem Piem kita. Jika kita terdidik tidak mengambil kira tentang persekitaran hidup kita dari semua aspek maka kita tunggu sahajalah akibatnya.. Akhir kata kesemua manusia bertanggungjawab di atas perbuatan masing-masing. Cuma saya ingin mengingatkan bahawa kita semua akan menyesal nanti sebagaimana tersebut di dalam Al Quran.. "Demi jiwa yang menyesali dirinya". Akhir kata mari kita hayati kata-kata dari waja timur di mana saya mendapat banyak ilham daripadanya. Apabila kita telah mencipta sesuatu dengan tangan sendiri maka jangan sekali-kali menyesal kerana...

Penyesalan hanya akan menambah PENDERITAAN..

Terima kasih Tun.

sudah lah Tun, kamu tidak akan berjaya ... isu semasa nasional sentiasa dapat dilenyapkan dengan mencetuskan permusuhan kaum di negara ini ...

cara yang paling mudah (digemari Tun) ialah menyalahkan orang lain terutama orang cina dengan pelbagai alasan seperti yang telah berlaku hari ini

a) Dulu gambar Tok Nik Aziz dikencing, gambar pemimpin bangsa lain disambar cat dan patung dibakar ... penjilat Tun seperti KLCC, superman1, daeng tidak bersuara – Apabila terdapat budak cina yang tidak bersopan melakukan perkara tersebut semasa bersih 4, penjilat Tun mengamuk dan menggunakannya sebagai alasan untuk mectuskan konflik

b) Tak habis-habis dengan slogan "cina halau melayu" di pulau-pinang yang tidak mempunyai fakta walaupun secara umumnya fakta berikut diketahui ramai:

Fakta 1: Siapa yang menjual tanah rezab melayu di pulau pinang? orang cina? carilah dengan Google, terpapar nama-nama manusia mana yang melakukannya

Fakta 2: Peruntukan hal ehwal agama islam pulau pinang

2008 (BN) – RM25.7 juta

2009 (Pakatan Rakyat) – RM33.2 juta

2010 (Pakatan Rakyat) – RM38.9 juta
2011 (Pakatan Rakyat) – RM45.7 juta
2012 (Pakatan Rakyat) – RM64.03 juta

Fakta 3: Peruntukan tambahan sekolah agama rakyat pulau pinang

2008 (BN) – Tiada
2009 (Pakatan Rakyat) – RM1.5 juta
2010 (Pakatan Rakyat) – RM1.75 juta
2011 (Pakatan Rakyat) – RM1.75 juta

Fakta 4: Saguhati tahunan guru KAFA pulau pinang

2008 (BN) – RM659K
2009 (Pakatan Rakyat) – RM879K
2010 (Pakatan Rakyat) – RM913K
2011 (Pakatan Rakyat) – RM900K
2012 (Pakatan Rakyat) – RM900K

Fakta 5: Sumbangan kepada Al-Huffaz pulau pinang

2008 (BN) – Tiada
2009 (Pakatan Rakyat) – RM75K
2010 (Pakatan Rakyat) – RM100K
2011 (Pakatan Rakyat) – RM130K

it's a out time najib bugis warrior . mazlan nasi goreng. zahid half indon.top cop . ikan man . and many others to start investigating their accounts and lifestyle .

something not right here . they talking without sence . protecting their turf too much .

the public should all start questioning these people . their lifetyles . watches they wear . houses they live. cars they drive .. etc etc

this will keep them busy rather then bringing. up or defending other issues .

The rally was called because Malays are disappointed that Malays and Islam were insulted.

They insult our PM and step on his picture. Our PM was democratically elected.

We condemn Bersih 4.0 and the participants for stepping on (PAS president) Abdul Hadi Awang's picture.

We also urges for the Internal Security Act, which allows detention without trial, to be revived.

TOGETHER WE FIGHT...!

Sudah sudahlah baik KLCC, superman1, daeng dan lain lain...jangan di perbesar besarkan lagi isu ini, kita bukan ingin untuk mendengar keputusan siapa menang atau siapa kalah jika kejadian 13 may berulang oleh kerana tindakan najib, jamal ikan. Ahmad maslan, bung mokhtar, rahman dahlan, syed ali dan lain lain.....

Saya adalah general manager di sebuah syarikat bangsa cina,kami bekerja secara profesional di mana managing director saya memberikan segala kemudahan untuk saya atas khidmat saya dan membenarkan say membuat semua keputusan...kami bekerja secara aman tanpa membezakan bangsa dan agama....MD saya menghormati saya apabila saya nyatakan saya tidak meminum arak dan saya hanya berdiam diri apabila ada staff bangsa melayu yang meminum arak....itu hak dan pegangan masing masing bagi saya.

Pada asalnya sejak dari zaman TUN bangsa bangsa lain sudah sememangnya menghormati antara satu sama lain dan mereka juga menghormati bangsa melayu sebagai pribumi..bangsa cina memang terkenal kerana kuat bekerja dan berniaga, ini terbukti di mana mana di pelusuk dunia pun...

Harapan saya agar KLCC, superman1 jangan perbesarkan lagi demi keamanan kita.

Saya bukan mahu menyebelahi bersih 4 apabila memijak gambar najib dan hj hadi, sebenarnya gambar najib di pijak adalah mungkin kerana karma dunia apabila dia mengatakan bangsa melayu akan bangsat kalau tak sokong dia. Ternyata dia dah dapat bangsat mengapa jamal ikan dan lain lain bermatian mengatakan maruah melayu tercabar?.....ini semua adalah orang orang yang cuba menangkup di air keruh dengan menimbulkan isu isu yang amat bertentangan dengan matlamat aman makmur.....

Seharusnya kita wajib mengangkat sendiri martabat dan maruah sendiri secara terhormat atau terpelajar bukannya memaksa, merayu atau menyembah bangsa atau orang lain agar menghormati kita dengan memelihara peradaban bangsa sendiri.

Apa yang kita lihat najib dan sekutunya langsung tidak memikirkan maruah, martabat dan masa depan anak bangsa dari sudut sosial sebagai contoh menteri2 yang agak biadab dan mengajar kepada kemaksiatan seperti azalina itu, menteri pelajaran yang agak bodoh hingga asik menukar kurikulum sekolah, menteri pertanian yang seolah tidak pandai juga, menteri dalam negeri yang gagal memelihara perangai dan personaliti hingga ramai yang di lihat tiada beradab, menteri2 yang tidak bijak seperti shahril samad, ahmad maslan, rahman dahlan dan lain lain, menteri yang dah tua serta otaknya dah lemah seperti sahidan kassim dan azalina othman, menteri yang kepandaiannya hanya memburuk2 orang lain seperti salleh keruak menteri yang nampaknya tiada keyakinan diri dan teragak agar bila berucap seperti hishammuddin.. menteri yang hanya seolah dari keluarga gangster seperti zahid. ini semua barisan pemimpin termasuk najib sendiri yang telah menjatuhkan maruah kami orang melayu....

Kami ini orang Melayu, cina, india dan lain lain sebenarnya ok dan tiada masalah akan tetapi tindakan jamal ikan dan ali rustam yang gila popular sejak akhir akhir ini dengan sokongan kuat najib sehingga kan gagal mengawal pengikut baju merah sehinggakan mengapa? Kamu gagal membentuk sikap mulia pengikut kamu sehingga mereka membawa sepanduk" musnah kan sekolah cina"...harap najib tahan pembawa sepanduk itu di bawah akta isa demi membuktikan keadilan tidak mengira kaum di malaysia demi keamanan negara....

Najib, jamal ikan dan ali rustam harus memberikan sikap dan tauladan yang mulia demi maruah orang melayu.

Dear Daeng,

Let me correct you:

- 1) Penang is also rule by Chinese b4 DAP.
- 2) Chinese go BERSIH to fight DSN, corruption, injustice, etc.
- 3) If DSN down, other more qualify malay will take over, if UMNO is down in PRU14, also malay will rule Malaysia.
- 4) Chinese didn't steal your job. It is malay don't want to do the job because the job need hardworking, long hour, commitment, responsibility etc, majority of malay can't do it.
- 5) Chinese didn't steal you land. Originally the land belong to Malay, It is the malay who sold it.
- 6) Chinese didn't steal your property. Every new property have reserve unit for bumiputra with "DISCOUNT" price, it is malay don't want to buy.
- 7) Singapore is out from Malaysia because they are force to out due to political reason. At that time nobody would know it can become prosper as it is today, it is consider a wasteland that time(the place got nothing). Now they become prosper, please don't blame the Chinese, they prosper because they are hardworking & less corruption.
- 8) Chinese didn't steal your right. University still have quota system, Gomen,police people still malay, Main contractor for gomen project still go to Bumiputra company etc.
- 9) Chinese just want to earn a honest living in Malaysia.

For all the malay friend who want to blame the Chinese, please be fair & honest. You are taught in Islam from a kid to old age.

115. Tuanku sultan johor dah bagi warning kat sesiapa yang ingin bermain isu perkauman, tuanku sendiri akan berdepan dengan mereka.

116. Football uae menang 10-0 already proven that bn has failed in this sports miserably, thanks to the intereference of politicians who know nothing about this sport.

117. It is up to you daeng to decide which coliation you vote because the next 20 years, kedudukan melayu macam daeng pasti akan dilemaskan pendatang dari bangladesh dan indonesia.

118. I already made up my choice, I will vote dap to tell off mca and gerakan not to bangsat my race in the process of evolving to malaysian.

119. Daeng shouldnt worry, chinese from china got so many choices, they will not choose malaysia as their home.

Assalamualaikum Tun.

1. Setuju dengan kenyataan Superman1.

2. KLCC? Kuala Lumpur Chinese Comunity?

3. Saudara KLCC, ada perkara saya sedikit setuju dan ada perkara saya tidak setuju dengan anda.

4. KLCC jangan salahkan Melayu jika persepsi sesetengah orang Melayu terhadap Cina tidak berapa elok. Ini kerana dalam banyak perkara disebabkan sesetengah sikap orang Cina (mungkin majoriti fahaman DAP) yang agak bongkak dan kurang ajarlah maka timbulnya persepsi negatif majoriti Melayu terhadap Cina di Malaysia.

5. Saya percaya majoriti Cina di Malaysia sekarang pro DAP iaitu mirip PAP di Singapore yang pada mulanya kamu semua pendatang tetapi akhirnya merampas pentadbiran kerajaan dengan cara tersendiri.

6. Kami tidak mahu ianya berulang di Malaysia.

7. Dengan bantuan bumiputra di Sabah dan Sarawak,ianya seakan mustahil untuk DAP menjadi seperti PAP di Singapore.

8. Kamu bayangkan 1 negeri seperti Pulau Pinang berjaya kamu tawan, dan menunjukkan kebongkakan dan kuasa setelah Cina berjaya menaja segelintir pemimpin Melayu seperti Mad Sabu dan Anwar Ibrahim.

9. Cina dengan kuasa wangnya secara diam menaja Melayu untuk kuasa pentadbiran.
10. Apa sudah jadi dengan Melayu / Islam di Pulau Pinang? Apa yang kuasa Cina lakukan kepada saudara kami di sana dengan bantuan Melayu seperti Mad Sabu dan Anwar Ibrahim? Cina berjaya membuli Melayu/Islam
11. Tahniah KLCC dan saya minta kamu sedari "jika Cina berkuasa dan memegang tampuk pentadbiran Malaysia biar pun sekali sahaja", saya yakin kaum Cina akan lebih bongkak dan menghina kaum Melayu dan bumiputera lain kerana sejarah "Singapore" telah membuktikan segalanya.
12. Jika kebangkitan Melayu/Islam dan disokong oleh bumiputera di Sabah dan Sarawak bersatu dan mereka tidak mudah menerima "wang haram" dari Cina, saya yakin usah mimpilah Cina mahu merampas tampok pemerintahan Malaysia.
13. Kecualilah Malaysia ditadbir oleh pemimpin Melayu yang bodoh lagi korup seperti sekarang.
14. Sebab itulah kami suka dan rela dia diundurkan dengan apa cara sekalipun.

Wassalam.

Strange to say I was suddenly hit today with the following screaming headlines which are self-explanatory :-

1. " AFTER LETTING OFF ANGER, IT'S TIME TO WORK TOGETHER."
2. " WE MUST SINK OR SWIM TOGETHER. RAFIDAH TELLS TO FOCUS ON RACIAL UNITY."
3. " RALLY'S OVER, NOW LETS MOVE FORWARD AS ONE, SAYS RAFIDAH."

Suddenly the above screaming headlines struck a bell in my mind. Here is a good leader with tremendous experience who fits the 3 Golden Attributes to be a Leader :-

1. COMMONSENSE
2. THE ABILITY TO THINK OUT OF THE BOX
3. COMPASSION.

And this lady leader definitely has something special and extra.

SHE WILL HAVE NO NEGATIVE THOUGHTS OR IDEAS WHEN SHE HAS THE DUTIES AND THE RESPONSIBILITIES.

It is time our beloved Malaysia makes it to the Guinness Book of Records. She fits the Bill !

MALAYSIA BOLEH ! MALAYS BOLEH ! MALAYSIANS BOLEH ! LADY LEADERS BOLEH !

I believe most honest and patriotic Malaysians are feeling extremely sad, angry and frustrated. We are sad as we see the country deteriorate and decline under bad leadership. We are angry because we are forced to bear the injustices and pain inflicted upon us by self serving leaders who care only about themselves. We are frustrated as we are powerless to remove them at the moment.

These so called 'leaders' should take a leaf from recent history of bad leaders who were eventually ousted by the people and made to account for their crimes including Viktor Yanukovych, Hosni Mubarak and Suharto.

Tun, I hope you succeed in cleansing UMNO so that Malaysia will once again progress and ascend. Only with the removal of the current leaders will your legacy be assured as these people are already trying to rewrite history and erase your contribution to the country.

Dear Tun,

No words can express how pathetic the PM's Umno led administration condoning the baju merah rally which is in essence trying to pick a fight with the chinese community in this country. Bersih has its reasons stated and though Bersih 4 was dominated by chinese this time since PAS severed its ties it is open to all races who want an end to this corrupt government led by PM. Bersih did not maki hamun orang melayu.

I know I am not alone even in this blog of yours there are people who are on your side but they are not 'melayu totok' as some describe themselves to be pure melayu. My father (deceased) was a melayu bumiputera, my mother is a chinese and we are Moslems Islam is our faith. But I cannot change the fact that my mother is biologically a chinese. Shall I kill my mother because she is chinese? As I am writing this my tears fall because I know chinese also make loving mothers. My mother has been a great wife to her malay husband, faithful not only to her husband but also to Allah. She has been the greatest mom to her children. How could some melayu who call themselves melayu totok baju merah call names and curses like cina babi cina pendatang cina balik ke China if these filthy words are also synonym to themselves? If true the early chinese and indians in this country were in fact pendatang, the malays are also pendatang who came to be here just earlier than the chinese and indian. Is it not they themselves who proudly say that they are melayu bugis melayu jawa melayu banjar with their strong ancestry originating from Sulawesi Jawa Aceh Kalimantan INDONESIA? Is it not the PM who is so damned proud of his bugis warrior blood? Why are the melayu baju merah who are dominated by the jawa clan have to act so boastful when they equally do not own this land when God created the world? The fact that this ownership thing started after the English came does not give them baju merah the sole right to have the whole cake to themselves only at the same time denying other breathing human around them and maki hamun babi just because babi is such despicable creation of God to them even though the babi animal is also created by the Almighty just like any other animal and human of all races including melayu baju merah.

Tun, I am sorry for having to use the words above but I am truly saddened by how things have turned today. I believe PM DSN is purposely allowing this to happen inciting the malays to feel like their existence is being threatened by the chinese. PM and his Umno is using the malay to shield himself. PM and Umno is riding on the malay as war vessel. Just so he could save himself and hold on to power for as long as he can. The rest of his Umno warlords are just parasites who don't mind eating his flesh for a penny.

Tun, I am far from undermining the malay because I am one. Paternity factor says so. But I cannot pretend and let others to curse maki hamun my mother's blood. I just wish that Malaysia is not like what she has become now being pulled into different directions by selfish humankind who do not give a damn if it (cake) will crumble to pieces and no one gets or gains anything.

Goodnight Tun Mahathir. Take good care and stay safe always. I love you Tun Mahathir.

For the Ministry of Information, Singapore's embedded worm, HBT1234.

Many thanks for publicising me again. Thanks. Please do not be juvenile with your Singaporean rantings and ravings about name calling. It is good, very good that you brought this up !

You want my record of a life-time of people who called me names of the worst kind. Here it is :

I have been called all sorts of names by white, yellow, brown and black human beings of all kinds. Because I have a superior mental status greater than your Boss the crooked conman and Dictator Lee Kuan Yew (1959-2015) THAT I DID NOT RUN OFF TO JOIN THE SINGAPOREAN TROJAN HORSE DAP !

In fact, I avoided 2 family wedding dinners sitting next to him because I realised a long time ago that Lee Kuan Yew became ROGUE against the venerable democratic principles of the University of Cambridge, like the 3 British traitors of the Cold War and World War II, Blunt, Burgess and Maclean of Trinity College, Cambridge.

I am not a hypocrite or love MONEY MONEY MONEY like your ilk.

Your many instigations on this Blog are your real subversions of our naive, gullible, friendly and hospitable Malaysian minds. You are active now because of the popularity of our beloved Tun's Blog. Good for you, Old PAP Singapore Worm !

In my record, apart from the white, yellow, brown and black humankind who called me all sorts of names of the worst kind, there are 13 Tengkus and Datuks who scolded me, a plain Encik for no reason at all because they did not know my background which I always hide assiduously.

Even because of this, I DID NOT RUN OFF TO JOIN THE SINGAPOREAN TROJAN HORSE DAP. I stood with my BN friends And I survived to this very day ! Howzat HBT3456 ?

I SPENT A LIFETIME DOING GOOD WORKS IN THE INTEREST OF OUR BELOVED COUNTRY MALAYSIA'S SOVEREIGNTY, NATIONAL INTEREST AND SELF-ESTEEM. Do you know the meaning of these 3 Golden Words, TBH6969 ?

The only place I was not called any abusive name was at Cambridge, HTB6666.

MALAYSIA BOLEH ! MALAYS BOLEH ! MALAYSIANS BOLEH ! All Bloggers here, do not bother with the rantings and ravings of HBT3456, an embedded Singaporean worm ! A troublemaker !

Salam Tun, after reading a post by KLCC on 17sept 12.54am, I felt very sad indeed and very very disappointed with Najib's handling of his administration. His leadership is a great failure to this beautiful multicultural country. His slogan '1Malaysia' should be stuffed in his mouth. He and all his army of racists are not fit to rule this country. My family is of mixed Chinese blood, have they not think of how those like me will feel, will react?

This is the work of people who care not for the country but to protect themselves, their power and their wealth. They are just using their own kaum to spin around the main issue clouding their Big Boss, that is their main intention. The Malays are being used, it is so sad. The Chinese and others should not feel threatened, at the end of the day the losers are the Malays..should I say the UmnoMalays. Siapa punya angkara..you Umno! Shame on you. Great big SHAME to the PM of Malaysia for being the Greatest Failure of all! Who amongst the big names of Umno can clean this big unnecessary mess? Who has the guts! Come out and speak for the whole people of Malaysia..I mean WHOLE! Face them all not just one kaum. No..you have no guts now cos damage has been done. You were warned, you were pleaded but too stubborn too arrogant to listen to the people. Now you will know the consequences.

Tun, what else can we say to these sort of people who think they own this land and think they can make us stoop to them? What else Tun? Pray to Allah for peace and prosperity to Malaysia.

Tun, take care and May Allah Bless You Always.

Assalamualaikum Ayahanda Tun,

Would like to comment on the interview by the ex-IGP TS Musa Hassan on the Altantuya's murder case. Well as I have stated before Pak Lah is the culprit who should have stopped DSN turning into an invincible PM as it is today.

Why I'm saying these via my comment on Sep 14, 2015 6.57 PM "Can't keep on pondering why Pak Lah did not take the effort to call upon his SB's to double check and do his own internal investigation like Tun used to do against his deputy many 2 years ago. Maybe he just want to maintain sleepy rather than becoming sleepless thinking about his deputy."

Based on TS Musa Hassan interview it was made known that as the IGP during that time, he did briefed Pak Lah on Altantuya's case and did mentioned about arresting Razak Baginda which Pak Lah in return instruct the IGP to brief his Deputy PM DSN.

TS Musa said it was not necessary to do so because he only reports to the PM and the PM have all the power to give orders.

But at the end TS Musa abides and told DSN about arresting Razak Baginda and DSN says "do your job" and the rest is as it is now.

Yes agreed with TS Musa that in the investigation nothing was found which could link to DSN involvement in the case. Period.

But why in the first place the ex-IGP needed Pak Lah consent to arrest Razak Baginda? And why Pak Lah asked the ex-IGP to refer to his deputy showing that he was well aware that Razak is DSN's proxy and he is leaving the matter to his deputy to decides.

The point is Pak Lah should himself took the case knowing that someone close to DSN is being accused of murder and furthermore it involves personnels from the elite UTK squad where uniquely both Sirul and Azilah happened to be among his bodyguards on duty prior to these on an overseas assignment protecting Pak Lah the PM. Could it be some abused of power here and anything to do with kickbacks from the scorpene deal and he just wants to make sure his deputy is clean or seen to be clean.

But obviously that is not typical of Pak Lah and at the end Razak Baginda is been acquitted even there was a police report by the late Altantuya herself saying that if anything happens to her do look for these person Razak Baginda showing that there is a motive here and she knew the consequences.

Just don't understand why Razak Baginda was acquitted? At least he could be charged for abetting or if he were to be charged then a lot of unknowns will be known?

Wa'Allahhualam..

Wasalam Tun.

Salam Tun,

To KLCC via Tun,

Dear KLCC. I am happy that you do not generalised the red shirts with Malays.

I am born Malaysian. My father is a Malay but my mother is a Chinese. I am proud to be Malaysian. Malays, Chinese and Indians are my friends and we live harmoniously in Malaysia. That is the truth and it is happening on the ground.

It is unfortunate that the politicians are politicising racial issue simply because they have no more ideas on how to cover the carcass of an elephant that is stinking.

These politicians are not fit to be politicians. They will go off..soon.

Salam Tun,

Nampaknya tak ramai yang celik hati dikalangan orang Melayu. Dia orang tak faham masalah yang sedang berlaku dan apa penyebabnya. Golongan ni diketuai oleh orang yang cetek pemikiran yang memutar belitkan keadaan demi wang, kuasa dan tempat didalam parti.

Apa yang berlaku sekarang adalah kerana seorang yang bergelar PM, yang gagal dalam mentadbir negara, TERPAKSA berselindung dibalik parti kerana kesilapan demi kesilapannya yang rakus.

Pada Hari Malaysia mereka melaungkan perihal BANGSA MELAYU? Mengutuk bangsa lain. Apa ni? Alangkah Bodohnya. Golongan seperti ini memang tak akan maju pun kalau tak ada bangsa lain di Malaysia ni. Mereka ini adalah golongan Melayu yang busuk hati meskipun sesama bangsa sendiri. Golongan yang penuh dengan khianat.

Orang Melayu diberi keistimewaan di negara ini, tapi kenapa orang Melayu nampak ketinggalan?. Kaum lain tinds orang Melayu ke? Sepatutnya kaum lain yang buat Red Shirt sebab mereka tidak dapat keistimewaan yang sama. Ini tidak, golongan ini cuba menyalahkan kaum lain kerana kegagalan mereka menguasai ekonomi negara.

BERSIH diadakan kerana itu adalah suara ramai untuk menegur kerajaan diatas apa tidak betul. Ia bukan demonstrasi perkauman. Ia disertai oleh berbagai-bagai bangsa. Samada ramai atau tidak, ia masih disertai semua kaum. Ianya tidak ganas seperti dinegara-negara lain. Amat tidak matang untuk mengatakan tindakan memijak gambar sipulan dan sipulan dalam demonstrasi itu mewakili suara semua. Mungkin juga ia tindakan orang yang mengambil kesempatan.

Jadi sekarang ini, dengan memaki hamun kaum lain itu adalah tindakan murni orang Melayu ke? Lepas memaki hamun, kaum Melayu jadi maju ke? Sampai bila kita mesti menyebelahi bangsa sendiri

bila bangsa sendiri yang melakukan kemudaratan? Bukan setakat bangsa, Agama Islam sendiri pun menghukum penganutnya yang melakukan kesalahan.

Kita ditipu oleh orang yang gilakan kuasa. Mengambil kesempatan memecah belahkan keharmonian negara kita dengan membangkitkan semangat perkauman demi meraih sokongan. Kalau pihak berkuasa boleh menangkap atau menghalau orang luar keluar dari negara ini atas dasar mengganggu gugat keharmonian negara, sepatutnya orang-orang yang melaungkan suara perkauman ini juga mesti dihukum. Tapi malangnya undang-undang negara ini tidak bersifat adil.

Apa yang berlaku pada 16 Sept 2015 adalah sangat memalukan. Orang ramai yang menyertai BERSIH sanggup mengeluarkan duit sendiri untuk membeli T-shirt semata-mata untuk menunjukkan sokongan kepada suara yang menegur pentadbiran negara. Tapi bagaimana pula dengan "RED SHIRT".. "Kebangkitan Suara Melayu". Moto pun sudah melambangkan semangat perkauman. T-shirt yang ditaja oleh parti yang penuh dengan statement yang berbelit-belit.

Buanglah semangat "BUSUK HATI" tu dari bangsa Melayu jauh-jauh kalau mahu maju dan dihormati.

Wasalam.

Salam YAB dan Yang DiKasihi Tun,

Mohon izin Tun untuk melencong dari topik:

1. Perhimpunan Halal / Sah 'Baju Merah' nampaknya berjaya menarik ramai peserta, walaupun saya rasa ramai (termasuk saya) yang agak skeptikal pada mulanya samada ianya akan mendapat sambutan kerana berasakan yang penganjurannya yang 'last minute' dan juga agak cacam-marba (tidak seperti BERSIH yang memang sudah PRO dalam hal demonstrasi jalanan ini).
2. Untuk 'first-timer', PRESTASI pendemonstrasi2 amat baik (wajar mengagap pujian) kerana tidak kelihatan anak2 kecil yang diheret oleh ibu-bapa dan juga tidak ada pula aksi dimana ada gambar2 pemimpin yang dipijak, dan dari gambar2 juga saya lihat mereka agak berdisiplin. Mungkin kerana sudah menjadi budaya (perlu dikekalkan) ahli2 UMNO (majoriti pendemonstrasi2 adalah ahli UMNO / pro-UMNO) yang tidak suka buat kecoh dan agak beradab dan 'taat' (walaupun ada yang taat membuta tuli). Rata2 ahli UMNO bukan dari golongan yang agresif/ganas & suka memaki-hamun, dan ini menyumbang kepada budaya menjunjung 'kesopanan dan kesusilaan', salah satu Rukun Negara. Demonstrasi 'baju merah' juga 'short and sweet...'
3. Yang membezakan antara halal/sah dan haramnya perhimpunan tersebut (berlandaskan undang2 perhimpunan 'aman' sedia ada) ialah KESEDIAAN pihak penganjur untuk berkompromi / BERTOLAK ANSUR mengenai kawasan berhimpun dan laluan berarak/berdemonstrasi.
4. Penganjur 'Baju Kuning' berdegil ('kiasu') untuk menggunakan kawasan2 / laluan2 yang tidak dibenarkan (tiada tolak ansur langsung). Dari sini kita boleh lihat betapa ANGKUHnya penganjur demonstrasi BERSIH.. Perkataan 'bersih' sudah di 'hijack' dan makna 'bersih' sudah tercemar. Orang yang 'bersih' sepatutnya akur kepada peraturan dan undang2.
5. Saya menolak demonstrasi jalanan. Tetapi kepada yang masih mahu melakukannya, fikirkanlah tentang HAK orang awam yang tidak terlibat dengan demonstrasi tersebut.
6. Mungkin 'Baju Kuning' boleh belajar dari 'Baju Merah' mengenai perkataan 'tolak ansur' supaya di masa hadapan (jika masih lagi mahu berdemonstrasi) PERMIT boleh diperolehi.
7. Jika Dataran Merdeka tidak boleh digunakan untuk berdemonstrasi, akur sajalah! Jika laluan dan tempat berkumpul tidak dibenarkan akur sajalah. Janganlah DEGIL dan KIASU sangat.
8. Tapi saya harap kita tidak jadikan demonstrasi jalanan sebagai satu budaya.
9. Saya perhatikan PDRM/FRU adil dalam menjalankan tugas mereka. Good job!

Terima kasih Tun.

*** Semoga Allah S.W.T. sentiasa melindungi Tun sekeluarga ***

Salam Tun, see the spin doctors, pakar2 strateji dia dah mulakan kerja alih perhatian dari isu hilang RMbillion@1MDB jadi isu konspirasi untuk tumbang dia tumbang gomen dia, and start pusing 360darjah isu hot ini jadi perlagaan antara kaum, esp chinese and Malays. Semua dah terkena makan. Now back to their boardroom dok pikir what else to present to the people to make them 'blind' forever.

This scary tectics they have started from university lagi. These young boys and girls yang baru masuk

U yang tak tahu apa2 pasal politik kampus, were scared to death when they were told "if you X this group you kena buang U!". They have planted their own people to control the innocent minds of these young boys and girls. Most of these young people in UA are Malays. When they become older are they going to be like the 'Yellows' or the 'Reds'? Why is this happening? For greed of power? Is this democracy? That is why we need a balance of duniawi and akhirat, if not everyone everything goes astray and havoc! Therefore knowledge is very important. Education balance in both worlds. Maybe too much emphasize is given in duniawi, not afraid in the Hereafter, that's why some people just do wrong things for the wrong reasons without hesitation or remorse. Still not too late to redeem himself because Allah still blessed him with healthy life..peaceful life? don't know about that, hanya tuan badan yang tau.

Now my duty as a mother is not complete, dari alam perut ke alam buayan ke alam tadika ke alam sekolah rendah ke alam sekolah menengah ke alam U ke alam perkerjaan ke alam kahwin, mereka masih memerlukan sokongan, nasihat, kasih sayang sampai ke tua. Macam Tun pun sekarang kan, sampai ke umur begini w/pun Tun boleh pi rehat melancong dok senang lenang tapi Tun pilih untuk menghabiskan sisa2 hidup untuk berjuang demi negara tercinta. Tun sanggup terima kata2 nista daripada mereka yang dahulu Tun pimpin macam anak2, memberi habuan sehingga mereka jadi terpelajar dan hidup senang. Dimanakah sifat anak kepada seorang bapa? Saya berdoa siang dan malam anak2 saya tidak lupa diri seperti mereka ini, insyAllah.

Tun, untuk hidup lebih tenang, kita mesti terima qadha dan qadar dan ampunkan segala dosa2 anak2 kita yang lepas yang sekarang dan yang akan datang. Yang baik datangnya dari Allah dan yang buruk adalah dari pilihan dan perbuatan manusia sendiri.

Tun telah usaha dan telah lakukan segala yang perlu sebaik mungkin, tapi jikalau hasilnya bukan sekarang, semasa kita masih celik, insyAllah akan ada adiwira dan wirawati yang akan meneruskan perjuangan Tun yang belum selesai. I'm very sure you have them in mind and prepared them for continuing your work for the love of this country and nothing more.

Tun I pray that before we go Tun's perjuangan sudah selesai, insyAllah. Bolehlah Tun and isteri tersayang yang setia disamping Tun, duduk dibawah pohon perindu dengan angin sepoi2 melihat anak cucu cicit piut piat Tun bermain2 bertawa riang berpelukan penuh kasih sayang berpuas hati kerana Perjuangan Tun Sudah Selesai. Don't worry too much Tun. May Allah Protect you Always. Take care Tun.

Salaam Tun et al

Am not sure if you play any part in Al Jazeera sensational expose on Altantuya. If so, KUDOS to you! Its about time. We need this kind of expose from international news media so that all can see and hear the story.

Back to MYS. I am proud to be MALAY.

MALAY maybe one of a handful of race in the world that is 99.9% born Muslim. Even the Arabs cannot claim that percentage. However sad to say that a lot of Malays nowadays is only Muslim by name.

They have lost Nur in themselves. They do not practice being a Muslim.

I am sorry but IMHO most of the people who participated in the red shirt rally are Malays who do not know how to be a Muslim.

Wind of change is coming but Im skeptical that Najib can be oust before next election. Currently there

is not enough push internally to oust him democratically. IMHO what Khairuddin Abu Hassan did was the correct way to go. I hope the investigations in UK, Swiss and HK can be wrap up soon. Maybe the verdict then will create enough pressure to boot Najib out.

Salam sayang to Tun et al from Saudi.

And Allah knows best.

Kebodohan yg di zahirkan dgn perbuatan yg buruk amat memalukan jika di bandingkan dgn maruah yg di julang. Kebodohan akal yang terlindung lebih buruk dari perbuatan itu. Jika kita berhak utk memilih menjadi bijak mengapa kita sanggup membodohkan diri hanya semata2 berjuang utk pemimpin yang terbukti papa dari segi digniti dan integriti. Inikah matlamat anda wahai si baju merah? Selagi kita biarkan kita di tipu selagi itulah kita menipu diri sendiri....

With more than fifty million viewers, Al-Jazeera is one of the most widely watched news channels in the world. It's also one of the most controversial. Now, journalist Hugh Miles uncovers the true story behind the Arab world's most influential outlet.

Financed by one of the wealthiest countries in the world, Al-Jazeera quickly established itself as the premier news channel in the Islamic world by covering events Arabs cared about in ways they had never seen before.

However, accusations of ties to Al-Qaeda continue to plague the news channel. Its journalists have been accused of spying for everyone from Mossad to Saddam Hussein, sometimes simultaneously, and a star Al-Jazeera reporter is still awaiting trial in Spain for being an active member and recruiter for a Spanish-based Al-Qaeda cell.

With unprecedented access to the news channel's key players, reporters, producers, and financiers, journalist Hugh Miles uncovers the full, behind-the-scenes story of Al-Jazeera's meteoric rise and how its influence is shaping the course of the Arab world.

Al-Jazeera is an eye-opening look at a television network that not only covers the news but also makes the news.

Dear Tun, after witnessing the Red Rally yesterday, I can daringly tell you that you're not fighting Najib alone, you're fighting a big group of Malays, who called Chinese pendatang, babi, balik China and etc.

Suddenly, the main topic of Bersih has been successfully twisted and accuse the Chinese of toppling the government.

Let me tell my beloved Malays friends : We are not babi! We are not pendatang! We will not go back to China!

Boleh saya tanya : Apa lagi sumber kekayaan dan posisi yang penting dalam kerajaan bukan di bawah tangan orang Melayu? Apakah kekayaan cina dicuri daripada orang Melayu? Kekayaan cina semua atas titik peluh dan usaha sendiri!

I cried for the country. I also cried for my Malay friends. ..

I know not all Malays are like those Red Rally Malays yesterday. But those in the Red Rally are already big enough to threaten our life in this country here.

I pray to God that some countries will open the ir door for Chinese as how the European countries open their doors for Syria refugees.

I as a Chinese, and I'm really hurt by the words used by the Red Rally demonstrators.

Sayang Malaysia!

Tun, I loose my respect for u for u don't love ur country and countrymen but urself only]

Again?

Since Tun and myself is in the Medical Fraternity we are going to assist you in these terminology.(
Loose)

When you have diarrhea, your bowel movements (stools) are loose and watery. It's very common and although it feels bad, it's usually not serious.

It typically lasts two to three days, and if you need to treat it, there are over-the-counter medicines, which means they don't need a prescription.

For many people, diarrhea strikes once or twice each year. If you have certain conditions, such as irritable bowel syndrome, it can happen more often.

(Lose)

Lose the plot (third-person singular simple present loses the plot, present participle losing the plot, simple past and past participle lost the plot)

Used other than as an idiom: see lose, plot. [quotations ▼]

(idiomatic) To cease to behave in a consistent and/or rational manner. [quotations ▼]

(idiomatic) To lose sight of an important objective or principle; to act contrarily to one's own interests through concentrating on relatively unimportant matters.

[U pretend u don't know The mission & vision of Red Shirt Perhimpunan !? U shd change ur favorite song to "I'm a great pretender". Stop destroying this nation for the sake of God]

In Medical Fraternity especially when dealing with psychiatric patient, the physician and all related healer will conversate with the patient according to their mental capability and condition. It is

something we termed 'Taciturn'.

I will give a sample of example. When we see a patient fishing in the middle of the field we did not ask "Are you fishing?". We simply asks "How is the catch today"..Capisze?

And how all this relates to you?

Self explanatory.

Illioni please help me here..)

Terima kasih Tun.

My Criminal Thought!

If I am Prime Minister Malaysia now, with all the scandal around me, I wish I can step down now. But I can't do it at this moment, if step down now, everything will hunt me. Every corner people will relate on my wrong doing I can't step down now. I can't, I can't I don't want go to jail never and will not happen to me...

So now I need fix the issue or cover the issue any many I can.

I have money but the only issue where I can go? Where I want to run no option...no this is not option and not a good option....

I am not worry about my minister, I know they will support and covers me whatever they can. They help me because the own me something that I can't tell everyone.

I think I can overcome this, by stay in power, I know my minister is follower not leader. They will believe whatever I say. What I need just buy time while someone fix for me something that I can do that make hard to trace and to relate with me.

BN, Umno and country well is not important to me at this moment. I need to focus my problem first. Otherwise fuhhh can't imagine

So..... Red rally hmmm good option, good idea! I can divert these countries to another story. But I need to announce I not support any rally but my minister will do. Then my minister will do recovery. *(So we will see recovery action for one or two weeks from news)*

I PM, I just need a bit time to recover the damage Tun, I just need time, but I can't tell you this and everyone. Please give me bit time...

Anything happen to this country well I can blame someone TUN, DAP, PKR hmm many option well I lease I still win. You guys the one destroy this country not me...

Well! you want prove read your blog someone will blame you hah!!

Well! that is "My though of criminal mind" just write fancy story today. Many things need to complete can't think properly heh!!!

Take care!! to All

PS

back to focus mode!

Assalam mualaikum Tun,

Tan Sri Musa said the case can be opened again if someone or somebody and even Al Jazeera make a police report.

Once the report has been made then the Police has to call Sirul, Azilah, Razak Baginda t testify and be cross examined again.

Maybe this the nation will know who actually pulled the trigger . Maybe Sirul and Azilah job was to use the C4 to the dead body. can we say that these two are the real murderers or the one who pulled the rigger ?

One thing that always in my mind was Najib's denial that he knew this Mongolian woman and he even went to the extend to take the Muslim oath in the mosque. If i am not mistaken the oath taken was twice. Yet majority of the Rakyat find it difficult to believe that and many accusations were made towards Najib

Funnily, not once the Rakyat ever hear Rosmah coming forward to defend he husband.

If the husband is accused of cheating or stealing, its normal that a wife will tend to keep quiet But in this case the husband has been accused of being an accomplice in a murder of an innocent woman. More so this woman was also involved in the Scorpene deals which at that time the Minister of Defence was Najib.

A loving and dedicate wife will definitely and surely will come forward to defend her husband. But funnily though she chose to keep quiet.

Maybe I am wrong but my wife when I nearly got caught in a fight because of a minor accident, she was beside me immediately arguing with the accuser. Hehehehe

What I Hate of Najib & Pak Lah Ruling ?

Both are being Submissive towards S,pore
Is more of an Adult & a Child Agreement
Its Clearly Seen ,Clearly Visible
As If Malaysia is a Puppet Govt feed by S,pore Govt

As seen

1. The submission of KTM Tanjung Pagar Land in S,pore

What have Malaysia have giving the Vast Land compare the 2 tiny sites in contra
We have to pay GST ,Property Tax as it was never use to be

2.The repeated consent of letting them take more & more land in Kota Tinggi for S,pore Water
Treatment ,the asking of Shanmugan of the low tax of land use by them as in the agreement was
based on very old water agreement

3. The submission of Capital Land own by S,pore invading Malaysia Land
like nobody business

4.Our Most Old Malaysian mostly Kelantan Contractors that have their CPF not much taken till today
which Tun has fought for before

5.Now they consent the imports of Pigs to S,pore yet they contracted Chicken from Brazil when we
have the Products

6.The tonnes of sand Daily which Tun once obstruct
And the many more which I see Malaysia was Be little

They just need to Slap one or two important Ministerial Post to have their needs Its like Malaysia are
kneeling to S,pore

Where will the future stands for Bumis

Tun,

Pengamatan saya, perhimpunan Melayu berbaju merah adalah kumpulan Melayu yang dicucuk
hidung.

Majoritinya mereka bukan yang berpendidikan tinggi.

Kesannya, tunggu PRU14 nanti.

What has my country become?

1. My country has become upside down and become a lawless state.

3. Political at home is turmoil. There is no good leadership in both BN and PR. Every side is so shortsighted and dare not take the risk. No one wants to risk their political future by opposing their boss. PKR doesn't wants to risk losing the PAS votes. It is so shortsighted. A marriage of convenience is not a long term solution.

SALAM TUN.

Perhimpunan Baju Merah atau 'red shirt' rally adalah

1. Perhimpunan orang – orang Melayu yang bodoh.

2. Apa nak buat, sekali sekala orang-orang bodoh nak juga berhimpun.

3. Sekurang-kurangnya perhimpunan ini dapat membezakan di antara Melayu yang "cerdik" dengan Melayu yang "bodoh"
4. Kalau dalam dunia haiwan/ikan, mereka adalah satu grombolan ikan sardin yang membentuk bulatan atau bebola ikan yang besar.
5. Mengapa ikan sardin ini membentuk bebola ikan yang besar?
6. Ini adalah kerana mereka di kepung oleh sekawan ikan pemangsa iaitu ikan paus dan ikan yu yang mahu menjadikan ikan sardin ini sebagai makanan mereka.
7. Ikan paus, yu dan sardin ini ada dalam organisasi UMNO sekarang.
8. Ikan paus diketuai oleh Najib serta kuncu-kuncunya seperti Sharir Samad. Keruak, Ku Nan, Zahid Hamidi dll.
9. Ikan yu terdiri dari ahli Majlis Tertinggi UMNO, Wakil Rakyat UMNO, Ketua Bahagian UMNO, Ketua Wanita. Pemuda dan Puteri Umno.
10. Ikan sardin ini terdiri dari semua ahli UMNO yang besekongkol dan mereka yang menyertai perhimpunan Baju Merah.

Sama ada isteri, sahabat, rakan, saudara mara, anak2
Atau menteri2, ahli2 parlimen, timbalan, bekas perdana menteri, pembangkang
Atau rakyat jelata, agama, raja, negara

Yang mana satu yang dia mahu letakkan di tempat paling utama

Sebagai Perdana Menteri, pasti NEGARA lah yang paling utama, sebab itu beliau tetap dengan strategi beliau untuk membawa nama negara ke hadapan, sila teruskan perjuangan anda demi membawa Malaysia ke masa depan gemilang

Membawa nama Malaysia sebagai perdana menteri bukan mudah, tak caya tanya Tun Mahathir, bukan sekadar mengejar bola menjaringkan gol dalam gawang, bukan sekadar pukul bulu tangkis, bukan sekadar menyanyi di atas pentas dengan peminat yg ramai

Itu semua cuma sebahagian kecil daripada nama Malaysia yang harum, cuba sebut Proton, apa anda semua bayangkan, cuba sebut TNB (kalau dulu pada awalnya LLN), apa anda bayangkan, cuba sebut Lebuhraya Utara Selatan, apa anda bayangkan, cuba sebut Litar Antarabangsa Sepang, cuba sebut LRT, apa anda bayabgkan, apa anda bayangkan, cuba sebut KLCC, apa anda bayangkan, sebut Putrajaya, Cyberjaya, apa anda bayangkan. Cukuplah sekadar beberapa nama.

Adakah anda terbayang kereta yang paling perlahan didunia ? Atau kadar kemalangan terbanyak didunia? Atau pelumba yang paling banyak terbabas? Atau bangunan yang paling banyak kosong tak ada penghuni? Atau bangunan yang dalam cahaya lampu lilin dan minyak tanah?

Hehe.. kalau ya, tak taulah saya apa silapnya, tapi saya pasti rata2 anda semua nampak perkara yang paling baik yang pernah kita lihat dihasilkan di negara kita (negara luar tentulah ada yang jauh lebih baik)

Apa yang membuatkan kita wajar untuk rasa sesuatu yang patut kita contohi di sini adalah, keupayaan perkara2 tersebut bertahan sehingga ke hari ini, dan telah membantu majoriti rakyat dalam pelbagai bidang, pembuatan, industri, binaan bangunan, teknologi komunikasi maklumat

Sesuatu yang saya terpendang dari segi masa ia berjaya dilaksanakan, jangan kira soal kos dulu, ambil kira soal ianya dapat dilaksanakan, dan keupayaan untuk bertahan

Petronas memang dah wujud sebelum tu lagi, jadi mungkin ia menjadi tulang belakang kepada semua di atas. Cuma dari segi pelaksanaan, ambil contoh Proton, hanya dalam tempoh dalam 4 tahun Tun Mahathir menjadi PM, idea tersebut telah berjaya dilaksanakan, dan masih bertahan hingga kini, walaupun atas beberapa dasar bantuan kerajaan. Namun saya yakin ia masih mampu terus bertahan, dengan strategi yang baru.

Lebuhraya Utara Selatan, hanya dalam tempoh beberapa tahun sahaja telah dapat digunakan

Saya masih ingat lagi di kampung saya, sejak awal tahun 80-an, Lembaga Letrik Negara telah dapat membekalkan tenaga elektrik hampir ke seluruh negara, walaupun mungkin sebelum itu hanya dibandar besar, tapi pengalaman kampung saya, kepesatan bekalan elektrik berlaku dalam tahun 1988, bekalan jalan tar yang cantik turut berlaku dengan pesat dalam tahun2 tersebut

Bayangkan hanya dalam tempoh 10 tahun Tun Mahathir menjadi PM, banyak kepesatan kemajuan berlaku di semua kawasan. Saya minta maaf jika Sabah dan Sarawak mungkin belum menikmati kepesatan kemajuan seperti kami pada zaman itu. Barangkali pada ketika itu, kekangan politik menjadi masalah sebab Sabah dan Sarawak ketika itu punya parti politik tersendiri yang mungkin ada berlaku kawalan dari segi pelaksanaan. Tapi saya percaya bukan bermakna Tun Mahathit tidak meliha, bahkan pasti beliau mahu kemajuan sampai ke sana, cuma mungkin nasihat Tun tidak diambil peduli dengan pimpinan negeri pada ketika itu. Ya, kemungkinan besar, jika Menteri2 Besar atau Ketua2 Menteri seiring dengan visi Tun pada ketika itu, pasti pembangunan dapat dirasai oleh semua

Yang pasti, telah ada sesuatu, yang sebelumnya tiada langsung di tanah Malaysia ini, daripada Tun Mahathir, sebagai perdana menteri hanya dalam 5 tahun. Seterusnya 10 tahun, 15 tahun, hinggalah 22 tahun.

Apakah pula sesuatu yang telah ada yang sebelumnya tiada di sini, setelah lebih daripada 5 tahun PM kita sekarang ini? (atau PM sebelum ini, hehe)

Oleh itu, kita mahu melihat bayangan yang paling baik daripada Scorpene (masa Najib masih tpm dan menteri pertahanan) dan 1MDB. Tapi.. kini apa pula yang terbayang pada kita semua bila disebut tentang perkara tersebut ?

(MRT tak kira sebab lanjutan dari LRT, GST tak kira sebab penggantian SST)

Sebab itu, saya faham kalau Tun Mahathir kecewa dengan Pak Lah dan Najib

Bila mengandung, Altantuya mari
Bukan kahwin maut di beri
Pembunuhnya sudah di gari
Pemberi arahan lepas lari!

Sirul mula gigit jari
Dalam ketakutan hari hari
Kisah di tulis dalam dairi
Tapi Altantuya dah jadi pari2

Tak terlibat, Najib sumpah
Aku dengar dah menyampah
Letup orang macam sampah
Siap baca jampi serapah!

Dengan polis tak kena
Kat rumah, tidur lena
Hidup kau memang hina
Asyik bunuh dan zina!!

Balasan ALLAH akan tiba
Kaukan nangis dengan hiba
Negarakan bebas dari riba
Bagai bulan jatuh ke riba!!

Aturkan demo di Low Yat
Macamlah kau tu kuat
Tunjuk baik buat buat
Sampai kami naik meluat!

Muka bini sangat garang
tapi pakai baju jarang
Buka mulut kena serang
Letupkan orang macam barang.

Tengok wayang dekat panggung
Cerita Rosmah hantu jerangkung
Sudah panas lu punya punggung
Pandai buat,beranilah tanggung!

Kau bukan lelaki sejati
Dosa kau berkati kati
Cepatlah engkau pergi mati
Itulah saja kami nanti!!

Buat cerita pandai reka
Macam kami kurang peka
Bila mati masuk neraka
Kami pula,pasti MERDEKA!!

Salam YAB dan Yang DiKasihi Tun,

1. Dalam kes Altantuya, DSN mesti bersihkan nama beliau dengan kadar segera dengan memberi penjelasan yang boleh meyakinkan seluruh rakyat Malaysia dan rakyat asing yang membuat tuduhan 'direct' kepada beliau. Dulu DS Rosmah yang dikaitkan, sekarang DSN pula; jadi siapa sebenarnya yang terlibat? Atau, ini cuma tuduhan tangkap muat saja. Sebagai seorang Islam, saya amat takut untuk mempercayai tuduhan berat (jika fitnah, amat besar dosanya) ini kerana ia melibatkan pembunuhan dan kerana tiada bukti kukuh untuk saya mempercayai tuduhan ini.
2. Tan Sri Musa Hassan sudah memberi penjelasan bagaimana kes tersebut disiasat, dan dari hasil siasatan, kes tersebut tidak berkaitan dengan DSN. Cuma Razak Baginda (dibebaskan walaupun suspek utama) dan dua orang polis yang telah dihukum saja yang didapati terlibat.
3. Memandangkan Tan Sri Musa pada pandangan saya seorang yang amanah dan berintegriti (ini penilaian saya), kenyataan beliau berdasarkan siasatan yang dijalankan boleh dipercayai.

4. Mereka yang memberi keterangan di dalam video tersebut majoriti adalah dari kalangan Pembangkang (Malaysia) atau pro-Pembangkang yang kita sedia maklum memang kerjanya sentiasa menambah dan mengada-adakan cerita untuk mengaut keuntungan politik. Mereka tidak ragu2 untuk memfitnah.

5. Tambahan pula, mengapa 2 orang polis tersebut sanggup menjalankan 'arahan' membunuh tersebut? Taat membabi buta atau ada sebab lain? Takkan mereka tidak boleh berfikir bahawa Altantuya bukannya penjenayah merbahaya yang diburu (yang patut dibom sampai hancur) walaupun beliau mungkin bersalah kerana mengugut dan mengganggu ketenteraman seseorang. Membunuh seorang wanita lemah yang tidak boleh mempertahankan diri ialah satu perbuatan dayus dan amat kejam.

Terima kasih Tun.

*** Semoga Allah S.W.T. sentiasa melindungi Tun sekeluarga ***

Salam Tun dan semua muslimin..

Berbicara tentang Altantuya, saya masih ingat apa yang terjadi ketika dia di bunuh. Ramai yang bercakap tanpa tahu faktanya. Kita memang tahu siapa pembunuh dan siapa yang mengeluarkan arahan. Tahukah kalian si barua yang memberi arahan itu telah cuba sedaya upaya untuk menyelamatkan pembunuh2 itu? Sebab itulah pada awalnya, kedua2 polis pembunuh itu dilepaskan oleh mahkamah. Ketika itu setiap seorang polis itu di beri RM 10 juta atas kerja mereka dan sebab tutup mulut. Untuk menuduh Badawi tidak berbuat apa2 adalah tidak adil. Dia telah cuba sedaya upaya untuk membuktikan kebenaran, tetapi barua yang mengeluarkan arahan telah membeli undang2 dengan wang. Di tambah ketika itu, barua ini mendapat sokongan padu dari Tun sendiri.

Tun telah menggunakan pengaruhnya untuk memaksa Badawi letak jawatan, kalau tidak Badawi di beri amaran akan di malukan dalam pilihan UMNO ketika itu. Walaupun berdepan tuduhan si barua itu yang mengarah untuk Altantuya dibunuh, Tun menyokong dan mencuba sedaya upaya sehingga Badawi meletak jawatan dan tempatnya di ambil si Najib barua. Jadi siapakah harus di persalahkan untuk meletak seorang yang di tuduh mengeluarkan arahan membunuh perempuan mengandung sebagai PM kita? Badawi atau Tun?

Setelah jadi PM, Najib jadi besar kepala dan cuba menghapuskan segala bukti yang ada. Apa terjadi pada P.I. Bala? Dibunuh juga. Apa terjadi pada Razak Baginda? Hilangkan diri dengan wang yang di terima. Apa terjadi pada Sirul dan Azilah? Di jatuhkan hukuman gantung sampai mati. Sesiapa yang buka mulut atamelawan, hukumannya MATI!! Apa terjadi pada pengarah Am Bank yang buat laporan polis ke atas Najib? Di tembak mati! Apa yang terjadi pada peguam! MDB, Moralies?? Di culik.. Lepas itu?? Teka sendiri!!

Terimakasih Tun kerana berusaha bersungguh2 untuk letak Najib di satu kedudukan [PM] yang tidak seharusnya diberi, tambah2 lagi ketika itu sudah ada pendedahan pembunuhan Altantuya! Seandainya Anwar telah Tun singkirkan sebab ada kes liwat, apa yang buat Tun bersungguh sungguh untuk melantik seseorang dengan tuduhan membunuh untuk menjadi PM?? Siapakah yang jadi mangsa

sekarang?Kami,rakyat,yang merana!Adakah Tun sedikitpun mempertimbangkan keselamatan kami dankeamanan negara ketika itu?Kami bukan gangster,pembunuh,mafia atau komunis,jadi bagaimana kami nak melawan seorang pembunuh yang membunuh sesuka hati?Kenapa negara dan rakyat mesti jadi mangsa perbuatan Tun??

Saya tak mengharap Tun jawab,sebab sedikit sebanyak Tun,macam Najib juga..Tak pernah hirau perasaan rakyat..Orang UMNO lah katakan!Macam saya pernahkata,mungkin Tun cuba untuk berubah,sekurang2nya lebih bagus dari pembunuh seorang ini yang tak kenal erti dosa,malu dan langsung tidak takut Tuhan.Dia berkata dia dah sumpah dalam masjid yang dia tak terlibat dalam kes Altantuya,jadi ??Kami mesti percayakan sumpah orang macam dia,yang tak percaya dan takut ALLAH?Adakah sumpah dia sudah cukup untuk melepaskan dirinya?

Hari pembalasan dan pengakhiran makin menghampiri mu,Najib!!Bersedialah untuk menjawab,di dunia dan akhirat!Adakah wang yang kau ada dapat membantu mu?Kau rasa,anak bini kau akan bersama kau bila kau tersungkur?ALLAH akan mengambil kembali segala galanya dan akan sampai masa kau merasa apa yang kau bagi orang lain rasa!

WHAT'S GO AROUND,COMES AROUND!!

Assalamualaikum Ayahanda Tun,

If I may quote, you used to say that Sirul was also your bodyguard when you were PM and he killed nobody. Meaning to say that this elite squad is train to protect his boss and will do anything even taking the bullets to save his boss.

Well all these reminds me of Ahmad MustLearn who in one of his popular speeches says that he will do anything to protect his boss the PM even taking bullets on his behalf if he were his bodyguard.

Ahmad MustLearn before that explained that every bodyguard will be asked a question whether he is willing to take the bullet to save his boss before being recruited which he easily pass the test because he is brave enough and loves his generous boss so much. But unfortunately he doesn't make the cut to become the bodyguard because of his small size.

What kind of Ahmad is this? Ahmad must learn to accept that a fool can only fools a fool of its kind.

This 2 million ringgit man is sure one rare species of UMNO joker cum highly paid apple polisher who will continue talking rubbish with style no matter what.

So the similarity between Ahmad and Sirul is both of them is very loyal and will obey whatever orders given by their bosses without questioning anything.

Thank you ayahanda for giving me the space to write because I know Ahmad Mustlearn sometime do stalk your blog.

Wasalam and good nite Tun berdua.

Salam Tun,

I was at the Bersih rally too. I am a Malay. I did not use Yellow. I saw many Malays..young and old. Indians..Punjabi...and people fm East Malaysia.

Why not many Malays ?. Generally majority of Malays are makan gaji either with the Government..GLCs which are owned by the Government and quasi Government bodies. They prefer to stay away fm Bersih as they scared to be identified and actions taken against them. But many many Malays prefer to use the social media to express their frustrations with the current Government.

Bersih is all about asking Najib to step down. They not interested to rule the country. The Chinese sre only 7 million (25%) compared to the Malays of 20 million (65%). Even if only 10 million Malays support UMNO..they still the majority.

Funnily though UMNO only hv 3 million Malay members. What happened to the rest??. Have UMNO make any attempt to find or solve the problem???

All the Sultans are Malay

All the Mentri Besars are Malay xcept Penang

90% Gment servants are Malays

All Ketua Pengarah are Malays

The Army and Police 90% are Malays

Malay students are more than 90% in Gment colleges and universities

The Chinese only occupy about 50-60 seats out of 222 seats in Parliament

In DAP there are many Malays now.

Do UMNO hv Chinese and Indian inside that party?

But I do know there are many Aziiiz..Kadiiir..Reezal..Maiideeen.in UMNO. And they hold powerful posts.

Why are the Malays scared ?

What actually the Malays want ?

Oh yes..I am a Bugis bred. REAL Bugis thats not scared of the wife. Respecting her..Yess..but not scared nor follow order type ma

And since the Chinese are the minority as I wrote above, why should I be scared ? Worst scenario I called the Army and Police for assistance. I am no hypocrite

Assalamualaikum Tun.

Kekadang Salleh Keruak kuat sangat hentam Tun ni bukannya apa...

Dia ni tak tahu sumbangan Tun walaupun dah takde jawatan dalam kerajaan.

Apa yang dia tengok hanya dengar Tun buat kecoh tak tentu pasal.

Saya juga baru tahu yang idea zikir saya telah Tun panjangkan pada orang dikalangan Perdana Menteri dan orang itu adalah Rizal Mansor.

Rizal Mansor pun satu, pernah berkata maklumat yang dikutip adalah dari jalanan.

Maka Datuk Kadir Jasin pun berkata adalah prinsip wartawan untuk melindungi dari mana sumber itu datang.

Sebagai Menteri Komunikasi Salleh Keruak perlu tahu bahawa apabila Tun mengistiharkan menarik balik sokongan terhadap Najib Razak, sokongan yang dimaksudkan adalah tugas Tun sebagai posmen dan undi.

Jangan fikir idea berkenaan zikir itu biasa biasa sahaja. Dan Tun begitu prihatin dalam mengusulkan idea yang kecil sebegitu.

Idea zikir tersebut datang dari saya Musato from chedet.cc

Sekadar untuk pengetahuan Salleh Keruak sebagai Menteri Komunikasi.

Jangan cakap terlalu banyak. Kerana mulut badan binasa kata orang tua.

Terima kasih Tun.

Salam Tun, this Najib Saga is becoming very frightening. Each new episodes are becoming creepy and demonous. Will Umnotizens ever open their eyes and minds, see and think for themselves that great damage has been done, very very bad damage. Will they ever realise it. Why do they choose to be blind? Why do they choose to be deaf? What keep holding them? Why do their hearts become frozen?. Do they need another grand scary episode, like the unfortunate Mongolian lady, to wake them up, to unfroze their hearts. Don't they want to be safe? Don't they want their future generations to be safe? Or they believe they are now safe, being protected and cannot let go or they don't mind being bangs..t for eternity. They truly have been indoctrinated. Only those whose souls have not been 'helped'(another word for beli) can choose to free themselves. But could they run and abandon their families and friends who chose to stay? Those who chose to stay are not slaves or cohorts with the 'pharohs' but merely trying to find ways and means to oust the zalim 'pharohs', it is not they who should leave the palace but the zalims. Well, that is what I want to believe. They are waiting for the right opportunity. Hope not too long or it'll be too late. Amongst the millions of them, I'm sure there are some good ones. The Aljazeera documentary should be an eye-opener to them. It is the work of crime-journalist to bongkar and bongkar sehingga ke lubang cacing, they couldn't careless whose maruah they exposed, facts or fictions they just rojak together to give more taste, more sensation. Malaysia has gone through good and bad times but this is the worst ever! Why! A multibillion ringgit

question. Only a multibillion ringgit person has the answer. Only that person can undo the undoing. Only that one person must take big brave steps to come out from his shell and rectify this situation that tarnish the good name of this country, if he loves this country that is, more than he loves himself. A good leader will forever sacrifice for the love of his country and countrymen, like you Tun. Dengan sisa-sisa hidup yang masih tinggal Tun memilih kehidupan begini, berjuang untuk kesejahteraan, keselamatan dan keharmonian negara. He said Tun bukan PM lagi and jangan kacau daun. But Tun was the chosen one to save Malaysia, so perjuangan Tun belum selesai. Pasti ramai nanti akan lahir 'the litter Mahathirs'. If only I could..I would choose to bring up a very far-sighted, brilliant, not hypocrite, fighter, a real person, just like you. Insyallah many more 'little Mahathirs' will lahir. Tun, we all have faults and sins, we never say we are malaikat. But thanks to Allah, He has given us life till now to make us believe and love Him even more, to always not let go of Him, hold onto Him tight and always always ask for His Forgiveness and Mercy. When we are down ask for His Help relentlessly. He is Al-Hearing. Tun, if you are tired please take a rest. May Allah Protect you Always. Take good care Tun.

Four years ago, Judea Pearl expressed hope that Al Jazeera might “learn to harness its popularity in the service of humanity, progress, and moderation.”[82] At that time many analysts believed the network represented democracy in its infancy, and “you don’t slap an infant on the wrist before it learns to stand on its feet.”

“In 2007, I was still hoping that Al Jazeera will become a force for good,” he recalled earlier this year. “Unfortunately, the opposite has happened. Al Jazeera’s popularity and general acceptance in the West has emboldened its management to take an even harder anti-Western stance.”

“Today, we have much deeper concerns with Al Jazeera—it is no longer a clash with journalistic standards but a clash with the norms of civilized society,” Pearl wrote. “Our charming infant is smashing windows now and poisoning pets in the neighborhood—a slap on the wrist is perhaps way overdue.”

As Al Jazeera English expands into the United States, it will need to choose one of three options. The first is to continue its present gambit of declaring a common “vision” with its parent channel while hoping the latter’s indiscretions somehow do not reflect poorly on itself. The second is to pressure that same out-of-control kin to pull its act together, lest it once again cast doubt on the character of both. Failing that, Al Jazeera English will have but one alternative: to categorically and unequivocally cut its own cord.

HAIL & BRAVO TO AL-JAZEERA...

Certainly Najib is Facing Hell now

But What if Najib is Truly not Wrong of the many Accusations
Mainly brought by DAP Opposition
Could it base on their blunt assumptions and accusations
Based on Cut & Paste , Meet & Match

Why has not any Solid Proofs been brought up till today
Everybody seems to know so many
Based on What ?
Probably We are no Difference of US Intelligence
Who knows so much more than God
In the end A blunt accusations towards Saddam , Iraq WMD
now Assad ,Syria & the many more
If US Intelligence are Truly Intelligence
Americans will not be a Threatening States

Likewise Opposition of Malaysia especially DAP
Whose throwing their every cards one after another
And pretending to be Clean

Najib you Two thing to do here

1. Clarify yr reasons why the 2.6 billion to yr ac instead of UMNO and as much you confessed as being sponsored not embezzle Govt money
 2. You have to hit Hard on those who Defame you
- You are behaving like a Kid very Unprofessional Very Adik Adik
Islam never teaches such also
That,s the reason me Si Botak repeatedly says
Najib you are not Fit to be PM nor holding any Ministerial Post
These post needs Talent Capable Rugged Soft as Silk
Like Tun Mahathir Mohammed
If you are unable to do these you better Quit
What,s the point

1. Jika AG itu orang DAP, orang kuat DAP sure tak kena bila buat salah.
2. Jika DAP boleh amalkan nepotisma, PKR lagi boleh. PAS dan UMNO tak bolih?
3. Jika DAP terima dana dari developer, saudagar kaya dari Taiwan dan Singapura, Party lain tak boleh terima derma dari Negara Arab?

Saya pun tak percaya RM2.6 billion itu datang dari Pak Arab, tetapi mengapa Cina Evangelist-DAP sangat marah kepada PAS sehingga mereka sanggup edit gambar Haji Hadi berpeluk dengan Najib, kemudian pijak beramai-ramai?

Ketika Haji Hadi berpeluk dan berpegang-tangan dengan Guan Eng, turun kepen PRU13, Melayu tidak menunjuk kemarahan sedemikian rupa. Tetapi bila Haji Hadi tersedar bahawa PAS diperkudakan, mengapa Cina DAP marah?

Guan Eng yang mulakan bermusuhan apabila enggan bekerjasama dengan Presiden PAS tetapi masih mahu bersama Party PAS. Bermakna DAP mahu PAS ganti Presiden dengan orang lain? Mat Sabu?

Mula-mula PASMA. Lepas tu GHB (Gerakan Harapan Baru) New Hope? Bukankah 'New Hope', sinonim dengan Gereja Evangelist?
Akhir sekali AMANAH.

Bercakap tentang Amanah, saya harap HBT456, boleh tanya Mat Sabu, kemana pergi duit derma yang di kutip menerusi 'Tabung Memali'?

Amanah di beri, bukan dilantik sendiri jadi Ketua untuk memegang amanah Rakyat. Orang yang sudah di tolak Rakyat Pendang dan Party pada Muktamar PAS tidak layak memegang sebarang amanah.

Najib ni memang tidak bijak urus atau tadbir, termasuk zahid, hishamuddin, salleh keruak dan khadam khadamnya yang lain.

Setakat cakap atas kertas semua orang boleh lakukan, "Bawa pulang suit rm522 bilion ke malaysia" kepada pelabur tempatan yang berada di luar negara.

Duit 1MDB mana? Tanah dalam negara dan aset negara si jual keluar!.

Releven ke ini semua....patut pun rakyat pijak gambar anda dan sapu dengan penyapu gambar rosmah tu.

Bosan lah dengan slot drama tv3 najib ni...baik ambil mereka semua berlakun termasuk watak tomboy dan gay confirm dah ada calun dari menteri2 kita, panggil je Haliza misbun tu arahkan drama berjudul

" 200% I Love you all together with 3 juta penyokong ku, hanya ainina sahaja yang kata ku kencing bersepah"fuh panjangnya tajuk drama ni.

Salam Tun,

Sekali lagi, apa-apa yang bersangkutan dengan DS Najib, teristimewanya kes Althantuya ini ada fitnah dan merupakan cubaan menjatuhkan pemimpin agung berdarah pahlawan Bugis iaitu DS Najib.

DS Najib membuktikan kepada dunia iaitu mengambil wang derma RM2.6b ketika berjawatan Perdana Menteri Malaysia adalah tidak salah, tidak ada undang undang yang boleh menyekatnya dan tidak ada kuasa yang dapat menghalangnya.

Peliknya, beliau masih ada penyokong yang membenarkan tindakan beliau.

Al Jazeera sangat berpengaruh. Nama Malaysia pastinya tercemar teruk. Bagi DS Najib, tindakan susulan beliau adalah mengarahkan pihak berkuasa Polis mencari siapakah Pemberi Maklumat kepada Al Jazeera.

Tidakkah beliau ketahui, bahawa kes Althantuya dibicarakan secara terbuka dan fakta boleh didapati di mana mana walaupun pada waktu tengah malam?

Kehadiran wartawan Al Jazeera di Malaysia hanya untuk mensensasikan berita dan menaikkan nama wartawannya sahaja. Saksi dan bukti boleh didapati samada dengan menelefon dan copy paste dari Internet.

Cumanya kehadiran Al Jazeera hanya mengambil keterangan saksi saksi yang ada dan membuat rumusan sendiri yang telah tidak memihak kepada DS Najib.

Memang benar, tugas DS Najib adalah untuk menerangkan kepada sedunia sekali lagi atau berulang kali lagi bahawa beliau dan Razak Baginda tidak terlibat dan Polis telah mengambil tindakan sendiri tanpa pengetahuan mereka.

PI Bala pula mungkin saksi yang berada ditempat salah dan diwaktu yang salah dan meninterpretasi keadaan mengikut persepsi sendiri tanpa bukti dan fakta.

Simple kan jawapan dia Tun, itu pun DS Najib tak leh nak jawab.

Pahlawan Bugis aper ker bender nya ni!!!

Wassalam.

Kes Altantuya ni, saya fikir kes berangkai atau berantaian

Saya teringat satu petikan ucapan Tun, "takkan sayang bini sampai sanggup membunuh"

Situasi yang mana nak tutup celah mana pun tak boleh, sebab secara terang lagi bersuluh melibatkan:

-
- Pembunuhan secara KEJAM
- Warga asing, Mongolia, INTERNATIONAL
- Bahan letupan, ATM (err.. senjata PDRM ada bahan letup mcm C4 tak?)
- Anggota polis, PDRM
- Pembelian kapal selam, Kementerian Pertahanan, TLDM, Perimekar
- Hubungan sulit (ini susah nak confirm), boleh membawa masalah laki bini

Assalamualaikum, Tun.

Rakyat inginkan kerajaan membawa kes ini ke mahkamah antarabangsa. Tak usahlah PM sibuk memberi penjelasan yang PM tidak terlibat. Sekiranya ini penfitnahan, maka haruslah PM mengambil tindakan mendakwa Al-Jazeera, demi nama baik PM, keluarga dan Negara.

Assalamualaikum semua.

Berikut saya kongsi surat terbuka dari salah seorang mangsa Wolf of Wall Street yang diterbitkan di akhbar LA Weekly pada Disember 2013 [Sumber:<http://www.laweekly.com/news/an-open-letter-to-the-makers-of-the-wolf-of-wall-street-and-the-wolf-himself-4255219>]

AN OPEN LETTER TO THE MAKERS OF THE WOLF OF WALL STREET, AND THE WOLF HIMSELF

BY CHRISTINA MCDOWELL

I hate to be the bearer of bad news, dear Kings of Hollywood, but you have been conned.

Let me introduce myself. My name is Christina McDowell, formerly Christina Prousalis. I am the daughter of Tom Prousalis, a man the Washington Post described as "just some guy on trial for penny-stock fraud." (I had to change my name after my father stole my identity and then threatened to steal it again, but I'll get to that part later.) I was 18 and a freshman in college when my father and his attorneys forced me to attend his trial at New York City's federal courthouse so that he "looked good" for the jury — the consummate family man.

And you, Jordan Belfort, Wall Street's self-described Wolf: You remember my father, right? You were chosen to be the government's star witness in testifying against him. You had pleaded guilty to money laundering and securities fraud (it was the least you could do) and become a government witness in two dozen cases involving your former business associate, but my father's attorneys blocked your testimony because had you testified it would have revealed more than a half-dozen other corrupt stock offerings too. And, well, that would have been a disaster. It would have just been too many liars, and too many schemes for the jurors, attorneys or the judge to follow.

But the record shows you and my father were in cahoots together with MVS Inc. of Vienna, e-Net Inc. of Germantown, Md., Octagon Corp. of Arlington, Va., and Czech Industries Inc. of Washington, D.C., and so on — a list of seemingly innocuous, legitimate companies that stretches on. I'll spare you. Nobody cares. None of these companies actually existed, yet all of them were taken public by the one and only Wolf of Wall Street and his firm Stratton Oakmont Inc in order to defraud unwitting investors and enrich yourselves.

As an 18-year-old, I had no idea what was going on. But then again, did anyone? Certainly your investors didn't — and they were left holding the bag when you cashed out your holdings and got rich off their money.

So Marty and Leo, while you glide through press junkets and look forward to awards season, let me tell you the truth — what happened to my mother, my two sisters and me.

The day my father had to surrender to prison, I drove him. My mother had locked herself in the bathroom crying and throwing up, becoming nothing short of a more beautiful version of Cate Blanchett in *Blue Jasmine*. Ironically enough, Marty, she looks like a cross between Sharon Stone and Michelle Pfeiffer. Totally your leading ingénue type. Anyhow, after my father successfully laundered money in my name, hiding what was left of our assets from the government in a Wells Fargo bank account, I arrived home to discover multiple phone calls from creditors and attorneys threatening to sue me. He'd left me in nearly \$100,000 worth of debt. He left and never told me.

After all of that liquidated money was gone from the Wells Fargo bank account, things got pretty bad. My younger sister ran away at 17. My older sister struggled to finish school in Texas. I couch-surfed for two years, sometimes dressing out of my car and stealing pieces of salami out of my boyfriends' refrigerators in the middle of the night, because I was so hungry and so ashamed that I couldn't feed myself. Tips at the restaurant weren't cutting it. It's a pretty confusing experience to go from flying private with Dad to an evening where he's begging you for a piece of your paycheck so he can buy food for dinner.

But, here's the real kicker —

I believed him.

I believed everything my father told me. I believed it was the government's fault he was going to prison and leaving his little princess, I believed it was your fault, Jordan Belfort. I believed that by taking out all those credit cards in my name, my father was attempting to save me. I believed him when he got out, and when he told me everything would be OK. I believed him until he tried to do the same thing all over again — until I was at risk of being arrested myself (and I'm saving that story for the memoir).

So here's the deal. You people are dangerous. Your film is a reckless attempt at continuing to pretend that these sorts of schemes are entertaining, even as the country is reeling from yet another round of Wall Street scandals. We want to get lost in what? These phony financiers' fun sexcapades and coke binges? Come on, we know the truth. This kind of behavior brought America to its knees.

And yet you're glorifying it — you who call yourselves liberals. You were honored for career excellence and for your cultural influence by the Kennedy Center, Marty. You drive a Honda hybrid, Leo. Did you think about the cultural message you'd be sending when you decided to make this film? You have successfully aligned yourself with an accomplished criminal, a guy who still hasn't made full restitution to his victims, exacerbating our national obsession with wealth and status and glorifying greed and psychopathic behavior. And don't even get me started on the incomprehensible way in which your film degrades women, the misogynistic, ass-backwards message you endorse to younger generations of men.

But hey, listen boys, I get it. I was conned, too. By. My. Own. Dad! I drove a white Range Rover in high school, snorted half of Colombia, and got any guy I ever wanted because my father would take them flying in his King Air.

And then I unraveled the truth. The truth about my father and his behavior: that behind all of it was really just insidious soul-sucking shame masked by addiction, which we love to call ambition, which is really just greed. Greed and the desire for fame (exactly what you've successfully given self-appointed motivational speaker/financial guru Jordan Belfort, whose business opportunities will surely multiply thanks to this film).

For me, it's become goddamn unbearable.

But I refuse to give up.

Belfort's victims, my father's victims, don't have a chance at keeping up with the Joneses. They're left destitute, having lost their life savings at the age of 80. They can't pay their medical bills or help send their children off to college because of characters like the ones glorified in Terry Winters' screenplay.

Let me ask you guys something. What makes you think this man deserves to be the protagonist in this story? Do you think his victims are going to want to watch it? Did we forget about the damage that accompanied all those rollicking good times? Or are we sweeping it under the carpet for the sale of a movie ticket? And not just on any day, but on Christmas morning??

So here's what I'm going to do first. I'm going to hand you my shame. Right now, in this very moment. The shame that I've been carrying for far too long as a result of being collateral damage. Because each of you should feel ashamed. And then I'm going to go pre-order my tickets to August: Osage County in support of Julia and Meryl — because, at least, as screwed up as that family is, they talk about the truth.

I urge each and every human being in America NOT to support this film, because if you do, you're simply continuing to feed the Wolves of Wall Street.

Yours truly,

Christina McDowell

PS. Quick update on Dad: He is now doing business with the Albanian government and, rumor has it, is married to a 30-year-old Albanian translator — they always, always land on their feet.

Salam Tun,

Terima kasih kerana buka topik ni. Amat terpanggil dengan apa yang AlJazeera siarkan.

Rasanya kalau ikut macam kes bunuh biasa...asasnya patut ada mangsa, ada pembunuh, ada saksi, ada bukti, ada tempat dan ada motif. Itu yang dibentangkan pada Yang Arif... Tuan Hakim.

Kita tahu siapa yang mati. Siapa yang bunuh. Senjata yang digunakan. Di mana dibunuh. Tapi tak diketahui motif.

Kalau saya ambil tukul besi ketuk kepala ketua polis negara, mesti sah kena tangkap. Bila disoal siasat mesti yang siasat tanya kenapa saya ketuk kepala IGP dia orang. Bukankah "KENAPA" saya ketuk tu, bertujuan untuk tahu motif. Kalau sebab saya gila pun boleh diambil kira sebagai sebab atau motif juga.

Jadi berbalik kepada kes altantuya ni, si pelaku sudah pun mengaku. Dua orang polis. Dia orang ni terlibat dalam cinta tiga segi berebutkan si altantuya tu ke? Apa yang dia berdua ni marah sangat kat altantuya ni? Sampai kena letupkan. Razak Baginda kata memang polis yang dua orang ni yang bunuh altantuya dan tak perlu pertikai lagi jika ada penglibatan orang lain.

Razak Baginda....kalau tak bersalah kenapa nak sampai lari keluar negara? Macam mana Razak ni begitu yakin yang Najib tak pernah jumpa Altantuya. Kalau tanya Rosmah yang tinggal serumah dengan Najib pun belum tentu jawapan tu boleh dibuktikan. Ini kan pulak Razak baginda. Bila reporter tu tanya balik "how do you know?"terkulat kulat pulak nak jawab...

Masyarakat dunia nak tahu "kenapa" altantuya dibunuh sampai macam tu sekali oleh dua orang polis. Kalau orang biasa yang bunuh pun kita nak tahu juga "kenapa" Kalau jawapan sedia ada ialah kerana diarah... Siapa pula yang arah? Soalan ni tak ditanya oleh para peguam yang bijaksana ke? Atau tak boleh tanya?

Yang hairannya.. Najib kata kenyataan si sirul masa di australia tu rubbish. Sirul ada sebut nama Najib ke....yang arah dia bunuh altantuya?

Masa mahkamah jatuhkan hukum dulu pun orang dah tertanya tanya motif. Inikan sampai sirul lari.

Bila Najib nak band Al Jazeera pulak? Hantarlah surat lawyer tanya macam surat lawyer ke The Egde. Lepas sebulan dua suruh lawyer tanya lagi. Tanya je?... Bila nak saman ni? Tak habis putar fakta lagi ke? 6 bulan baru siap skrip ke?....

Sampai bila " NAK IKUT PINTU BELAKANG NI?".... Rambut Rosmah tak lepas masuk pintu depan ke? Hehehe....

Salam Tun.

1. Sekarang Al Jazeera pula dikatakan ada komplot untuk menjatuhkan Kerajaan pimpinan PM sekarang.
2. Masalahnya sekarang ia akan diambil pot oleh pihak Polis dengan tindakan undang-undang bila disangkutkan dengan PM negara kita.
3. Bermakna apa-apa keburukan yang diutarakan kepada Perdana Menteri Malaysia akan dikatakan cubaan menjatuhkan negara Malaysia.
4. Bukan sahaja Tun tetapi termasuklah Rimba Emas dan rakyat jelata yang lain yang tidak bersetuju dengan tindakan Perdana Menteri pasti akan dicap mahu menjatuhkan negara Malaysia.
5. Apa maknanya ini ? Adakah Malaysia ini milik Perdana Menteri Malaysia dan kebal dan tidak akan melakukan kesalahan dan kebal dari di bicarakan.
6. Murahny harga diri kami yang tidak bersetuju dengan tingkah laku PM dengan senang sekali di hukum bersalah kepada negara walau pun tidak melibatkan diri dalam masalah seperti kes 1MDB, cukai GST dan seperti yang dikesahkan oleh TV Al-Jazeera ini.
7. Malah kisah yang diutarakan TV Al Jazeera telah merendahkan martabat pihak Polis yang disalahkan oleh mahkamah. Walau pun dijatuhkan pada dua anggotanya seolah-olah tamparan kepada pihak Polis kerana mengaji seorang pesalah.

8. Tindakan kepada pihak Polis supaya faham bahawa adakah sepatutnya berkhidmat kepada negara atau kepada seorang PM.
9. Malah pihak Polis tidak cuba mempertahankan anggotanya tanpa mempersoalkan kenapa sanggup bertindak cara ganas meletupkan tahanannya yang tidak bersenjata bak melawan gerila komunis.
10. Tindakan mengilang tidak waras yang boleh menghentikan kerjayanya dan apa bahayanya mendiang Antantuya sehingga diperlakukan dengan amat kejam.
11. Pasti ada sesuatu di belakang tindakan maha kejam ini. Ini lah yang menjadi tanda tanya pihak penerbit Al-Jazeera dan Rimba Emas yang membelakangkan hukuman mahkamah yang lebih kepada pesalah yang mengebomnya.
12. Bicara atas perlakuan sebelum tindakan pengeboman boleh mendapatkan sebab-sebab tindakan zalim ini dilakukan. Malah pesalah ini asalnya bukan kenal dengan mangsa. Mangsa dikenalkan kepada pihak Polis oleh seorang tertuduh lagi iaitu Abdul Razak Baginda.
13. Abdul Razak Baginda inilah yang kenalkan mangsa ini. Malah beliau pernah diteruramah oleh pihak TV3 dalam satu program. Dikatakan pakar dalam bidang persenjataan yang sudah tentu kenal pada seorang Menteri Pertahanan. Siapa Menteri Pertahanan ketika itu ?
14. Siasatan kisah dalam penjualan persenjataan dan hubungan agen ini dengan Menteri Pertahanan dengan komisen yang diterima dan penyiasatan kehidupan peribadi serta hubungan yang dirahsiakan akan menolong mangsa dan tertuduh sekarang serta maruah Polis dari kaca mata yang sangsi dengan peristiwa kejam ini.
15. Allah s.w.tlah yang maha berkuasa lagi maha mengetahui.

Wallahua'lam.

Salam, Tun

Apa malangnya Malaysia hari ini....???

Macam2 sedang berlaku....perbuatan rasuah, salah guna kuasa lazim berlaku di mana2 kerajaan yg tiada integriti dan maruah.

Tetapi yg paling amat2 malang adalah perbuatan jenayah oleh kerajaan yg governing.

Undang2 negara telah di perkosa dgn bantuan drpd ketua2 badan2 yg berkaitan.

Secara terang2 jenayah, rasuah dan salah guna kuasa sedang berlaku dan tiada seorang pun yg memiliki kuasa termasuk Raja2 Melayu menjalankan tugas dgn rasa takut kepada Allah dan bukan manusia.

Wahai org2 Melayu, tolonglah selamatkan negara ini, drpd org2 yg tiada hati perut di kalangan kamu. Hanya bangsa Melayu sahaja yg boleh menjamin keselamatan negara ini.

Bila Melayu berkuasa kaum India dll yg miskin dan tiada ketentuan rezeki boleh hidup selamat dan terjamin.

Pemimpin2 kaum India dll tidak boleh di harapkan lagi. Tangan2 mereka sudah menjadi kotor dan berdarah. Mereka ntk mampu lagi lakukan apa2 kerana Allah Mereka hanya mampu lakukan kerana nafsu....dan gila kuasa.

Unsur2 kesyaitanan di perlihatkan dlm sistem pemerintahan. Allah sahaja boleh mengalahkan.

Bala menanti org2 yg rakus dan zalim.

Assalamualaikum Tun.

Datuk Seri Najib patut terima hakikat ketentuan qada dan qadar bahawasanya beliau mungkin tidak dapat memimpin Malaysia lebih lama dari Tun Mahathir.

Walaupun beliau berasakan diri beliau tidak bersalah, tetapi rakan rakan disekeliling boleh membawa rebah.

Lihatlah contoh seperti kes Razak Baginda dan 1MDB yang melibatkan Jho Low.

Bermati matian Datuk Seri Najib mempertahankan rakan rakan beliau ini. Sehingga ke Parlimen.

Bila ura ura inginkan Jho Low datang memberi keterangan, maka seluruh badan siasatan di tunggang terbalikkan.

Orang masjid akan berkawan dengan orang masjid. Terimalah hakikat Datuk Seri Najib.

Jangan kata diri kita baik apabila berkawan dengan orang kurang baik.

Terima kasih Tun.

Assalamualaikum Ayahanda Tun,

I've seen the Al Jazeera documentary via youtube which have hit almost 1/2 a million viewers within 3 days and came to know about many new findings which is so scary.

Can't keep on pondering why Pak Lah did not take the effort to call upon his SB's to double check and do his own internal investigation like Tun used to do against his deputy many 2 years ago. Maybe he just want to maintain sleepy rather than becoming sleepless thinking about his deputy.

Yes the government should take action and sue Al Jazeera.

Well now we have conspiracy from the british (sarawak report), the american (wsj) and the donor's arab states (al jazeera).

With all these publicity will Najib attend the United Nation summit tomorrow and miss to see live the so-called rakyat support for the most scandalous PM via the Red Shirt rally.

Or maybe he may consider taking a long leave at least 2 months abroad and lets the original task force resume investigation.

Wasalam Tun.

Dear Tun Dr. M,

I do feel there is a lot for the PM to answer re. this documentary. As usual, he brushed it off as a "conspiracy" and did not dare to defend himself.

I have always followed your comments on "Malaysia Insider" and elsewhere regarding our present PM. This is the first time I am commenting on your personal blog because I fully support what you have said about the state of affairs of our country, particularly the PM himself.

I am indebted to you for being very frank and brave (even though you are no longer our PM) to tell Najib to step down. I am very sad and disappointed that Najib is more stubborn than ever and is defying his countryman by not listening to senior mentor like your goodself. Please Tun, continue to use all your ingenuity at your disposal to bring him down in order that Malaysia's image has some hope of redemption. Thank You, Tun.

Dear Tun,

Instead of questioning Al-Jazeera, Wall Street Journal and Sarawak Report's credibility, Najib should

seriously consider suing Sarawak Report, Wall Street Journal and Al-Jazeera

Dear Tun,

1. Orang yang bersalah memang akan defensive dan takut akan bayang-bayangnnya sendiri. Tetapi walau macamana dia lari bayang-bayangnnya itu akan tetap mengekori serta menakutkannya.
2. Najib tunggu apa lagi. Sila saman WSJ dan Al Jazeera.
3. Sirul Azhar dan Azilah Hadri mesti mati kerana mereka adalah bukti pembunuhan Altantuya. Yang lain-lain tak penting sebab mereka sudah diputuskan daripada link kes. Sirul dan Azilah tidak ada pilihan kunci mulut sebab kalau tidak anak bini keluarga juga akan turut disembelih.
4. We have become a hope-less nation Tun.
The disease has spread from head to toe, the cancer has spread and corrupted the whole system from with in and out that nothing could save the life.
5. Sikap orang melayu, cina, india sukar berubah selagi mereka berpegang kepada konsep toleransi bukannya penerimaan.
6. Harapkan keajaiban atau miracle? Doa sahaja tidak memadai tanpa usaha yang bersungguh-sungguh.
7. Mahukan perubahan kena berani. Berani potong cantas buang kanser itu. Berani buang barang buruk yang sudah berulat. Baharulah dapat diganti dengan yang baharu yang bagus dari dalam ke luar, luar ke dalam.

Terima kasih Tun Mahathir. I love you to the moon and back!

Jika denganmu salah
Kutak mahu yang benar
Jika denganmu rebah biarlah kutercalar
Walau dilanda badai
Kusanggung kerna ku mampu
Kita berdua bersatu

Jika denganmu kabur
Kutak mahu yang jelas
Jika denganmu hanyut
Biarlah aku lemas
Walau dilanda ribut
Kusanggung kerna kumampu

Kita berdua bersatu

Salam Tun,

I think all Malaysians including myself were shocked to see the documentary. All things are leading back to the highest authority, with new revelations ; cover-ups, commissions, Razak Baginda pulled the trigger?!

Of all the people involved, Azilah & Sirul were the least with motive to kill, other than merely taking

orders. And not to disrespect the deceased, but the lady was not quite the saint either, when conducting her business with them. But everybody is getting something for their part, that's for sure. I think things will unravel more & a million questions will be answered, once Najib is removed. Tun, thank you for your concern with the rakyat. You could have stayed quiet and minding your own business (like Pak Lah, but then he's always been stupid), but you are always there for us.

16. I hope the trial will be opened again to save the lives of the 2 fall guys.
